Selected Excerpts

From *Maybe I Should Be Spanked*

Kendra was shifting her weight from side to side nervously. *What the hell have I started?* she thought. *If I get spanked every day this week, I'll also get bedtime and breakfast spankings, too. Plus three more spankings this weekend!*

She thought about the way Stacy had talked so wistfully about her spankings and how jealous it had made Kendra. Despite never having been spanked, Kendra knew that the longing she felt wasn't just a fantasy, but something she had to make reality. She hadn't wanted just one isolated punishment, but for it to be a part of her life. Now it appeared she'd gotten her wish in spades.

From *The Blind Boy*:

The wooden board was wide enough to span both buttocks and did so, landing with grim authority that made Mark tremble. His cousin shrieked, shaking her body as though she'd been drenched with gasoline and set on fire. When the paddle pulled back and Mark saw Elouise's bottom, he was amazed to see that it had gotten even more red, something he'd thought was impossible. Every wallop darkened her cheeks until they were practically purple.

From *Tyrant Tutor*:

When the teenage girl returned, the suit was a red one-piece. She'd clearly picked it because it covered so much, but as far as Wyatt was concerned, it was great. It was super-tight all over. He later decided it must have been an older one, a size too small, because her newer suits were all bikinis.

He made her stand in the middle of the living room and model it for him. She scowled, but it was just pretend. She blushed a little, but clearly enjoyed his gawking. She even raised her hands to her head when he told her to do so, glaring at him but secretly delighted to show herself off.

About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

Paul Bunyan and the Great Lakes

(★★★★, M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as F6/f24, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like “sex” or “anal” (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any “spoilers” that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

Maybe I Should Be Spanked

(★★★★, MFFF/f—Over the Top Severe, consensual spanking, bath brush spanking, paddling, stropping)

After suggesting a spanking, Kendra gets more than she expected.
(Approximately 9,119 words.)

Kendra was in trouble. She listened to the arguing adults deciding her sentence. There was still no consensus. Principal Peters was favoring expulsion. Naturally, Kendra's parents didn't want that. They were pushing for suspension. Miss Sandra Elliot, the young teacher Kendra had slapped, kept alternating between compassion and getting the police involved. What a mess!

“Hey!” Kendra shouted, exhausted by all the babble that had been going on for nearly an hour without resolve.

“Maybe I should just be spanked.”

There was a stunned silence. Kendra’s parents stared as though they didn’t recognize her. Principal Peters seemed intrigued. Miss Elliot was smiling with satisfaction.

“Finally, someone with a practical idea!” she said enthusiastically.

“What do you mean,” said Fred, Kendra’s dad.

“Spanking’s illegal, isn’t it?”

“For the school,” said the principal. “But you’re her parents. There’s no law against you spanking her.”

Claudia, Kendra’s mother, shook her head. “It’s a ridiculous idea. It’s utterly absurd.”

“Why, Mom?” demanded Kendra. “It worked for thousands of years. It’s efficient and effective and it’s over quickly and won’t ruin my life, instead of getting me expelled or involving the cops.”

“But it’s barbaric! We’re more enlightened now.”

“And look what it’s gotten us,” growled Peters. “Kids out of control and parents who are afraid to discipline them. I often wonder if the old ways weren’t better.”

“I think it’s a *great* idea,” said Miss Elliot, beaming. Her left cheek was still slightly pink from Kendra’s slap. “She struck me, so she should be struck herself! But it’s got to be a *real* spanking. Not a token punishment.”

“I’m fine with that,” said Kendra. “I deserve it. I lost my temper and behaved abominably. I should be spanked, and spanked hard. It’s only fair.”

“Honey, you’re talking crazy,” said Claudia.

Kendra faced the principal. “If I’m spanked, *really* spanked, would you consider only suspending me instead of expulsion?”

Peters nodded. “But I need to know that it’s been a proper spanking. As Miss Elliot says, it can’t be a token. And I’m not sure I trust your parents to deliver such a spanking. They don’t sound onboard.”

“Now wait a minute. I didn’t veto the idea,” said Fred. “I was just expressing concern. If it keeps Kendra in school, it’s certainly worth discussing.”

Kendra’s mom opened her mouth to protest, but a look from her husband caused her to pause and think. Then she reluctantly nodded.

“Suspension would be much better than expulsion,” she said. “And if Kendra’s okay with spanking, I guess it can’t be that bad.”

“It’s got to be bad,” said Miss Elliot. “She needs to cry.”

“Are we talking spanking or whacks with a school paddle?” asked Fred.

Principal Peters brightened. “We still have a paddle. We don’t use it, but it’s here.” She dove for the bottom drawer of her desk and a moment later emerged holding up a blond slab of wood in triumph.

“Oh my God,” gasped Claudia. “That looks vicious!”

“What did you expect, Mom? A spanking is supposed to be painful.”

“You seriously want to be smacked with that thing?”

“I wouldn’t say ‘want,’ but it’s better than expulsion. I don’t want to have to find a new school and lose all my friends. Plus, expulsion will show on my transcript. I might

not get into college.”

Claudia turned to her husband. “Paddle her, Fred! Paddle her hard!”

There were raised eyebrows and smiles from the others at the woman’s sudden change of heart. Even Fred seemed amused.

“Very well, dear,” he said cautiously. He looked at his daughter. “Are you sure about this, honey?”

“Yes, Daddy.”

He looked at the principal and the paddle she held. “Do we do this here? Now?”

“Yes. That way I can verify that it’s done right.”

“I’m watching, too,” said Miss Elliot. “It’s my right as the offended party, and if you don’t spank her hard enough, I’m going to call the cops!”

“Please, there’s no need to get them involved,” said the principal. “I think we’ve come to a mutually satisfactory solution.”

Fred took the paddle from the woman. He hefted it. The pine board was about 15” long, including the handle. It was five inches wide and half an inch thick. Solid, but not too heavy.

“How many swats?” he asked.

The question provoked chaos. Peters mentioned that the school limit was twelve, but that was in the old days when teachers could spank. Since this was parental discipline, there were no such limits. Miss Elliot thought twelve was nonsense.

“Look at Kendra! She’s 15, almost 16 really, and practically full grown. She’s almost as tall as me. Even two

dozen is a mere warmup. What she did was criminal—assault—and it's got to be a *severe* punishment. I say put her over your knee and paddle her buns until they're crimson!"

"She's just a child," cried Claudia protectively.

"Mom, a spanking is supposed be painful and unpleasant," said Kendra. "I agree with Miss Elliot. It's got to be a lot of swats. Way more than a school punishment, which is nothing more than a warning."

She turned to Principal Peters. "In the old days, when kids got paddled at school, didn't their parents spank them again at home?"

"Yes, that was pretty common. You're right about the school spanking being a warning. It wasn't meant to be the full punishment—just a wake-up call."

"So twelve is way too little. Two dozen is a warmup according to Miss Elliot, which means it's not even half the punishment. I'd guess sixty whacks is fair."

"Sixty!" shrieked Claudia. She looked to her husband for support, but he was nodding.

"Five dozen. That seems about right," he said.

"And not over those jeans," said Miss Elliot. "Those have to come down."

"What?" cried Claudia. "You can't be serious."

"Look at that denim. It's as thick as canvas. She wouldn't feel a thing through them."

Principal Peters, the eldest in the room, cleared her throat. "In my day a spanking didn't count if it wasn't on bare skin."

"Bare!" Claudia was so outraged she could barely speak.

“It was part of the punishment. You have to admit, taking down your pants and panties is embarrassing and makes the spanking more memorable. Besides, it’s more effective, and it’s safer. We can monitor Kendra’s condition and make sure she isn’t injured.”

Claudia was mollified. “I guess that makes sense,” she said cautiously. “So if 60 spansks turns out to be too many, then we can adjust the number?”

“Sure,” said the principal. “But it works the other way, too: if 60 isn’t enough, we can add more.”

“How would we know it’s not enough?” asked Fred, playing with the paddle.

“We can tell by the color of her bottom. If it’s not very red or sore and if she’s not crying enough, we up the dosage. On the other hand, if by 50 she’s blistered and raw, we stop.”

“That sounds fair to me,” said Kendra.

“You’re okay taking your pants and panties down?” asked her mother.

“That’s how spankings are done, Mom. Stacy gets bare spankings all the time and they haven’t done her any harm. She has a little trouble sitting sometimes, but that’s part of the punishment.”

“Is that Stacy Wallace?” asked Peters. “I know her parents. Good people. I’m not surprised they spank. Stacy’s a good kid, too.”

“Yes, her folks are very strict. Whenever she gets a spanking during the day, she gets another at bedtime to reinforce the lesson. She says it’s not so bad. She says it helps her sleep.”

“Two spankings?” asked Claudia. “That’s extreme, isn’t it?”

“Actually, it’s a good idea,” said Peters. “It spreads out the punishment so it’s not all done at once. The first one doesn’t have to be quite so severe. And the bedtime one means a child goes to sleep thinking about their naughtiness and the consequences it brings. I should suggest that to my daughter for her children.”

Fred was looking at his daughter. “Maybe we should do that with Kendra.”

“Another spanking at bedtime?” asked his wife. “But honey, isn’t one spanking enough?”

“Not for what she did,” put in Miss Elliot. “She should be spanked every day for a week!”

Kendra gave a loud sigh. “If Stacy can live with it, I suppose I can. Maybe I should get another spanking in the morning, too. That way I’ll remember it throughout the next day.”

“Now that’s a great idea!” said her teacher. “You can’t spank a brat enough, you really can’t.”

Fred shrugged. “Are these bedtime and breakfast spankings just for this incident or for the future? Because I’m thinking that we’ve clearly been neglecting Kendra’s posterior education and that she’ll be getting her bottom warmed regularly for the foreseeable future.”

“Stacy gets the bedtime spanking every time she’s spanked for something else,” said Kendra. “So it makes sense I’d get the same. But Daddy, are you saying you’ll spank me regularly, even if I don’t do anything wrong?”

“Don’t be ridiculous,” said Claudia. “He’s not saying

that.”

“Actually, that’s not a bad idea, honey. When I was a kid I knew a boy that got a spanking every Saturday night. He didn’t have to do anything to deserve it. It was called a ‘maintenance’ spanking, sort of a reminder to behave and not earn a real one. The way we’ve been neglecting Kendra, it might not be a bad idea to start that with her.”

“That sounds like a terrible idea,” Claudia said, but her voice wavered and there wasn’t much conviction in it.

“I don’t know. It didn’t seem to harm the boy. The whole family was in on it. He had four brothers and sisters. They all got spanked every Saturday night. He didn’t seem too bothered by it. Told me it wasn’t as bad as a real spanking because he didn’t have any guilt since he knew he hadn’t done anything wrong.”

“Would I still get a bedtime spanking, too, Daddy?” asked Kendra. “And the breakfast one?”

“You mean after the Saturday night one? Hmmm. That’s a good question. Seems a little unfair, but I suppose if the rule is ‘spanked during the day gets you spanked at bed and breakfast,’ then I suppose we can’t make an exception for your maintenance spanking.”

“That’s true. Maybe I should get my Saturday spanking in the morning? Then I get the reminder before bed.”

“Sure, honey. That’s a great idea.”

“Wait a second,” interrupted Claudia. “You’re talking about *three* spankings every weekend! For not doing anything wrong! That’s crazy.”

Kendra rolled her eyes. “Geez, Mom! You make a federal case out of *everything*! Would you give it a rest?”

“You watch your tone, young lady,” said Fred sternly. “I can easily add in another spanking for a smart mouth.”

“Sorry, Dad.”

“It’s your mom that needs the apology.”

“Right. Uh, sorry, Mom. I didn’t mean to be disrespectful.”

Claudia nodded absently, her train of thought forgotten. No one seem to notice that Kendra’s weekend schedule of spankings had been accepted as fact.

“So are we going to do this?” said Principal Peters. “I do have other things on my schedule.”

“Oh, right. I guess we should get this paddling over with, dear.”

Kendra nodded. “Yes, sir.” She hesitated. “Just a minute.”

“What is it?”

“I was thinking, why does Daddy have to do this? Shouldn’t it be Miss Elliot? She was the one I hurt.”

“Teachers aren’t permitted to paddle,” said Principal Peters.

“Yes, but this isn’t an official school punishment.”

“That’s true. What do you think, Mr. Smolski? Are you okay with Miss Elliot paddling your daughter?”

Fred frowned. He looked at the eager teacher and shrugged. “I have no problem with that, but it doesn’t change the fact that I’m going to paddle Kendra myself. So anything Miss Elliot gives her will be extra.”

Kendra looked at her teacher. “So I get two spankings? That’s fair,” she said.

“Sounds good to me,” said Miss Elliot, grinning. “You

won't be so nonchalant after I purple your buns, young lady!"

"I deserve it," said Kendra humbly.

"Wait a moment. She can't take two paddlings in one day," said Claudia. "That's not fair."

"That's a good point. Miss Elliot deserves to give Kendra a full and proper spanking, so if you do the same, Mr. Smolski, that's a bit much for one day."

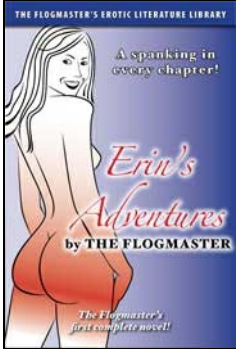

"Plus I get spanked at bedtime. And breakfast," added Kendra.
