Random Praise for the Flogmaster's Writing

Brilliantly imaginative story... shades of "Dorian Gray."

T.E.M.

I always like these types of stories, father/daughter. Good story.

S.B.

I remember reading this many years ago on your website. It's just as good as I remember it to be.

SYU

Aw, I liked that.

** HPPA **

Flogmaster is one of my favorite authors. His stories usually range from good to very good and are sometimes great. This is one of the great ones.

T.T.P.

That was a very harsh session for Erin. Heidi was right to be upset and concerned!

R.S.R.

An entertaining story. Good work.

Selected Excerpts

From *Front and Center, Kara Brown!*:

Walking along the aisle to the front of the room, Kara's jean-clad ass waggled back and forth. The heavy mounds shifted, rolling left and right, up and down, creating an exciting jostle of flesh. The girls were all thrilled that finally, Kara Brown was going to get the caning she so richly deserved!

The next big question was whether or not she'd be allowed to keep her jeans on for her thrashing. Most of the class were crossing their fingers that Kara would be caned harshly and on the bare buttocks.

There's a fundamental law of nature that's best expressed in the idiom, "When it rains, it pours." Sadly for poor Kara, her streak of being good was about to end in a dramatic fashion.

From *Mom and Daughter*:

Amy braced herself and waited, her cute little rump bulging. Dom wasted no more time. The girl knew what she did and was expecting to be punished. He drew back the paddle a couple of feet and brought it forward in a steady swish that impacted against the naked flesh with a *bang*.

The girl gasped and her head tossed her hair. The principal waited a few seconds, watching the white skin blush. He struck again before Amy could move out of the way. *Wham!*

From *She Spanked Herself*:

Without messing around, she began to spank steadily, enjoying every slap. She loved the feel of him squirming against her legs, seeing that cute bottom jiggle when she slapped it, feeling its blubbery resistance, and watching it change color. She didn't even mind the way her hand pulsed and ached as it was used as a paddle.

She also loved seeing the astonished wide-open eyes of Delilah standing nearby, watching her brother's bottom turn pink and red. *I should have had her bare her bottom and stand there naked while she waits her turn*, Camila thought.

The FLOGMASTER Presents

Twelve of the Best

*A superlative collection of
the Flogmaster's best erotic spanking stories*

VOLUME ONE HUNDRED ("SCHOOLGIRL")

*This collection of the Flogmaster's best writing
contains stories dealing primarily with the
corporal punishment and discipline of minors
(usually female) by adults or peers, though
some stories may contain sexual activities.*

About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

Paul Bunyan and the Great Lakes

(★ ★ ★ ★ , M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as *F6/f24*, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like "sex" or "anal" (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any "spoilers" that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

A Nice Caning

(★★★★, M/f—Intense, semi-consensual caning)

A good girl provocatively earns herself a caning. (Approximately 1,520 words.)

Glen could tell that Shiri was not doing well. She was in a sour mood, glowering and dark. For a girl that was usually happy-natured, this was a sign that something was wrong.

Yet when he attempted to discuss the matter with her, she rudely cut him off. “I’m fine. There’s nothing wrong,” she said. “Go away. Leave me alone.”

“That’s no way to speak to an instructor,” he said sternly. “Apologize right now or come see me after school for a thrashing.”

He expected her to apologize, of course. What girl wouldn’t? But instead Shiri shrugged and said, “Fine. I

suppose you'd just love to beat me." Her voice dripped sarcasm and she spun away before he could argue with her.

He found himself staring at her prominent backside as she walked through the door. Her hips swayed and the round cheeks jutted noticeably even through the pleats of her green uniform skirt. He'd never caned her and was now intrigued.

The rest of the day he thought about her often. Shiri was a pretty girl with lovely caramel skin, dark hair, and large eyes. She was petite and dainty, but she had a strong healthy figure. He tried not to notice the breasts of his female students, or at least pretend he didn't, but he was well-aware that Shiri's tits were round and full and showed nicely no matter what she wore. Combined with that full bottom, she was a voluptuous little slut.

By the time the final bell rang, Glen wasn't sure if Shiri would show. He almost hoped she wouldn't, because then he'd have an excellent excuse to *really* thrash her bottom. But just before four there was a knock at his door and the teenager entered. Her bad mood was still present, for she wore a scowl, and her first words were, "Let's get this thing over with."

"You don't want to apologize?" he asked.

"For what?"

"You were rude."

"No I wasn't. You were the one pestering me."

Glen sighed. He selected a nice long thin cane from the collection on the wall and approached the girl. Shiri

seemed unmoved. Even when he flexed and swished the rod, she did not seem afraid or worried.

“Over here,” he ordered, pointing with the tip to one of the front row desks. “Skirt and knickers off.”

This definitely stopped her a second, for she hadn’t known she’d be flogged bare. Her mouth opened a hair in protest, and then she snapped it shut with fury. Then she snarled, “Why I don’t I take everything off so you can cane me nude? I bet you’d like that!”

“Yes, I would,” nodded Glen. “Do that, please.”

She stared at him, but couldn’t back down. With rage at her foolishness, she tore off her jacket and blouse and tossed them on the floor. Her bra was next, the round globes of her breasts heavy as she sat to kick off her shoes and remove her white knee-high socks. She glanced at him to see if he was watching her—he certainly was—and dropped her skirt. Her tiny knickers were the final garment to go, revealing a remarkably pert tanned bottom as round as two cantaloupes.

“Happy now?” she said, standing boldly nude before him. The dark patch of fur at her crotch was neatly trimmed in the shape of a diamond.

“Delirious,” he said, “though I would prefer you hadn’t littered your clothing all over the floor.” He gestured toward the mess, for she’d purposely strewn her items far and wide. This made her smile in triumph as though her rebellion had cost him something.

Her joy was short-lived, however, for Glen was all business. He guided her to the flogging frame in the

corner. This was a simple construction of three angled wood beams forming a sort of teepee where they were fastened together at the top. At the based they were bolted to a sturdy oak platform.

Shiri climbed on the way she'd seen many others do, though none had been completely naked, and reached up with her hands to grip the posts. With a foot at each corner, she was well spread, and leaning forward following the angle of the frame. This presented her round and relaxed bottom for the cane, with nothing to interfere or block the stinging strokes.

Glen studied the incredible curves with delight. While he'd known from hints beneath the girl's clothes that she was a shapely lass, until now he'd never seen her nude and hadn't been able to truly appreciate her figure. Her bottom bulged generously, the wobbly flesh mobile and exciting. He lined up the long rod, tapping it against the vulnerable cheeks in preparation.

Shiri shivered. She turned her head to gaze at him balefully. "You never said how many," she said. "I suppose that means you'll be a brute and give me a dozen?"

"For the first *half* of your punishment," Glen said sternly. "I don't know what's gotten into you, but your attitude shows you're in need of a really sound thrashing."

The girl looked straight ahead, with no expression. She looked so beautiful naked, her youthful skin smooth and flawless. Her breasts bobbed slightly as she braced

herself for the beating. He drew back the rod and flicked it forward in a sharp bite. There was a fierce *snick* as the stick burrowed into the waiting soft cheeks of the girl's bottom.

Silence reigned. Shiri looked startled, the blood drained from her face. It was clear to her that Glen had hardly put any effort into the stroke. It was more of a tease than a real strike, and yet the smart was intense, a penetrating pain that made the young lady's rump twist and jump. She ground her teeth to keep from yelling, but she couldn't stop her writhing. Glen smiled at her helpless, erotic movements.

Snick!

He struck again, harder, an inch lower than the first pink swelling. This time Shiri grunted. Her mouth opened in agony. Tears glittered in her eyes. She stubbornly refused to cry, however, or scream. She held onto the frame for dear life. Her bottom quivered. Two reddish-pink lines crisscrossed her thick rump.

Glen was feeling good. The caning was proceeding well. Shiri's rump was sturdy, made for beating, and he was enjoying the firm feel of the rod sinking deep into that fat bottom. He drew back and slashed harder, still more of a flick than a proper stroke, but he saw the fear flash in the good girl's eyes and knew she'd never been caned before and this was plenty severe enough to get her attention.

He continued to thrash her, little stingy cuts that left her ass hot and lightly welted. The pink lines began to

merge, leaving the buttocks red all over. During the second dozen Glen was beating on already reddened skin.

Tears flowed from the girl's eyes, but she was stubborn, and refused to cry or make a sound. She didn't plead or beg. She simply took the punishment. Tiny weals covered her bottom. Glen gave her the second 12 and kept on going, stinging her bottom again and again. Either she'd lost count and didn't know or didn't care.

Her head was dipping back, her long black hair in a tail dangling. She seemed to be in an intense emotional state. The teacher took his time, pausing after each cut to let her absorb and recover, and then restoring her agitated state with another sting.

When Glen ran out of room on the bottom proper, he devoted himself to the lowest curves at the top of her thighs. Here Shiri was in a delicate state and her mouth yelped at the frightful burn. She wiggled desperately, and finally broke down into heartfelt sobbing.

He let her cry. He put down the cane. He studied her lovely form, the backside a railroad map of thin red lines crossing everywhere. Instead of reducing her tears now that her punishment was over, Shiri's cries doubled. She turned and threw herself into Glen's arms, embracing him so tightly he couldn't breathe.

"Thank you," she purred. "Thank you."

"You wanted that?"

She nodded, speechless. She still wouldn't admit why. Whatever it was, was deeply personal. He wondered if there'd been a death in the family, some terrible

diagnosis, or another piece of terrible news. Whatever it was, he told her, they could get through it.

Again Shiri didn't reveal her trauma. She merely began to wander, gathering her clothes, and slowly getting dressed. He watched her, concerned. Her beautiful body was soon covered. She moved gingerly, but that could have been from overexercise or a minor injury in gym. There was no sign that she'd been beaten.
