## **Selected Excerpts**

### **From *A Long Way From Home***

Miloslav glared at her. Her voice was low, almost a whisper. “I’m going to cane you twice. Once for Talking and once for Reluctance. Do you wish to add Disobedience to your crimes?”

With a sob, Katya turned away. She’d only been beaten twice before and the agony had been beyond words. Now she was due *two* punishments and it was clear from Mistress Miloslav’s greedy expression that she was going to delight in taking the good girl down a few pegs and would make the canings as unpleasant as possible.

### **From *The Bum Sisters*:**

The Bum Sisters were standing solemnly to one side. Their heads were down, their expressions grim. Even from this angle Jack could see the strong jut of their rumps. His heart raced.

Then Ellie was going forward, bending across the kitchen table. The board swung and smacked her big butt with a sound like thunder. Again and again it hit, each stroke full force and landing square across both cheeks.

### **From *Buyer’s Remorse*:**

The old man was dragging the back of her sweat pants down, baring her bottom. She was mortified and outraged, but that was nothing compared to when he began to slap her naked cheeks.

She sputtered and swore, kicked her legs and fought like a drowning cat. But the man seemed to know her every move before she made it and countered with an ease that alarmed her. She felt like a child held by an adult. It was crazy, but she couldn’t get away.

The spanking was distracting. Her ass was tingling and she felt each cheek bounce and wobble as it was smacked. The man worked hard, expertly alternating buns, throwing her off balance. Tears of shame filled her eyes. She hadn’t been spanked in over 30 years.

## About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

***Paul Bunyan and the Great Lakes***

**(★★★★, M/Ffff—Absurdly Severe, nc ole fashion paddlin')**

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as F6/f24, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like “sex” or “anal” (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any “spoilers” that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

# A Confident Woman

(★★★★, M/F—Severe, non-consensual caning)

A bold woman needs to be broken down to be built up.  
(Approximately 2,319 words.)

**K**atja wore tight-fitting fawn-colored slacks and a comfortable white blouse without sleeves. It was a simple outfit made elegant by the fine fabrics and the way she carried herself. She stood tall and slender, her body distinctly feminine, with small neat breasts and a pert, well-toned bottom.

Her face was attractive, with even features, especially her dark eyes which were large and expressive. Her black hair was cut simply, flowing down to just reach her shoulders. There was a strength to her, a ruthlessness of the type that

doesn't suffer fools. Katja was frank almost to the point of rudeness.

"I suppose you're going to want to beat me," she said, her black eyes snapping fire. Her chin was thrust up in defiance. She spoke boldly, without fear, her mouth half-twisted in a sort of ironic grin.

She threw herself onto the leather chair, on her knees, leaning across the back. Her head rotated to peer at me over her shoulder. "What are you waiting for? Go on, get it over with."

I admired the jut of her rump, the cheeks firm and bulging, squeezed tight by the smooth cloth of her pants. Though modest, her ass looked ready to burst out of the garment.

"With a bum like that, I'd have to be dead to *not* want to cane you," I said jovially. "But you're making this too easy. You haven't even told me what you've done. Maybe you don't deserve punishment."

Katja laughed. "As if what I've done makes any difference! If I slapped a coworker, I'm beaten for being violent. If I intervened to save someone's job, I'm flogged for wasting company resources. I can't win."

"That's silly. Of course you win: you get a damned good thrashing out of it."

"I'm supposed to be *grateful*, is that it?"

"It is highly educational."

"Fuck education. It's my *ass* we're talking about!"

"Such a pretty ass, too. Strong and resilient. Can take a good beating."

"Are you taking out a classified ad or whipping me?"

Hurry up!”

“Eager, are you? And here I thought you hated getting your ass lashed!”

Katja stared straight ahead, her back poised, her bottom thrust out for the cane. I moved to the cabinet and selected a thin 11mm model, 90cm long. I bent it in half to test its flexibility, and then swished it through the air. As expected, it performed flawlessly.

“This is going to have to be extra-severe,” I warned. “You’re just too casual. I clearly haven’t been beating you hard enough.”

“Stop talking old man and *just do it*,” hissed the woman. She wagged her hips, her asscheeks clenching and then unclenching.

“What’s the rush? We haven’t even discussed the quantity.” I walked behind her, swishing the rod. “Should it be a classic school six? But then you’re 21, an adult. Perhaps twice that, or triple. Eighteen beauties across those shapely curves.”

“I can’t wait,” Katja said sarcastically. “But all you do is talk.”

“It’s no fun if you enjoy it,” I said, tapping the jutting butt with the tip of my cane.

“You’re mixing up your own emotions. You’re the perverted one who gets a kick out of welting girls’ bottoms.”

“That’s not perverted. Perverted are the sluts who enjoy it.”

“Good thing I’m not one of them!”

I put down the thin cane and returned to my cupboard. There I selected a 110cm version that was much thicker:

16mm. It was stiffer, but still flexible.

“This is better,” I said. “I can get through those pants of yours.”

Katja glared at me. “Like you need a bigger stick for that! These things are thinner than paper. They’re hardly more than pajama bottoms. And they couldn’t be any tighter.”

“True, but every layer helps protect that dear skin of yours, and we can’t have that.”

“I’m surprised you don’t take them down and whip me on the bare. That’s more your style.”

“Normally I would, but your bum looks so good encased in those slacks, I just have to give you a dozen or two in them.”

“I’ve nothing on underneath, you know.”

“Delightful. Then you’ll feel these. This is a reformatory rod. It makes hardened prisoners sob. Grown men.”

“You think I’m not as tough as any man? Go for it. Give me your worst.”

“Not like that. On your feet. I want you bent over, touching your toes. Get those pants pinch-tight.”

Katja did as ordered, folding herself in half like a pro. I marveled at her flexibility, and then marveled more at the wonder of her ass. The fawn pants had to be cutting off her circulation. The seams were almost bursting. The round ass bulged mightily, the cheeks spreading as widely as they could with a deep divide between. A light rap of the cane across the rump sent it shivering, or maybe that was Katja.

A swish of the stick stung those buns soundly. Katja, frozen like an icicle, didn’t move a muscle, but I had the impression this was more from shock than from stoicism. I

quickly gave her a second, and then a third.

With slacks on, I could see no marks on the still-perfect bottom. The round brown mounds looked the same as ever, tempting me into thrashing Katja harder as if by sheer force I could make weals appear. I restrained myself, enjoying this colorless experience, and whipped her at a steady pace.

I got to eight before she twitched, a subtle shift of the hips that revealed her keen agony. I drove the stick in low, encouraging her to tiptoe, before laying a few more across the middle. By a dozen she was writhing, tossing her head, and grunting at each fresh blow. I had her right where I wanted her then, so I gave her another six crackers and put down the beefy, extra-long rod.

“There, that’s got me limber,” I said. “Let’s get those things peeled off and get started, shall we?”

Katja rose up, her face flushed. The strain of the pose and the pain had her panting. She stared at me, not comprehending.

“Pants. Off,” I said loudly. I flashed the thinner cane. “Going to thrash your bare bottom with this.”

“You... you’re not finished?” The words seemed foreign to her, as though they had a meaning she didn’t recognize.

“Honey, we haven’t even started yet. You know a caning doesn’t count unless it’s on bare skin.”

She gasped and for the first time, looked truly rattled. With a jab of the stick to her butt, I reminded her to lower her trousers, and she reluctantly obeyed. The fawn fabric was like peeling off a sticker, the tight cloth rolling as it slid toward her knees.

Katja had been right about her lack of panties. There was

nothing on beneath but skin. The once-pale flesh was suffused with scarlet and covered with crimson stripes. It looked tender, but I didn't allow sympathy to quell my cane. This was a butt that needed beating and that's what I gave it.

The thinner cane stung more and bruised less. Calm Katja was not so relaxed now, even when after six fresh cuts I allowed her to kneel on the leather chair. She yelped at every lash and her bottom never stopped moving. It shivered, shook, and wobbled, twisting to get away and never succeeding. The cane always found its target and drove in with relish, welting throbbing flesh.

After two dozen on the bare—a sizable total, not even counting the pants-caning—I set the rod aside and studied Katja's weeping face. She looked prettier than usual, though she was disheveled as if she'd just come through a thunderstorm. Her hair was wild, her makeup streaked, and her eyes bloodshot. She looked as unhappy as a wet cat.

"Now, are you going to behave and be civilized?" I said.

She looked surprised and puzzled. "What did I do?" she whispered.

"When you come to see me, you need to be polite and respectful, not demanding and sarcastic. *I* decide when and if you'll be caned, not you."

"I didn't mean to be rude," she said humbly, and it felt genuine. Her over-the-top entrance, I decided, had been bravado, a form of defense against the beating she expected.

"You were, but you've been punished enough that, don't you agree?"

"Yes sir. Definitely."

“Good. Than let’s start the meeting over. How have you been, Katja? Things going well at work?”

She was too baffled to say anything for a moment, and then she gathered her wits and nodded. “Yes sir. Things are going fairly well.”

“No incidents?”
