THE FLOGMASTER'S *Novellas*

VOLUME NINETEEN

Multiple complete novellas of classic spanking erotica in one volume!

Random Praise for the Flogmaster's Writing

Very interesting premise. I loved the ending.

C.M.

A friend in need... Short but to the point story.

M.J.T.

I'll never view Peter Pan quite the same again. Now I'll always imagine Wendy with bottom bared. Perhaps surrounded by pirates?

B.Y.J.

I've often wondered about these sorority stories, the bizarreness doesn't add up to me, but here the author has told a whole story, and not just the spanking part, which makes the friends-through-adversity motif make a bit more sense.

O.B.

Very atmospheric and evocative. One might even say 'cor'.

S.M.S.

Excellent stories! Very well written!

G.B.B.

A wonderful tale of erotic relationship, just beneath the surface. Wonderful narrative.

Selected Excerpts

From *Designer Jeans*:

These things are cursed! It was *exactly* as Alice told me. Everyone who wears the jeans gets spanked.”

Graciella laughed. “Great story, honey, but I’m a grown woman. I don’t get spankings any more.”

From *Off to a Bad Start*:

Reluctantly, Liz unbuttoned her skirt and stepped out of it. Her pink panties quickly followed. She was now bare-assed naked in front of this stranger, standing next to a freeway crowded with morning commute traffic. She prayed no passing car would be filming her for a social media post, but figured odds were low on that score. Her ass would probably be on the ‘net by the time she arrived at work.

From *The Lynch Mob*:

With her eyes warily on the ominous paddle, Faith slowly hitched up the bottom of the dress until it cleared the bulge of her bottom. Matching ebony panties clung to each meaty orb, pale flesh popping out at the sides and below. Anton swallowed hard as the buttocks wobbled to her movements. He waited patiently. The woman hesitated for as long as she dared, until the silence told her there was to be no reprieve. Choking back a shudder, her fingers clawed under the dress, found the waistband of the panties, and pulled them down.

From *Visiting Aunt Peggy*:

“Kara Lynne Perill, don’t tell me that you’re actually worried about spending the weekend with your aunt!”

“You don’t know her, Mother. She spansks for every little thing and we’re not talking about a few hand slaps. She’s got big wooden paddles and canes and leather belts and all sorts of things.”

Novellas

VOLUME NINETEEN

*Multiple complete novellas of classic
spanking erotica in one volume!*

*The Flogmaster's erotic writing
contains adult content, including
the severe corporal punishment of
adults or minors (consensual and
non-consensual), sexual activity, and
other politically incorrect topics.*

About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

Paul Bunyan and the Great Lakes

(★★★★, M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as F6/f24, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like “sex” or “anal” (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any “spoilers” that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

Designer Jeans

(★★★★, M4/F—Severe, non-consensual spanking, bath brush, paddling)

When a woman wears jinxed jeans that make her ass look awesome, she gets painful proof the curse is real. (Approximately 8,526 words.)

Garage Sale

Graciella couldn't believe her good fortune. The jeans looked new and they were in her size. She knew her brands and these appeared to be genuine Tommie Miller's worth at least \$300. She guessed they were either high quality knockoffs or the \$5 price tag had to be a mistake.

Her first impulse was just to buy them, but thinking that made her feel guilty. The owner probably didn't realize what

she had here. It was Graciella's duty to be honest.

"Excuse me," she asked the teenage daughter of the woman running the garage sale. "I think you marked these incorrectly. They can't be five dollars."

The young woman's reaction was bizarre. She blanched, looking like she'd seen a ghost. "No, that's the right price," she said quickly.

"Are you sure? If they're genuine, they're worth a lot more. They look barely worn."

"They were mine. I'm getting rid of them."

"Why? Didn't they fit?"

The girl blushed. "Oh they fit *wonderfully*. They're great jeans."

"Then why sell them?"

There was a moment's hesitation. "Listen, you seem like a nice lady. You shouldn't buy these jeans. In fact, I shouldn't sell them. I should burn them!"

"Burn them!"

"Yeah. You see, they're *cursed*."

"What are you talking about?"

"I'm not their first owner. I think they've gone through four or five owners by now. I got them from my cousin Alice. She got them from her friend Debbie, who bought them for peanuts on Craigslist. Who knows how many owners they had before that."

"I don't get it. Are you saying all those people had bad luck or something?"

"Worse." The girl blushed. "This is going to sound crazy, especially in this day and age, but I swear it's true. My cousin told me and I didn't believe her and you probably

won't believe me, but anyone who wears these pants... gets spanked!"

Graciella started to laugh until she realized the girl was sincere. "Listen, is this some kind of April Fools thing? Am I on *Candid Camera*?"

"I swear I'm telling you the truth. Alice got four whippings before she gave them up. She'd never been spanked in her life until she got these jeans. I thought, 'No way that's happening to me. No one *spanks* any more.' And you know what happened?"

"You got spanked?" said Graciella dryly, thinking this was the weirdest prank she'd ever heard.

"I got *paddled* at school the first day I wore them. I didn't even know they still did that, but I somehow ended up in the principal's office and he paddled me with this giant pine board."

"You must have done something to deserve it."

"Oh sure. They said I was cheating. I wasn't. I just looked up from my paper for a few seconds and the teacher saw me and said I was trying to copy someone else. I swore I wasn't—it was crazy—but she sent me to the principal anyway."

"So you blame it on the jeans."

"At first I didn't. I thought it just had to be a coincidence, right? Alice had just mentioned it and then I go off and get whacked myself. I thought she was crazy. Besides, I looked so *hot* in these jeans. I couldn't just give them up. So I wore them a second time."

"Let me guess: you got spanked again?"

The girl laughed. "You're psychic! That's exactly right. It

was before school. I had finished breakfast and was brushing my teeth and suddenly Mom's there holding up a pack of smokes. She'd found them in my backpack. I was like, 'What were you doing in my bag?' and she was like, 'Your ass is gonna get it!' And the next thing I knew she was dragging me to her bedroom. She sat on the end of the bed, pulled me across her lap, and started smacking my butt with a big old wooden hairbrush!"

"Sounds painful."

"Oh, it was! She spanked the hell out of my ass."

"Well, you did deserve it. Smoking is a terrible habit."

"I guess, but the thing is, Mom had never spanked me before. She's always been against it. Said it promoted violence."

"Women do change their minds."

The girl shook her head. "No, it was the jeans. I know that, because I ignored their warning and wore them to school anyway."

"And you got paddled again?"

"Not from the principal. From Coach Beaver in gym. Said I was late. It was either licks from him or go to the principal and I knew what he'd do!"

"So three spankings?"

"Yeah, I was starting to think maybe Alice was right. But I still didn't quite believe it. I waited a few weeks and then wore the jeans to a special party. You know what happened? My Dad happened. He showed up right in the middle and dragged me out of there. It was so embarrassing! But at least he waited until we got home to whip my ass. He used an old leather belt and must have given me at least fifty

whacks. Hurt like hell, even through the jeans.”

“So that got you to give them up?” asked Graciella.

“You bet your sweet heinie! These things are cursed! It was *exactly* as Alice told me. Everyone who wears the jeans gets spanked.”

Graciella laughed. “Great story, honey, but I’m a grown woman. I don’t get spankings any more.”

“That doesn’t matter. The gal on Craigslist who sold them was an adult. And *she* got spanked.”

“Of course she did.”

“I swear it’s true!”

“You *saw* her get spanked?”

“Well, no, I never even met her, but Alice said—”

“Okay, your story is original, but I really don’t have time for this. If you don’t want the jeans, I’ll take them.”

“Take them,” said the girl. “But I warned you. You just watch. You’re gonna get spanked!”

Graciella handed over a five dollar bill and hurried back to her car holding her prize. She didn’t get the purpose behind the bizarre tale. The girl wasn’t trying to jack up the price, nor did she seem like she was doing it just for a laugh. It made no sense.

But then it really didn’t matter. The bottom line was that Graciella had gotten the jeans for a steal.

First Wearing

Wow, did those jeans make Graciella's ass look good!

She stood in front of the mirror in the hall and rotated her body so she could see herself in profile. The denim pants were fantastic: slimming where they needed to be, generating flattering curves elsewhere, and tightening and rounding her butt so that it looked ten years younger. Tommie Miller was a genius.

The jeans not only looked good, they felt good. Graciella couldn't believe how comfortable they were. She decided to wear them for her date with her boyfriend that night. Jeff arrived just before six and whistled when he saw her in the pants.

"Man, those are killer!"

"You like them? I just got them today."

"I hope you didn't overpay, because then I'd have to put you over my knee, you know," said Jeff mockingly.

Graciella stared at him. She'd never heard him talk like that before. He was joking, of course, but the coincidence was so strong it rattled the woman. She laughed it off, but inside she was slightly nervous. The whole car ride to the restaurant she only half-listened to the story of Jeff's troubled day, preoccupied with imagining what it would be like if he *did* spank her! She pictured herself in those fab jeans draped across his legs as his strong hand warmed her bottom.

What a crazy idea! It was just nuts. It could never happen, of course. Jeff was a sweetheart. He literally

wouldn't hurt a fly. He was the kind of guy that captured spiders in tissues and released them outside rather than flush them down the toilet. He got weepy-eyed at sad movies and always wanted to talk things out. She couldn't imagine him doing anything remotely violent.

But then on the way to the car his hand had lingered unusually at the small of her back and then dropped to pat her butt as she climbed into the passenger seat of his Honda. It had made her feel strange. She rather liked the intimate touch—it was sexy and naughty—but it left her bewildered as she wondered if it counted as a spanking.

It hadn't hurt, of course, but it was the first time Jeff had ever done that. He was a tame guy and usually disliked public displays of affection. It was all she could do to get him to hold hands in a dark movie theatre!

“Are you even listening to me?”

“Huh? What? Oh, of course!”

“What'd I say?”

“Uh, you were talking about your what a prick your boss is....”

Jeff rolled his eyes. “That was ten minutes ago! Look, if I'm boring you, just say so and I'll change the subject. Just don't lead me on. That's rude.”

“I'm sorry. I'm just distracted.”

“About what?”

“Nothing. Just something someone said to me today.”

“At work?”

“No, at the garage sale where I got these jeans.”

“What they'd say?”

“Nothing, it's not important.”

“Clearly it is or you wouldn’t have missed my great shark tale.”

“Shark? I don’t remember anything about a shark.”

Jeff crowed in triumph. “Exactly! I *knew* you weren’t listening. I was telling you about Chuck’s goldfish.”

Something about that sounded vaguely familiar.

Graciella nodded. “Right. Sorry.”

“You got those at a garage sale?”

“Yeah. I passed it on the way home. Aren’t they fabulous?”

“Sure, but if you just got them a couple of hours ago, how did you have time to wash them?”

“Well, I didn’t. But they’re clean. The people washed them before they sold them.”

“They told you that?”

“No, but they look brand new.”

“Graciella, that’s disgusting. You don’t know where they’ve been!”

“I didn’t *plan* to wear them. I was just trying them on to see how they fit and they looked so good I decided to wear them for our date.”

Jeff suddenly pulled into the left lane and made a U-turn.

“Hey, what are you doing?”

“I’m taking you home so you can change.”

“What? But Jeff, there’s nothing wrong with these jeans. They’re clean!”

“You don’t know anything about those pants. You *always* wash clothes you buy at garage sales. You know that.”

“Sure, but these—” Graciella stopped. She knew Jeff was right. It was just so odd he was making such a federal case out of it. He normally barely cared what she wore.

A few minutes later they were back at her driveway and Jeff was walking her to the front door. “I can’t believe you’re doing this,” she muttered. “It’s silly. We were halfway to the restaurant.”

“We’re going to be late. Before you change, you need a memory lesson.”

“What are you talking about?”

“You apparently are having trouble remembering that you’re not supposed to wear garage sale items without washing them!”

Jeff grabbed Graciella by the hand and dragged her into the living room. He plopped down on the sofa and before she knew what was going on, he’d dragged her across his lap. He was left-handed, and his left palm suddenly cupped her right bottom cheek.

Graciella gasped. “What are you doing, Jeff?”

“I’m going to teach you a sound lesson, young lady!”

His voice was sharp and stern in a way that she’d never heard before and her heart raced with the thrill of it. Her ass was squeezed firmly, and then suddenly it was released and then slapped. Hard. Graciella couldn’t believe how hard the smack was. She’d known Jeff was a fit guy—he played racquetball twice a week and jogged regularly—but she hadn’t realized just how strong that made him. The slaps rained down on her ass, loud and fast, and even though her butt was oversized, it didn’t take him long to cover every inch and leave her hot and tingling.

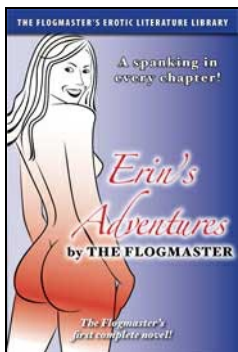

“Ow! That hurts!”
