## **Selected Excerpts**

### **From *Four Red Bottoms*:**

Holding his breath, he studied the scene. The four girls were all on their bellies, lying on a giant beach towel spread out on the grass. The leftmost girl in the burgundy bikini he recognized as Chastity Crotwell. She lived in the downstairs apartment. She was 18 and stunning. She had light brown hair so long it nearly reached her ass. She was so far out of his league Clint had never had the courage to even say hi to her. He always just blushed and rushed away, his tongue a brick in his mouth.

He'd never seen her in a bikini before. She was impossibly thin, with a waist the diameter of a teacup. Her slender hips swelled a couple of inches from that. He'd known she was gorgeous, but now he couldn't believe the perfection of her body. Every curve was sleek and exciting, and her skin was as smooth as melted ice cream. Her bottom wasn't huge, but it was well-proportioned and firm. Most of it was bare, for her bikini was tiny. His mind soared.

### **From *Late for a Licking*:**

Carla studied the woman, who was, she had to admit, gorgeous. Tammy Thompson looked more like a retired professional athlete than a teacher. She had California good looks and a curvy body that was only a few years removed from the rigors of the tennis or volleyball court—Carla couldn't remember what sport the blond had practiced.

Her bottom had certainly swelled since her teenage years. It was now as plump as a Christmas ham. She was still fit and obviously worked out regularly, but at 31, she wouldn't be setting any more athletic records.

*Only disciplinary ones*, thought Carla with a smirk. She hadn't computed the teacher's total since arriving a year ago, but it seemed to her that every evaluation her butt took 20 or 30 swats. That had to be a record.

### **From *The Nail Salon*:**

To be fair it was a very small school with only space for a few student desks, but it came with a teacher's table up front, a blackboard, and typical school decor like educational posters and some textbooks on a bookshelf. There was even a stool in the corner with a dunce cap on it.

But Kate's eyes were drawn right to the rack of rattan canes on the wall behind the teacher's desk. Hanging under those were two leather tawses, thick straps with split ends. She quickly spotted the wooden ruler on the desk and the American-style wooden paddle hanging on the side. It was perfect.

# *Twelve of the Best*

*A superlative collection of  
the Flogmaster's best erotic spanking stories*

**VOLUME 115  
("ADULT")**

*This collection of the Flogmaster's best writing  
contains stories dealing primarily with the  
corporal punishment of adults (mostly female),  
sometimes non-consensual, and some stories  
may contain sexual activities.*

## About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

***Paul Bunyan and the Great Lakes***

(★ ★ ★ ★ , M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as *F6/f24*, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like "sex" or "anal" (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any "spoilers" that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

# A Lesson in Manners

**(★ ★ ★ ★ , M/F —Severe, semi-consensual paddling)**

When a rude woman accidentally injures a boy, his father suggests she must be punished to demonstrate to the boy the reality of consequences. (Approximately 2,244 words.)

**C**harlie was in the park with his dad when the lady ran into them. She was looking down at her phone and not paying any attention to where she was going. All three of them ended up in a crumpled heap on the rocky path.

There was stunned silence for a moment, and then Charlie began to scream. The little finger on his left hand was sticking out in a weird way and it hurt terribly. His wails attracted the attention of dozens of people who gathered around.

The woman, of husky build and about 40, was horrified. “Oh my Lord!” she gasped. “What have I done? Oh you poor boy. I’m so sorry!”

She looked pleadingly at the father. “It’s not broken, is it?”

George examined the boy’s hand. Charlie had calmed down a little, but the tears were still flowing enthusiastically. He winced when his dad gently massaged the finger back into place, but his tears stopped for a second as he waited to see what would happen. Then he cried some more.

“I think he just jammed it, thank the Lord.”

“Oh that’s good,” said the woman. “Again, I’m so sorry.”

George glared at her. “That was utterly irresponsible behavior, walking at that pace without looking around you. You could have really injured my son.”

“I know, I know. I’m so sorry. It was rude and irresponsible. I’m sure glad your boy is okay.”

The lady did seem repentant. George noticed for the first time that though she wasn’t exactly young, she had a young face with rosy cheeks and bright blue eyes. She was quite handsome. Even her body, though full-featured and round, was pleasant. Her thick coat made her seem more plump than she was. Her waist was narrower than her hips, which were broad and sturdy, and her bottom shaped the back of her jeans in an attractive manner. The sight gave George a wicked idea.

“I really ought to bring you back home to my place

and teach you some manners,” he growled. “I’m trying to set an example for my son. How does it look to him if there are no consequences for your actions? He ought to see you soundly punished.”

The woman went pale. “I hadn’t considered that,” she admitted. “You’re absolutely right. There should be consequences. But I don’t understand what you mean about punishment.”

“I mean a good sound paddling. Charlie here gets spanked when he does something wrong. Why shouldn’t you?”

“Spanked! But I’m—”

“A responsible adult?” interrupted George when she hesitated. “We’ve just proven you’re not.”

This debate between the two adults so fascinated little Charlie that he stopped crying, forgetting his pain, and trying to understand what the grownups were talking about. He wasn’t sure what was happening, but soon enough he and his dad were heading home and the rude woman was coming, too. She didn’t seem happy about it.

Their home was just a few blocks away and it didn’t take long to get there. George let them inside and sent the woman and his son into the parlor. He went to get the first aid kit and stopped by the craft boxes in the guest room for a popsicle stick. This he broke in half and with some medical tape, quickly created a simple splint binding Charlie’s ring and little fingers together.

“Leave it like that for the rest of the day,” his dad said. “It’ll keep it from getting more injured and help it heal.”

“It feels weird,” said Charlie, unable to bend his two left fingers.

“But it’s not broken, so that’s good. You’ll be fine.”

George turned to the woman. “What’s your name?”

“Ella,” she said, her tone wary.

“I’m George, and you’ve already met Charlie.”

The woman cringed at the reminder. “I really am sorry I hurt you, Charlie,” she said.

“Ella did a bad thing, Charlie. Do you know what she did wrong?”

“She wasn’t watching where she was going?”

“Exactly. She was playing with her phone and you were hurt. It could have been much worse, too.” George fixed his eyes on the woman. Softly, so as not to alarm his son, he murmured, “What if you’d knocked him into traffic and he was hit by a car?”

Ella gasped. She blinked back tears. “Please, I understand. I know what I did was wrong. I’ll take my punishment. Can we just get it over with?”

“Yes. This won’t take long, but I want to make sure my son understands what is happening. This is really a lesson for both of you.”

To his son he asked, “Charlie, what happens when you break a rule?”

The boy scrunched up his nose in distaste. He turned pink, too. “I get spanked,” he said in a small voice.

“That’s right. And Miss Ella, here, broke a rule, so she must be spanked. But she’s not a little boy so she doesn’t get a little boy spanking. She gets a big girl paddling.”

Ella blushed furiously hearing this, and fidgeted. Her pretty face took on alarm as she saw George opening a closet and extracting a large wooden paddle. It was at least 20 inches long and thicker than the last book she'd read. She gulped and shook her head.

“Now wait just a minute, Mr., uh, George. I agreed to a paddling, but that thing's a boat oar!”
