Selected Excerpts

From *Commander Grimshaw*:

Grimshaw whipped the cane in a practice stroke and the hiss sounded like the air itself ran away in terror. Rebecca was suddenly ice cold, her nude body covered with tiny goose pimples. She gasped as the man strode behind her and lined the long stick along the base of her bottom.

From *Good Spirits*:

Cara stood ruefully rubbing her round sitters with no embarrassment. She danced and squirmed, her wide smile darling. With her arms well-behind her back, her tits poked out in front, modest nubs that looked much better covered with taut fabric and so near such a pleasant face.

The girl looked so pleased with herself that Jenkerson was tempted to ask her if she wanted another ten whacks. He almost joked about it, but restrained himself because he worried she might take him literally and accept. He didn't know another kid who would, but if Cara had said, "Sure!" and bent over with her butt sticking out, he wouldn't have been shocked.

From *Sky Keeps It Tight*:

"There's nothing hotter than a naughty schoolgirl, Sky. Nothing. Just thinking about it has got my cock as big as this gearshift."

The blond looked down at his large hand gripping the shifter, and her blue eyes went wide. She couldn't help but shift her gaze to his crotch, but his suit jacket and the steering wheel prevented her from seeing if he was being literal or exaggerating.

"Then I guess I shouldn't tell you that Foxworth uses corporal punishment," she said softly.

About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

Paul Bunyan and the Great Lakes

(★ ★ ★ ★ , M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as *F6/f24*, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like "sex" or "anal" (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any "spoilers" that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

A Series of Serious Spankings

(★★★★, F/F—Severe, non- and semi-consensual spanking, paddling, strapping, caning)

A mother-in-law trains her son's new wife. (Approximately 3,105 words.)

Her name was Kate. She was a gorgeous blond, slim and fit, just 18, with a stunning face—and she'd just married my son, Michael.

While I couldn't deny his attraction, the girl was a vacuous brat. She was modern to the max, into social media, beauty products, shopping, and thought loading the dishwasher was hard labor. She'd grown up privileged and spoiled, and assumed having a bank account meant endless money.

The reality of being married at 18 to a boy the same age just starting out in his career hit hard. We were all treated to Kate's nonstop whining and grumbling, and stories of skyrocketing credit card debt. This just had to stop.

One day I stopped by the girl's condo—way nicer than anything I had at her age—and found her dressed in a skintight dark gray leotard doing exercises to a YouTube trainer. She looked a wonder and for a moment I was jealous of that firm 18-year-old body. How unfair was it for her to be gifted that angelic face *and* those perfect orange-sized tits and grapefruit buttocks?

But I'd brought with my trusty cherrywood heirloom hairbrush and was prepared for battle. This was a private intervention of sorts, and I laid down the law.

"Listen, honey, I know I'm just your mother-in-law and you think you're way better than me—shut up, I'm talking, don't deny it—but I am older and wiser and I'm about to show you the error of your ways. You won't like it at all, but it will save your life and your marriage, trust me on that."

At least she did love Michael and she was prepared to suffer for him. I didn't bare her butt that day, but draped her in those tights across my legs. Her bottom bulged up gloriously, twin domes of unsurpassed plumpness, each globe as round as a volleyball.

She yelled lustily as I spanked her, bringing that hearty hairbrush down firmly on one sphere and then the other. She'd never been spanked in her life and had no

inkling what she was getting into. Probably the worst pain she'd ever experienced was a stubbed toe or maybe a prepubescent heartbreak when her crush didn't reciprocate her amorous feelings.

Now she learned about real suffering, transitory physical pain that wouldn't permanently injure, but throbbed and burned and stung like raw hell. She screamed, writhed, wept, and kicked her long beautiful legs. I hung onto her expertly, however, and paddled her tail for a good ten minutes.

"This is just your first lesson," I told her. "You have years of learning to accomplish in a few months. I'll be back tomorrow for your next spanking."

She stared at me with all the considerable astonishment Generation Z has for over-the-hill adults and convincingly dropped her jaw and let it hang there for a full half hour while she rubbed her sore fanny and contemplated life. I could see the wheels in her head slowly turning and though I knew there was a long road ahead of it, there was hope for her yet.

The next she was wearing lime green short shorts and eyeing me warily. I told her this time there'd be no protection, as promised. I drew the shorts down and saw she was wearing a thong. I laughed and took the skimpy string that barely counted as underwear anyway.

This time I spanked her for real, with lively vigor and passion. I'd just found out she'd used the emergency credit card I'd given Michael for a Sephora shopping spree. I didn't tell her I knew about that until halfway

through the spanking when she started to regret letting me fold her over my lap.

“Apparently, my dear, you don’t know what the word ‘emergency’ means,” I said sternly, pausing at around the ten-minute mark, her juicy ass a deep crimson and starting to blister. “It’s meant for being stranded in Quebec or an earthquake or flood.”

“Oh!” she gasped, her face reddened as she realized she’d been caught. No doubt I’d ruined some clever plan she’d had to rob Peter to pay Paul and pay off the card before I noticed. Now she actually felt guilty about something and knew she deserved punishment.

“There have to be consequences, young lady. Your spanking would have been done now, but in light of this latest foolishness, I’m going to give you again what you just got.”

She writhed with a question mark on her frightened face, still looking innocent and pretty, with her golden hair, blue eyes, and soft delicate mouth. Then she was sobbing as I brought the hard flat back of that cherrywood into her left buttock and made it rock and roll. I gave her left side a brutal ten in a row and then did the same on the right chub. She was howling up a storm, her tears a river onto the LVP flooring.

When I left I put her in the corner and told her not to move an eyelash for 30 minutes. “I’m watching you on the camera,” I said, “so don’t you dare disobey.”

There was no camera, of course, but kids today will believe anything. From her glum expression, I have no

doubt she didn't even dare scratch that fanny itch until well past the half-hour mark.

There was a breather after that. My shoulder needed the rest as well as her bottom. I gave her five days and showed up without warning. Since Kate didn't have a job—she just posted silly makeup videos on the internet in the hopes of building an audience—when I saw her Prius in the driveway I knew she was home.

When she saw me her smile faded into terror. “Oh no, Mrs. D, not again,” she cried, her hands flashing to protect that pert and precious bottom. She wore fashionable jeans today, designer things that probably cost more than I spend on groceries in a month.

“Take them down, Kate. I've got more for you to learn.”

“Please, I've learned plenty.”

“You're still in kindergarten, honey. You haven't learned a damn thing.”

This time I'd brought a real paddle, a foot of shiny maple rounded and polished and as smooth as a baby's behind. Kate saw it and blanched. The hairbrush had been hell, she was thinking, and it was tiny compared to this monster. Wouldn't this be hell times two?

It was indeed. For once her math skills were on point. For the next 20 minutes I demonstrated that board to her, showing her how different it felt in various poses. I spanked her standing up, hands on her head. I spanked her bent over, fingers on her toes. I folded her off the back of a sofa, and then laid her across the arm. I put her

over my lap and paddled her a good 40 licks.

She sobbed the whole time, blinking wet eyelashes and begging me for mercy. “Please, I didn’t do anything,” she moaned.

“That’s part of the problem. You need to get a job.”

“I have a job!”

“Something that pays, Kate. Not a hobby.”

“But everyone starts out small. It takes time and effort.”

“It does and I’ll admire you if you keep it up for ten years. But until it supports you, you need to earn a paycheck and do your hobby on the side like a real person.”

I had her kneel on the couch and lean over the back. With her jutting buttocks cherry red and thrusting out, the maple flattened those orbs a dozen times, each blow sounding like a gunshot. Kate squealed and squawked, but I didn’t stop until her buns were burning so hot her panties would catch fire.

To stop that from happening I stuck her in the corner again, hands on her head, and told her to think about her life, my son, and how she managed her time, talents, and money.

When I saw her again three days later, she was muted. She was as nervous as a squirrel, her eyes darting all over me looking for obvious weapons. I’d left the paddle at home, and she was clearly relieved.

“I applied for a job,” she said. “A barista at a coffee place.”

“Don’t you have to know how to make coffee to work there?”

She blushed. “I can learn.”

“Can you?”

Kate actually hesitated, and her nod wasn’t convincing. I sat at the kitchen table, turning my chair away so there was room. I patted my lap. Her mouth fell open in an overdramatic fashion, but to her credit, she slowly complied. At my knee, she hesitated, and it wasn’t about the spanking she knew she had coming. It was about her soccer shorts.

I nodded, and she sighed, slipping them—and her rose petal panties—to mid-thigh. Then she lay across my legs. I rubbed the sexy domes of her pert butt, and she sighed.

“Are you still tender?”

“A little.”

“That’s why today I’m only going to spank you with my hand.”

Her relief didn’t last long, and she was shocked to discover that even a hand-spanking hurt. I slapped her bare cheeks noisily and worked every inch of those buttocks. Her shorts and underwear fell to her feet and were eventually kicked off. I spanked her pink and red and then scarlet, leaving her ass sizzling in the corner.

After that mercy, I was back the next morning, minutes after Michael left for work. Kate wasn’t ready for me. She was still in her nightwear, a tiny peach-colored half-shirt that left her belly bare, and matching short-shorts that made her bottom look delicious. I was amazed

that my son could have kept his hands off her; she looked so adorable, but he probably saw her every night that way and had grown accustomed to it. Maybe he was getting spoiled, too.
