Random Praise for the Flogmaster's Writing

*So funny, discalcula strikes again! Damn those reversing
numbers.*

CATMAMA

*A good, sound twenty-minute spanking certainly will prove to
be much more effective if delivered atop a half-dozen blazing-
hot caning weals, won't it?*

C.K.

Great story, scary and exciting. Enjoyed reading it.

LIZZYHAYES

That was certainly original, loved it.

JUDE

Nice story.

BARRETHUNTER

I feel sorry for the girls' butts in this story. Great writing here.

FIRE901

*I loved the concept. This was a fun story with a little math, my
favorite subject in school. Thanks!*

Selected Excerpts

From *Happy Girl*:

The girl laughed and perched her rump on edge of the coffee table and removed her sneakers. Then she jumped up and wiggled her brown jeans down. Her panties were frightfully skimpy, a gossamer-like cotton of pale white that clung to the chubby mounds behind. Her shirt barely reached her hips, leaving her lower half bare to her toes except for the scrap of fabric stuffed into the crack between the chubby buttock-halves.

From *Solidarity*:

Trixy giggled. “You still get spanked, Lydia? You never told me that!” She brazenly marched toward the Sheriff, large high tits bobbing seductively. She wore only a tiny thong bikini bottom and flipflops to protect her feet. Her smile was lascivious.

“You can spank me anytime, Sheriff Davis,” she purred, arriving near him.

From *The Eulogy*:

When she was six years old an odd notion had come into her head. She didn’t know if she’d overheard someone talking or had seen something on TV that inspired it, but somehow she’d come up with the idea that fathers who loved their daughters spanked them. After that, she was insistent that her father always spank her if she was naughty. Even as she grew older, she didn’t want groundings or other punishments. That wasn’t love. Love was a father disciplining his child with sternness and affection, and that’s what she wanted more than anything.

About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

Paul Bunyan and the Great Lakes

(★★★★, M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as F6/f24, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like “sex” or “anal” (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any “spoilers” that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

A Warm Homecoming

(★★★★, MF/F—Extra-Severe, non-consensual paddling, stropping)

A grown woman moves back in with her parents and pays the price.
(Approximately 4,340 words.)

Britney had a heroic butt. It was tall, wide, *and* deep in the third dimension, a triple-threat. When she was younger, she used to joke that it was so big because her parents spanked it so much. But it had been almost ten years since her last spanking and her ass had continued to swell. Now it needed a beep warning system like the kind trucks had when they backed up!

It wasn't surprising that Britney was thinking about her rear end right at this moment. You see, she'd just had an

uncomfortable conversation with her parents. She was pacing around in her old room, trying to make a difficult decision. She paused in front of the dresser mirror and turned to admire her profile. Yup, the butt was still there, sticking out like a balloon waiting to be popped.

Shit! she thought. *This can't be happening.*

And yet, the truth was, she wasn't that surprised. Her folks had always been strict. Her father had always said things like "My house, my rules." Britney should have known that returning home would involve accepting whatever terms her parents wanted. Maybe that was why she'd put it off so long. She should have been here a year ago, when things weren't that bad. Instead she had to wait until she was evicted and her credit score was practically a negative number, along with her bank account.

The knowledge that if she moved back home she'd be subject to traditional discipline hadn't completely registered yet. She was 27, not a child! Sure, she hadn't exactly behaved like an adult since she left home, dropping out of college, racking up a ridiculous amount of debt, and bouncing around between various bad men.

Maybe I should make a pros and cons list, she thought. She opened her desk drawer and found a notebook and a pen. She wrote and then read it aloud:

"Pros: a place to live rent-free; amenities like internet, TV, laundry, and garbage service; Mom's home cooking; parents who love me. Cons: household chores; a curfew; rules about what I eat, wear, drink, and do; lack of privacy. And the biggie: hard bare bottom spankings when I inevitably screw up."

Britney sighed. She wasn't sure she had much of a choice. Even though she had a job, it didn't pay nearly enough for her living expenses, and with her mountain of debt and bad credit, a rental was out of the question. She *might* be able to afford something if she had a bunch of roommates, with someone else's name on the lease, but she wasn't too thrilled about living like a college student again, and even two or three hundred bucks a month—about the best she could hope for—was a lot more than zero.

If she'd had better taste in men, she might have found a nice guy who'd let her move in, but most of her old boyfriends were assholes, or she'd been the asshole and they now hated her. The two really great ones were now happily married. She didn't doubt that with her looks she could find a stranger who'd take her in... but he'd be expecting some sort of payment, even if it wasn't money.

She got up and walked out of her room. Her heart was racing a little, which was odd. This wasn't that big a deal, was it? Yet somehow it was. Her parents were in the living room, Mom reading a magazine, Dad "watching" golf while he snoozed. A typical lazy Saturday afternoon.

"I've made my decision," Britney announced. Her parents looked up at her. "I want to move back in."

Her dad groggily came to life. He restored the recliner to sitting position. He glanced at his wife. "Are you sure about this?"

"I am."

"You understand the arrangement."

"I do. I'm not crazy about it, but you're right. If I live here, I have to follow your rules."

“And you’re okay with the consequences?” asked her mother.

“Not really, but I don’t like paying taxes and I have to do that.”

There was a moment of silence. Then her father cleared his throat noisily. “There is one matter.”

“What’s that?”

He exchanged a look with his wife. “The thing is, you have a history.”

“A history?”

“You’re a flake,” said Britney’s mom bluntly.

The blond blushed. She wanted to argue, but it was hard to debate truth. She nodded, forcing herself to admit it. “But I’m trying to do better.”

“Sure, and we respect that,” said her father. “But we’re worried about your commitment.”

“You meant to do chores and follow the rules?”

“What your father is trying to say is that we don’t trust you, Britney,” said her mother. She’d always been direct, no-nonsense. Usually Britney liked that about her. But sometimes the truth was tough to hear.

“What’s to stop you from living here for a few months and then skedaddling off somewhere else the moment it comes time to pay for your behavior?”

Britney winced. “You think I’ll try and skip out on my first spanking,” she said.

“Yes.” Both her parents nodded. “It’s not like you were too thrilled about such punishments when you last lived here,” added her father. “I seem to recall more than one tussle.”

“But I’m an adult now, not a kid. I promise I’ll cooperate.”

“You’ve made other promises you haven’t kept. We’re going to need more than your word.”

“What else is there?” asked Britney, puzzled.

“An example,” said her mother. “In short, you’ll take a spanking right now.”

Britney’s mouth fell open. “But I haven’t done anything wrong!”

“Not yet, that’s true. But this isn’t a punishment for something you’ve done. This is you proving to us that you’re really committed to changing your life around. We can’t just take your word for it—we need to see action.”

“And if I don’t do this?”

“Then you’re welcome to stay here through the weekend, but after that, you’re gone,” said her father. “We love you but we can’t have you here if you won’t abide by our rules.”

“So I don’t really have a choice.”

Her dad shrugged. “You made the boat you’re in. Don’t blame us for that. We’re happy to help you out, but you know our conditions.”

Britney tried to steady her breathing and be calm. *You knew you’d get spanked sooner or later. This is just sooner, that’s all*, she told herself, but it didn’t help much. She still felt a rising panic in her chest.

“Just how, er, severe is this demo spanking going to be?” she asked.

“Does it matter?” her dad responded. “Will that really change your choice? If I told you it was going to be the worst spanking you ever got in your life, would the prospect of that

one spanking make you change your mind? Because if so, you're not very committed, and you must have better options you haven't told us about."

There was a long silence while Britney considered this interesting perspective. In the short-term, what kind of spanking she was to get mattered a great deal, but her dad was right that in the long run it didn't change anything.'

"Okay," she said. "I'll take the spanking. I suppose I deserve it for the things I've done in the past few years."

"I'm sure you deserve a lot more than just one spanking," said her mom. "But this is about the future, not the past. You'll take this punishment, move in, and we'll help you get your life back on track. Sound good?"

"Thanks, Mom. You too, Dad. I know you're only doing this because you love me. I'll do my best to get through it."

"Good. Then I believe you remember the proper procedure for a spanking?" said the man. He was pointing toward the hall closet and Britney gulped.

"You still have—" She swallowed hard. Of course they did. Why would they get rid of them? She flushed, her face going hot. "I'm supposed to get them like in the old days?"

"*Just* like in the old days," said Britney's mom firmly. "You do remember?"

"I remember I used to have to get undressed in my room and come out here to get the paddle and stuff and... but you can't expect me to do that now. I'm almost thirty years old!"

Britney's dad chuckled. "You're a few years from that, honey, not that it matters. There's only one way to get a spanking in the Albright household, and that's in the buff. So go prepare yourself and bring us your mom's paddle and

the razor strop when you're ready."

"Not both!" cried Britney.

"Definitely. Your mom will use the paddle, and I'll strop you. This is going to be a very real spanking, Britney, not a joke. You're not a teenager any more, so any spankings you get now will naturally be a lot more severe than what you got ten years ago."

"Oh, God," groaned the young blond. She held her face in her hands for a moment, hoping that when she removed them, everything would be different. Of course, nothing changed. She took a deep breath and made her way back to her bedroom. Already she was starting to feel the familiar butterflies from her high school years. How she'd hated having to strip and walk the house bare for her punishments!
