Selected Excerpts

From *Almost Didn't Graduate*:

I picked the thickest pair of panties I had, but they didn't make any difference. That second paddling was twice as bad as the first. My butt was only a little bit red from the day before, but it was tender, and the five swats were excruciating. I kept getting up and begging Principal M to keep me a rest before the next. Fortunately, she was nice and not in a hurry and didn't mind me rubbing between licks.

From *I Dated a Principal*:

He made the first one bare just as hard as the last one over my skirt. Wow! My eyes watered furiously and I felt like I was going to die. That wood stung *so bad*.

But I stayed down and got more whacks. I suppose it was a pride thing. I didn't want him to think I couldn't take it. I started the whole thing on a lark, and I have to admit, it felt really sexy raising my skirt and lowering my panties. Until I felt the pain of those swats, that is. Then... not so much.

From *Pool Party*:

Maggie kept pleading, saying she was a responsible adult now, and finally he said, "If you have a pool party, it'll be with you getting your bare butt paddled in front of everyone!"

There was a stunned silence for about two seconds, all of us shocked. I figured that was the end of that. But Maggie didn't miss a beat. She promptly said, "Okay! Thanks, Dad!"

About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

Paul Bunyan and the Great Lakes

(★★★★, M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as F6/f24, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like “sex” or “anal” (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any “spoilers” that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

Almost Didn't Graduate

(★★★★, F/F—Intense, consensual paddling)

A girl has to make a tough choice to graduate. (Approximately 1,511 words.)

At my school we had a choice of detention (ISS) or taking licks with a wooden paddle. About half the time students chose the paddle.

I was not one of those. I had sensitive body issues. Even at age 18 my senior year I was still overly self-conscious about the size of my butt. For that reason I usually wore loose skirts and dresses, not pants. This was significant because if you were to be paddled and were wearing a skirt or a dress, it had to be raised. If you wore pants, you got the licks over your pants. I have no idea why it was that way, but the idea of wearing tight pants and having someone look at my butt to spank me bothered me more than any pain.

So I always chose detention the few times I got in

trouble. The thing with detention is that if you missed a scheduled appointment, you had to serve it again and one more day was added to your tally. Missing several could really add up the days!

Shortly before the end of my senior year I got a detention for talking in class. I served the detention that Friday. Maybe the teacher on duty was already on his weekend, but somehow he never recorded my attendance.

I didn't know that at the time, however, and went on my merry way planning graduation, anticipating summer, and my first year in college. Meanwhile, my "missed" detention day kept getting extended because I didn't show up. (It's all computerized, so it happened automatically.) In the end-of-year chaos, I missed seeing any emails notifying me of this (I probably thought they were routine notices and ignored them).

Three days before the end of school I was summoned to the principal's office. She had bad news for me: I was not going to be allowed to graduate. I was flabbergasted and couldn't figure out why. Then she explained I had *five* days of detention unserved.

"There's no way you can serve that many before the end of the year," she said. "Since we're not allowed to give out diplomas to students with outstanding discipline issues, you won't be able to graduate with your peers. You'll have to do summer school and serve your ISS time then."

I couldn't believe it. It took some investigation to figure out what had happened. I explained I *had* served by detention the previous Friday, but though she was sympathetic, she had no way to prove my claim.

“Please,” I begged. “This ruins all my summer plans. And my extended family is coming to my graduation. We’re doing a whole family reunion thing. It’ll be awful for all those people to come and I’m not even graduating!”

“I’m really sorry.”

“Isn’t there *something* that can be done? I’ll do anything!”

Principal M frowned. “There is one possibility, but you won’t like it. I’ve noticed you’ve never taken the paddling option.”

My eyes went open in horror.

“It’s three swats per detention. That’s 15 licks. There’s three days to do that and you’d still graduate.”

I was horrified, but I knew that was the only way I could graduate. “I’ll do it,” I said. “But that’s a lot of swats.”

“Yes, it is. I vote we do five a day for three days so you don’t have to take them all at once.”

That sounded much better. I was relieved. I should have thought it through more.

There were two mistakes I made in my haste. First, with three days left, I *could* have done three detentions and reduced my paddling to just six swats.

Second, I didn’t realize the benefits of getting all the paddling done at once. Spreading it out over three days sound better, but it turned out to be far worse, for I had extra days of dread and anticipating and had to endure the whole drama of going to take a spanking two extra times.

But at the time I was in a panic. Principal M was nice and made paddling seem like not a big deal, so I quickly agreed and sealed my fate.

Because time was so tight, we had to start right then. I was wearing a dress, naturally, so it had to be raised and got five swats on my panties. She gave them to me while I was leaning over her desk and I was surprised at how much they hurt.

Like I'd mentioned, half the discipline cases at the school optioned for the paddle, so I'd assumed it didn't hurt that much. I was wrong there—every whack was pure agony. I got a spank every 10 or 15 seconds, which was just enough time for the worst of the sting to start to fade and then the next lick would double it. I was weeping by the fifth.

I was relieved it was over, but now I had the problem of knowing I had two more days of paddling left. Right then I didn't care—I just was glad the wood wasn't burning my butt any more—but the next day I was miserable.

The first decision I had to make was what to wear. The paddling would happen in Principal M's office after school, but there wouldn't be time for me to change. Did I want to wear jeans all day just for that? Denim sounded like it would protect my butt, but that paddle was so big and solid, I wasn't sure how much difference it would make. If I'd had more experience getting paddled I'd have known, but I didn't, and that's when I made my third mistake, thinking that panties and jeans would be similar.

So I wore a skirt the second day. I picked the thickest pair of panties I had, but they didn't make any difference. That second paddling was twice as bad as the first. My butt was only a little bit red from the day before, but it was tender, and the five swats were excruciating. I kept getting up and begging Principal M to keep me a rest before the

next. Fortunately, she was nice and not in a hurry and didn't mind me rubbing between licks.

For the third day, I decided to wear jeans. My butt was still quite red that morning and the thought of five more whacks was dreadful. It was my last day of high school and people were surprised since I wore pants so rarely, so I got a little bit of teasing, which was harmless but hurt me since I was so sensitive. I made up some story about my mom being behind on the laundry and the jeans all I had left to wear.

That whole day dragged. All I could think about was my after-school appointment. Twice I went to the bathroom and in a private stall took down my pants and tried to look at my butt and see how sore and red it was.

Finally the final bell rang and I trudged to Principal M's office. She was sympathetic and asked me how my butt was doing.

"Pretty sore," I said.

She looked concerned and asked if I minded if she took a look. I was probably hoping she'd relieve me somehow, so I agreed and took down my jeans and my panties. She looked at my bare ass critically, then palmed one cheek and squeezed. I jerked and she released the buttock.

"You are sensitive, but there's no real bruising or danger of broken skin. Five swats over jeans shouldn't be a problem."

So I was still getting my spanking. I pulled my stuff back on and bent over her desk. The jeans felt strange, so tight across my ass. They actually hurt a bit, because I was so tender.

Then I got the first whack. If I hadn't been sore, I

wouldn't have even minded it. Jeans made a *huge* difference. The licks still hurt, and I became aware that the thicker fabric tended to trap the heat against my bottom. The last two were especially difficult, but I got through them.

I was crying a little, but it was mostly with relief. I hugged Principal M and she said she'd put my punishment served in the computer so my diploma would be available.

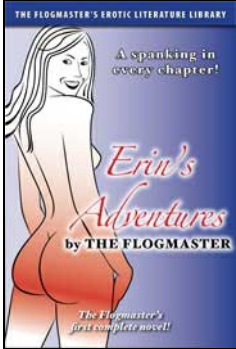

Saturday was the graduation ceremony. My whole family was there, along with distant aunts and uncles and cousins. It was great to go up on stage and get my diploma. When Principal M handed it to me she gave me a little wink and we shared a secret.
