Random Praise for the Flogmaster's Writing

Quite a story, quite a neighborhood, quite delightful.

YK

Quite a good story here. I like the "shocked into submission" angle.

K.Y.

Wow. Dark stuff. Reminded me of Dances With Werewolves...

Z.R.

This was very deep and dark. If the girl wants to demoralize herself for the sake of a stupid sorority group, so be it.

B.O.

These are some serious carnival games. _Wow_!

I.C.

Haha, this is VERY amusing, though I feel very bad for poor Marie!

TKEE

I am not to thrilled on futuristic stories, but this story was real good.

S.B.

Selected Excerpts

From *A Tanning for Tandy*:

The girl was disgustingly pretty, with an hourglass figure she maintained effortlessly, golden hair in gentle curves down her shoulders, tits the size of grapefruits, a waist a 12-year-old would envy, and hips appropriate for birthing. She had a gorgeous face gifted by her mother, a famous supermodel who'd ended her career to marry David, 20 years her senior.

From *Marked*:

Frightened by the switch, the girl didn't argue, worriedly presenting her bare rump for the rod. The limb hissed and struck, leaving behind a gloriously scarlet swelling from cheek to cheek. She squealed and danced, rising up and clutching her bum in agony.

From *Three Daughters*:

My slacks came down, along with my panties, and I was across his lap with his hand, and then a heavy brush, smacking my bare tush. It stung horribly, and I began to writhe and cry.

The spanking was long and thorough, just like the one I'd heard. Then I was kneeling on the built-in sofa for whacks with the paddle. The board was thick enough and really stung. My eyes watered, and I felt like a naughty teenager again. The blows continued, and the pain swelled until my ass was cherry-red.

About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

Paul Bunyan and the Great Lakes

(★ ★ ★ ★ , M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as *F6/f24*, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like "sex" or "anal" (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any "spoilers" that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

A Tanning for Tandy

(★★★★, M/F—Edgy, non-consensual spanking, paddling, strapping, caning, pussy and breast whipping)

A foolish rich girl goes to a tanning salon that turns out to be a place for a different kind of tanning. (Approximately 4,670 words.)

If they hadn't been 30,000 feet in the air, Belinda would have left the plane. She'd dealt with many troublesome clients and was usually masterful at concealing her disdain, but young Tandy Clarkson had pushed her patience beyond the limit.

First, the spoiled brat wanted "allergy-free peanuts," which turned out to be peanuts without the nut part, whatever the hell that meant.

She wanted alcohol, which they didn't have on board since it hadn't occurred to anyone that an 18-year-old

would be drinking.

“I’m sorry, but we didn’t stock any alcohol,” Belinda explained. “You’re only 18 and not old enough to drink.”

“Fuck that! I’ve been drinking for years,” Tandy whined. “The drinking age in Geneva is 16 for beer. They tried to ban it at school, but we all knew ways around that.”

In other words, bribery, thought Belinda. She shrugged. “That may be, but there’s nothing on board. I can’t snap my fingers and make a gin and tonic magically appear.”

“Can we make a pit stop?”

Where? thought Belinda, grinding her teeth. *On an aircraft carrier?*

“Miss, we’re over the Atlantic Ocean. There’s nothing down there but water.”

“The service on this airline sucks! My father’s going to hear about this.”

Belinda nodded politely. This was a private airplane owned and operated by Tandy’s father, David Clarkson, the billionaire. If anyone was to blame for the service, it was him.

Then the gal demanded the engines be shut off because they were too noisy.

She complained about everything. The cold food was too cold, and the hot food too hot. Her fizzy water had too much fizz and then not enough. She pestered Belinda constantly.

In the old days before she’d gotten private gigs, when

Belinda had worked commercial, she'd had flights where she was servicing 50 people, and the job had been less demanding than catering to this spoiled, rich girl.

The girl was so obnoxious that Belinda was ready to throttle the little bitch, or at least put her over her knee for a good, old-fashioned spanking. It amused her to think this, and if she could have gotten away with it and not been sued into oblivion, she would have done it, even if it meant losing her job. She was 37 and didn't need this kind of shit.

But then Belinda was from the great state of Texas, where britches came down for trips to the barn for a traditional razor stropping. Such a thing happening to Tandy was delightful to imagine.

The girl was disgustingly pretty, with an hourglass figure she maintained effortlessly, golden hair in gentle curves down her shoulders, tits the size of grapefruits, a waist a 12-year-old would envy, and hips appropriate for birthing. She had a gorgeous face gifted by her mother, a famous supermodel who'd ended her career to marry David, 20 years her senior.

Despite being so attractive, however, Tandy was not nice or intelligent. The girl was so lazy that she wouldn't tie her own shoelaces. Her expensive European education had been completely wasted on her, since she didn't know Waterloo from Waterhouse. She had huge breasts, however, and a sweet smile that melted the hearts of men. She was rich and had never wanted for anything. She was bossy and bitchy and got away with everything.

Belinda couldn't stand the brat, who knew everything and wouldn't hear of anything different.

They were still a few hours from Los Angeles when the pilot called Belinda to explain the situation. There was a troublesome warning light that indicated a potential malfunction.

"It's probably nothing, but we can't confirm anything while we're flying. It's been determined that our safest option is to detour to Houston."

"What happens then?"

"We shouldn't be more than a few hours, unless the problem is more complicated."

Belinda went to tell her passenger, already dreading the girl's reaction. She probably had an assortment of appointments and rendezvous lined up and would be furious if she'd miss them.

"What do you mean a delay?" demanded Tandy. "Who the fuck decided that?"

"It's a safety situation, so it's the captain's decision."

"I'm calling my father!"

"There's no cell service," Belinda pointed out. "And besides, it won't matter. When it comes to the plane's safety, the captain makes all the decisions. Your father can't do anything about it."

"This is outrageous! You're fired."

Belinda wanted to laugh. Now she was being blamed for a mechanical fault? Her union would guarantee her a sizable payday if Mr. Clarkson followed through on his daughter's threat. The flight attendant half-hoped he

would: she could use a year's paid vacation.

"What the fuck am I supposed to do in Houston for three hours?" whined Tandy.

"You could just wait on the plane or go to a lounge."

"For three hours? God, I'd rather die!"

"I'm sorry, but I'm not sure there's time for sightseeing or shopping. The repair shouldn't take too long, and it might not even be necessary. Sometimes it's just a sensor error, and the actual equipment is fine. If that's the case, we could be at the airport in a couple of hours."

"Fuck! What a waste." Tandy sighed. "I had a tanning appointment scheduled for when I got off the plane in L.A. I just can't face anyone looking like this. I'm as pale as a ghost."

The girl held out an arm that was lovely, the skin alabaster. But Belinda thought it was the girl's tits that were the most white. Her top was unbuttoned, leaving a generous amount of cleavage. The twin melons of her breasts looked as white as cream cheese.

"There are tanning salons in Houston," Belinda said helpfully. "It is a major city, after all."

"I doubt any are as good as Sebastian. He's a wizard."

"You might be surprised," Belinda said. She wondered why it made any difference. Wasn't one tanning booth like any other?

But then she had a wicked thought. It was so radical she almost dismissed it out of hand. But the more she considered it, the more she thought it might actually

work. If there was anyone dumb enough to fall for it, it would be a useless airhead like Tandy Clarkson.

The jet touched down at Bush, and Tandy Clarkson exited the plane dressed in denim cutoffs that had been handcrafted in Paris, a tiny white blouse too small to fully subdue her grapefruit tits and that left her belly button on show, boots with stiletto heels, and dark sunglasses. The whole ensemble cost as much as a car when you included her jewelry, but she had no concept of prices.

She surveyed the land and came away unimpressed. It was blindingly sunny, hot, humid, and there was nothing but concrete in her view. Frowning as though smelling a fart, she descended the stairs and got into the back of a black town car that would take her wherever she wanted to go.

“Where to, Miss?” asked the driver from the front. He was an older gentleman who looked like he should have retired long ago. Tandy dismissed him as unimportant.

“I’ll let you know,” she said. “Just drive.”

The horrible flight attendant had given her the number of a tanning place in town. Tandy dialed and waited.

“The Texas Tannery. How can I help you?” said a chipper male voice.

“I’d like to schedule an immediate session,” she said. “I’m only in town for a couple of hours, so it has to be

right away.”

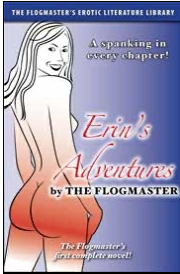

“Are you an existing client?”
