Random Praise for the Flogmaster's Writing

The only description I can come up with is intense. Very very intense and exciting story.

YK

Just re-read this one. Still good. :-)

L.A.

Excellent story.

S.B.

Lots of tattoo puns here, but a nice quick story. The bum is the best place for a spanko to have a tattoo.

O.B.

Aw, I liked that.

** HPPA **

Cute story... really funny. And better than the spanking was the idea of having to bare your bottom in public to get the right colour match.

M.D.

Wow, So harsh! What could she have done to deserve that?

Selected Excerpts

From *Grandma Ann*:

“I don’t have any modern skills.”

“Don’t say that, Mom! You’ve got tons of talents. You’re good at all sorts of things.”

Monica had finished her coloring by this time and had brought her picture book over to show her mother. She heard this last bit and sort of understood the conversation.

“Grandma’s a good spanker,” she said in a tone of completely sincerity. “She spanks really hard!”

From *Neighborhood Gossip*:

Some sitters might have reputations of leniency and we’d prefer them, not that our parents gave us much choice. There were sitters who let you stay up past your bedtime or watch TV or weren’t real strict on making you finish your homework or eat your green beans at dinner. There were older ladies, spinsters who’d arrive with hairbrush in hand.

One woman that was legendary, was Miss Q. She made you go to bed *early* and she always put you to sleep with another spanking, even if you’d already been spanked more than once.

From *Opposite Day*:

She was up at the front of the room, her bottom tingling. She could still feel the heat coursing through her seat from the paddling. *This can’t be happening*, she thought. She assumed that Miss C, her friend and mentor, wasn’t truly serious about caning her. This was just a joke, a fake demonstration designed to scare the class, or a mistake.

However, once Amanda had separated her feet and bent over, her broad rear to the watching students, the rattan whipped through the air and seared right through her denim as though she was bare. The smart was as intense as being stabbed with a needle. It felt like an electrical charge surging through her.

About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

Paul Bunyan and the Great Lakes

(★ ★ ★ ★ , M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as *F6/f24*, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like "sex" or "anal" (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any "spoilers" that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

Prologue

The “noughts” had not been kind to Ann Clements. With the drop in the economy, the school where she’d been a nurse for nearly twenty years had let her go due to budget cutbacks. She’d assumed she’d be able to get another job easily, but soon learned that wasn’t the case. The few hospitals that were hiring wanted nurses

with active experience or at least a current education, not a degree from forty years ago. Ann couldn't work as a caregiver or at a rest home because those jobs required her to be on her feet, and she had bad knees.

Fortunately, her late husband's life insurance had paid off the house, so her expenses weren't too bad. Her daughters helped with what they could, but they were starting families and weren't exactly Rockefellers. She picked up the occasional substitute teaching gig, and once even managed six months of steady part-time work taking over the health class when the previous teacher went on maternity leave. But the bottom line was that times were hard and she wasn't getting any younger. She worried about the future.

One day she was babysitting her eldest daughter's little girl, Monica. She tried to help out with her grandkids whenever she could, though it wasn't always easy keeping up with spry five- and six-year-olds. This day had been particularly trying, with Monica spilling a whole box of cereal all over the kitchen floor, letting the 12-year-old cat, Mr. Whiskey, out into the back yard, and most outrageously, getting into the fish tank when she'd been specifically told *twice* to leave it alone. She'd ostensibly wanted to feed the "pretty fish," but had only succeeded in killing two of them and terrifying the others before Ann had arrived on the scene. The grandmother

had just managed to stop the girl from breaking the tank, too, as she'd leaned a chair against the glass into order to climb up to reach the top and the tank had almost tumbled off the stand.

Grandma Ann had had enough: she felt she had no choice but the resort to some old-fashioned discipline. She dragged the sobbing and suddenly apologetic Monica to the master bedroom, flipped the little girl across her lap, raised the girl's skirt, and lowered her cute "My Little Pony" panties. Then she spanked her soundly. She only used her hand, but it was remarkably effective. Though Monica screamed as though she was having her fingernails torn out, a hot stinging bottom did her little harm and much good: she was an angel the rest of the day and promptly did everything her grandmother said without argument.

When Angelica, Ann's eldest, arrived at six to pick up her daughter, Monica was lying on her belly on the living room floor quietly coloring with crayons. Angelica was astonished. "She's so quiet. What did you do?"

"I'm afraid I had to spank her," said Ann.

"Oh mom, no! I told you we don't go for such old-fashioned techniques any more."

"Well you should. That's exactly what she needs. Look at her. She's as good as gold now."

Indeed, the girl did seem content and no worse for the wear. Angelica wasn't completely convinced, but she had other things on her mind. She'd brought her mother a lead for a job.

“A friend of Darrin’s mentioned that there’s a daycare facility looking for an administrator. I thought you might call and check it out. I wrote down the number.”

“I don’t know. I’m not sure I’m qualified.”

“But you love kids!”

“An administrator doesn’t work directly with the kids, honey. Those kind of positions usually require a degree in child development or maybe business management.”

Angelica frowned, disappointed by her mother’s reaction. “You’re always shooting down my ideas, Mom. Last month it was the receptionist position at my dentist’s office—now filled, by the way—and you never really took that home business idea seriously.”

“I don’t know anything about running an online business. What on earth would I do?”

“Just about anything! Sell your cupcakes. Or sewing. You love to sew.”

“I couldn’t make money doing that,” laughed Ann, shaking her head. “No, I’m afraid I’m too old and I spent too many years as a housewife. No one wants to hire an old fogey like me and I don’t have any modern skills.”

“Don’t say that, Mom! You’ve got tons of talents. You’re good at all sorts of things.”

Monica had finished her coloring by this time and had brought her picture book over to show her mother. She heard this last bit and sort of understood the conversation.

“Grandma’s a good spanker,” she said in a tone of complete sincerity. “She spanks really hard!”

The two women stared in astonishment at the little girl and burst out laughing. Monica looked from one to the other in confusion. “What’d I say?” she said, bewildered. “What’d I say?”

Chapter One: Three Spankings

At ten to four, the doorbell rang. Grandma Ann made her way to the door, her bum knee slowing her down. On the front steps stood a sullen young woman. She was slim, dressed in pale stonewashed jeans and a fashionable black tee-shirt with a tiny pink sweater on top. She was an extremely pretty girl, with golden hair and bright blue eyes, but she clearly wasn't happy to be there.

“You must be Olivia,” said Ann with a broad smile. “Come on in. I’m Grandma Ann.”

The girl scowled and reluctantly made her way inside. She looked around at the cozy, old-fashioned house with a critical eye and didn't seem impressed. She tossed her backpack carelessly on the floor.

“That goes on the bench by the door,” said the woman sternly, pointing. “And you’re late. Doesn’t school get out at three?”

The girl shrugged, picking up the pack and depositing it near the bench.

“I said *on* the bench, young lady.”

Olivia glared at her, but obeyed and moved her bag.

“Into the living room. We can sit on the couch and talk for a moment.”

The girl plopped onto the old sofa. She munched her gum loudly, looking around as though bored. Grandma Ann took her time finding her seat and rested a moment before talking.

“Tell me why you’re here, Olivia.”

“Because my mom said I had to come,” shrugged the girl.

“But why?”

“Because she’s a bitch.”

“I won’t have you using language like that in this house, young lady! Now stop being such a brat and answer my questions politely and honestly. What is going to happen here?”

The girl glared at the old woman for a minute before answering. “I guess you’re supposed to punish me or something,” she mumbled.

“Yes, you’re here for a spanking. But why? What did you do?”

“I don’t know. My mom keeps threatening to send me to you and she finally did.”

Grandma Ann sighed. “Fine. We’ll deal with the reasons behind your arrival here later. First, I want to explain how this works. I believe you’ve never been spanked before in your entire life, correct?”

“Yeah.”

“Good. Now since you’re 14—Isn’t that right?—which is old enough for a pretty hard spanking, I have a little policy in place for how I handle things in such cases. I want you to learn the whole experience of spanking in a gradual manner. Therefore, I’m going to break your first punishment into several punishments. Today you’ll just be getting a simple hand-spanking. It won’t hurt very much but it will get you used to the idea of being spanked. Tomorrow you’ll come back and I’ll use my hairbrush. That will hurt. But it’s just a warmup, really. Your *real* spanking will be on Saturday afternoon. It will be a doozy, since you’ve been a very bad little girl.”

Olivia’s scowl increased, but now it was mixed with incredulity. “I’m to get *three* spankings?” she shouted. “That’s not fair!”

“Believe me, it’s actually a blessing. If I went right to town on your bottom with a real spanking today, you wouldn’t be able to handle it. If you’d been spanked as a child, it’d be one thing: at least you’d know what to expect. But this is all a new experience for you and I don’t want it to be traumatic.”

“I could handle it,” said the girl smugly, folding her arms across her chest in defiance.

“Let’s see how you handle today’s spanking before you

decide to cash checks your bottom can't handle," smiled the elder. "Now, since you don't seem to want to talk, shall we get started?"

Grandma Ann patted her lap. "Come and lie across here, dear. You can leave your jeans on for the moment. We'll get into this gradually, as I said."
