Hot, hot story!
H.W.D.

*Severe punishment, but sweet ending and after all. Maddy
knew she deserved it.*
K.J.M.

*This was well done, brief to the point of terse, with no back
story to entertain us we had to concentrate on the issue in front
of us: that of those perfect buttocks being thrashed. Lovely.*
O.B.

*I really enjoyed the writing style and the story. I look forward
to reading more of your stories.*
C.U.

This is one beautiful story, short and exceedingly sweet.
N.B.

What goes around, comes back. Boy, what a trip that was!
I.C.

*That's intense and stays inside Charlie's head wonderfully,
without judgements other than hers. Am I right in thinking I
should be visualising Joseph Cotten? Fantastic, disturbing
story. If it is related to *_Shadow of a Doubt_*, it keeps the
film's theme of betrayal & fascination brilliantly.*

Selected Excerpts

From *The Babysitter Scam*:

She moved again, the round white cheeks shivering. They were glorious, full and ripe, and teenage firm. At just 15, the minx had the body of a mature college girl. It was too much.

She heard the snick of his leather belt sliding through the loops of his pants and froze. She was committed now. There was no turning back, no safeword, nothing that would stop this.

Dark leather wrapped across that fullsome seat, stinging and burning, leaving behind a reddening brand. Connie yelped. She rose up and started to turn, but the belt caught her again. It felt like fire.

From *Scrapping in the Showers*:

Trembling, the little thing obeyed, resting her palms on a bench and offering her naked buttocks. Already her skin was streaked with a number of wild lashes, thin and scarlet, but now with a stable target and more distance for a proper swing, Miss Nora was able to really light a fire in that posterior.

Her switch hissed like the serpent it was and bit hard into the supple, wet flesh and Amy shrieked. Despite the awful sharpness, she managed to stay roughly in position for three such cuts.

From *Selected For Special Attention*:

“I’m going to cane you, Brown,” Miss Amherst said, her eyes sharp and narrow. She waited to judge the student’s reaction.

Emily blinked. Her breath caught and she felt a surge of adrenaline. She shifted her weight slightly from one foot to the other, rocking. She swallowed.

“Yes Miss,” she said softly, bowing her head. She didn’t notice the large smile this produced on Miss Amherst’s face.

The FLOGMASTER Presents

Twelve of the Best

*A superlative collection of
the Flogmaster's best erotic spanking stories*

**VOLUME FIFTY-SIX
("SCHOOLGIRL")**

*This collection of the Flogmaster's best writing
contains stories dealing primarily with the
corporal punishment and discipline of minors
(usually female) by adults or peers, though
some stories may contain sexual activities.*

About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

Paul Bunyan and the Great Lakes

(★★★★, M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as F6/f24, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like “sex” or “anal” (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any “spoilers” that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

The Babysitter Scam

(★★★★, MM/f—Edgy, non-consensual strapping)

A babysitter tries to blackmail her clients. (Approximately 3,517 words.)

The navy thong panties were so tiny the string disappeared completely between Connie’s voluptuous buttcheeks. When she bent over, rummaging inside the fridge, the snow white moons of her butt looked huge and delicious.

“What the hell are you doing?” grunted George, her stepfather, from the sofa in front of the TV. His eyes kept straying from the screen to his stepdaughter. She shifted her weight from one leg to other, muttering to herself, still with her head deep into the fridge. Her ass wobbled and George swallowed hard.

“Stop wasting electricity and shut that damn door!” he

snapped.

Connie glanced back at him, still bent over with her ass thrust out. “I can’t decide. There’s nothing healthy in here.”

She moved again, the round white cheeks shivering. They were glorious, full and ripe, and teenage firm. At just 15, the minx had the body of a mature college girl. It was too much.

George stood up. She heard the snick of his leather belt sliding through the loops of his pants and froze. She was committed now. There was no turning back, no safeword, nothing that would stop this.

The belt whistled and cracked. Dark leather wrapped across that fullsome seat, stinging and burning, leaving behind a reddening brand. Connie yelped. She rose up and started to turn, but the belt caught her again. It felt like fire.

He pushed her back down, bending her head low so that her ass rounded. He struck that target, the belt a violent snapping snake. Three lashes. Six. Ten.

Connie sobbed. But she had to make sure. “You fucker! You cocksucker! You can’t do this to me!”

With a roar of rage, the man pushed the teen hard across the kitchen table. “Stay still,” he yelled and he began to lash her butt and her legs. He struck blindly, with no plan and no agenda other than setting her ass on fire and seeing that silky white flesh change color.

Connie was a redhead. Her skin was alabaster white, so creamy it made milk look gray. Every stroke of the belt lit up a mark on her skin like neon. Even an ordinary spanking would have looked twice as severe on her fair flesh. This wild beating looked horrendous. The leather scalded every

inch of her haunches from the vee at the top of her crack to the hollows behind her knees. George spared her nothing, whipping until lay limp and unmoving, and he was too spent to lift his arm.

The belt fell the floor. George collapsed into a chair, groaning as his iron cock tried to bend uncomfortably. “You bastard!” he bleated, frantically adjusting his trousers.

Connie sobbed and ran, fleeing to the safety of the bathroom, locking the door behind her. Her stepfather yelled curses after her, promising her 100 more lashes, 100 more *whippings*, whatever it took to teach her to obey and be a “decent” girl.

The redhead ignored the noise and stood in front of the large mirror, wincing as she twisted her hips to reveal the reflection of her backside. The belt marks were vivid, furious scarlet and crimson and purple blotches. In places the edge of the strap had left raised welts that looked livid enough to bleed. Thankfully, her skin hadn’t split anywhere, but she’d accomplished her goal. No one could look at a whipped butt like that and think it was ordinary household discipline.

The house was a mansion, at least from the young girl’s perspective. It stood huge and stately, surrounded by immaculate green lawns and a massive driveway that led to a three-car garage. She walked up the path, pleased with her find. These people had dough, and not just a little bit of it.

She checked her outfit, a sleek pink pantsuit that was modest and yet emphasized her slender, curvaceous figure.

Her mature hips were especially noticeable, wagging as she walked. She adjusted the thick pile of rust-colored hair on her head and rang the bell. The gong reverberated throughout the large building. She waited.

The young lady that opened the door could have stepped from a fashion catalog. She was blond, slim, and had perfect teeth. Her dress was elegant, meant to be light and casual, yet it cost more and was finer than anything in the visitor's entire wardrobe. For that matter, just the blond's high-heeled shoes were worth more than anything the girl possessed.

"Are you Connie?" said the blond, her smile wide and welcoming. She stepped aside, ushering in the girl. "I'm Helen Seaver."

"This is an amazing house you have, ma'am," Connie said, her head going back to take in the 30-foot ceiling of the impressive entryway.

"Thank you. Please follow me. Craig is in the den."

For Connie, a den was a casual place with ratty furniture where her stepdad drank beer, watched sports, and hung out without a shirt. This den reminded her of a library, full of rich polished woods and leather furniture. There was well-stocked bar, a huge flat-screen television, a billiard table, and an immaculate poker table. The ultimate man cave, albeit one fancy enough to entertain presidents and billionaires.

Connie had struck gold.

The man seated on the sofa looked like a god. He was tanned, fit, and shamefully handsome, with only a hint of gray in his hair. His shorts and short-sleeved golf shirt

showed off strong legs and muscular arms, his grin perfect teeth. Though nearly three times her age, Connie would have fucked him in an instant.

Nervously she shook his hand and eased herself onto a leather recliner. She breathed out a sigh of relief when she was safely on board. She felt like the captain of a starship, the chair was so huge.

“Tell us about yourself, Connie,” said Craig.

“I’m 15, an honor student, and I’ve been babysitting since I was 12,” she said confidently. “I emailed you my references earlier, so I assumed you’ve checked them out.”

“Yes, very flattering and positive,” said Helen, standing near her husband. She put on arm on his shoulder.

“Glowing reviews. But we’d like to get to know you in person a little before we make a decision.”

“Absolutely. I understand. Ask me anything.”

“What would you do if one of our children had a serious injury? Say little Robbie found a knife and cut his hand open.”

“I’d apply direct pressure to staunch the bleeding, then clean the wound and bandage it. If it was serious and wouldn’t stop bleeding, I’d call for help, 911 if it was an emergency, or your physician if it was less critical. He might need to be taken to an urgent care place as soon as possible. I’d notify you, too, of course. Once the situation was under control.”

Helen nodded. “What if Stacy refused to eat her peas? How would you handle that?”

“How old is Stacy?”

“She’s three.”

“I’d probably try and trick her into eating them. Like make a game out of it, telling her there’s a reward if she eats ten, and I’d feed them to her one at a time. I’d have to meet her, though. What I would do depends on her personality. For some kids forcing them just makes them rebel more.”

“Good answers,” said Craig. He nodded to his wife. “And how about discipline? If one of the kids defies you, or disobeys you, what do you do?”

“That depends on many factors. I always give kids multiple chances to obey. I warn, explain the consequences of repeated misbehavior, and if they still don’t obey, then I punish.”

“What sort of punishment?”

Connie smiled coyly. “Why that depends on you and Mrs. Seaver. I’m comfortable adopting whatever discipline methods you use, though if I may voice an opinion, I’m in favor of spanking. I’d never use if you didn’t agree, but I believe spanking is humane and effective.”

The girl adjusted herself in the leather seat, her movements showing off her beautifully sculptured legs. “In fact, I’m still spanked regularly myself. It’s part of my service guarantee, you see. If I fail you in any way—such as leaving a mess in your kitchen, drinking your last Dr. Pepper, or failing to put the kids to bed on time—I will submit to your chastisement.”

From her purse, Connie took out an oversized wooden hairbrush. “This is the perfect spanking implement. It’s simple, effective, and quite agonizing. From ten spansks to a toddler to 100 for a teen, it works on everyone. I would encourage—dare I say insist—that you use it on my bare

bottom whenever I let you down.”

There was silence in the room. The wealthy couple stared down at the petite redhead as if they hadn't understood a word she'd said. Finally Craig cleared his throat.

“Let me get this straight. You're saying you want *us* to spank *you*.”

“Yes sir. It's my service guarantee. If you're not satisfied, then my bottom pays the price.”

Craig laughed, shaking his head. “Did Donald put you up to this?”

“I don't know who that is. This is the standard service I offer to all my babysitting clients. You see, I know I'm younger than most, so some people are hesitant to trust me. This way they know I'm committed as I have something more than money on the line.”

“This is a joke, right?”

“I assure you, Mr. Seaver, I'm utterly serious.” Connie stood up, holding out the hairbrush. “I can prove it. Go ahead and spank me right now.”

“But you haven't done anything wrong.”

“That's okay. I'm sure I got away with something at some point. An extra spanking never hurt a girl. Come on, do it. Please, sir, I insist.”

Connie pushed herself across the protesting man's lap, while depositing the hairbrush into his hand. She wiggled herself forward, her firm teenage body gliding against his crotch. She paused when her full bottom, its bulges and curves tightening the already taut surface of the thin pink pantsuit, rested right in front of his belly. She wagged her

tail.

“Spank me, sir. Spank me as hard as you want. I won’t complain. I’m sure I deserve it for something.”

“Miss, this really isn’t—”

“Mr. Seaver, I’m a professional. I want to earn your business and prove to you that I’m a responsible babysitter. I’ve said that you can spank me when I’m bad, but I could just be saying that, lying, and I’ll change my mind when the piper comes due. So spank me now and you’ll see I’m telling the truth. The proof is in the pudding and all that.”

Craig shook his head, his eyes studying the sweetly rounded haunches of the girl in his lap. “This has got to be a prank. I’m on a hidden camera show.”

“That’s not true, sir.”

“Are you a cop, trying to entrap me?”

Connie laughed. “No, I’m not a cop. I’m just a girl. Are you going to spank me?”

“I can’t. This is too ridiculous. You’re 15!”

“There’s no better age for spanking. My big sister still gets spanked and she’s 19 and in college. Mother says she’ll be spanked as long as she lives at home, even she’s 27 or 30!”

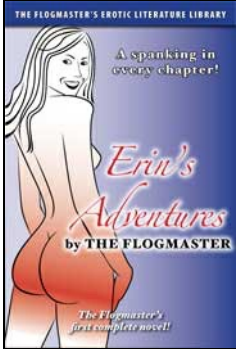

“But that’s your mother. I’m not your parent. I shouldn’t be spanking you.”
