spanking stories by the Flogmaster!*

Random Praise for the Flogmaster's Writing

I always like these types of stories, father/daughter. Good story.

SEBASTIAN

Truly an evil genius (the narrator, not the author).

NJRICK

Great story, scary and exciting. Enjoyed reading it.

LIZZYHAYES

This one hits the spot, Flogmaster. A great idea. Too bad we don't have TV commercials like this one in real life.

BENDOVER

Superb! Adult erotic spanking at its best.

WILKIN

I love this story. Especially how Brad helps Brittany become a better person.

LEBONTON

This is such a naughty, inappropriate story, but it was also fun to read. ;)

Selected Excerpts

From *Big Mouth*:

Her heart raced. She was partially terrified, and partially excited. This was going to be bad. This was their punishment for breaking the sorority curfew. For the next two hours, they were at the mercy of the boys of Kappa Kappa. It was exhilarating not knowing what was going to happen.

From *Cat Toy*:

Charlie had a vision of his wife wearing a short schoolgirl skirt more appropriate for their 10-year-old daughter than for a 31-year-old mother. As he watched, the beautiful woman shyly raised the skirt to reveal a plush rear end stretching a pair of white panties to the limit. The panties quickly descended to mid-thigh, leaving the smooth rounds of a full bottom on display. The woman touched her toes expertly, and Charlie lashed the chubby buns with the plastic rod.

From *Pajama Party*:

“Anything but that, please!”

“It’s a pajama party, Ashleigh.”

“No! You can spank me every night for a week. For a whole month!”

From *Sinspiration*:

That was when Nora got frisky. She’d snap at Jim and commit sins like leaving lights on in empty rooms. She’d put off going grocery shopping until the cupboards were bare. Most sinful, she’d spend huge dollars on skimpy lingerie that showed off her remarkable, not-so-little tush.

At the tantalizing sight of those juicy buns Jim would lose it, dragging a protesting Nora over his lap for a sound spanking. He’d tear off the scandalous outfit and slap her bare bottom with his palm until the cheeks glowed like fire.

Super-Short **STORIES**

VOLUME TWO

One hundred new 500-word erotic spanking stories by the Flogmaster!

The Flogmaster's erotic writing contains adult content, including the severe corporal punishment of adults or minors (consensual and non-consensual), sexual activity, and other politically incorrect topics.

About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

Paul Bunyan and the Great Lakes

(★★★★, M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as F6/f24, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like “sex” or “anal” (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any “spoilers” that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

A Generic Letter

(★★★★★, M/fff—Intense, nc paddling, caning)

A parent authorizes more severe punishments. (Approximately 529 words.)

Mr. Peters frowned at the letter.
He squinted at the signature, checked the
return address. There was none. Puzzling.

Dear Headmaster Peters,
I applaud your exemplary discipline policy at Callaham School. My daughter has shown much improvement. However, I request that she receive even stricter punishment than you currently employ. For all her future canings, please additionally apply the same of numbers of strokes with a wooden paddle. Also, all her punishments should be on the bare bottom.
If you are hesitant, please ask her if she'd rather you report her punishment to me, in which case she'll receive a triple dose of both implements at home. I suspect she'll prefer that you handle the discipline.
Thank you,
(illegible scribble)

The signature was hopeless. How was he to know which student deserved this additional attention? She wasn't named. He called in Cathy, his secretary.

"It's just a squiggly line, sir," she shrugged. "By the way, Amanda Fulk is waiting. Caught off grounds."

A few minutes later the petite blond was standing nervously before him. On a whim, the Headmaster showed her the letter, hoping she'd recognize the signature.

"Well?" he asked. "Do I notify your parents?"

The girl gulped and shook her head. "I'll take the extra here, sir."

"Bare bottom, as it says in the letter."

"Yes sir," blushed the girl.

She glanced at Cathy, watching as a witness, and obediently lowered her knickers and knelt on the hassock, her prominent bum thrust rearward. She winced as her skirt was raised, exposing her nudity.

The paddle Mr. Peters had was modest, a mere foot-long

plank of pine, but it did an amazing job of reddening the buttocks. The bright pink skin with a hint of purple bruising made a tender layer for the six with the cane. Amanda squirmed vigorously, yelping and gasping. The Headmaster was pleased by her repentant attitude.

A few hours later, Wendy Allen was presented with the same opportunity. She also agreed to the more severe punishment. Her crime was her second instance of running in the corridors, only four strokes, but the paddle and cane on bare skin made it memorable.

Just before the end of the day, Cathy showed up with sexy Stacy Wanamaker. “Smoking in the loo, sir. A mandatory eight. Plus, it was during class, which she didn’t attend. Another six.”

Stacy was a big senior whose broad bum handled the cane easily. She looked bored until she read the letter. Her jaw dropped and she went pale. “I can’t believe my mum!” she mumbled, quickly shedding her knickers and offering up her bare buttocks.

Cathy grinned as the paddle turned the girl’s whiteness crimson. Fourteen with the cane left the mighty bum well-stripped, and a somber Stacy departed.

“This letter’s handy,” said Mr. Peters. “Punishments are finally sufficient.”
