Selected Excerpts

From *A Day in Detention*:

He brought her up to the front and made her write lines on the blackboard. Alyse blushed and did as he asked, nervous as anything as she could see the slipper, cane, paddle, and strap on his desk.

Twenty times she had to write: I will always first check in with the duty master when I attend detention.

This took some time, time the teacher spent leaning back in his chair and watching her from behind, admiring the full jut of Alyse's ass and the way the jeans spread and rounded across those twin sitters.

From *Good for the Mother, Good for the Daughter*

Becca stared in astonishment at her nude mother. She had never seen her so cowed. Usually she was a strong bold woman, full of confidence and authority. Now she was naked, her heavy breasts dangling, the softness of her slight belly counteracted by the far bigger bulge of her buttocks. She stood at attention, arms stiffly at her sides, her chin up, eyes straight ahead.

"Fetch me an implement. Something severe."

From *Schadenfreude*:

Tears watering her pale blue eyes, Hannah reluctantly waddled to the front of the room, her face brick red. Melanie's heart raced as she prayed for a rear view, and her wish was granted as the chubby girl was positioned with her bottom pointed right at her. The stretched panties, practically bursting across those mighty hams, were worked downward, exposing meaty rounds of milky white skin.

Please be the paddle, please be the paddle Melanie thought. A smile came over her face as the teacher took out the big board from her top drawer and approached the whimpering teen. Normally such a long board dwarfed the bottom it was applied to, but in Hannah's case her broad hips made the slab barely adequate.

"It'll be twice eight," growled the instructor.

The FLOGMASTER Presents

Twelve of the Best

*A superlative collection of
the Flogmaster's best erotic spanking stories*

VOLUME FORTY-FOUR ("SCHOOLGIRL")

*This collection of the Flogmaster's best writing
contains stories dealing primarily with the
corporal punishment and discipline of minors
(usually female) by adults or peers, though
some stories may contain sexual activities.*

About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

Paul Bunyan and the Great Lakes

(★★★★, M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as F6/f24, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like “sex” or “anal” (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any “spoilers” that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

A Day in Detention

(★★★★, M/ff—Severe, non-consensual paddling, caning)

A good girl ends up in detention, where she experiences corporal punishment for the first time. (Approximately 4,400 words.)

Despite her school's strict rules—and her remarkably attractive bottom—Alyse had somehow managed to avoid any form of corporal punishment. That was, until during her last year, she ended up with a Saturday detention.

This was punishment for being caught off campus during school hours. Her excuse of running home for the essay she'd forgotten was considered irrelevant to the fact that she'd gone without permission. The only reason the headmaster didn't cane her was because of her exemplary record.

At the time, she thought she'd escaped, but then she learned that almost everyone who went to Saturday detention was given some sort of physical punishment. It was not looking good for Alyse's pert bottom.

Her bottom was, however, looking good, for she was told that since the detention was on a non-school day, she didn't have to wear her uniform. This was a blessed relief and instead of the childish pleated skirt she usually wore, she was able to wear comfortable—and sexy—blue jeans.

That, however, was what ruined her day.

Detention duty had fallen to Mr. Shane, and he happened to be the kind of man who liked pretty girl's bottoms, especially those bums that were perky and round and just a bit on the chubby side.

That description fit Alyse to a T. Thought somewhat studious and geeky, Alyse was a pretty girl. She was slender with shoulder-length light brown hair that looked blond in certain light. Because of her slight physique, she looked younger than her 17 years, and it was often assumed she was in a lower form. She had a nice face and an even nicer smile, though she didn't have the confidence to stand out in a crowd.

On this day she tried to slip unspotted to a back row chair, embarrassed at being a "bad girl" sent to detention, but naturally her round bottom in the tight jeans caught the eye of Mr. Shane and he insisted on discussing her attendance with him.

He brought her up to the front and made her write lines on the blackboard. Alyse blushed and did as he asked, nervous as anything as she could see the slipper, cane,

paddle, and strap on his desk.

Twenty times she had to write: I will always first check in with the duty master when I attend detention.

This took some time, time the teacher spent leaning back in his chair and watching her from behind, admiring the full jut of Alyse's ass and the way the jeans spread and rounded across those twin sitters.

Since Alyse had arrived early, she was nearly done with her chore at the official start time of detention. Mr. Shane locked the door, and the few stragglers that arrived after that were lined up by his desk for canings.

Alyse heard them each get three cracks of the cane across their clothed bottoms, and she shuddered, finding it hard to imagine anything so terrible. When Mr. Shane had finished the canings, he checked with her and saw she'd completed the lines.

"Since you weren't in your seat when detention started, I'm marking you down as tardy," he said sternly.

"But I was up here writing lines!"

"You weren't in your seat," he said.

"But that's not fair!"

The man's face darkened. "For arguing, I'm going to make it six strokes instead of three!"

Alyse paled, but bravely leaned across the man's desk for her first-ever taste of corporal punishment. She could feel her jeans drawing tight across her ass as she bent forward, and then she felt the tap-tap-tap of the rod as Mr. Shane got ready to beat her.

There was a whistling whoosh and then something hard hit her bottom. Instantly she felt a sharp prick like a needle,

except this was across the full width of her bum. As she gasped and wiggled, the prick blossomed into a penetrating heat. Then her bottom was burning.

A second stroke lashed in and this time she heard the dreadful *Thwack!* as it hit her ass. She squealed, dancing with her feet, and struggled to stay in position.

“Settle down or I won’t count the stroke,” warned the man, and Alyse trembled to think of extras.

More swishes and cracks, each terrible, and soon her bottom was stinging all over. The lines were burning individually, but collectively they amounted to such an intense fire that she couldn’t stay down for the final blow, which was low into the base of her butt and much harder.

Mr. Shane repeated the blow and then insisted Alyse sit in the front row so he could “keep an eye on her.”

She eased her bottom onto the hard chair, her face flushed with shame. She’d didn’t dare look around at the other girls, too embarrassed that she had just been spanked in front of everyone. If she had, she might have seen that no one was mocking her—everyone there was in the same predicament.

Mr. Shane explained the rules of detention. Each student would be given busy work to occupy their time—tasks like copying pages from the dictionary or works of literature—and any disturbances, lack of concentration, or poor work would be punished.

Alyse was given a large volume of Shakespeare to copy. She chose *Hamlet*, since she knew it well, but it was still a tedious task and after an hour her hand was cramping. At various times, while she worked, Mr. Shane would bark at

someone, ordering her up to the front for a few smacks with the slipper or paddle. These were for offenses such as having “wandering” eyes, so Alyse was careful to keep her gaze on her own paper, even though she found herself curious about the spankings and couldn’t help but peek.

It was during one of these moments that Mr. Shane whirled upon her and caught her staring at Stacy’s knickers.

“Front and center, Alyse!”

Reluctantly, her eyes bright red, Alyse went up to take the blond’s place. Except this time the teacher ordered Alyse to take down her jeans, so it was soon her own knickers mooning the class as the sturdy slipper smacked her barely covered cheeks.

While the others had only gotten six whacks in total, Alyse was given six per *side*. Each burned hotly, the pain surprisingly intense for such a mild implement. Alyse wiggled and fidgeted, her bottom tingling furiously when it was finally over. She quickly reached for her jeans and started to pull them up.

“Don’t do that,” said Mr. Shane. “Remove them, fold them, and put them under your desk.”

Alyse was about to protest when she remembered two things. One was that the last time she’d argued she’d gotten extra cane strokes. The other was that she saw Stacy had removed her skirt after her spanking, and when Alyse looked, she realized the other girls who’d been slipped or paddled had also lost their first layer of clothing.

Politely she said, “I have to leave my jeans off until detention is over?”

“That is correct. When you’re spanked in detention, you

lose an item of protection each time.”

Alyse went back to her seat with just her knickers covering her bottom, but she was more concerned about the future. If she understood things, getting another punishment would mean she'd have to take off her knickers!

It seemed insane to have to sit naked for the rest of detention, but it sounded like that was the policy. Alyse couldn't believe it. She wiggled her sore bum against her chair and prayed she'd be spared any further discipline.

More students were called to the front and smacked, but it was a while before anyone lost her knickers. That was the cute blond, Stacy, but this time Alyse didn't dare look. She kept transcribing her Shakespeare and her only knowledge of Stacy's bottom was the different sound that the slipper made on bare skin.

A little while later Alyse realized she needed to use the restroom. She'd been nervous and in a hurry that morning and had thought she'd just pee at school. With all the excitement of her lines and caning and slippering, she'd forgotten about it for a while. Now the need was urgent. She raised her hand.

“Yes, Alyse?” said Mr. Shane.

“Sir, I need to use the restroom.”

“Very well. You may, but since this is detention, we highly discourage bathroom breaks. We do that by ‘charging’ for the privilege. The cost for your first visit is six spanks with the wooden paddle.”

Alyse was astonished. “You mean I get paddled just for going to the bathroom?”

“That is correct. Additional visits later in the day will

earn you cane strokes. Do you still wish to use the lavatory?"

She considered this, knowing that the lunch break would be soon and she could go for "free" then, but she decided she couldn't wait. "Yes, sir. I need to go now."

"You have exactly five minutes," said Mr. Shane, pressing a button on his watch. "For each second over, it's a smack with the paddle."

Alyse paled and got up to go. It was then she realized she had a new problem: she was nearly naked.

"Sir?"

"Yes?"

"May I put on my jeans?"

"Of course not! You're being punished. Now come up here for your paddling."

Thankfully, this wasn't considered a "punishment," so Alyse got to keep her knickers on. They didn't cover completely or protect much, however. The paddle spansks hurt much more than the slipper. Alyse was still in tears as she wandered the hallway in just her top and underwear. The school was nearly deserted on the weekend, but it still felt odd.

Since she didn't have much time, Alyse didn't doddle, but she didn't rush, either. After all, she only need to pee, and she had five minutes. The loo was at the end of the hall, perhaps a 30 second walk, so that gave her several minutes to look at her bottom in the mirror. The skin was pink and slightly inflamed, but not nearly as bad as it felt. She put water on a towel and dabbed her sore cheeks.

When she arrived back in the detention room, she was feeling better, but was startled to see Mr. Shane glaring at

her and gripping the paddle. He pressed a button on his watch the moment she came in and announced, “That’s 27 seconds late, young lady!”

“What? But that’s impossible! I only just left and came right back!”

Mr. Shane showed her his watch which read 5:27. Suddenly she remembered him starting the timer *before* she’d gotten her six whacks with the paddle! She’d assumed she had five whole minutes for the bathroom visit, but the paddling had taken at least a minute, maybe closer to two. No wonder she’d gone long.

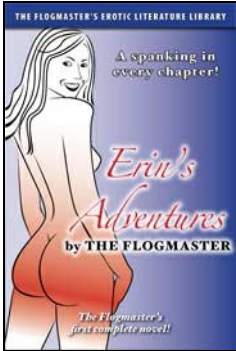

Alyse wanted to swear and curse, or even beg for an exception, but she could see that none of those options would help her. Mr. Shane was grim and determined. Sullenly, she moved to bend over the desk.
