REAL-LIFE SPANKINGS

VOLUME FOUR

*A fresh collection of the Flogmaster's
real-life spanking stories!*

Random Praise for the Flogmaster's Writing

Enjoyed the story.
CANADIANS PANKEE

A good, sound twenty-minute spanking certainly will prove to be much more effective if delivered atop a half-dozen blazing-hot caning weals, won't it?
C.K.

Sweet story. I don't normally care for canings, but this was just right.
JUDE

It is amazing the things we can get used to, and not be able to live without. Well done. Nicely written.
LANGAD

The title caught my eye, as it promised description of specific clothing which regulations stipulate must be worn for punishment. The story did not disappoint.
SAL2013

*How cruel for her: she thinks she's finished when in reality...
Fantastic story!*
SVERGE2302

So creative.
CATMAMA

Selected Excerpts

From *Camping*:

I came out of a grove of trees into an opening. It was sort of like a swamp, really, with high grasses growing along the water's edge for thirty or forty feet. Before the water there was a bare spot of exposed earth, here, a natural clearing. The ground was too sandy for anything much to grow. Lying on this ground on her stomach was Whitney.

She was utterly nude.

From *Housemother*:

On the kitchen counter was a bamboo cutting board. It was rectangular with rounded edges and a convenient handle. Mrs. Belford snatched it up, pushed me back down (I was still on my hands and knees), yanked up my skirt, and walloped my sexy "princess" undies. Unfortunately, I was still wearing them, and their translucent silkiness didn't do squat to protect my tender flesh from the sting of that board. I woke up in a hurry, let me tell you!

From *Tiny*:

My wife Rachel makes women jealous. With her high metabolism nothing she eats has any effect on her. When her friends are picking at salads with low-fat dressing, she's ordering a cheeseburger with the works and finishing it off with a slice of cheesecake. Naturally they all hate her.

Of course, if the full truth of Rachel's life were known, I'm not sure how many of those women would choose to be in her shoes. You see, Rachel gets spanked. A lot. As in all the time. Saying she gets it daily is probably an understatement. And these spankings aren't mild. They are quite severe. That's what Rachel wants, so that's what she gets.

REAL-LIFE SPANKINGS

VOLUME FOUR

*A fresh collection of the Flogmaster's
real-life spanking stories!*

*The Flogmaster's erotic writing
contains adult content, including
the severe corporal punishment of
adults or minors (consensual and
non-consensual), sexual activity, and
other politically incorrect topics.*

About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

Paul Bunyan and the Great Lakes

(★★★★, M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as F6/f24, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like “sex” or “anal” (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any “spoilers” that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

Evening Dress

(★★★★, M/F—Severe, consensual spanking, paddling, sex)

(Approximately 961 words.)

Have you ever spanked a woman in an evening dress? Trust me, you're missing out if you haven't. It's the favorite thing my wife and I do.

She dresses to the gills in a stunning gown. The specifics of the gown don't matter that much, as long as it's sexy. It can be low in the front and low in the back, strapless, glittery or silky, tight or diaphanous. The only critical things are that the gown be new and unworn, and that *she* feels sexy wearing it.

I always spank my wife a little before she puts the dress on. Nothing too much—just several minutes over my knee to get her lovely tush a hot pink. I'll finish up with a stern dose

of the hairbrush or licks from the big frat paddle. Then it's "pop on the dress and go." She doesn't want to lose that hot bottom—she knows if I find it cool to the touch she'll get a refresher.

At the event—it's always an event, a soiree or charity ball—she's the eye of everyone as she circulates in that drop-dead-sexy gown. Yet no one even suspects that just inches from their eyes, under that thin gauze of fabric covering that glorious tush, is flesh glowing hot from a bare bottom paddling!

My wife and I dance and I treat her like a queen all night. Gentlemen pat me on the back and tell me I'm lucky. They have no idea. People tell my wife how stunning she is and she's on top of the world, receiving envious glances from all the other women.

No one knows that in a few hours, when we get home, this delicate society figure will be howling at the moon as I ignite her bare rump into an outrageous inferno.

Only she and I are aware of the secret, and it's a wonderful torment for her. She's not wanting the night to end but knowing it will. I'm drinking in the view and anticipating the delicious dessert to come. She's on edge all night, though she can't show it, smiling and making nice with everyone, and all the time that looming butt-roasting is in the back of her mind.

It's such delicious anticipation.

After our night on the town and the limo drops us off at home, we're tired and the house seems eerily quiet and deserted after the chaos of the society function. But we're both thrilling at what we know is next. For her, there's is

real fear, for she knows that the post-event punishment is not going to be a mild one.

I make her strip off the gown in the foyer. She can keep the high heels and diamond earrings and expensive necklace. Everything else must go. Naked, she is unbelievable. Her body is fantastic, with more curves than a NASCAR circuit. Those twin breasts, so daringly hidden by her cleavage, are all mine to see and enjoy. Their perfect form, plump and prominent, with rosy tips already stiff and hard, entreat me from beneath that elegant chin. They quiver slightly as she moves, tottering on her heels. My eyes follow down that sleek belly to the rounded hips that enclose a perfectly coifed garden, the blond hairs so faint they're barely more than a light furry carpet. She wet and erect, droplets of dew decorating the swollen pink lips and protruding pleasure nubbin.

I turn her around with a twirl of my finger, my intake of breath profound though I've seen her nude countless times. Her buttocks are what dreams are made of, wide, round, deep, and rubbery firm. Her skin is the color of pale honey, like spun gold, absolutely flawless. It's blushing a little from the earlier spanking, a hint of what is to come, and the sight stiffens me to ravenous action.

Still dressed in my monkey suit I lead her downstairs to the dungeon where her tortures will last most of the night. Already she is trembling, and that stumble is not caused by the high heels or too many glasses of free champagne.

What follows is our special secret, as I use every tool in my extensive arsenal to bring out all the reluctant pleasure from that shapely body. She suffers all over: breasts, belly,

back, buttocks, thighs—even her genitals—and yet the pain is liberally mixed with intense pleasures that boggle the mind. It’s difficult to tell which are louder: her screams of agony or her shrieks of joy.

We fall asleep in the wee hours of the morning, exhausted beyond endurance, and usually we don’t rise until noon. When I awake the first thing I see is her lovely form, reddened and marked from our naughty games, and trapped in whatever torturous position I bound her before sleep. I tease her, knowing she is desperate to relieve herself and cursing all she drank at the party, but it’s my call when she’s released.

The spectacular brunch I have arranged is ready: freshly squeezed orange juice and hot Brazilian coffee, eggs Benedict, melon and berries, croissants still warm from the oven with butter and apricot jelly, grilled potatoes and onions and sweet peppers topped with cheddar, baked halibut cooked in sherry, and pineapple sorbet with sliced mango and a sprig of mint. It’s a calorific feast, but we know we’ve more than burned them off.

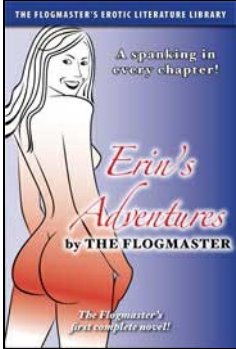

We eat like starving orphans, leisurely bathe, and then defile ourselves again with a long afternoon of endless rutting and love-making. It’s usually late when she retrieves the crumbled gown by the front door with a soft contemplative smile.
