# Random Praise for the Flogmaster's Writing

*Seems that the concubine's life is going to be a difficult one in this household. I'd have been tempted to include her in a threesome after her punishment though.*

**B.O.M.**

*We always had a rule in our home from kindergarten to graduation: Paddled at school—blistered when you get home !!*

**H.Y.M.**

*A delight. Not the normal Flogmaster fare, and IMHO even better than usual.*

**O.B.**

*I liked this one, too.*

**B.O.**

*And so the sisters are punished. Wonderful story. I bet they learned a lesson.*

**J.S.H.**

*My, that was an unexpected ending. Interesting!*

**I.C.**

*Hilarious. Not sure if the benefits were worth the cost.*

## **Selected Excerpts**

### **From *Blast From the Past*:**

The woman was as broad as she was tall, an imposing figure wearing a ridiculously old-fashioned black dress that went from chin to ankle. In her hand was a wooden hairbrush bigger than Carly's phone.

"Listen, bitch—"

That was as far as Carly got. For the next hour the only things that came out of her mouth were howls, screams, and, eventually, apologies. The woman turned the teen across her lap, tore down Carly's jeans and panties, and began paddling the cute yoga-toned butt that appeared.

### **From *Just Kidding*:**

"Lisa!" he said, surprised and confused. "What are you doing?"

"Twelve strokes on the bare," she whispered.

She lowered her pants before the man could protest. She wore nothing underneath. Bent across his desk, the chubby buttocks were extremely inviting. How could Foss refuse?

### **From *The Mistake*:**

Henry sat up straighter. He was paying attention now. He watched her trot away upstairs, moving slowly so as not to spill the drinks. Her ass was *fantastic*. Perfectly round and jutting, the twin orbs were divided by a deep crevice that was visible right through the pants.

### **From *Roommate Wanted*:**

"If you move in here, you'll accept the rules *and* their consequences." She tapped a stapled booklet titled "Roommate Rules" on the counter. "Any failure and your butt pays."

Amber knew she ought to turn and leave, but hesitated, and it wasn't just because the house was great, the rent fair, and she liked Kimberlee. Instead of turning her off the way it should, the prospect of the paddle was intriguing.

# *Super-Short* **STORIES**

## **VOLUME SIX**

*One hundred new 500-word erotic  
spanking stories by the Flogmaster!*

*The Flogmaster's erotic writing  
contains adult content, including  
the severe corporal punishment of  
adults or minors (consensual and  
non-consensual), sexual activity, and  
other politically incorrect topics.*

## About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

***Paul Bunyan and the Great Lakes***

(★ ★ ★ ★ , M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as *F6/f24*, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like "sex" or "anal" (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any "spoilers" that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

# A Quick Caning Story

(★★★★, M/f—Severe, non-consensual caning)

A schoolgirl whinges about the cane.

**T**he worst thing about a caning is not the intense bite of each stroke. It's not the shame of baring your bottom and touching your toes so that your bum rounds up and out and is the only thing that exists in the entire world. It's not even getting eight strokes instead of six (*twice* as bad, by the way).

No, the worst thing about a caning is how quickly it happens.

I mean it in both how easily you can earn a caning and how quickly the caning is accomplished. It's not like a

smacked-bottom that takes ten minutes across a lap. A caning is *instant*.

Like a few days ago at breakfast everything was fine and then mum had to ask about my geography test. I hate geography. Whoever invented it ought to be flogged.

“Talk about it later, Mum, going to be late for school!”

Mum blocked my way. Dad, sensing I was hiding something, was already taking down the cane from above the refrigerator. In just seconds I went from a pleasant morning to standing there with my skirt up and my knickers down, and then half a dozen bright red lines were seared into my bottom. The whole thing took less than a minute!

That caning, quick as it was, must have affected my ability to walk, because I arrived at school seven minutes late. That was three from Mrs. Elder—except I argued my way into four, and then said something smart that turned it into a six.

At school we get to keep our knickers on for beatings, but mine were skimpy and she could see the marks Dad had just left. I swear she worked them, putting hers right on top of his, the bitch. I didn’t mean to call her that out loud. I was just thinking it, but I can’t think properly when my bum’s on fire.

She gave me another six, though at least those she placed lower, right in that two inches between buttock and thigh. Of course, that’s the area that comes into contact with chairs when you sit, so I fidgeted all day and got two whackings with slippers. Mr. Gregory likes

smacking girls so he made his a dozen on each cheek—said it was for cheek, the funny man.

Then I had a detention for that being out of bounds last week (got the cane at school *and* at home for that). Mrs. Brooks was in charge and hates me, the witch, so two minutes in I was squirming on six fresh ones across my bum.

Mum was waiting at home. Mrs. Elder had telephoned and Dad was to give me a beating before supper. I had to wait forever, knickers down in his study, until he showed at 5:48—and by 5:50 he'd given me ten strokes. Supper wasn't even delayed!
