Selected Excerpts

From *Pash On My Teacher*:

For fun I'll call her Miss Greatbum, because she was so sexy. She was young, in her early 20s, with a great figure all the boys noticed. She favored tight skirts that showed off her bum, and I became enamored of her.

One day she was fed up with my cheeky remarks and lack of attention and ordered me to see her after school. The thought of her caning me was intoxicating.

From *Hiding It*:

Then he got behind me and started to spank my ass with that paddle. He held it with one hand and I suppose he didn't hit that hard, but it stung like hell. I was yelping and crying. He warned me against putting my hands back to protect my bottom, but even though that was tempting, I was far more concerned about showing him my sex, so I wasn't about to move my hands.

That's when the interesting thing happened. My hands weren't just hovering protectively over my crotch, they were gripping it like I was afraid it would escape. When that wooden board started to light up my ass, I naturally started to wiggle and dance, and my movements effectively rubbed my pussy against my hands. I started feeling a nice tingling sensation there. It made me want to rub more.

From *Saw a Girl Spanked in the Woods*:

"Mommy, please!" the girl was crying. Her mother was pulling her by the arm. It was a struggle and the mother was exasperated. She spotted a fallen log and sat on it, pulling the girl toward her.

I had an eerie sense that *something* was about to happen. I held my breath. The two were less than twenty feet away from me. I had a great view as she spread the howling and protesting blond across her lap.

REAL-LIFE SPANKINGS

VOLUME EIGHT

*A fresh collection of the Flogmaster's
real-life spanking stories!*

*The Flogmaster's erotic writing
contains adult content, including
the severe corporal punishment of
adults or minors (consensual and
non-consensual), sexual activity, and
other politically incorrect topics.*

About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

Paul Bunyan and the Great Lakes

(★★★★, M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as F6/f24, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like “sex” or “anal” (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any “spoilers” that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

Babysitter Training

(★★★★, F/f, f/F—Intense, semi-consensual spanking)

When a girl wants to become a babysitter, she gets advice and training from an older girl. (Approximately 1,474 words.)

When I was in my mid-teens, I wanted to start babysitting to make money. My mother was doubtful, as I hadn't always been that responsible. I kept begging and nagging, and finally she suggested I talk with a girl named Donna, who was the daughter of a good friend of hers.

Donna was in college by then, but she'd babysat in our neighborhood when she was my age. She'd even babysat me a few times, but that had been about eight or ten years earlier and I didn't really remember her.

So I met Donna at her little apartment. She was a

stunning brunette with the curviest figure I'd ever seen. Her waist was microscopic, but she had broad rounded hips that flared out and made her seem impossibly sleek. She had a cute face and wore her hair in a pony tail. She was wearing light green jeans and a tight dark green shirt that was molded to her body. I confess I was a little jealous!

She complimented me and said I was "darling" and that all the little boys I would sit would have crushes on me.

She made a pitcher of sweet tea and we sat and talked. She gave me many tips on how to run my business, what to charge (especially for extra services), how to schedule my time, and much more. It was really awesome.

I'd been there more than an hour and had a whole pad of notes. I started winding things down when she asked me what I thought about spankings.

"They hurt," I said with a giggle.

She laughed. "Sounds like you've had experience *receiving* them. What about giving them?"

"No, I've never done that. You think it will come up?"

"It's bound to at some point," she said. "With some brats—and a few little bitches—it's the only discipline solution that works. When I babysat, I would prioritize parents that let me spank. The ones that wouldn't, I would only take if I was desperate for the work. It just wasn't worth it. Kids know if you don't have authority and if you can't spank they'll just run right over you."

"I guess that makes sense. Though I'm not sure I'm comfortable spanking someone."

"Here. Give it a try on me," she said, and before I knew what was going on Donna was walking over to me on the

couch and spreading herself across my lap!

Her butt was gorgeous, big and ridiculously round, and so firm and solid I couldn't stop rubbing it.

"Come on, give me a spank," she said, so I tried. It wasn't very hard and she laughed and scolded me. I gave her a harder slap, and then another. "That's better, now keep it up, hard as you can."

I spanked her. Later I wondered what the hell was in that tea, but at the time I was just lost in the moment and it didn't even seem weird, just exciting and unusual. I put my left hand in the small of Donna's back where I could feel her strong muscles as she wiggled and writhed, while with my right hand I slapped those buns as hard as I could.

"Harder," she said. "I can't feel anything through these jeans."

"You should take them off, then," I joked, and to my astonishment, she agreed!

She got to her feet, shucked the pants right down, and laid back across my legs. Now her butt was practically bare. She had panties on, but they were tiny and high cut so probably 80% of her ass was on show. Her skin was so beautiful, smooth and pale, with only a hint of blush from my spanking.

Now I really went to work slapping those buns. It was work, too, for my hands started to ache and fingers were throbbing. When Donna saw me rubbing my hand and flexing my sore fingers, she nodded sagely.

"That's the problem with hand-spankings—they can hurt you more than the spankee!"

She clambered to her feet and said something about

being right back. She ran off to what I assumed was the bedroom and was back within seconds, now holding a wooden hairbrush. She handed it to me and said, “Go for it.”

“This looks like it will hurt,” I said nervously. The brush was pretty big with a rectangular shape that made a formidable paddle.

“I can take it. You need the practice.”

So I raised the brush and brought it down with medium force. Even that had to have stung, though. With Donna’s ass nearly bare, I could hear the *crack* and her gasp of pain. She jerked like a fish across my lap and I wondered if I’d hit too hard, but she nodded and said, “Yeah, just like that. Maybe a bit harder.”

I began alternating cheeks, going slowly at first, stinging butt here and there and all over. After a minute, with the first real signs of pink showing up, I sped up the spanks and made them harder. The feel of the mature college girl under me was fantastic, extremely sensual, and I felt myself getting excited. I spanked harder.

Donna grunted, but didn’t complain. She wiggled more, involuntarily twisting as the heat mounted. Her butt, big as it was, was soon scarlet all over and becoming dangerously dark red in places.

“There, I think that’s enough,” I finally said, rubbing my hand across her silky cheeks and marveling at the fantastic heat.

“Good. Now it’s your turn,” she said.

“What!”

“I’ll demonstrate how to give a *real* spanking,” she said.

“You’re not a afraid, are you? I just let you spank me.”

That was true and I felt I had no choice but to go over Donna’s legs. It was only fair, right? I was a lot more nervous in this position, especially when she insisted my jeans come down.

My panties weren’t exactly grannies, but they did offer full coverage. Donna’s solution to that was to gather them toward the middle and yank them up like she was giving me a wedgie. This bared most of the cheeks and she started slapping me there, while holding me by the back of my panties. When I wiggled, the gusset would pull into my crotch painfully.

Despite the sharp stings of Donna’s palm, I was turned on and became even more aroused by the way my panties were cutting into me. If I didn’t move, I felt the full impact of Donna’s spanks, and if I writhed, the wedgie drove me to distraction.

Just her hand spanking was hard, but I knew that she wouldn’t let me off with just that. I’d used the brush on her, so that was certainly in the cards for me. When she finally switched to it, my bottom was already warm and tingly.

The brush really *hurt*. I started to yelp and cry. She just told me that a babysitter can’t be swayed by the noise and fake tears of a spankee. She proved this by ignoring my begging and sobbing and just paddled me soundly with that brush. It wasn’t as long of a spanking as I gave her, but I was almost ten years younger and my ass wasn’t as big. I later decided what I got was fair.

Afterward, we stood side by side and compared our red butts in the full-length hall mirror. I was totally jealous of

how great her bigger bottom looked, though she kept telling me mine looked good.

“So, do you think you can handle spanking now?” she asked.

I realized then that I’d lost all my nervousness about spanking. Between spanking her and getting my own bottom warmed, I was relaxed and comfortable with the whole concept.

“Sure,” I said. “Thanks for the uh, lesson.”

“No problem. Any time you need any more pointers, just stop by.”

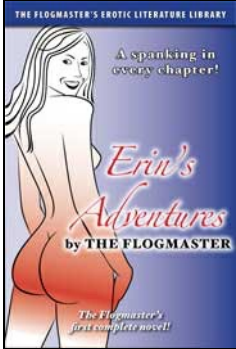

I walked home, my ass keeping me warm the whole way. I started up my babysitting service, and while there were a few problems, it went much better than it would have if I hadn’t talked with Donna. I did have to spank a few boys and two girls and it worked just fine. Donna was certainly right about them listening to me once I’d established my authority with a hairbrush!
