Girls with high libidos are the most fun.

Very entertaining, although I do feel that letting a machine do the work deprives lots of people of a lot of enjoyment.

Selected Excerpts

From *Helping Hand*:

“That’s it! I’m getting the Helping Hand!” said the mother, and the little blond went pale.

“But I’ll practice! I’m doing it, see?” The girl rushed to the piano bench and sat and began to plunk at the keys. She was terrible.

“It’s too late for that. You’re getting a spanking!”

From *Hiding the Girl*:

“You will be flogged.” He nodded toward the corner where propped against the wall were two long canes, one taller and thicker than the other.

Sasha stared and frowned. “You’re going to beat me?”

“Yes. After breakfast, just so you know what to expect.”

From *Sitter Spanked*:

“You can’t spank me, you know.”

Matt looked up, his face hot. At the top of the stairs was a little blond girl. She was vaguely like a small Emily, but completely undeveloped. No breasts, no curvy hips, and buck teeth that would need orthodontia when she was older.

Suzu stuck out her tongue at him in a rude gesture and laughed. It was clear the girl was going to be a pest.

From *The Wheel*:

Caitlyn was on for the ride of her life, though this wasn’t an amusement park. Ahead of her, in the direction she was going, she registered loud smacking sounds and yelps of pained teenagers.

There was a deafening *whack* from right next to her and the boy there grunted. And then an even worse *WHACK* as the paddle flattened her ass. The sting was incredible, a hundred times worse than Caitlyn had ever dreamed, and she shrieked in dismay. Then she was spinning away, her bottom tingling, and she knew that in 15 seconds the next paddle would come into play.

*The Flogmaster's erotic writing

other politically incorrect topics.*

About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

Paul Bunyan and the Great Lakes

(★ ★ ★ ★ , M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes.
(Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as F6/f24, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like "sex" or "anal" (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any "spoilers" that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

Helping Hand

(★ ★ ★ ★ ★ , M,Machine/FFfx6—Severe, non-consensual spanking, paddling)

A worn-out father gets help disciplining his disobedient brood.
(Approximately 11,941 words.)

Derek's shoulder was killing him. It felt worse than when he tried to get back into tennis after ten years out. He popped four aspirins and flopped into his favorite recliner in the den. He turned on the TV, just for the noise, but the sound low.

He looked at the clock. After midnight.

He was exhausted, but too keyed up to sleep. He loved his daughters, but damn they kept him busy! He wished his wife was home, but she was at that conference in Boise and wouldn't be back until tomorrow afternoon.

Not for the first time, Derek wondered if Nancy had really forgotten the twins had planned a sleepover this weekend. It was quite the coincidence that he was stuck with five brats high on soda and pizza and Zac Efron movies.

Of course, she couldn't have known that Brad and Deirdre would choose this day to screw up. The sleepover girls were more predictable. Get the five of them together and it was almost a guarantee of trouble. Hell, even if Nancy had been home he'd have probably been relegated to dealing with them anyway.

Derek sighed, reflecting on his hectic day. He hadn't even had lunch as he needed to leave early to get things ready for the sleepover. He wasn't quite sure why that was *his* responsibility—the twins were 14 and surely old enough to order pizza on their own. Though he did have to pick everyone up and drive the girls around.

I should have had Brad do that, he thought. Then maybe she wouldn't have gotten that speeding ticket. Hindsight is 20/20.

Brad was 19 and in college. She should know the consequences of a ticket by now. It was her second one this year. The car insurance was going to go up. At least he'd made sure she'd remember it. Last time he'd gone too easy on her. Not tonight. He'd used the big paddle and had roasted her hind end for a full 20 minutes. At about three or four whacks a minute, that was an intense lesson.

It wasn't *her* spanking that had done in his shoulder,

though. He wasn't that decrepit yet! Still, blistering the pert tushies of *five* teenage sleepover girls would have worn him out at age 25, let alone his 42 years.

He still couldn't believe they thought they'd succeed in breaking into the liquor cabinet right under his nose. It was probably their chutzpah that had annoyed him so and he'd gone extra-vigorous with his punishments. Each girl had gotten a full ten minutes over his lap.

He'd considered letting the guests off a few minutes, but that didn't seem fair since they'd been in on the heist, and in the end he'd treated them all the same. He really hadn't been thinking ahead—that was nearly an hour of non-stop hairbrush swinging. He was surprised he hadn't torn a rotator cuff.

He rubbed his aching shoulder. The endings credits to a sitcom rerun was on the TV. He realized he didn't even know what show it was. He hadn't been paying attention. His thoughts were still on his daughters.

The biggest shock of all tonight had been Deirdre. Brad was the eldest who still acted like a child, and the twins—well, they looked as sweet as honeydew, but were as mischievous as monkeys. Hardly a week went by without one of those three standing bare bottomed in a corner nursing a sizzling red bottom.

But Deirdre, who had just turned 16, was his angel. He hardly ever had to spank her. She was an A+ student, never said a bad word about anyone, and always did her chores. He'd been stunned when she'd approached him after supper, carrying the large wooden hairbrush that

was exclusively used for corporal punishment. One look at her face told him it wasn't a mistake: she was as glum as he'd ever seen.

It had taken her ten minutes to tell the story. He still wasn't sure he'd gotten all the facts straight, but the bottom line was that she had a crush on some boy and when Deirdre had seen another girl at school flirting with him, she'd posted some nasty stuff about the bitch online. It had been impulsive and she'd quickly realized her mistake and apologized, but she told her father she fully deserved a most thorough spanking.

Derek had tried his best, though it had been difficult. He was a softie when it came to Deirdre. Even though she was literally asking for it, he couldn't spank her as hard as she needed. The first ten minutes had been a pretty decent punishment, but the next five hardly counted, though he made a show of it. He told himself it was okay, that it hurt her more since she was rarely punished, but he knew in his heart that didn't matter.

He was still musing about this, wondering if he'd done the wrong thing, when he heard a young woman screaming defiantly, "I won't go. You can't make me!"

The voice sounded remarkably like Brad and Derek looked up at the TV in surprise. On the screen there was a mature teenage girl, a gorgeous blond, with her arms folded in front of her impressive chest.

"I am your *father* and you will obey me!" roared a man. He was good looking, about Derek's age, with a hint of gray at his temple.

“Go to hell, Dad,” said the girl, turning and exiting the kitchen via the back door. The blond’s tight blue jeans hugged her full bottom, which wagged excitingly as she moved. Derek was disappointed to see her attractive figure disappear.

The man frowned, shaking his head with despair. “What am I going to do with you, Hope?” he moaned.

The picture froze. A well-dressed couple walked in front of the scene, which now proved to be an image on a giant background video screen. The handsome man and beautiful woman looked vaguely familiar—famous actors from a decade ago, Derek thought, though he didn’t exactly recognize their names.

“I’m John Hart,” said the man. “I played the dad on *Hart’s Family* for five years. I’m a dad myself, with three kids, so I know that real life isn’t a TV show. Bad behavior doesn’t just fix itself and grounding isn’t always effective. Sometimes, a disobedient child needs a *spanking*.”

The smiling woman was nodding. “And I’m Rebecca Wilder. I played John’s teenage daughter, Hope. I can’t even count the number of times John told me that what my character on the show needed was a good spanking!”

“And maybe a few times in real life,” John added, and they both laughed.

Rebecca’s blue eyes were twinkling as she looked right at Derek. “We couldn’t film that since it was a TV show and we weren’t in charge, but it would have been a more realistic performance. I’m married now and I have a two-year-old of my own. Aiden is too young for spanking, but

when he gets older he'll definitely need it."

"What the hell is this?" Derek said out loud, sitting up straight. He suddenly realized why the two actors looked familiar—that was them in that earlier scene! The teenage girl was all grown up and the man was the dad. They looked different, especially the woman, but it was definitely them. He suddenly wished he'd watched *Hart's Family*, but he'd only seen parts of a few episodes.

"Discipline is a hugely important part of raising a family," John was saying. "You can't neglect it, but so many parents do. We're all tired from working and the last thing we need is the stress of having to spank our children. That's why too many parents don't do it."

"But we're here with a solution," said Rebecca with a huge grin. "We're here to tell you about the Helping Hand."

The couple faded into a new scene with a young girl at a piano. She was cute and young—Derek was terrible at guessing ages of kids—but not as mature or as stunning as young Rebecca had been on the TV show.

This girl was struggling to play the piano and wasn't happy about it. She suddenly grabbed the songbook and tossed it aside, furious. A woman loomed up behind her.

"You pick that up right now, Stacy! You've got 20 more minutes of practicing to do."

"I've done enough," whined the girl. "I want to go play!"

"No, it's piano time. You can go outside after."

The girl frowned, sulking, and folded her arms over

her chest just like Rebecca had on *Hart's Family*. "No," said Stacy. "I'm done practicing!"

"Stacy, do as I say!"

"No. You can't make me!" cried the girl.

"That's it! I'm getting the Helping Hand!" said the mother, and the little blond went pale.

"What? Oh no, don't do that!"

"It's too late."

"But I'll practice! I'm doing it, see?" The girl rushed to the piano bench and sat and began to plunk at the keys. She was terrible.

"I told you, it's too late for that. You're getting a spanking!"

The mother was implacable, pushing her whining daughter flat on her belly on the bench. Then she flipped up the back of the skirt and exposed a surprisingly plump bottom encased in snow-white panties. They were full coverage underpants, but so tight they didn't leave much to the imagination. Derek could see where this was going. The little brat was about to get her fanny tanned.

But what happened next was a surprise. The mom pushed over a wheeled machine that looked like a cross between R2D2 and a trash can. An arm stuck out of the side and to this she fitted the handle of a hairbrush. The machine was next to the bench, its arm poised above the girl's squirming bottom. A second arm came out and pressed down firmly on the small of the girl's back, pinning her in place. She began to writhe urgently, but the machine's grip was firm.

“Holy shit!” gasped Derek as the hairbrush rose in the air and came down with a loud *smack* right across the center of the girl’s left buttock. “It’s a spanking robot!”

He stared in amazement as the hairbrush peppered the chubby butt. The girl’s mouth opened and she wailed and wiggled, tears flowing down her face. The spanking seemed genuine. There was an authenticity to the girl’s cries. She was getting totally blistered!

The machine’s arm went up and down, delivering a quick, thorough, and undeniably painful spanking. The mother stood nearby, beaming with satisfaction, while the daughter wept bitterly and vowed to practice piano for two hours a day for the rest of her life.

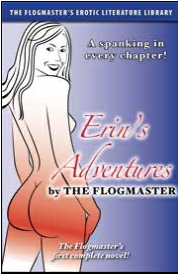

The scene froze in mid-spank, the descending brush inches from impacting the round bottom. Again the camera pulled back showing the wall TV with the two smiling hosts standing in front of it, the pantied bottom of the spanked girl 12 feet tall.
