## **Selected Excerpts**

### **From *Cane Games*:**

But by far the most amazing aspect of the pose were the girl's buttocks. These were impressive under routine circumstances, being pertly round with an aggressive thrust noticeable even under the flap of a pleated schoolgirl skirt, but spread across the bow of the punishment chair they boldly jutted upward with an incredibly deep crevasse between the graceful mounds.

From somewhere a thin wand of stern rattan appeared. Its length was ominous, more than a yard of whippy springy power, fully spanning the mighty orbs across which it lay. It tapped the waiting cheeks in dire warning. The rotund mountain peaks quivered at the touch, frightful shivers scurrying up and down the spine of the upended girl.

### **From *Caning Miss Brooks*:**

She moved, turning promptly and going to the door. It was then I caught a brief profile view of the woman and my heart—and cock—surged. From the front she was pleasant, but from the side she was exceptional. The breasts were nice, poking out as expected, but it was the behind that was extraordinary. I saw her backside was tall and sloping, the gradual increase in jut marvelously appealing. The butt didn't really swell until the very base, producing a remarkably pert jutting ball of flesh down low, like the tip of a ball-peen hammer.

I suddenly very much wanted to cane that petite, well-rounded chunk of flesh. I wanted to cane it severely.

### **From *Sent to Uncle Ruppert***

The scowl deepened. The man reached down and selected one of the longer rods, a rust-colored cane that was narrow and full of pain. Susannah shuddered.

"Since I cannot know why you were sent, it's better to err on the side of severity, don't you agree?"

Susannah did not, but didn't dare disagree. She made a motion with her head that could have been anything. Her eyes were large

and focused on the dreadful cane as it was flexed, swished, and bent again. Her bottom trembled.

“Twelve strokes,” he announced, and her heart swooned.

**VOLUME THIRTY-ONE  
("ADULT")**

sometimes non-consensual, and some stories

## About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

***Paul Bunyan and the Great Lakes***

**(★★★★, M/Ffff—Absurdly Severe, nc ole fashion paddlin')**

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as F6/f24, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like “sex” or “anal” (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any “spoilers” that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

## All Three

**(★★★★, M/F—Severe, consensual paddling, caning, strapping)**

A naughty pupil keeps changing her mind about which implement should be used on her sexy bottom. (Approximately 2,128 words.)

**K**athy Jacoby strolled into Dr.

Alby's office grinning like she owned the place. She was wearing a purple top, tight white gym shorts, and trainers.

"What's up?" she said, chomping on her gum.

The headmaster frowned at her chipper attitude which he felt was at odds with the formality of his office.

"I wanted to show you a video," he said coldly, pressing play on a remote control.

The flatscreen TV across the room lit up and queued video began to play. It showed an overhead view of the parking lot. The lithe blond figure that trotted along between the cars was unquestionably Kathy.

For one, the girl in the video wore the exactly same outfit, and for another, there was no mistaking the broadly swaying hips and full bum. Kathy's expression didn't change as the TV girl calmly took up a stone and dragged it along the door of a car, leaving the paint heavily scratched. The white bum wagged its way off camera, the girl never looking back.

The Head paused the video.

"Wow, it looks like someone damaged your car, Dr. Alby. Bummer for you, huh?"

"You know bloody well that was *you!*"

"Me!" Kathy gasped. "Just because the girl was blond don't mean it was me. We never saw her face."

"Don't play games with me. Admit it! You vandalized my car!"

"I don't know what you're talking about, sir. That could have been anybody."

"There aren't that many 5'7" blonds at this school with a figure like yours, especially ones wearing a purple shirt today."

He pointed to the time stamp. "This was taken at 2:35, just after your gym class let out. Do you have an alibi for that time period?"

Kathy shrugged. "I was in the loo."

"Anyone else in there?"

"It's a private place. I mind my own business. Don't ask, don't tell."

"So in other words, you *don't* have an alibi."

"Doesn't mean I did it."

"Turn around."

Kathy grinned. “You taken a fancy to me bum, have you? I always knew you was a bit perverted.”

She obliged, rotating to show the man the full curves of her jutting buttocks. The white shorts strained to contain the globes, drawing tight across the bulging spheres.

“Just as I thought,” said Dr. Alby. He rewound the video, pausing at a shot of the girl walking away. “Look there. That brown smudge on the right buttock. What’s it look like to you?”

Kathy laughed. “It looks a lot like Mickey Mouse!”

“You, Miss Kathy Jacoby, have the exact same stain on the shorts you’re wearing right now.”

“Coincidence. Lots of girls got dirty in gym. Could be anyone.”

“That smudge is distinctive. As you just said, it looks like Mickey Mouse.”

“So Disney is going to sue me for copyright infringement?”

“No, I’m going to cane your bottom for vandalism. Now take off those shorts and touch your toes.”

Kathy frowned. “Uh, sir, there’s a little problem with that.”

“What now?”

“I’m not wearing anything underneath.”

It was Dr. Alby’s turn to shrug. “Not my problem. The rule is the outer layer comes off for corporal discipline, so that’s what is going to happen.”

“So if I’d worn six pairs of knickers I’d get to keep them on?”

“Don’t be cheeky, Miss Jacoby. You know the maximum

is one layer of clothing.”

“So my shorts are one layer!”

“Shorts are not knickers. They come off. Now you’re already getting eight strokes of the cane. Would you rather make it ten for non-cooperation?”

“Fine, fine. Whatever.” Kathy pushed the white shorts down to her ankles and hopped out of them, leaving her plump bum utterly exposed. “You just want to see my bum bare. I know you perverted types.”

Dr. Alby ignored the remark and went to select a cane from a cabinet. Inside there was also a large wooden paddle and a long length of leather split into two tails.

“How come you can’t use one of those?” demanded Kathy. “Maybe I don’t want the cane.”

The man paused, turning to look at her. “Would you rather have the paddle? It’ll be ten with it. Or a dozen with the tawse.”

“Only eight with the cane?”

“That’s correct.”

“I suppose the cane, then.”

“Assume the position.”

The tall blond dipped over, reaching for her feet. She was athletic and held the pose perfectly. Her broad hips looked even broader in this position, the large buttocks bold and bare.

Dr. Alby swished his cane and approached the target. He set about giving the eighteen-year-old senior a sound thrashing. The first hissing cut of the rod landed right in the center mass, striking with a loud crack like a bone breaking. The pale skin bounced wildly for a second as a white line

crossed both cheeks. Slowly the white reddened and swelled into a scarlet weal.

“One,” said the Head, pleasure in his tone. He didn’t wait, but lashed another stroke in an inch below the first. For many girls the sharp sting would have had her rising up and reaching for the burning line, but Kathy didn’t move a muscle. Her hips twitched and her bottom quivered, but she made no sound.

Twice more the rod imparted its lesson, without reaction. Just as the Head was worried he wasn’t hitting hard enough, the girl suddenly gave a loud sigh.
