Random Praise for the Flogmaster's Writing

*Well written story with fantastic graphics in what I call 'a
mind's eye view.'*

B.O.

Very erotic!

K.R.

*_Wow_! Carol sure got her bottom warmed. Sometimes it just
doesn't pay to be the comforting big sister.*

B.E.

*Cute. It's easy to get a spanking when you're a teenaged girl
who wants one.*

R.S.R.

I want his job. Great story.

O.G.

*Absolutely superb, atmospheric beginning, setting the scene
with the minimum of detail and yet telling you all you want to
know.*

D.K.

*Very entertaining, although I do feel that letting a machine do
the work deprives lots of people of a lot of enjoyment.*

Selected Excerpts

From Coming Back For More:

The final slice was the most severe, low across the chubby underbum. It drove in several inches—or at least it felt like that—and Alison was astonished that the elderly man could still muster such energy.

She stood in the corner, her buttocks searing, while she pondered her situation. Her heart was racing. She was thrilled it was over, yet even more thrilled by the experience. But nagging heavily at her was the knowledge that in a week's time she'd be back for a repeat of the adventure. That terrified her and yet she could hardly wait.

From Fun Girl:

I wish I could adequately describe the night. But pleasure turned my brain to mush and I mostly only remember the fantastic series of orgasms. There are glimpses of images in my head, like still photographs. Stacy naked beneath me, that wide smile encouraging me to thrust like I'd never thrust before. Stacy's mouth in a perfect O of utter joy. Stacy at my crotch, licking and teasing, a delightfully naughty grin on her face.

From The Caning Party:

The cane Lei brought was one of her favorites. It wasn't the lethally thick number one or the heavy number two, but long and light and thin. It was so bendy it wobbled slightly as she handed it over and she knew it provided the most delightfully sharp sting. She could feel her sex twitch with excitement and hoped that Donna would be excruciatingly strict.

Donna had thrown Julie face down on the couch. The girl's glorious ass projected upwards like a sculpted monument to perfection. The mounds were small, like her, but just as full of spunk.

About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

Paul Bunyan and the Great Lakes

(★★★★, M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as F6/f24, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like “sex” or “anal” (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any “spoilers” that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

Back to the Head

(★★★★, M/FF—Severe, consensual paddle, cane, tawse)

Two “schoolgirls” visit a headmaster dom. (Approximately 1,910 words.)

The two have such different bottoms, Alan mused as he studied the women. But despite being such opposites, he couldn't decide which he liked better.

Nikki was slim with a runner's body. She had hips, but the curve was gentle. Her butt was small and apple-round and adorable.

Maggie's ass was broad giving her a heavy-hipped appearance, though she couldn't be fat since her waist was only a little thicker than Nikki's. She looked great naked. She had lovely breasts just the right size for a man's hand. Her ass flared widely at the bottom so that the cheeks were round on the outside and they had a heavy overhang.

Nikki's butt jutted out more and was bubble-shaped. Alan liked that a lot. But Maggie's rump was bigger and bouncier, with some gorgeous jiggle. Nikki's was deliciously firm and held its shape even when being paddled.

Both of the girls were very pretty, Nikki young with short dark hair and a flawless teeth, Maggie with light brown hair, almost blond, and a wonderful welcoming smile.

It was so hard to choose.

It was a good thing he didn't have to face that choice.

Alan put on his best headmaster glare and growled at the two nude figures standing with their backs to him, "Fighting? Again? What was it about this time?"

"She stole my cigarettes!" Nikki burst out.

"What! They were mine! I bought them last week and—"

"Girls, please. Keep your voices civil. Now, since cigarettes are forbidden, you've both just admitted to breaking yet another rule in addition to fighting. Is there anything else you'd like to confess while you're at it?"

The girls were silent. "Bitch," muttered Maggie.

"Cunt!" cried Nikki.

"Ah yes, no punishment is complete without some correction for foul language," Alan snapped. "You two have really out-done yourselves this time. I hope you realize the ordeal you have ahead. Since this is your third time fighting, I'm going to triple your dose for that. Add in possession of cigarettes and swearing, and neither of you will be sitting comfortably until the new year."

The bottoms before him squirmed, but he couldn't tell if it was in real fear or anticipatory excitement. At least the girls were smart enough to not add to their tally with more

foolish outbursts. It was one thing to earn additional discipline in abstract, and quite another to do it in reality. Both had been to him before and knew that when he said it was going to be severe he wasn't exaggerating.

It was time to pronounce sentence. "For fighting, it's ten licks with the school paddle." The girls shivered and heads slumped forward. "That, of course, is tripled. But I'll spread them out. We'll start with ten right now."

The tan board was slim and solid, eighteen by four. It ate into the tight mounds of Nikki's sweet butt with a bang. She yelped, then groaned as the pain raged through her. With no warmup, such sound blows hurt like the devil. Her friend got a blow just as hard. Both butts quickly blossomed a rosy patch that matched the paddle's rectangular shape.

"Oh God!" moaned Nikki after the third. She moved her legs apart to give herself more stability. She flinched as the wood flattened Maggie's big ass. The brunette whimpered.

The paddle popped off Nikki's small butt, leaving it flushed with scarlet. A second blow immediately followed, and Nikki yelled "Oh shit!" loudly.

Alan moved to Maggie and the two spanks were hard and fast and very low, deep into the underhang at the base of her butt. She started to cry a little.

To Nikki Alan said, "Since you like to swear, one extra for each of you," and he delivered the spanks, first to Maggie who cried out in useless protest and then to Nikki.

"We're only halfway done with this first paddling. How does it feel, ladies? Are you learning anything?"

"Yes sir."

"It's awful, sir."

Both looked like they were straining to endure the blistering and he'd barely gotten started. Amazing.

There was nothing like school punishment to make a girl feel small, Alan knew. These two could go to any dom they wanted and get a much more severe thrashing and it wouldn't have nearly the same effect as what he was doing. In a school punishment the clients *became* schoolgirls. Nikki was that mischievous twelve-year-old adventurer again, daring herself to get in trouble. Maggie was the shy and overly self-conscious girl of thirteen who somehow always ended up in the principal's office with her pants down getting a spanking.

The second half of the set left both girls in tears, their bottoms crimson. Nikki's smaller buttocks were almost completely covered with red, while Maggie's was mostly the crowns of each cheek and the saucy undercurve.

"That was only ten, girls. You've got twenty more to come. But we will save the rest for later. I know how much you like to savor a delicious meal."

Since cigarettes were serious business, Alan decided to make the punishment two-fold. It had to include the cane, of course. There was no alternative there. But a preliminary dusting with the leather tawse was clearly what the doctor—make that headmaster—ordered.

He guided the girls to the sofa, one at each end, draped over an arm. The girls reached out across the middle and grasped each other's hands for support. Alan went to Maggie's plush tush and laid down three crisp cracks. She howled, so he knew he was doing his job right. Nikki had time to prepare herself, after having seen what her peer got,

and the three blows weren't a surprise. The two-tailed leather still stung like blazes, though, leaving her ass hot and inflamed.

Four more times he repeated the dose, each triple-salute increasing the girls' agitation and the vivid redness of her bottom. But fifteen was only the halfway point, so he told the distraught girls, and he entertained them during the break with a lovely six with a rattan rod. Across the inflamed skin the cane was even stingier than usual, and normally it was hell itself. Both young women were sobbing when he returned to the tawse.

This time he beat them slowly, alternating between them with just a single stroke. The fifteen took a quarter of an hour to administer, and that whole time both girls writhed in agony.

"I think it's time for more of the paddle," Alan said, and the girls groaned loudly and shook their heads. He ignored them, making them stand up and touch their toes for the board. Nikki's small bum was practically a tomato already, while Maggie's more generous globes were lobster red. The ten slaps with the big board quickly turned each bottom a deep, muddy crimson.

"Oh God," moaned Maggie. "I'm not going to be able to sit down for a week!"

"I'm turning purple," panted Nikki. "Do we really have to take another ten with that horrible thing?"

"Of course you do. But first I've got to punish you for swearing. What shall it be? The paddle, the cane, or the tawse?"

"They're all so horrible," Maggie said. "I don't know

which I hate worse.”

“The paddle, definitely the paddle.” Nikki was adamant.

“So you *want* the paddle?”

“No! Anything but the paddle.”

“The cane, then.”

“I’d rather have the tawse,” said Maggie.

“Fine. Then a bit of both.”

Both girls groaned and sighed, for they understood then that Alan was just toying with them, and they never really had a choice in their punishment.

He laid on three cuts with the cane, one by one, to each girl. Then five stingers with the tawse to Maggie’s left thigh, followed by the same to Nikki. Three more with the cane followed, each slice leaving a crisp red line swelling across each pair of bottoms. Then Alan finished off the punishment with five more of the tawse to each girl’s right thigh.

“Are you two feeling like well-punished school brats now?”

“Yes sir,” Maggie whispered softly.

“Yes sir!” chirped Nikki.

“You know what’s next, don’t you?”

“Oh God! Not more of the paddle!”

“You both have ten left. Let’s have you on your knees and lying across those footstools over there.”

Alan towered above the girls and used his weight and leverage to swing mighty blows into the waiting rumps below. Each slam of the board rocked the girl’s whole body and encouraged a fresh burst of tears. Alan went slowly, pausing to lecture between spanks just like a real headmaster. His scolding had both girls flushed and

sorrowful and begging for mercy, but he still delivered every one of the ten spanks they had coming.

In a mere ninety minutes, the two bottoms had been transformed. They were still the shapely mounds of before, only now they were blistered scarlet with a deep purple hue across the peaks of each cheek. Cane welts crisscrossed each ham, the lines finger thick and still swelling. Most were a burgundy color, but several were such an inky blue they were almost black.

“I’d say you two look well-punished. Are you going to fight again?”

“No sir!” both girls cried.

“Are you going to use cigarettes again?”

“No sir!”

“Definitely not, sir!”

“Are you going to use bad language?”

“Never, sir.”

“I’m going to try.”

Alan focused on Nikki, sweat appearing on her brow.

“You’re going to *try*? That’s all I get? You know, if you’re sent here for cigarettes again, it’ll be the cane *and* the paddle.”

Nikki flinched. “I’ve learned my lesson, I swear I have!”

“All right. Opposite corners for each of you. Hurry up. Hands behind your backs. Don’t you dare touch that ass, Maggie.”

Alan let them stand there for twenty minutes before he released them. Both girls looked drained and professionally corrected. He watched them dress into their schoolgirl uniforms of short skirts and tight blouses. Nikki, he saw,

didn't even try to put on underwear. Maggie did, wincing hilariously the whole time as she struggled getting her big blistered ass into the flimsy thing.

Payment had been made in advance so that there would be no need to break character afterward. That was the kind of detail Alan specialized in, since he wanted his client's last memory to be of the humiliating punishment and not their hired dom.

"I'd better not see either of you in my office again this term, or there will be consequences," he growled sternly at them. "Now get out of here."

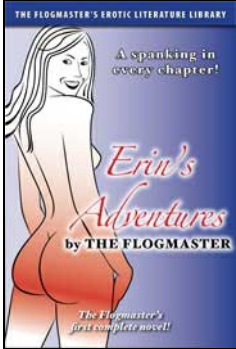

He could see from their faces that the session had been spectacular. He had thoroughly enjoyed it. He felt certain that both would be back, perhaps for another dual session like this one. There was something special about being spanked with a friend. It made the pain easier to bear, and it increased the anticipation when you saw the other punished before you.
