Random Praise for the Flogmaster's Writing

This is a quick read. It has the feel of a story told over a beer.

G.

Okay, this is strictly into the "fantasy only" category. I'm pretty hardcore, but this was a little harsh. Doesn't matter though, it makes for good fantasy.

K.K.

Nice quickie. A lot said in a few words.

S.M.E.

What goes around, comes back. Boy, what a trip that was!

I.C.

This is one of my all time favorite stories. I love the way Mrs.T methodically and satirically applies her escalating punishments. Excellent!

KW

Really good story.

S.B.

A good, sound twenty-minute spanking certainly will prove to be much more effective if delivered atop a half-dozen blazing-hot caning weals, won't it?

C.K.

Selected Excerpts

From *Carnival Jail*:

The first thing he noticed was that the butt was big. While her waist wasn't much bigger in diameter than P.T.'s thigh, the girl's ass swelled like a bell below her navel. The hips went wide, and that butt went out. Each cheek was several handfuls of good old All-American Grade A beef.

His second impression was that half that meat was hanging out below the hem of those tiny shorts. He swore there was a good four inches of bare skin on show, the lower curve of the buttocks and the join where the butt became thigh.

From *Midnight Smack*:

She saw my expression in the light of the fridge and knew there was no hope. She gulped and slowly rotated. In her hand was a chocolate donut. A large chunk was missing from the middle. She'd already started breaking her diet.

"Kenny, please, I just took one bite. Just one bite."

"Then that means you'll only get one spanking."

From *Miss Braun Spanked in Class*:

The children watched in awe. Their faces were pure emotion, with no guile, eyes wide and jaws hanging open. Some showed fear, remembering similar punishments to their own tender posteriors. Others thrilled at the revenge of seeing their strict teacher experiencing proper chastisement. A few weren't sure what to think, their faces confused and worried.

The spanking was long and vigorous. Principal Weller showed no signs of tiredness, only steady determination. His palm was as regular as a piston on a well-maintained engine. Up and down it went, every slap sound.

The FLOGMASTER Presents

Twelve of the Best

*A superlative collection of
the Flogmaster's best erotic spanking stories*

**VOLUME 101
("ADULT")**

*This collection of the Flogmaster's best writing
contains stories dealing primarily with the
corporal punishment of adults (mostly female),
sometimes non-consensual, and some stories
may contain sexual activities.*

About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

Paul Bunyan and the Great Lakes

(★ ★ ★ ★ , M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as *F6/f24*, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like "sex" or "anal" (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any "spoilers" that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

An Accepted Challenge

(★★★★, M/F—Severe, semi-consensual caning)

A beautiful woman convinces the headmaster of an exclusive private school that her children must be allowed to attend. (Approximately 6,240 words.)

Headmaster Colin Brooks stopped and stared. He usually didn't find dresses revealing enough for his taste—slacks or gym shorts showed a girl's true form—but this particular outfit on this particular girl indicated a *spectacular* figure.

The waist was as narrow as the English Channel, while those hips spread wide like the Atlantic. And it wasn't just the size of the backside that was attractive—the way the

dress clung to that bum demonstrated truly meaty cheeks he could picture a cane sinking into with truly agonizing force. He just *had* to whip this bottom!

He was already plotting and scheming of how to abuse his authority and earn this minx a sound thrashing when the woman turned around. He saw with a sinking heart that it *was* a woman, not a girl. This lady had to be close to 40, though he couldn't judge which side.

Her face was still smooth and beautiful, framed by short black hair, which no doubt contributed to her youthful appearance. Her lips were thin, and her nose unremarkable, but her eyes caught his attention. They were small, dark, and round, like currants, and stared at him piercingly, as though she knew exactly what filthy thoughts were in his mind.

"Oh!" he muttered in surprise. "I thought... you were... a student."

"Thank you," said the woman. She didn't smile, exactly, but her face lost some of its seriousness.

To regain some of his authority, he said, "Usually when there's a pretty girl waiting for me in my office, she's here for a caning."

The woman's cheeks and ears took on a hint of rose. Her eyes drifted behind him, to the rack of rattan rods mounted on the wall. They were arranged in a scale of increasing severity, from the thin two-foot model to the nearly four-foot dragon at the top. He nodded at them and smiled.

"Please, what can I do for you, Miss...?"

“Mrs. Sylvia Newton,” she said, holding out an elegant hand.

Colin took it, shook it, and handed it back. He waved to a nearby chair and watched as the woman gracefully sat. He would have preferred her to stand with her back to him, perhaps sans dress, so he could study and admire what he thought must be a fantastic rear, but one couldn't have everything.

“What can I do for you, Mrs. Newton?”

He knew what he *wanted* to do: to bend this lady across the punishment trestle in the corner and flog her buttocks until they oozed crimson. The only question was, how to get to that conclusion?

With a student, it would have been easy: an untidy uniform, a bad test result, being tardy to class, talking out of turn, or the classically vague “poor attitude” could all be valid excuses for her squirming under a stout beating of the bum.

This was a lady, however, a clearly wealthy and elegant individual, mature and educated, not naive, who he couldn't just order about. This woman would have to *choose* to have her bottom whipped, and that was a challenge Colin was eager to make.

“I have recently moved to the area and wish to enroll my two children, Frederica and Mark. They are 16 and 13, respectively.”

“I see. Well, Mrs. Newton, we are always open to new students. However, there are many considerations that need to be made. We do not accept just anyone. In fact,

we are quite exclusive and selective. Your children must meet our high standards. There are also financial, academic, and personality criteria that must be evaluated.”

“Finances are not a problem, and both my children are excellent students. They are transferring here from Rothmeyer, which I’m sure you’ll agree is an excellent institution. However, I’m uncertain of what you mean regarding personality.”

Colin smiled. “Northcote is an unusual environment, Mrs. Newton. It’s not for everyone. Our academics are unparalleled, and a large part of the reason is our strict standards of behavior. We hold no favor for either sex, and every student here is subject to discipline of the most severe nature. Any breach of the rules is soundly punished with the rod and wooden paddle. There are no exceptions.”

“Yes, my husband mentioned that this is a disciplinary school. My son and daughter are extremely well-behaved, however, and I don’t see that as an obstacle. If either were to commit any violations of Northcote rules, I’d fully support any corporal punishment you sought to apply.”

“I’m glad to hear it, but how do your children feel about such an environment? It is not for everyone. Many assume they will never suffer, only to crumble when it is their turn to feel the sting of the rod. We do not like quitters here, Mrs. Newton. We admire stoicism and those who accept responsibility for their actions.”

“That is admirable, Mr. Brooks. I am certain my

children will survive and thrive here.”

“You are confident, but I assure you, the disciplinary life here is most intense. No one—and I mean no one—is exempt. Even the most well-behaved young lady is guaranteed to find herself knickerless across my trestle at least once a term.”

Colin nodded toward the contraption in the corner, a sophisticated horse of polished wood and leather across which a person could be bent, buttocks upward, for the lash.

Sylvia’s eyes grew brighter as she gazed toward the device. “May I?” she asked, and when Colin nodded, she rose and strode over to the furniture to admire its construction and understand its function.

“The... seat... is quite high.”

“That’s the bar across which you bend,” the headmaster said, wondering if he could persuade the delectable Mrs. Newton to try it. “The platform at the front is where you place your feet. Your belly goes against the padding, and your hands grip those poles on the sides on the far end. It’s designed to support almost any size figure, from a tiny girl to a full-grown man, though it is somewhat adjustable.”

“You said knickers must be removed?” Mrs. Newton gazed at him, her face slightly pink.

“Oh yes. All punishments, male or female, are performed on the bare skin. It’s the only way to truly achieve correction; it eliminates unfairness due to differences in clothing, and it ensures that no lasting

damage is done as I can see the marks left on the buttocks and work around them.”

“It seemed like a quite revealing pose. One would be shamefully exposed.”

“It’s an unfortunate side effect, but shame is an important part of punishment. That alone makes a caning something to avoid.”

“You use one of those rods over there? How many strokes are given?”

Colin shrugged. “It varies, but six or eight are typical doses. The amount is higher for more serious or repeat offenses, and it’s also adjusted based on the age and experience of the penitent.”

“My son is 13. He would be given six strokes?”

“At a minimum. Perhaps more if what he did was grave, such as fighting or cheating.”

“He would never do either of those things.”

“One never knows. But those are just examples. There are many rules here at Northcote, and violating any one of them will earn a boy or girl a hot, striped bottom.”

Mrs. Newton’s intense dark eyes gazed at Colin for a moment. “The cane leaves violet marks, does it not?”

“It does. A proper stroke generates a raised weal that might be purple in color and will remain excruciatingly tender for days, perhaps more than a week. It’s nothing permanent, but sitting and sports are uncomfortable for a while to remind the student of their failure and to encourage them to behave better in the future.”

“And there’s no way for my children to avoid this?”

Even Frederica?”

Colin shook his head. “Obviously, obeying the rules will keep her from being beaten, but that is devilishly tricky to do at Northcote. If she is diligent and works hard, it’s possible she’ll only experience the cane a few times per year.

“I wouldn’t look at that as a negative, Mrs. Newton. We consider discipline part of the curriculum here. A common Northcote saying is, ‘Thrashings build character.’ It’s nothing to worry too much over, though some more sensitive children just won’t fit in here. Those we regretfully turn away.”

“I am sure my children will be fine. But how soon would I know? My husband is anxious for me to get them enrolled. He attended here and insists Northcote is the best educational environment for them.”

Colin raised his eyebrows. “Your husband is an alum? How wonderful. I don’t recall the name, but Newton is not uncommon.”

“His first name is James, but I don’t suppose that helps you much in uniqueness.” Sylvia smiled. “He is eight years my senior, and I believe he attended here some 35 years ago. He was about my son Mark’s age when he enrolled. I am his second wife. We married this past summer. His first wife, Catherine, passed away three years ago. They had no children, sadly. James always says if they had, he would have made sure they attended Northcote.”

“I am sorry to hear about his first wife, but

congratulations to the two of you. He is lucky to have found you.”

“It is I who is lucky. James is a wonderful man. He has adopted my children as his own and is most concerned about their welfare.”

“He is definitely a Northcote man, I see. We pride ourselves on thinking long-term. Too many these days seek immediate gratification and cannot understand the benefits of sacrifice.”
