**REAL-LIFE SPANKINGS**

**VOLUME TEN**

*A fresh collection of the Flogmaster's  
real-life spanking stories!*

# Random Praise for the Flogmaster's Writing

*This seems a brilliant set up to a long and engaging relationship. I wish Jessica would have been around when my student loans were due. Thank you for an excellent read.*

**HTS**

*Yes, that girl's punishment was about as thorough as corporal punishment gets. And done in only a few words too.*

**G.**

*Even after all these years this story is outstanding! Still love it.*

**WVZ**

*Aww, extremely cute story. If I was the teacher she would get there twelve times a week, easy.*

**O.G.**

*The early descriptions of the tensions around being in lockdown together were so realistic and the behaviour of the teenage girl with her eye rolling, not doing her school work, leaving dirty clothes around were like a fly-on-the-wall documentary. It's good that spanking sorted her out and made her and her father closer.*

**KPE**

*I was quite moved by a lot of this story. A favourite.*

**S.M.**

*I have \_always\_ wanted to get taken to the woodshed, thanks for a great story.*

**T.J.**

## **Selected Excerpts**

### **From *What's One Extra Butt?*:**

By the time Cindy and I stood, there were already a row of four or five naked bottoms bent across bales. I was astonished that there was no quarter given for sex: the girls were just as bare as the boys!

Even as I thought this, Cindy gave a great heaving sigh of resignation, pushed down her dungarees and underwear, and knelt across the hay with her naked cheeks sticking up. The man looked at me sternly. I was accustomed to being included with Kendals and it never occurred to me that I wasn't really a part of this.

### **From *I Got My Cousin Spanked*:**

I stared at Sheila's white panties. They clung to the round bulges of her cheeks, with a good portion of the fabric disappearing into deep crevice between the mounds. It was almost like she'd been given a wedgie.

Sheila's ass was really chubby, the buttocks pronounced and curvy. I was shocked when her mother yanked the panties down in several irregular jerks, the underwear gripping the butt tightly and then releasing it with a bounce. The cheeks wobbled and then my cousin's ass was bare.

### **From *Spanked In Front of Girls*:**

Britney got out of the shower and heard the commotion. She showed up with a white towel around her middle, barely covering her tits. Her skin was gleaming wet, her blond hair in a bun on her head. She saw what was going on and stared right at me, a big grin on her face. She was loving it!

I was mortified, but couldn't do anything. Aunt Doris was bigger than me and had me trapped. Her hand kept such a rapid stinging of my ass that I was weak and couldn't do anything but wiggle and moan.

"Get me my hairbrush, will you, dear?" Aunt Doris said to her daughter.

**REAL-LIFE SPANKINGS**

## **VOLUME TEN**

*A fresh collection of the Flogmaster's  
real-life spanking stories!*

*The Flogmaster's erotic writing  
contains adult content, including  
the severe corporal punishment of  
adults or minors (consensual and  
non-consensual), sexual activity, and  
other politically incorrect topics.*

## About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

***Paul Bunyan and the Great Lakes***

(★ ★ ★ ★ , M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as *F6/f24*, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like "sex" or "anal" (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any "spoilers" that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

# An Educational Mother

**(★★★★, F/ff—Severe, non-consensual ruler spanking, caning)**

A woman tells of her mother's strict approach to education.  
(Approximately 886 words.)

**M**y mother immigrated from the Philippines when she was in her late teens and struggled to make a life for herself in the States. She has never spoken much about the details, but from the glimpses I got, it was harsh and brutal. It's because of that experience that she became obsessed with the importance of education.

She married my father later in life, in her 40s, and bore him two daughters, myself, Lai, and my little sister, Kalia, two years later. She was always strict with us, much

more so than our father, who liked to spoil us. He worked quality control for a manufacturing concern and spent three weeks of every month on the road, inspecting factories and facilities all across the country. It was a good job that paid very well and he loved his family, but he was always working.

Therefore it was my mother who raised and disciplined us and she did so in the ways of what she knew. We were spanked across her lap regularly and I never remember any other punishments such as time-outs or revoked privileges.

As we got older and I hit my teens, Mom resorted to the cane for formal punishments. I don't know where she got it, but it was a genuine rattan, long and hard, incredibly flexible, and it hurt like hell. We were always caned on the bare bottom. Usually Dad wasn't around so that was fine, but occasionally we were disciplined when he was home and that was terribly embarrassing.

Even though Mom had many rules and punished us severely when we broke them, or perhaps because of that, we were good girls and canings were relatively rare, just six or eight times a year. The severity varied according to the offense. At age 12 I might get a dozen strokes for a serious fault.

It was around this time that Mom became obsessed with our grades. She began monitoring my homework and if I got any bad marks she gave me "bad marks" with her wooden ruler or cane. Kalia was soon subject to the same rules even though she was two grades below me.

Every day after school we had to go straight home and have what was essentially more school. We'd sit for hours doing homework and studying. If we ran out of work, Mom would assign more from future chapters of our textbooks.

What began as simple scoldings for mistakes soon became smacks with a wooden ruler. This was used for small faults, such as each spelling error on my vocabulary quiz. I'd have to stand up and raise my skirt and lean forward against the table. Mom would lower my panties and apply two or three good whacks of the straightedge.

This was for each offense, so over the course of a homework session, I might be spanked two or three. Some offenses were more, such as the aforementioned spelling situation where I'd get smacked for each mistake.

While the ruler was painful and stung intensely, it was nothing compared to the cane. The cane was reserved for more serious faults such as imperfect tests, incomplete work, academic failure, laziness, and so on. It was not uncommon for my sister or I to receive at least one stroke of the cane every day. These were less formal and less severe than a full whipping, but still hurt.

The good news was that they were spread out over several hours. Upon arrival, Mom would go over any homework, quizzes, or tests we'd had returned to us. This often mean a spanking to begin the lesson, because she smacked for any grade less than 95%. Hopefully it was just the ruler, but if I had a bad test I'd get a cane stroke for each percent below 95.

Then she'd have us give her a list of assignments and homework. We'd sit—often on throbbing bottoms—and work for an hour and then she'd check our progress. If we hadn't accomplished enough, the ruler might be used to encourage us. If we'd finished some homework, she'd go over it with us and if she found mistakes or the quality wasn't there, it'd be more smacks, sometimes with the cane.

This process would be repeated for the next two hours, meaning spankings at the top of every hour and then again when everything was done. Smacks were impossible to avoid. It was rare—like a few times a year rare—that Kalia or I could go through an entire study session without earning spansks.

I didn't mind the ruler too much, but the cane really hurt and left welts that lasted a day or two. Often I'd end up with ones at the top of my thighs that would burn every time I sat the next day.

But the lessons did help Kalia and I focus. We rarely did too poorly on anything academic, for even a 98% was considered disappointing. We both went to university and got master's degrees in our fields and have had successful lives. I didn't like my mother's methods when I was a kid, but I can't deny they made me who I am today.
