spanking stories by the Flogmaster!*

Random Praise for the Flogmaster's Writing

This was very deep and dark. If the girl wants to demoralize herself for the sake of a stupid sorority group, so be it.

BENDOVER

I have never read a story this intense before this moment. Whew! I can barely catch my breath. What a magnificent piece!

ISLANDCAROL

Very good. Exciting read.

LIZZYHAYES

This is well thought out and written.

LITTLEJEFF

This was well done, brief to the point of terse, with no back story to entertain us we had to concentrate on the issue in front of us: that of those perfect buttocks being thrashed. Lovely.

OPB

This is such a naughty, inappropriate story, but it was also fun to read. ;)

SARAH89

Worth reading!

GUY

Selected Excerpts

From *A Wicked Game*:

If you aren't familiar with Chutes and Ladders, your goal is to move your piece from square one to square 100. Some squares have chutes (slides) that send you backwards, while others have ladders that let you take a shortcut forward. There's no skill at all: it's pure dumb luck.

Which is why it makes a fantastic spanking game.

From *Fully Deserved 1*:

As Ben flexed the rod she dove over lithely, fingertips brushing the tops of her toes. The proud buttocks rounded and broadened, the black fabric of the swimsuit disappearing further into the cheeky divide. The bared globes thrust outward impressively, curving into tanned thigh.

From *DisASSter*:

Kira's bottom was a good one. It jutted out a full eight inches from the back of her thighs, and it was as tight as a miser's fist over a coin. The teen had fun all morning flaunting her rear. Wearing pants was against school policy, but it was her first offense and they'd go light on her.

From *Rinse, Lather, Repeat*:

Why do I keep doing this to myself? she wondered. It was her last coherent thought for a while.

The board slammed into her big left cheek, flattening it, and the familiar hot sting flowed through her. As always, it seemed much worse than she remembered, and yet she knew from experience that this was just the beginning and in ten minutes she'd be begging to die it would be so bad.

Super-Short **STORIES**

VOLUME THREE

*One hundred new 500-word erotic
spanking stories by the Flogmaster!*

*The Flogmaster's erotic writing
contains adult content, including
the severe corporal punishment of
adults or minors (consensual and
non-consensual), sexual activity, and
other politically incorrect topics.*

About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

Paul Bunyan and the Great Lakes

(★★★★, M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as F6/f24, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like “sex” or “anal” (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any “spoilers” that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

Mommy Spanks Hard

(★★★★, F/f—Severe, non-consensual spanking)

A foolish girl doesn't think her mother can spank very hard.
(Approximately 518 words.)

Catharine felt her back creak as she hefted the heavy laundry basket up the steep stairs. She set it down and paused for breath, wondering if she was getting old or there were more dirty clothes these days.

Absently, she heard voices from her daughter's room, but didn't pay attention until she heard Madison say, "Your mom *spanked* you?"

"With a big wooden paddle."

Madison laughed. "My mom can't spank. She leaves all the discipline to my dad. He's so soft-hearted. He doesn't even take down my pants! I shed a few tears and he stops. It's great."

Catharine had heard enough. She burst into Madison's room, depositing the laundry basket. "Kelli, it's time for you to go. Madison has chores to do."

"Mom, come on! Kelli just got here!"

"Uh, I'd better go," whispered the slim brunette. She slipped past the clearly irritated Mrs. Duncan and was gone. Petite Madison, her pretty face twisted in outrage, glared at her mother.

"That's was totally rude!"

"Would you rather she stayed to watch your spanking?" said Catharine. "I thought I was being kind."

"Spank— What are you talking about? I haven't done anything wrong."

"Except for exaggerating your suffering so your father went easier on you. How long has that been going on?"

"You were spying on us? How dare you!"

"Apparently you think Mommy can't spank. I'm going to show you that isn't true."

Catharine plopped herself on the bed and pulled the squirming girl across her lap. The fourteen-year-old was becoming quite mature, with a broadening base and richly pronounced buttocks. The summer shorts she wore were brief and snug, showing off white thighs.

A hard palm slap to one meaty orb had the little blond squealing. Another and another, and Madison knew she was getting a spanking. She also realized this was not an ordinary punishment. Her mother was *pissed*.

"Please, mom, I was just making stuff up. Daddy's spankings really hurt!"

"Ha!" laughed Catharine, delivering a long series of solid

slaps. When she paused, it was only to drag the shorts down, exposing the thong panties.

“I never said you could buy thongs! That’s another spanking tomorrow night. But first....”

The hand was a blur, the naked bubble butt bouncing as Catharine delivered spank after spank. The pale flesh went pink, then glowed magenta. Still the woman spanked, only stopping so that she could grab a nearby hairbrush and resume the paddling with even more vigor.

Madison’s shrieks hit a new volume as white blisters cropped up across her purple hinds. She sobbed, kicking tiny feet. Her round butt was flattened by the smashing brush, rebounding impudently. On and on and on the spanking went, seemingly forever. Catharine was suddenly filled with boundless energy.

She paused, petting her daughter’s lavender rump with the flat-backed brush. “Guess what, honey? We’re only halfway done!”

“Nooooo!” howled Madison.

A smiling Catharine shifted the girl across her lap for a better grip and raised the brush....
