Random Praise for the Flogmaster's Writing

Nicely told and purposely left in the air. What happened to her was well-described but the whys will be imagined by the readers.

K.J.M.

I like the concept of the core ... and what a fascinating glimpse into a future world of spanking.

F.B.

That is funnier than hell!!!

G.B.B.

Lots of tattoo puns here, but a nice quick story. The bum is the best place for a spanko to have a tattoo.

O.B.

Very enjoyable read. Teenage daughters and Mom spanking always a fine combination. Regards.

Y.K.E.

This was a very interesting story. I enjoyed the humiliation aspect a lot - it's not usually something I explicitly seek out, but in this story it was great. Thank you for writing and sharing.

TSMSP

It's going to be a painful time for Letitia!

Selected Excerpts

From *Everyone Gets to Spank Madison*:

Despite all her money, power, and genetics, even Madison couldn't escape the occasional spanking. On three occasions, she'd been sent to the "headmaster"—what Claybrook called the school's principal—and been swatted on her shapely behind. Justice hadn't cared about her credentials. Her adorable rump had been reddened the same as any other student, male or female.

That wasn't the remarkable thing, however. What was unbelievable was that she'd *only* been spanked three times in nearly four years of high school. Anyone that knew the girl would have agreed that she deserved that many spankings a *week*.

From *Her First Time in Detention*:

Supervisor Mr. Faslick was renown for being quick to spank if anyone broke the slightest detention rule. Newbies like Beth almost always got their gooses cooked when they failed to remember all the unique instructions for incarceration. It was actually rare for veterans to escape without a few swats, so newbies like Beth didn't stand a chance. As "fresh meat," everyone was curious to see her spanked.

It was unclear if Beth knew this. The secrets of detention were not exactly broadcast publicly, so she'd only be aware of the danger if someone with experience had warned her. Since she was a studious geek and her friends were also geeks who didn't get in trouble, the chances were high she'd arrived ignorant of her situation.

From *Sprinkler Party*:

A hand shot out and grabbed the little blond by the arm. In a trice, the daughter's shorts were around her ankles, her tiny panties descending after them. Jen gasped louder than she had when hit by the icy sprinkler spray, and that turned into a howl of agony as the back of the spoon cracked down on her bare left cheek.

"Ow! Ohh, noooo," she shouted. The spoon whacked her right chub just as hard, and the girl burst into tears.

The FLOGMASTER Presents

Twelve of the Best

*A superlative collection of
the Flogmaster's best erotic spanking stories*

**VOLUME 102
("SCHOOLGIRL")**

*This collection of the Flogmaster's best writing
contains stories dealing primarily with the
corporal punishment and discipline of minors
(usually female) by adults or peers, though
some stories may contain sexual activities.*

About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

Paul Bunyan and the Great Lakes

(★ ★ ★ ★ , M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as *F6/f24*, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like "sex" or "anal" (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any "spoilers" that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

A Rare Event

(★★★★, F/f—Severe, non-consensual caning)

A good girl is mysteriously caned and discovers it's an experience of a lifetime. (Approximately 2,962 words.)

Canings were rare at Claremore, which made the experience even more memorable. That wasn't just for the recipient—those who only heard the gossip or saw the marks on a bare bum in the showers after gym also had a permanent impression of the event.

Reva always wondered how everyone knew, since thrashings were in private in Headmistress Hampton's office, but somehow word traveled all the way down to how many strokes you got and which cut made you squeal.

She, of course, had never been caned. She wasn't sure that was a good thing, though. Reportedly it was such a profound experience that people who'd been beaten recalled it fondly 50 years later. Some, it was said, even sought out reproductions of their punishment, paying someone to cane them just like in school. That definitely sounded bizarre.

Did that mean a caning wasn't so bad? Were there positive aspects of the experience? She couldn't imagine what—it sounded terribly painful and the marked bottoms she'd seen looked horrendous. All the same, she couldn't help but be curious.

Perhaps that was because Reva was a voluptuous girl, sensitive and passionate. She had a body that was made for sin—particularly her shapely bum, which was large, plump, and oh-so-naughty. The idea of having it smacked was rather alluring. An actual caning might hurt too much, though, so while she was intrigued, it wasn't enough for her to actually break a rule and earn a thrashing.

On some levels, Connor Kent owned the school. He was literally heir to Claremore, the institution his great-grandmother had founded. But this was not public knowledge. His parents had felt that he might be discriminated against or attempts to exploit his position might be made, if his peers knew who he was. Ownership

of the school was technically held by a corporation, so the links to him were hidden, but *he* knew—and acted like it—even if he couldn't tell anyone.

Today was worse than usual, because it was his 16th birthday. Connor knew just what he wanted, too. He went to Headmistress Hampton and told her. She wasn't pleased.

"Are you sure? Reva is such a good girl," she said. "She's lovely and kind. I have no reason to cane her."

"I don't care. That's what I want."

In his head he was seeing the pretty, busty blond in shorts during gym, the bulge of her bum prominent, thrusting out as though she was attempting to smuggle two melons. He'd noticed her rear view a while back and had never been able to get it out of his mind. He wanted so badly to see her caned and caned hard!

Hampton sighed. "Okay, I'll figure something out. It may take some time."

"It has to be today. It's my birthday!"

"I can't just thrash her for nothing. There has to be a reason, and those take time."

Connor shrugged. "Figure out the reason later. Just put her down for a beating and she'll confess to some sin."

The headmistress reflected that the boy probably wasn't wrong. She'd seen many students cower and confess when brought in, even before she'd laid out the charges. That was even more likely with the good girls—the bad kids would refuse to admit fault even with video

proof.

“Come back after school,” she said reluctantly, and Connor strutted from the room like a peacock that had just fucked the whole flock.

Reva was shocked when at three o’clock, during Miss Shavonne’s science class, she got the summons to see Headmistress Hampton. There was no explanation as to why, which worried the girl. The school secretary didn’t know either, just that Reva had been called, so the blond had to wait for ten minutes until granted an audience with the older lady.

The headmistress was a tall gray-haired lady with much dignity and a formal bearing, which was intimidating enough, but when she wore a scowl upon seeing Reva, the girl was positively fraught.

“Is there a problem, Headmistress Hampton?”

“You tell me. Or shall I add extra strokes to your caning for hiding the truth?”

There was so much to unpack in that sentence that it took Reva a moment to process. The first shock was that it implied she was already in for a caning, and then there was the information that if she didn’t confess she’d get even more strokes!

Reva gasped. “I... I don’t know what you mean, Miss. What have I done?”

The gray-blue eyes glared at her and Reva, big as she

was, trembled. Her breathing was ragged and she felt dizzy. Most uncomfortable was the tingling across her buttocks, as though she could already feel a hard rattan rod tapping them in preparation for a brutal beating.

Nothing was said for a few heartbeats, which felt like forever to the tense teen. Her mouth went dry and she wanted to faint. She felt like crying, wondered if she should plead for mercy, and her body was shot through with icy chills and roiling heat. She swallowed and it felt like a golf ball was stuck in her throat.

“Miss, I—” she stopped, unsure. The headmistress still didn’t say a word. The cold eyes bored through her and Reva felt her own eyes stinging. She blinked back the tears. She was nearly 18 years old, almost a grown woman, and didn’t want to weep and fall apart like a child.

“I’ll take the caning,” she said softly, her head bowed. She prayed the woman wouldn’t make her confess her sin out loud. It was too embarrassing.

To her relief, the woman didn’t press her. Instead she selected a long lethal limb from the rack, flexed it menacingly, and motioned for Reva. “Remove your clothes,” she said sternly.

“My clothes?” gasped the teen.

“Every stitch. Leave them here.”

This was new information for Reva, who was only vaguely aware of how Claremore canings were conductive. With her face pink with shame, she carefully stripped.

She was a large girl, with a youthful, curvy shape. Everything was seemingly exaggerated: heavy breasts, narrow waist, broad hips, fleshy bottom, thick thighs. She typically felt conspicuous when showering at school with other girls; now nude for punishment she felt even more awkward and self-conscious.

Mrs. Hampton led the way to a paneled door at the back of her office. Reva hadn't even realized it was an exit. It led into another small room which was painfully plain, like a garage. It had ivory walls and ceiling, a cement floor, and no furniture except a crude wooden box with cloth straps for binding a person in position for beating. There was a pad on the wood to protect Reva's skin from splinters, but it still didn't look comfortable. She stopped in horror and stared at it with sinking dread, her buttocks quivering.
