Random Praise for the Flogmaster's Writing

I'd love to play this kind of game!
J.Z.

Superb story and writing. I didn't want it to end!
B.O.N.

Yes, in San Francisco I could believe most anything like this could have an element of truth in it. But after combining sex, spanking and desert dishes, they would be in dire need of a shower before they re-dressed. This sounds very sticky!

Unlikely, but very exciting!

Beautifully written.

A fantastic story and an elderly gentleman made very happy by a charming and happily married, young lady; who also got what she needed. Superbly written and most enjoyable. Thank you.

The way this was put over was masterly. A real favourite.

Selected Excerpts

From *City Whipping*:

They made me stand in the corner, pants and panties down, my trembling bare butt on display as I contemplated my doom. It wasn't terribly long—maybe 15 or 20 minutes—but it felt like forever.

A minute or so before the train, Mom or Dad would have me over their lap, a wooden hairbrush raised and ready. I always hoped the train would be late or it wouldn't show up at all, but it always did. The moment we heard that first screech, the brush would crash into my ass, and I could yell as loudly as I wanted and not a single neighbor would know.

From *Girlfriend's Shorts Paddled*:

Shelia immediately began begging her dad not to spank her. The way she did it made it sound like spanking wasn't an uncommon thing. She didn't sound shocked. It wasn't, "Oh Dad, don't be ridiculous." It was more, "Oh God, not the paddle, Daddy, please!"

Her dad ignored her pleas and just spun her around and slammed that wood into her round seat. I couldn't believe how hard he hit her. It wasn't play. This was a serious swat, like something Coach might give the football players. *WHAM!*

From *Plump Little Bum*:

I started noticing the butts of others in greater detail. I was aware of their shapes and even subconsciously began categorizing them. There were the bubble butts, the wide loads, the tiny pancakes, overplush muffins, pears, apples—a whole fruit salad of bottoms. When I was at church or school or a public place I'd mentally put people into groups and keep count of what I saw.

REAL-LIFE SPANKINGS

VOLUME TWELVE

*A fresh collection of the Flogmaster's
real-life spanking stories!*

*The Flogmaster's erotic writing
contains adult content, including
the severe corporal punishment of
adults or minors (consensual and
non-consensual), sexual activity, and
other politically incorrect topics.*

About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

Paul Bunyan and the Great Lakes

(★ ★ ★ ★ , M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as *F6/f24*, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like "sex" or "anal" (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any "spoilers" that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

My Best Spanking

(★★★★, M/ff—Severe, non-consensual spanking, paddling, strapping)

A girl's big sister is always getting her spanked. (Approximately 1,787 words.)

To tell you about my best spanking, I have to explain about my sister. She's a few years older than me and we never got along. I think she resented me from the start as I came along and took away the limelight from her.

For as long as I can remember, she was always getting me in trouble. She'd lie and say I did stuff I didn't, pinch me and when I retaliated I'd be caught and spanked, frame me for things she did, and so on. I cannot count the number of spankings I got that she deserved.

By the time she was a teenager, she was considered too big to spank, while I was just 11 or 12 and still small enough to go over Mom's lap. She'd use a wooden hairbrush on my bare bottom and redden my cheeks until they glowed in the dark.

If I had done the crime, at least the spanking was fair, even if I didn't like getting it. It was twice as bad when Lynnette had turned me in, grinning as she tattled. But the worst were the times when she got me spanked for her sin. Then the spanking hurt ten times as much and I really resented it.

That was magnified by her being immune from spanking herself. She would taunt and tease me, rubbing her big round fanny, and giggling as she waltzed away scot-free. It infuriated me and usually I ended up in worse trouble, spanked extra for rebelling or for trying to blame Lynnette for my faults when I pointed out *she* was the naughty one.

"But Daddy, Lynnette took the money from your wallet, not me!"

"Stop lying, Patricia. We found the Dairy Queen receipt in your bedroom. You spent \$18! Where's the rest of the cash? And don't you dare try and shift the blame to your sister. Take down those jeans and get over my lap."

He then pulled down my panties and spanked my ass with his hand to warm me up, then used Mom's hairbrush until I thought I was going to die. My butt had never been so hot!

I was crying my eyes out and just relieved it was over,

but then he got the leather strap—a weapon he'd only threatened me with—and gave me 13 blistering licks, one for each year I'd been alive. I screamed at every lash and sobbed in the corner for 20 minutes afterward.

That spanking was particularly galling because Daddy raided my piggy bank and took away the \$32 I'd been saving for months, thinking it was the leftover from what was stolen. That night, just to torment me, Lynnette modeled the new blouse she'd bought with the money, showing off her full tits and laughing at my fury.

I figured since I'd been spanked for stealing I might as well actually steal, a plan that went over about as poorly as you might expect. Since Mom and Dad were on alert, I chose to “borrow” from Uncle Ralph. I knew he kept cash in the safe in his home office and I also knew the combination because I'd once seen him open it.

There was no problem sneaking in there on Friday afternoon and taking out \$60 (I figure I deserved some interest for my suffering). He had over \$1000 there and I didn't think he'd miss it and even if he did, it might be weeks later.

It was just my luck that Uncle Ralph had counted it the day before and sorted the bills, and he went back that night for some reason and noticed the discrepancy.

That's when my luck turned.

Earlier that day Uncle Ralph had gone over the home's security arrangements with Lynnette, who was going to house-sit in about a week. He'd even shown her how to access the safe, since that's where he kept his gun.

He immediately assumed that it was *she* who'd taken the money. He reported it to our father, who happened to catch my big sis with \$40 in her jacket pocket.

"Where'd you get that?"

"It's birthday money," she claimed.

But she couldn't prove it. Her time also happened to be unaccounted for that afternoon. She said she was with her friends, but Dad didn't consider them to be reliable witnesses since he believed they'd lie for her.

I, it was assumed, was in my room as usual. Since I was quiet and stayed in so often, no one even suspected I'd snuck out. With me ruled out and few other possible suspects, Lynnette was considered guilty.

Dad confiscated the money, which caused her to lose her shit and say some things she immediately regretted. Pretty sure she called him an "asshole," a word he really doesn't like, but I was mostly aware of how she tried to throw me under the bus by reminding Dad how I'd stolen from him just two weeks ago.

"Patricia was in her room and I checked her piggy bank. It's practically empty," Dad said. "You were out and knew the combination to the safe. It's clear you did this, Lynnette, and I'm furious at you for continuing to deny it!"

"But Daddy—"

"Enough! You might be nearly 18 and a high school senior, and I know I haven't spanked you in ages, but the way you're acting tells me that was a mistake. I'm going to paddle you, young lady, and I hope this teaches you a

lesson.”

“What? You can’t do that! I’ll be 18 in a few months.”

My Dad wasn’t listening. He’d gone to his office for his fraternity paddle, a big blond board he keeps on top of his bookshelf. I’d always assumed the thing was a parody, not something you could realistically use. It was so long it would be awkward, if not impossible, to swing.

But I hadn’t studied the paddle in years (it was too frightening). I also hadn’t compared that board with my big sister’s growing body. What had seemed monstrously huge to me at six years old now seemed about the right size for Lynnette’s broad hips and chubby bottom.

She looked at him like he was nuts, especially when he told her to take down her jeans. “Hurry up, or you’ll get the strap, too.”

“This isn’t fair! I didn’t steal anything,” she shouted. “You’re such an asshole!”

“And you just earned the belt after your paddling.”

Gritting her teeth in fury, Lynnette pushed her jeans to her knees and bent over. She tried to keep her panties on, though they didn’t cover much, leaving a good four inches of bare butt poking out at the bottom of each leg hole. Dad made her take them down anyway.

Then he started blasting her butt with that big board. The *whomp!* sound it made was amazing. It was a low *thump* that seemed to rattle your teeth. Lynnette yelled like she was being killed. Dad ignored her cries and turned her ass sunset red.

Within a minute my big sister’s face was a flood of

tears and it was wonderful to see her sobbing like a baby. She writhed, howled, and begged Daddy to go easier on her. She was bent over the sofa arm, her round ass up in the air, and the paddle just was blistering those cheeks like I'd never imagined possible.

On the one hand that terrified me, since it looked so painful, but on the other this was Lynnette, not me, and I relished my revenge. The fact that she wasn't guilty actually made it all the better. I should have felt sympathy or contrition, but I didn't. She'd gotten me unfairly spanked maybe 100 times and now that she was getting a spanking she didn't deserve it seemed like poetic justice.

When Dad finished paddling her with a 17th swat to her plump red ass, he exchanged the paddle for the strap. I remembered that flat piece of leather well. It was thick and stung like fire across your bare skin. I'd gotten 13, my age, so I fully expected Lynnette to get 17.

Dad started lashing her rump and she shrieked and kept trying to cover her burning bottom with her hands. Every time Dad said the swat didn't count and he was adding an extra. It didn't seem to stop her from covering up. He finally threatened to double her whipping, which frightened her enough into taking her hands back and hugging the sofa. He got in perhaps six lashes without any trouble.

But then she put her hands back again, rubbing frantically at the sting.

"Enough of that!" Daddy roared. "You're getting double now."

While my sister pleaded and begged, he whipped her ass raw. he finished up the first set of 17 and added that many again. It took several long minutes, with pauses for her to stop wiggling so much. Then he added on all the extras she'd earned. I lost count, but I figure she must have gotten close to 50 lashes and that was *after* her butt was raspberry red from the paddle.

Lynnette ended up in the corner, half naked, hands on her head, sobbing her heart out for 15 minutes. Daddy made her stay for another 20, just so she'd think about what she'd done. I don't know how much thinking she did, unless it was planning revenge on me. For some reason she seemed to think I had something to do with her getting spanked. Like how could I have engineered that? It was Dad's idea, not mine.

But that was *my* best spanking—the one I actually deserved and didn't get. Sadly, it didn't change Lynnette's attitude toward me. She got me in trouble a dozen more times before she graduated and went off to college and then I finally had a break.

It wasn't much of one, because by that time Dad had decided I was a bad girl and I still got spanked at least once a month for dumb stuff. I don't think he much let off until I was 16. Even then I wasn't immune from corporal punishment; it just didn't happen as often.

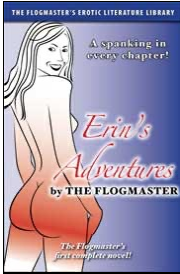

Sis and I have mostly made up in adulthood. We're cordial, but we don't talk or hang out. She moved several states away, so that contributes, but there's also a lot of childhood baggage we don't discuss.
