Flogmaster's
Fantasies

VOLUME ONE

*A collection of the Flogmaster's
fantasy spanking stories!*

Random Praise for the Flogmaster's Writing

Short and most effective. The ending makes for the perfect yarn.

N.B.

No one does a severe story better than FM.

B.O.M.

I like this story, but I think this young FBI female agent must be paddled, not be caned in this scenario. Because FBI is a federal law enforcement Agency in the United States of America and I think paddling is more popular punishment than caning in the U.S. setting.

T.C.C.

A masterpiece. Such a simple set up and expertly done.

O.B.

This is written in an interesting style, like a quick sketch done with a broad felt tip. At the beginning, it almost feels like an outline. Still, the Flogmaster has hit all of the important points, confidently leaving the rest to the reader's fertile imagination.

G.

That was too charming. Although I would not care for a public spanking, others have their own tastes and proclivities. What can one say?

I.C.

Interesting way to play poker. One could easily become addicted.

C.S.

Selected Excerpts

From *Fantasy 023: Joan*:

Perhaps that's where I came up with the concept of maintenance spankings. All I know is that from a young age, I started thinking about the idea that I would get spanked every week whether I had been bad or not. When I first thought of this it was in fear. I was young, perhaps seven or eight. I somehow convinced myself that this was going to happen: I was going to get spanked every Saturday night no matter what. I lay in terror in my bed all week, and when Saturday evening came, I was bouncing off the walls in panic. Of course, the spanking never came, but that only increased my apprehension for the next week's maintenance spanking.

From *Fantasy 027: Becca*:

You always want what you can't get, right? Well, I've never joined a sorority and I doubt the modern sisterhood would fit my warped mental image of one anyway, but my deepest desire is to get a truly horrendous hazing by a sorority.

From *Fantasy 035: Haley*:

Now I'm not an exhibitionist and the idea of being spanked in front of all these people, while mildly titillating, is mortifying. I'd never be able to look at anyone in the eye again. No, what I want is for the spanking to take place while no one there knows about it!

non-consensual), sexual activity, and
other politically incorrect topics.*

About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

Paul Bunyan and the Great Lakes

(★★★★, M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as F6/f24, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like “sex” or “anal” (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any “spoilers” that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

Fantasy 001: William

(★ ★ ★ , F/M—Severe, nudity, S&M, whipping)

A man imagines being dominated by a roomful of women.
(Approximately 554 words.)

I am blindfolded and gagged and led into a room. My hands are bound above my head, my ankles tied together and fastened to the floor. I am only wearing a pair of shorts and these are unceremoniously pulled to my ankles. My naked cock dangles out in front of me, exposed.

Then I hear the women. Dozens of them. I cannot see them but I imagine they are young and pretty, and naked, or nearly so, perhaps in skimpy lingerie. I hear their voices, chatting mindlessly about make-up and shopping. Idle chitchat as though I am not there. I smell their perfume as they walk around me, still talking and giggling. They ignore

me.

A hand slaps my cock. Another pinches my bottom. A riding crop is thrust between my legs. I am helplessly bound. I cannot move or even turn. I wiggle and moan. I cannot speak. A hand caresses my back, my bottom, another touches my chest. A warm feminine body pressed against my side, a tongue licks my ear, my cheek. A finger slides over my lips and into my mouth. I suck it.

Someone slaps my bottom, hard. Another squeezes my nipples. The tone is changed now, the actions cruel. The women are still talking to each other as though I am not there. I am like a little puppy dog at a tea party, the women patting my head and caressing my bottom but generally ignoring me.

Then they begin to whip me. They move in a circle around me. The whips are thin and light and the strokes sting a bit but do not cut the skin. They could whip me all night like this. The blows rain down on my body. The whips lash my back, my buttocks, my legs. They strike my neck, my chest, my belly, even my cock. Occasionally a blow will come up between my legs, either from the front to the back or the back to the front, the tail of the whip striking me with a fierce sting.

I am whimpering now. My whole body is alive with stings. My cock is hard, painfully hard, but the whipping continues. The women continue to talk casually as though I am not there. I begin to cry. Tears pour down my face. Then the women are touching me again, fondling my cock, patting my blazing bottom, licking and sucking my nipples. Each time I am about to come they whip my bottom hard.

Then suddenly I begin to come. My body jerks with orgasm and I thrust blindly forward, shooting my sperm out into the unknown darkness. The whips are all in use now, thrashing my buttocks and thighs without mercy, punishing me for my lack of control. I can feel semen dribbling down the sides of my cock. I collapse, spent, exhausted, my skin tingling with pain.
