*Brevity is indeed the soul of wit! A poignant story, told by a master, in an economical yet truly elegant fashion.*

**HDW**

*This is a truly odd story, even for the Flogmaster. [He] must be superhuman.*

**G.**

*A very good story.*

**W.W.**

*Poor girl, one cannot help feeling sorry for her. Will she be quite so fashion conscious in future or perhaps rather more restrained in the style she chooses?*

**P.T.X.**

*What a novel concept. This story is a prime example why you have been one of the truly prime authors of the entire CP scene for many years now.*

**S.C.**

*Terrific. I had no inkling of what would happen. The story was told with a sparse language which counterpointed urgency with the mysticism of the subject matter.*

## **Selected Excerpts**

### **From *Dating White Trash*:**

Brandi yelped and wiggled, those hips moving like she were on *Dancing with the Stars*. Her bare tits bobbed and shook. Her buttocks wobbled as the belt did its work, stinging her right through her panties. She yelped and howled, big tears falling from her eyes, but she stayed in position over the chair.

Her creamy bottom started to redden and it was clear to me this was a familiar scene for both of them. Brandi was whipped regularly and it didn't matter that she was nearly 19. She still lived at home and she'd get strapped every night if that's what it took.

### **From *Mommy Gets Spanked*:**

"Warden Entertainment has a zero-tolerance policy for cheaters. I'm sorry, but you're expelled."

"But it's my first offense! There must be another punishment." The idea of spanking was still in Nikki's head. The words popped out of her mouth before she could think them. "You could spank me!"

### **From *Sorority Sister Swats*:**

I suggested my Big paddle me instead of me doing chores. I'd done something wrong—probably her coffee was cold or I was late or slow—and I gave her my paddle and said, "Just hit me with this."

Then I bent over and offered her my bottom. It was early in the morning and I was in my PJs. The bottoms were thin and quite tight across my rump. I could feel my large ass rounding and sticking out, and I itched to feel the board stinging me.

***REAL-LIFE SPANKINGS***

**VOLUME ELEVEN**

*A fresh collection of the Flogmaster's  
real-life spanking stories!*

**("ADULTS")**

*The Flogmaster's erotic writing  
contains adult content, including  
the severe corporal punishment of  
adults or minors (consensual and  
non-consensual), sexual activity, and  
other politically incorrect topics.*

## About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

***Paul Bunyan and the Great Lakes***

(★ ★ ★ ★ , M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as *F6/f24*, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like "sex" or "anal" (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any "spoilers" that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

# A Barn Strapping

(★ ★ ★ ★ , M/F—Severe, semi-consensual strapping)

When a dare goes wrong, a girl takes a strapping in the barn.  
(Approximately 1,530 words.)

**I** suppose I should start by describing myself. I'm five-ten with a stocky build. I have curly blond hair, brown eyes, and an average but not unattractive face. I have really sweet tits, if I do say so myself. They're big enough for a nice handful, but not so huge they're a drag on my life, if you know what I mean. I also have a large butt. I don't mind—it suits me—and it's a nice shape, pretty firm since I'm physically

active, though I do get self-conscious about in certain outfits and angles.

This particular event happened a few years ago when I was 18 and visiting my cousins in Alabama. I mentioned I'm athletic: in high school I was on the volleyball and softball teams. I did some soccer and swimming, too, but that's just because I like to keep active. (These days I mostly hike and do yoga, because it's hard to do team sports after college.)

All that is important because it was my competitiveness that got me in trouble. My boy cousins, Dwayne and Hoyt, were 17 and 16 at the time. They both talked smack and we competed in basketball (they had a hoop in their driveway), baseball, and tackle football. Our rivalry grew as I beat them or at least held my own and made them sweat in everything we did. The stakes went up and we started placing bets.

Then those brats set me up. They got me to gamble on shooting their 22 rifles at bottles set up on a fence 100 yards away. I'd never fired a gun, but foolishly thought it would be easy. They beat me hollow and I had to carry through on my dare.

They'd talked me into daring to throw a rock through the barn loft window. It took me quite a few tries—the opening was only about a foot square—but just as I made it Uncle Elroy came out and saw what I was doing. At first, he was furious with the boys, thinking they were throwing rocks, too. I didn't know that the boys had been

forbidden from doing this already. I'd walked right into their trap.

"You know I promised you a lickin' if you ever threw rocks at the barn again!" my uncle roared. He was already undoing his thick leather belt.

"It was all her, Dad," Dwayne said. "We didn't throw a one!"

"Yeah, we told her not to do it," lied Hoyt.

Uncle Elroy looked at me and I blushed and nodded. I wasn't the kind of person to shirk her responsibilities. If I screwed up, I owned up. I didn't really think he'd whip me, though. I was his niece and a guest, and I was 18 years old.

"Is that true, Elly?" he asked me.

"Yes sir. It was a dare. To see if I could get a rock through that window."

"I ought to take my belt to you," my uncle said slowly. "But you didn't know it was forbidden."

He started to loop his belt back through his pants. That's when I did something nutty. I don't know why, but right at that second it felt wrong to be let off. Maybe it was my competitiveness. Maybe I wanted to show off to my cousins, prove I was as tough as them. Maybe I was just curious about the whipping.

"Hold on, Uncle Elroy," I said. "Don't treat me any different than you would your boys. If I deserve a whipping, then you'd better whup me!"

Those were brave words, foolish words, but I said them. It's possible I didn't think Uncle Elroy would carry

through. Maybe I figured he'd appreciate my spirit but still insist on letting me off.

But he didn't do that. He stopped putting the belt on, thought for a few seconds, and then pulled the leather strap off his pants. It looked as long as a python and twice as dangerous as he held it up.

"Very well, A whipping it is." He waved me toward the barn. I headed that way, wondering what I was doing. I was too proud to change my mind, though.

Once we got into the building he took me over to a wooden railing. "Drop your drawers and bend over that," he said gruffly.

"Excuse me? Did you say to take down my pants?"

It had never occurred to me the whipping wouldn't be over my jeans. Now I regretted being such a show-off and felt like a fool.

"Pants *and* panties," he said sternly. "You get the belt on your bare skin."

I was horrified. "Now just a minute, Uncle Elroy, I'm a ger-" I stopped, my face hot and red. I couldn't believe I had been about to pull the "I'm a girl" defense. I *hated* that. There was nothing worse than being told that just because you were born a certain way you couldn't do the same things as someone else. I'd always been first to prove that I could do anything a boy could. I couldn't stop now.

"Never mind," I said. I took a deep breath and then unzipped my jeans and pushed them down to my knees. My panties were harder. They were thin and didn't cover

much, but I still preferred them on. Bare, my ass felt the breeze. Uncle Elroy had left the barn door open. I knew without a doubt that Hoyt and Dwayne were peeping, though when I glanced that way I couldn't see them.

I went to the railing and leaned across it. My uncle urged me to get up and well over, so I was on my tiptoes. My big ass was mooning him and I was blushing and trying not to think of anything else he might see. My crack is pretty deep since my cheeks are so chubby, but with the skin stretched tautly I knew my buns were spreading and my privates were on view.

But I didn't have to worry about that for long. That leather belt whistled through the air and cracked across my butt like a lightning bolt. I jolted at the incredible sting. It felt like I'd been electrocuted. I would have risen up and maybe moved away, but I was folded so far forward it took a lot of energy to get up and the pain drained me. I gulped and gurgled, wiggling my hips, but I stayed in position.

The belt whirled and cracked again and I felt another streak of fire light up my ass. It was pure lava and the more seconds passed the deeper the pain penetrated. I must have howled. Tears blurred my vision.

But then I grew stubborn. I got angry. I was pissed off at how much it hurt, furious at myself for reacting like that after just two measly strokes, and I couldn't bear to think how my cousins would mock me if I cried like a kid getting a spanking.

The leather kept whipping into my butt and the tops

of my legs, but I didn't let it bother me. I gritted my teeth and held on, clutching at the railing at my knees so I'd stay in position. My butt was rounded high behind me, a perfect pose for punishment. Uncle Elroy didn't hold back. He whipped me as hard as he'd ever whipped the boys. Stroke after stroke, my cheeks growing red and welted, and then more across my thighs.

Eventually it ended. I was sore, my butt and thighs burning, but somehow it wasn't as bad as I feared. I climbed off the railing and put my hands back and felt my buttocks. The smooth skin was now feverish and covered with little bumps and welts. It ached, but I didn't mind it.

I was actually reluctant to pull my panties and jeans up. The cool air felt so good on my ass. With my pants on, the heat was trapped in there and the cloth felt extra-snug.

"You took that well, Elly," Uncle Elroy said. He'd put his belt back around his pants.

"Er, yeah," I said. "Thanks. Sorry about the rocks and stuff."

I held out my hand and he shook it. It was really strange. No idea why I did that, but he didn't seem bothered or that surprised.

Together we left the barn and he closed the doors. I saw my cousins lurking and discreetly flipped them the bird. They were looking rather awed and I loved that. I pretended like I wasn't sore.

"So what do we do now?" I said. "Shall we swim across the pond?"

“The pond’s on the neighbor’s land. That’s trespassing,” said Hoyt.

Dwayne nodded. “We’re not allowed over there.”

“That ever stop you?”
