BY THE FLOGMASTER

Random Praise for the Flogmaster's Writing

Best story I've read in a long time!!!!

M.S.

Intense. Those are some crazy numbers of strokes! :-o. Colleen was clever indeed to win that challenge.

R.S.R.

Wooof! Ms Lakley decided to deliver an unmistakable message to that young lady.

G.

Really enjoyable and quite believable.... It's great to read a story about a woman finding fulfillment. Thanks, and more please.

B.W.

*That's intense and stays inside Charlie's head wonderfully, without judgements other than hers. Am I right in thinking I should be visualising Joseph Cotten? Fantastic, disturbing story. If it is related to *_Shadow of a Doubt_*, it keeps the film's theme of betrayal & fascination brilliantly.*

D.K.

Sweet, sexy, fantasy, skillfully told.

P.K.

Pretty steamy and very nicely done!

Selected Excerpt

Derek would have laughed with relief if he didn't find the situation so humiliating. The young Headmistress looked strong and fit, but a punishment from her was nothing compared to what Skidmore would do. It was just shameful to be slipped by a woman. A dozen to each cheek was nothing at all.

"Fine," he said. "Beat me and let me go."

"Good. Then I'll get my cane."

Derek tensed. *Cane?* he thought. *I thought the girls only got the slipper.* Then he remembered the Headmistress saying something about caning Maisy. That distracted him for a few seconds as he imagined that girl's gorgeous bottom offered up for the rod, scarlet stripes spanning the cheeks.

He was jolted back to reality when he saw the Head opening a wall cabinet which was filled with rods, paddles, and leather straps. His jaw fell open. He began to sweat as he saw her select one of the longest, most vicious rods in the collection. It was easily six or eight inches longer than the senior stick Skidmore used.

Derek felt dizzy thinking about two dozen strokes. Then he remembered that this was a *woman* and he relaxed. That must have been why Skidmore had suggested that quantity—two dozen from her was like one from a man.

A black and white illustration of a woman with dark hair, wearing a black top and light-colored stockings, sitting on a simple chair. The woman has a neutral expression and is looking directly forward.

A Femdom Spanking Novel

BY THE FLOGMASTER

The Flogmaster's erotic writing contains adult content, including the severe corporal punishment of adults or minors (consensual and non-consensual), sexual activity, and other politically incorrect topics.

About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

Paul Bunyan and the Great Lakes

(★★★★, M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as F6/f24, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like “sex” or “anal” (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any “spoilers” that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

Prologue: A Covert Meeting

Where a naughty boy is caught with his pants down.

Maisy was a petite girl with the body of a slut. It was as though God had taken a 5'8" girl of voluptuous proportions and squished her down to 5'2", expanding everything to the point of absurdity. Her tits were bigger than coconuts and a casual look would suggest that her hips were more than twice the diameter of her waist, though it was an optical illusion and she wasn't quite that curvy.

Still, she was plenty sexy for Derek, who thought she was hot enough to risk a caning. Unfortunately for him, the reverse was not true.

He was eighteen and a senior at Brentwood, the private

boys academy a mile away and across the river. He had no idea that the womanly Maisy Davis was a mere sixteen and only a sophomore. Nor did he realize that the prestigious Heatherly Hall, which was much smaller and more exclusive, also favored the rod for punishment. Everyone at Brentwood thought girls were delicate and only got the slipper.

Derek had rendezvoused with Maisy on two prior occasions and he approached this third with the same confident swagger. He couldn't wait to see Maisy and let her take him in her sexy mouth and then turn her around and put his cock up her big bottom. The gardener's shed wasn't the most romantic location, but it was deserted at night. Besides, he didn't care where they met. He would have been happy to do it in a coffin in a cemetery.

"Maisy!" he hissed. "You there?"

The shed was dark, as was most of the stone building behind. Only a few lights were on, probably teachers up late reading. Derek pulled open the wooden door and went inside, pausing on the threshold for his eyes to adjust to the gloom. He saw the vague shape of the riding lawn mower, shadowy tools hanging on wall hooks, and heavy shelving full of equipment and landscaping supplies.

Where was Maisy? His cock twitched with excitement at the thought of her fulsome little body, with the huge pillowy breasts and that plump, sexy ass. He grinned, undoing his jeans and pulling out his eager dick. The relief was intense, the pants too cramped for his arousal.

He heard a sound behind him and turned, realizing that she was a few seconds late and just arriving.

“Hey there, sexy,” he said in a low voice as the door swung open. His hand was on his cock.

Then he froze, frowning. The figure in the opening was definitely feminine, but much too tall to be Maisy. The silhouette was closer to 5'8", nearly his 5'11". But she was sexy. He saw a trim waist and prominently curved hips, and bosoms that were half the size of Maisy's but still wonderful.

“You're not Maisy,” he said with a shrug, “but Derek ain't picky. Let's see those titties!”

The figure didn't move, looming large in the doorway. There was something vaguely intimidating about the woman and Derek felt the first prickle of uncertainty.

“Who are you?” he said.

“Someone who protects my girls!” came the response. The voice rang with adult authority.

“Oh shit!” cried Derek, realizing he was caught. He started to run forward when the figure made a move. Something silvery flashed in the moonlight and tiny alligators suddenly bit the young man right in the chest. Lightning flashed and the jolt was so strong his knees buckled and he went down. The electric charge continued to buzz and it robbed him of all motion ability, except for being able to fall flat on his face.
