## **Selected Excerpts**

### **From *The Cane Feels Good*:**

The cane hissed and cracked across my lower cheeks. The agony was incredible. It made my mind ache, like thinking about infinity. This pain was infinite and it could always be made worse, I thought. It was a mind-boggling and terrifying concept. For all I knew this hideous pain was nothing, a slap on the wrist, a puff of air against the skin. I didn't know how much worse it could be, but I sensed, right then, that this was only a teacup's worth of anguish.

### **From *Missy Never Learns*:**

He pushed her over the arm of the couch, butt high, legs spread, revealing everything. Missy didn't have time to think about that, however, for the belt cracked across her ass and she had more important things to ponder.

The whipping was long and vigorous. Every lash was fire and within ten seconds the girl was weeping. Her bottom burned all over, a dozen points stinging like mad. She was still sore from the bath brush and the belt left her skin an angry mottled red. After five minutes of thrashing, Missy's high water mark for a typical strapping, her father informed her that because she'd tried to hide her crime her punishment would be doubled.

### **From *Waiting for Mom*:**

Her mother brought the flat back of the heavy brush onto one buttock and then the other. There was no warmup or gradual introduction to the spanking, just sudden blasts of pain. Alison yelled, gasped, and writhed, and her ass sizzled and cooked. In seconds, it seemed, it was steaming hot and burning all over.

Almost immediately Alison began to remember how much spankings had hurt in the past. She'd forgotten. She knew they were unpleasant, but this was an order of magnitude worse than what she'd been thinking. She began to bellow and cry, pleading with her mom to slow down, to go easier.

# *Twelve of the Best*

*A superlative collection of  
the Flogmaster's best erotic spanking stories*

**VOLUME 112  
("SCHOOLGIRL")**

*This collection of the Flogmaster's best writing  
contains stories dealing primarily with the  
corporal punishment and discipline of minors  
(usually female) by adults or peers, though  
some stories may contain sexual activities.*

## About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

***Paul Bunyan and the Great Lakes***

(★ ★ ★ ★ , M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as *F6/f24*, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like "sex" or "anal" (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any "spoilers" that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

# Along For the Ride

**(★★★★, F/Fmff—Severe, non- and semi-consensual caning)**

A boy is selected by the gym teacher to help thrash a girl.  
(Approximately 3,086 words.)

**M**iss Hallon was known as a human weapon around the school. You just didn't mess with her. She was a giant, nearly six feet tall, robust and powerful, with a heavy bosom that could drown a fellow. She had long blond hair she wore in a ponytail, crystal blue eyes, and a mouth that ranged from stern to grim.

Young Tommy thought she was beautiful, as did many of his peers. But she was equal parts terror, for she was one of the few teachers who not only favored the cane as

her method of discipline, but used it frequently. While most might thrash a kid once a week or just once a month, it was a rare day that Miss Hallon didn't beat at least two naughty brats.

One point in her favor was that she was equal opportunity. Statistically, far more boys at Bradford were caned than girls, but that figure was almost even when it came to Miss Hallon. She dished out the rod to those of her own sex with the same vigor and venom that she did to young men.

This was partly because Miss Hallon was the gym mistress, a profession that required the encouragement of physical exercise, something that a great many girls were reluctant to perform. The threat of a whacking had a near miraculous effect of making even the most plump, unfit, and lazy young ladies suddenly eager to run laps or do press-ups.

Another reason Miss Hallon caned more girls was that she was often used as a disciplinarian, either by other teachers who didn't have the time, energy, or skill to punish, or by the Deputy Head, who would send pupils with more minor offenses to be dealt with by the gym teacher after hours. Serious crimes, of course, were handled by her or the Headmistress, but ironically, most students who had been caned by one of the Heads and Miss Hallon concurred that the gym mistress was by far the more severe. Everyone agreed that four from her was like a full six from the Head.

But Head canings were official school punishments,

which meant paperwork, parental notification, and logging the event into the record books. Everyone preferred to avoid that, even those, like Tommy Swenson, that feared Miss Hallon. Tommy knew a school caning would mean not just a long and painful hairbrush spanking from his mother, but an even harsher caning from his father that night—at least double whatever he was given at school.

Tommy had done well to keep out of Miss Hallon's strong grip, except that one day he was caught. The circumstances were unusual. His first class of the day was physical education with the dreaded Miss Hallon, which was a terrible twist of fate of its own, as he was not the most punctual of students. Every day it was a trial to get there on time and on this particular day he was borderline tardy, making as much haste as he could to slip into the gymnasium and get changed into his kit before the woman noticed.

Drama had already begun in his absence, however. A beautiful older girl named Charlene, with hair like spun gold and a figure as curvy as a figure eight, was in trouble. The girl didn't have her gym shorts. She'd discovered this while changing and had appeared at the doorway to her locker in her navy gym knickers and long shirt that didn't quite cover her cheeky bum.

Not having the proper outfit for gym was a beating offense, and Charlene was desperate to defend herself. Like everyone, she knew of Miss Hallon's prowess with the cane and was terrified. She claimed a rival had stolen

her kit, but she had no proof. Words were exchanged, and it was clear the younger blond was losing. In her fear, Charlene had challenged Miss Hallon's authority, calling her a "bitch" and screaming it wasn't fair that she be caned for something that wasn't her fault.

"Well, now you'll be caned for an entirely different reason," growled Miss Hallon triumphantly. "That is eminently fair!"

Tommy didn't know any of this, of course, as he had just arrived as this particular statement was uttered. He saw Miss Hallon grab the lovely Charlene by the earlobe and drag her toward the door where he was standing.

"You, there, Tommy," said Miss Hallon. "Come with me. I want you to help me thrash this naughty young lady!"

What was Tommy to say to that? His brain swirling in all directions, he had no choice but to follow and obey the stern teacher. Behind him, the class began their dreary morning exercises, while he trotted behind the squirming, crying, and begging Charlene, clad in blue knickers and a shirt, and the indomitable Miss Hallon in her trademark sweatpants and top.

He was immediately struck by the contrast between the two feminine bottoms before him. Charlene was a year older than him and quite shapely, with a tiny waist and a pert bulb of a bum. Miss Hallon, on the other hand, had a rump more than twice as big. It wasn't fat, however, for she was as fit as a horse, and the split mound was as solid as a Christmas ham.

Tommy could see both bottoms quivering and shuddering as the women marched aggressively before him, and he found himself getting quite aroused at the sight. The teacher's rear was more covered, her gray sweats tight across the full seat, while Charlene's cheeks bulged from the thin, tightly-stretched fabric of her underpants. Each buttock wiggled and jiggled independent of the other as the teen squealed and protested and begged.

When the trio reached one of the exercise rooms next to Miss Hallon's office, Tommy was ordered to go and fetch one of her canes. "The longest one, boy, make no mistake!" He gulped and ran.

On the rack on the wall, there were only four choices of rods, and he selected the top selection, which was the longest by several inches. It felt like it was over a meter to him, but he was not great at judging sizes. He promptly returned it to Miss Hallon, gone for less than a minute.

In the small room, which was filled with weights and machines for working out, he found Charlene already sobbing as Miss Hallon lectured her on her behavior and uncontrolled tongue. Charlene was not a girl who'd been caned often, if at all, and she was so frightened that she nearly wet herself. The presence of Tommy was hardly noticed, except any audience was a further torment.

"Oh please, Miss Hallon, let me off. I'm so sorry. I didn't mean what I said."

"That may be, but you said it, and beaten you shall be."

Miss Hallon flexed the cane Tommy had given her and swished the stick through the air. It made a high-pitched thrumming sound that sent chills down the spines of the two teens, whose bottoms clenched in terror.

“Excellent, Tommy, thank you. Now I’ll need your help. You don’t mind, do you? I just need to warm up my caning arm so that I’m able to whip this young lady the way she deserves. Not a single wasted stroke, that’s my motto.”

“Uh, sure, Miss Hallon, whatever you need,” Tommy mumbled, having no clue what he was agreeing to do. He found out moments later when the teacher positioned him in front of an iron bar and had him bend across it. Then she took his trousers and pants down. Tommy blushed as he realized Charlene was staring at his naked buttocks.

“I don’t understand,” he gasped. “What are you doing?”

“Like I said, I need a bottom to practice on. It’ll just take a moment.”

“You’re caning me!”

“It’s not a real caning, just practice. Hold still and don’t get up.”

Miss Hallon then proceeded to swing the long cane in a sweeping stroke right across the center of the boy’s bottom. While not the hardest lash, it wasn’t gentle. It was a sharp cut that stung like something from Tommy’s nightmares, and he yelled with gusto. He blushed hard as

he sensed the girl watching him.

The second came lower and harder, a *zsst-snap* that made him shriek with agony. As far as he could tell, Miss Hallon already had her eye in and didn't need any practice. Her cane strokes were excruciating.

But she wasn't using her full force. The third was still sharper, driven in vigorously, and the teacher was pleased. "Ah, much better," she mumbled. "Just one more. Hold still."

*Swish-crack!*

This was the hardest cut yet, and Tommy's vision blurred with tears. He was weeping, his ass on fire with four distinct tramlines crisscrossing the bum. The pain was terrible, especially that last lash. He couldn't believe he was being beaten—his greatest fear—without having done a thing wrong.

But at least it was only four strokes. Miss Hallon seemed satisfied with her warmup. "Thanks, Tommy. That was helpful. I am now ready to thrash this naughty minx for her crimes. You're welcome to stay and watch, if you'd like."

"Oh no!" cried Charlene. "That's not fair. You can't let *him* watch."

"You got to see him caned, so it is only fair he watches you."

"But he's a *boy!*" shouted the girl.

"And you're a girl. So what? You both have bums. Now get those knickers down and bend over that bar. You're getting six hard strokes, young lady, and if I hear any

more resistance or complaining, it'll be eight.”

“But Miss Hallon, please!”
