## **Selected Excerpts**

### **From *A Fine Young Lady*:**

The girl immediately obeyed. She was wearing sky blue denim that hugged her figure and demonstrated a proudly full bottom. The oval cheeks were large and sturdy, with exciting curves and a distinct jut, swelling from a solid but narrow waist.

John's cock promptly grew an inch, for the shapely seat was most attractive to him. There was nothing better than a fine round bottom, plump and juicy, and large enough for several greedy handfuls.

### **From *Mouse Takes the Cheese*:**

Five minutes later, the door the room was locked, the shades drawn, and Miss Connie Chambers was undressing under the eager gaze of Gavin Clarke. He wasn't holding a gun on her, but he did have leverage. In his hands was the lethal senior cane she favored for use on his bottom. He bent it menacingly. She paled.

"Please, you can't do this. It's not right."

"It's totally right. You were a bad girl. Bad girls get caned. So you're going to get the thrashing of your life." He swished the rod through the air and it hissed like a snake. Connie shuddered.

### **From *TSA*:**

The striptease was vastly better than anything the men could have paid for at a club. Florette was no pro, and her movements were shy and awkward, and filled with nervous fear. The top came off an inch at a time. The men were patient. They had all the time in the world.

She turned away to take down the pants, foolishly hiding her crotch. This was silly because they'd soon see everything anyway, and because she gave them the view of her ass they craved. The smooth skin was supple, pale, and gracefully curved. She was slender and everything was tight. Her willowy form bent easily, offering the men unintentional views of breathtaking beauty.

# *Twelve of the Best*

*A superlative collection of  
the Flogmaster's best erotic spanking stories*

**VOLUME 107  
("ADULT")**

*This collection of the Flogmaster's best writing  
contains stories dealing primarily with the  
corporal punishment of adults (mostly female),  
sometimes non-consensual, and some stories  
may contain sexual activities.*

## About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

***Paul Bunyan and the Great Lakes***

(★ ★ ★ ★ , M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as *F6/f24*, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like "sex" or "anal" (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any "spoilers" that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

# A Fine Young Lady

**(★★★★, MF/F—Edgy, non-consensual spanking, paddling, strapping, caning, consensual oral sex)**

A boy and girl are tested for compatibility. (Approximately 2,972 words.)

**A**dora was of college age, slender with medium-length blond hair, an attractive youthful face, and voluptuous features that belied her innocence. Yet she was appropriately modest and shy, bowing her head and not quite looking at John in the face. He liked her immediately.

As if to prove this, his guardian, Miss Sheppard, quickly and almost proudly, slipped down his pants and shorts to reveal his swelling cock. It shrank slightly in confusion at the sudden exposure, John unsure if he

should be ashamed or let his passion show. The bright blue eyes of the watching blond swelled, unable to stop staring at the short thick penis.

“Turn around, Adora,” said Sheppard.

The girl immediately obeyed. She was wearing sky blue denim that hugged her figure and demonstrated a proudly full bottom. The oval cheeks were large and sturdy, with exciting curves and a distinct jut, swelling from a solid but narrow waist.

John’s cock promptly grew an inch, for the shapely seat was most attractive to him. There was nothing better than a fine round bottom, plump and juicy, and large enough for several greedy handfuls.

“She’s well-trained, I assure you,” said the girl’s guardian, Miss Rolan, a prim elderly governess with a stick figure and white hair. She produced a 12-inch pine paddle with a short thick handle and smacked the girl’s plump rump with a ferocious *bang* that nearly knocked Adora off her feet.

The girl recovered well, however, absorbing the smart and returning to her standing pose without a murmur. She said nothing as two more outrageous whacks stung her generous posterior.

“Very nice,” agreed Miss Sheppard. “My charge agrees.”

The white-haired lady gazed at the boy’s suddenly huge cock and smiled. “He’s certainly not reserved. Would you like to see her spanked, boy? Or spank her yourself?”

Impossibly, the thick cock shot up another inch, straining to a full seven. Clear liquid pooled at the tip and oozed, while John said nothing, allowing his body to speak for him. Mrs. Rolan laughed.

“Adora, dear, go ask the young man to spank you.”

“Yes, Miss,” said the blond instantly, giving the quickest curtsy. She turned and made her way to John. Up close, she seemed both smaller and more voluptuous, especially her prominent bottom, which was thick and round.

“Please, John, would you give me a spanking?”

Clipped to the belt at her waist was a spanker: a small wooden paddle similar in size to an old-fashioned hairbrush, except slightly longer and wider. One side was ribbed, with a pattern of raised grooves, while the other was smooth. The implement was heavier than it looked, as its insides were reinforced with lead.

John accepted the offering with a smile. He glanced around, spotted a nearby bench, and seated himself. His pants were still down and his erect cock thrust rudely up.

The young blond undid the belt at her waist, unfastened the jeans, and wiggled them off her curvy figure. Her panties were modest, thin but covering most of her cheeks. She didn't hesitate. She pushed the undergarment to her feet.

Bare, her bottom bloomed as white as the full moon. The rounded peaks were only dusky from the recent paddle whacks, a faint pink that only enhanced the glorious shape.

Adora went across his lap as though born to do just that. There was no reluctance. Her hands found the floor and braced her body, while her bare bum thrust up above his threatening penis. He caressed the warm sleek curves with a hand before switching to the portable paddle.

*Snap! Smack! Crack!*

There was no gentle warmup or even a warning. John simply spanked and spanked hard. The pocket paddle was too small to cover more than a handful of one bottom cheek, so it took four or five vigorous swats spread all over to redden the impudent cheek. When her left side was rosy he merely repeated the dose on the right cheek.

Adora bore the spanking well. Though it was energetic and John quickly proved to be an expert at technique, the young lady was equally as adept at receiving punishment. She rocked and writhed across his legs, his hardness no doubt jamming her middle awkwardly, but while she occasionally grunted or groaned, there was no panic, no protest, no annoying whining or pleading, even when the spanking went well beyond a routine two or three minutes and extended into true punishment territory.

When it was over, tears glistened in the blue eyes and the girl's face was wet, but she only thanked him for his excellent hiding. Her bottom glowed scarlet like a priceless jewel, each buttock steaming hot and quivering. When she stood, the cheeks wobbled deliciously, and John was so hard it hurt.

“Very nice. She seems like a fine young lady,” said Miss Sheppard. “But I’d like to see her take a hard

punishment, if you wouldn't mind. Do you have a large paddle or cane?"

The elder guardian quickly nodded and threw open a nearby closet which proved to be a veritable stockyard of disciplinary weapons. There were paddles of many sizes and materials, including leather, rubber, wood, and clear plastic. There were canes and whips, some lethally severe.

"We have whatever you'd like," said Miss Rolan.

Sheppard smiled wickedly. "Let's have the young lady select something."

All eyes went to Adora, who calmly stepped out of her jeans and panties. Wearing only a white shirt that was taut across her pear-shaped breasts, she strode into the closet. She selected not just a long nylon cane, thin and bendy, but a large rubber paddle, stiff and thick, and a hearty leather strap about four inches wide with two rows of holes drilled through its last foot of length.

Miss Sheppard took these items with a raised eyebrow. It was hard not to be impressed. She'd only requested a single item, yet the brave girl had returned with three—and there was no question the guardian would actually use all three. Sheppard was not the type to look a gift horse in the mouth.

She was half Miss Rolan's age, fit and athletic, with an eager spring in her step. She'd been trained in discipline and knew how to whip a girl's fanny to scalding redness. When she barked, "Touch your toes, Adora!" there was no chance the girl would disobey.

Standing in the center of the room, the fine young

lady placed her ankles together and dipped over. Her long legs, not totally lean, supported her broad curved hips and fabulously plump bottom. The meaty cheeks bulged out in such a bold manner that watching John couldn't resist, his cock growing still stiffer and twitching with excitement.

The stiff rubber paddle darted out and slapped one buttock and then the other. Both cheeks indented violently, jiggling back into rotund shape. The living room echoed with the gunshot slaps. The smart that shot through the naked girl had to be intense, yet she didn't budge or bat an eye.

"One, Miss," she called out sweetly. "Two, Miss."

There was a faint pant cut off by the cracking paddle in another double salute. Adora grunted and muttered, "Three and, ah, four, Miss!"

Miss Sheppard spanked the girl a full dozen... on each cheek! The smooth creamy flesh was now stained with red and starting to swell.

Adora said nothing as the paddle was exchanged for the strap. The whipping was so hard and vigorous the girl struggled to keep up the count. Miss Sheppard whipped left and right, driving the heavy strap across the cheeks one direction and then coming at them again from the other in a deft backhand blow. The pace was blindingly fast, a blur of stingy flicks.

"Three, ah, six, Miss. Ow! Seven... eightnineten," cried the girl. Her hips rocked from side to side and she twisted, gasping as the whip continued to flambé her

rump. Her counting faded after 20. She was weeping too much to talk and the leather didn't give her time to catch her breath.

*Crack! Snick! Whack! Snap! Thwack!*

John watched his potential bride squirm and writhe, her expansive bottom so plump and red his cock was oozing hot white goo which bubbled from the greasy tip and trickled down the side like a melting ice cream cone. He drooled as the butt changed to a faint lavender, hints of dark bruising appearing across the pert bottom.

Stopping after 30 lashes, Miss Sheppard picked up the cane. This she flexed and hissed through the air in a practice *whoosh*. It was a chilling sound, as frightening as unknown footsteps in the dark.

But Adora didn't flinch. She stayed bent in half, her sore, welted rump upturned for discipline. The cane whistled and bit into the center of her ass, cutting into the rich flesh with a thump. The girl's head flew back, her blond hair dancing. She still kept her legs pressed together and her lovely bottom, red as a tomato, quivered gently.

"One, Miss," mumbled the girl after the briefest pause that she recognized was waiting for a response.

*Swish.. thwack!*

A pant and then: "Two, Miss." A bright scarlet weal appeared across both cheeks, though the right side was more red. Three and four made the ass look like an iron gate with wide blue-back bars spanning the buttocks.
