## **Selected Excerpts**

### **From *18 Going On 12*:**

“I’m going to put you across my knee and paddle your butt right out here in front of the whole world!”

Taylor rolled her eyes. “At least then I’d be on Instagram,” she said. “And probably YouTube. Everyone would video that!”

### **From *Grownups Can Be Spanked*:**

Gwen was wearing gray slacks that were tight across her voluminous bottom. With her bent like that her butt seemed even bigger, like it was the focus on all the attention in the room. Mr. Jenson certainly seemed interested in it, for his left hand was patting the rounds.

That was when Celeste noticed that in his right hand Mr. Jenson held a huge wooden paddle. It was yellow, thick, and looked heavy.

### **From *The Really Real, Totally Verified, Legitimate Spanking Machine*:**

Alan opened the door for her and she saw a small empty room. On the left was a bench with a couple garment hooks on the wall. To the right was a wooden trestle. At its base she saw the white footprints had been painted on the floor. She moved to them, placed her feet there, and leaned forward across the wooden frame. It was slightly low for her, but comfortable enough, the top padded with a cushion. On the other side she saw straps she could grasp with her hands.

In the doorway the two men watched, holding their breath. Both had nearly swooned when she’d bent forward, the rounds of her butt curving into cane-inviting balls.

## About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

***Paul Bunyan and the Great Lakes***

**(★★★★, M/Ffff—Absurdly Severe, nc ole fashion paddlin')**

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as F6/f24, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like “sex” or “anal” (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any “spoilers” that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

## 18 Going On 12

(★★★★, M/F—Severe, non-consensual spanking, paddling)

When a daughter is brat, her mother takes action even if the girl is technically an adult. (Approximately 3,545 words.)

**T**aylor had forgotten her phone.

She'd done that because her mother had moved it from Taylor's jacket just seconds before they'd walked out the door. She was sick and tired of her daughter spending all her time with her nose glued to the screen.

Now their mother-daughter day was turning into a nightmare. Instead of the lack of a phone meaning the two could enjoy each other's company in peace, all Taylor did was complain. And complain. As in non-stop, all the time, with a whine like a dentist's drill.

"Would you shut up about your fucking phone?" Kathy

finally growled, losing her temper and her tongue. The swearing galled at her, as she liked to set a good example for her daughter, but then she remembered that Taylor was 18 now. She still had six months of high school left, but technically she was an adult and not exactly the innocent who'd never heard an f-bomb before.

“But without my phone, what’s the purpose of anything? If I can’t post it, it’s like it never happened!”

Kathy sighed, shaking her head. She knew her daughter wasn’t the brightest and her idea of intellectual conversation was discussing the fashion of various reality shows, but sometimes she really worried about Taylor’s future.

They window-shopped for a while, Taylor grouching that since she couldn’t take pictures of the fantasies of the store displays the whole exercise was pointless. Even buying sweets at a handmade chocolate place didn’t help as the teen just saw calories hitting her hips without anyone to admire the pretty confections.

“This is the worst of the worst,” she moaned. “And I can’t even tell the world how terrible it is since I don’t have my phone!”

The blond threw her head back dramatically with her hand over her face as though in anguish. “Hashtag Worst-Day-Ever,” she added.

This pissed Kathy off, who’d done a lot to make this special day happen.

“If I hear one more mention of your phone or social media or a complaint of any kind, I’m going to put you across my knee and paddle your butt right out here in front of the whole world!”

Taylor rolled her eyes. “At least then I’d be on Instagram,” she said. “And probably YouTube. Everyone would video that!”

The girl waved her hands broadly and Kathy saw that just about everyone in the vicinity was holding a phone. If she did spank her daughter, it literally would be in front of the whole world. It’d be on the evening news and Kathy would be in the middle of a huge controversy. She could hear the debate already, with half the people condemning her and others praising a mom who had the courage to spank a brat.

No wonder Taylor seemed unconcerned at the prospect of a public spanking. She knew her mother wouldn’t dare. Kathy felt furious and powerless. She swallowed her rage and decided to give her daughter one more chance to behave.

“There’s a restaurant. Why don’t we treat ourselves to a nice lunch?”

Taylor shrugged unenthusiastically. “What’s the poi—” she started to say, then remembered the injunction. She might not have taken her mom’s spanking threat seriously, but there were much worse punishments, such as losing her phone or allowance.

“What’s, er, on the menu?” she said, trying to sound like that’s what she meant to say.

The two studied the framed menu posted by the door and a number of items sounded delicious, from grilled chicken salads to exotic sandwiches. “Okay, I could eat,” Taylor said.

It was 11:30 and early for lunch, so they were seated

quickly. Twice Taylor nearly complained about silly things, like none of the pasta choices being whole-wheat or there being few vegetarian options, but she finally chose a five-cheese grilled panini while Kathy indulged with a thick slice of eggplant and sausage lasagna.

While she was envious of her daughter's slim figure—the girl was freaking gorgeous and totally took it for granted—Kathy knew she wasn't going to look like Taylor no matter how much she dieted. Those days were long gone.

The food came and they feasted. Everything was delicious. Taylor even took a few bites of her mother's lasagna and said it was yummy. For a few minutes, Kathy was feeling relaxed and happy.

Then a family was ushered to a table nearby. The daughter, Erica, knew Taylor and the two started squealing and whispering excitedly. Apparently there was great gossip about some boys at school and Taylor was completely missing out being offline for the day.

She returned to the table in a foul mood. "Mom, why couldn't you have let me go back for my phone? This is torture! It should be illegal. I ought to call the cops and tell them you're abusing me!"

Kathy pushed away the last two bites of her lasagna. That she would do that showed how seriously angry she was, as she never voluntarily wasted food, especially a meal as expensive and delicious as this one.

She caught the arm of a passing waiter. "Excuse me," she said in a low tone. "Is there someplace private where I could have a word with my daughter?"

The man blinked, confused. But he considered the

question. “There’s the private dining room upstairs,” he offered. “It’s not being used today. I don’t suppose anyone would mind as long as you don’t mess up the tables. They’re set for a function this evening.”

“That would be perfect. Thank you. It’ll just be for a few minutes.”

Kathy stood and put her napkin on her plate. “Taylor, come with me,” she said sternly, grabbing her daughter’s wrist and pulling her.

“Where are we going?”

Her mother didn’t answer. She picked up her purse and headed for the stairs. At the top of the landing there was a closed door with a sign reading “Reserved for Private Function.” She pushed through, her daughter babbling questions, and closed the door behind them.

Alone, the noises of the restaurant below and the street outside faded to nothing. Clearly there was some good soundproofing at work. This pleased Kathy to no end. There was a black baby grand piano in a corner and she pulled her daughter in that direction. Sitting on the bench, she fished in her purse for her hairbrush.

It was the same ebony brush she’d used since Taylor was 12 years old. The girl was intimately familiar with the wrong side of that thing, the smooth flat back making an excellent surface for applying discipline to a naughty girl’s behind. Her eyes went wide.

“Mom? What are you doing?”

“I warned you. No more complaints!”

“You can’t be serious!” Taylor was aghast. She looked around, realized they were alone, and her face went white as

she understood her mother was, indeed, grimly serious.

“I’m 18,” she protested. “You can’t!”

“You’ve been acting like a 12-year-old all morning. I’ve had enough of it.”

“Okay, I’m sorry, I’ll behave.”

“Too little, too late. Now get those jeans down and get over my lap.”

“What? No way! Not here! Please, Mom, this is ridiculous. I’ll admit I’ve been a brat, and maybe I even deserve a spanking, but not here, not at a restaurant!”

“One.”

“Mom!”

“Two!”

Taylor chewed her lower lip, her feeble brain weighing her options. She made a decision. “Just... just over my jeans, okay? Not too hard. I’m really sorry and it won’t happen again, I promise.”

To demonstrate her sincerity, the girl quickly threw herself across her mother’s legs. Taylor was a petite thing, only 115 pounds with a good portion of that allocated to her full breasts and bottom. She certainly didn’t *look* like a 12-year-old any more.

Her jeans were a light blue, very fashionable, and skintight across her cheeky rump. In this pose the butt stuck up nicely. The mounds were a beautiful shape, each swelling high with a deep divide between the buns. The gradual curve as the buttocks tucked under toward the thighs was elegant and attractive.

For a second it was Katy who was going to protest. The family had a long-standing rule that spankings were *always*

on the bare bottom. But the awesome rump before her was so well-presented with generous curves and only a thin layer of denim protecting the skin that she decided to try spanking the jeans. What would be the harm?

She placed her left hand on Taylor's back to steady her, adjusting the girl's torso downward slightly, and raised the brush with her right hand. She brought it down in a vigorous spank that caught the right buttock with a solid *whack!*

"Ooh," called out the teen, squirming urgently. "Ow! Not so hard!"

Kathy ignored her daughter's protests and proceeded to spank her soundly. The back of the brush quickly impacted the left buttock right in the center, and then lower, just where the butt started to curve. A matching blast hit the right cheek and Taylor squealed in agony.

"I'd keep quiet if I was you," Kathy said sternly, continuing to slam the brush down. "Unless you want everyone in the restaurant to know what's going on up here."

At this horrible thought Taylor clamped her jaw shut and just moaned and grunted at every stingy smack. The brush was light enough her mother could use it vigorously, while it had just enough weight to penetrate the jeans and down into the fleshy meat. The girl writhed, wiggling her legs and rocking her hips, but nothing she did allowed her butt to escape her mother's wrath.

After several minutes of this the torment opened the floodgates and Taylor began to cry. She wept silently, or as quietly as she could. No screaming and wailing as she'd

done during her last spanking, just before Christmas. But she'd only been 17 then, a child.

Finally the spanking stopped. Taylor cried a bit more, panting as she tried to catch her breath. She moaned, her bottom swollen and hot. She was more ashamed than in pain, and relieved that it was over and she'd managed to keep her pants on.

"Are you ready to take off your jeans now?" said her mother, tapping Taylor's right buttock with the brush.

"What? Oh no, Mom, you can't. You just spanked me!"

"I haven't even started, young lady. You know the rule: spankings are always on the bare bottom. What you've gotten so far doesn't even count!"

Taylor gasped, fresh tears leaking from her eyes. She couldn't believe what she was hearing. Her butt was sore, it really was, and now she was finding out it didn't count? That was absurd!

"Mom, please," she moaned, and it was the wrong thing to say. After 18 years on the planet and spankings for at least 15 of those, Taylor still hadn't learned her lesson. She got the brush in response, a long salvo of bitterly hard spans all over both cheeks. She began to cry and beg for mercy.

After a minute, Kathy paused, rubbing the back of her daughter's ass with the brush. "Are you ready for your spanking now?"
