Selected Excerpts

From *Girlfriend's Sister Spanked*:

What caught my eye was the surprisingly mature and very sexy ass of the girl. It was projecting upward, since she was bent across her mom's legs with her head near the carpet. The cheeks were full and round—and completely bare. They were also quite pink as Jenny's mom was in the middle spanking those buns with a small, powerful wooden paddle.

As I stood there stunned, the wood came down with a *crack* instantly followed by a shriek from the girl, who tossed her braid wildly. Her hands scrambled against the floor as she rocked her body violently. Her mother held her sternly, however, and brought the board down again, seemingly even harder.

From *Mum's Friend*:

While Pamela was there I was distracted by her and spilled my tea. I was so flustered, in trying to clean it up I cracked the saucer, which really annoyed my mother. Before I knew what was going on, she'd gotten the strap and was ordering me to her side.

I felt like a tiny little boy as I blubbered before she even start striking me. I couldn't believe I was going to be whipped in front of Pamela. But that's what happened. My pants came down and Mum bent me over and held me on her left side with an arm over my back. She used her right to bring the belt hard across my bare bottom.

From *Spanked After School*:

I ended up in his office and after lecturing me on obeying teachers, he said he was going to give me swats. He took down the paddle then. It was a block of tan wood about 15-20 inches long. It scared me deeply.

He had me take off my skirt and bend across his desk. My panties were tight across my bottom. I felt extremely self-conscious of how I looked. I couldn't believe Father Thomas was seeing me almost naked.

REAL-LIFE SPANKINGS

VOLUME NINE

*A fresh collection of the Flogmaster's
real-life spanking stories!*

*The Flogmaster's erotic writing
contains adult content, including
the severe corporal punishment of
adults or minors (consensual and
non-consensual), sexual activity, and
other politically incorrect topics.*

About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

Paul Bunyan and the Great Lakes

(★ ★ ★ ★ , M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as *F6/f24*, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like "sex" or "anal" (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any "spoilers" that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

Spanked by Store Owner

(★★★★★, F/f—Intense, semi-consensual spanking)

A carelessness girl works off her debt to a store owner.

(Approximately 2,522 words.)

When I was a kid in the 60s, we didn't have a lot of money and I only got fifty cents a week for an allowance. It wasn't enough and I was always in debt. One day I was with some girlfriends at a small clothing store in town, just looking, and we started taking dresses down and holding them in front of ourselves pretending we wearing

them to fancy parties with our imaginary beaus.

It was a fun fantasy, but as we each wanted to outdo the other, when it came to my turn, I went overboard. I grabbed some items from a rotating display stand of sunglasses and costume jewelry and in my haste I accidentally knocked the whole thing over! It made a terrible crash and fake pearls went rolling all about and several pairs of the sunglasses were broken.

I stood there horrified, too stunned to move. Suddenly Mrs. Watson, the owner, had me by the wrist and was scolding me. I looked around and my friends had vanished. I was alone to face the music. Mrs. Watson knew my mom from church and I begged her not to report me.

“How are you going to pay for all these broken items?” she demanded. She was quite furious and I started to cry.

“I don’t have any money,” I said. “But I could come and work for you after school and pay you for the damage. But, please, you can’t tell my mom.”

“Why not?”

I blushed and hemmed and hawed and finally admitted, “Because she’ll spank me.”

“That’s just what you need for being so irresponsible. If you were my daughter, you wouldn’t be sitting for a week!”

I knew she was right and that my parents would have the same attitude. I’d probably get the hairbrush from my

mom *and* the belt from my dad. I might even get spanked more than once, especially if they had to shell out money for broken merchandise. It made me sick because I was 12 and thought I was too grownup for spankings.

“Please, Mrs. Watson, I’ll do anything. I’m so sorry!”

She considered the matter for what seemed like forever, while I waited there nervously, already dreading the thought of taking my panties down for my father to strap my bare bottom. That fear made me more receptive to her proposal.

“Are you free on Sunday afternoons?” she asked me. “You could help me with inventory for a few hours while the store is closed.”

“Yes, that would work,” I said. Daddy always took an afternoon nap on Sundays and my mom rested or read. I was usually left on my own and sometimes visited my friends. I could sneak off to the store and my parents would never know.

“It may take several Sundays. I’ll have to add up the damage and see how much you owe me.”

“Yes, Mrs. Watson, that would be fine. You... you aren’t going to tell my mom, though, right?”

“You really do deserve a good spanking.”

I blushed and tried to look grown up and failed.

“How about I spank you myself?” she offered. “You come here on Sunday at two o’clock and I’ll give you a good spanking and then you can work until five. I’ll pay you three dollars.”

Three dollars sounded like a fortune, though I guessed

the damage I'd caused to be much more than that. The idea of being spanked by Mrs. Watson didn't sound good, but surely it wouldn't be as bad as a spanking from my mom and a whipping from my dad.

"Okay," I said. "It's a deal."

"Good. Now help me clean up this mess and we'll figure out the damage."

Between the two of us we got the stand back upright and I helped gather all the items that had fallen off. Most things were intact, but a bracelet and two necklaces were broken as well as three pairs of sunglasses. Nothing was too expensive, but I blanched as Mrs. Watson added up the total and it was \$15! That was a year's worth of money for me. How could I have been so stupid?

"If you aren't here at two on Sunday, I'll be making a call to your mother," Mrs. Watson said before she let me go. I vowed to be on time.

I was actually a few minutes early. As instructed, I went down the alley to the back of the store and nervously knocked on the door there. Mrs. Watson appeared and led me inside, past a small bathroom and a large storeroom full of shelves and boxes. She took me to an office with a desk and some filing cabinets. There was a rolling chair behind the table and in front of it was a wooden chair with no arms. She sat on this and studied me.

"Before we begin our work, I'm going to spank you," she said. "Are you okay with that?"

"Do you have to? I'm 12 now and too old for

spankings!”

“You said you’re still spanked at home, so clearly you’re not. Would you rather I call your mother?”

“No, ma’am. I’ll take your spanking.”

“Good. Then take down those jeans and panties and get across my lap.”

I froze at these words. I hadn’t thought this through. Sure, at home I was spanked bare, but it had not occurred to me that Mrs. Watson would do the same. I was thinking it more like a school spanking, where Miss Bennett would give you swats with her little paddle over your pants or skirt.

Though I hesitated, I was trapped, feeling I had little choice. I wasn’t even sure that Mrs. Watson would let me work off the debt if I got my parents involved and I couldn’t imagine how angry Dad would be if he had to pay \$15 for my carelessness.
