Selected Excerpts

From *A Fine Behind*:

“I mean, I can pay your fine for you—just temporarily, you’ll pay me back, of course—and in return I’ll whip you.”

“Whip me!”

“With a leather strap. It’ll sting and you’ll have a red bottom, but there’ll be no marks to speak of, nothing like the weals left by a cane stroke.”

Abigail considered this. “How many strokes?”

“Sixty, just like your sentence.”

From *Desert Warming*:

Lindsey looked at the big paddle nervously. “How... many?”

“Just ten,” said the cop. “I’m authorized to give up to 20 licks, depending on the infraction. Ten seems fair for this.”

Ten did seem fair. It wasn’t that many. It was going to hurt, but Lindsey could surely endure ten measly spanks.

Following the officer’s instructions, she went to the back of her SUV and planted her palms on the bumper. This forced her to bend over quite a bit, thrusting out her rump. She felt her skintight yoga pants draw even tighter across her ass.

From *Mr. Henderson’s Paddle*:

Her mind was a mass of confusion. On the one hand, her butt was positively on fire. It felt like someone was holding a blowtorch to the cheeks and she couldn’t get away from it no matter how much she wiggled.

But the feeling was simultaneously wonderful. She felt profound shame to be spanked naked in front of her whole class, yet that humiliation had her turned on so fiercely she was dripping sex juice down her bare legs. That in itself was embarrassing, which increased her desire and excitement.

The FLOGMASTER Presents

Twelve of the Best

*A superlative collection of
the Flogmaster's best erotic spanking stories*

**VOLUME FIFTY-SEVEN
("ADULT")**

*This collection of the Flogmaster's best writing
contains stories dealing primarily with the
corporal punishment of adults (mostly female),
sometimes non-consensual, and some stories
may contain sexual activities.*

About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

Paul Bunyan and the Great Lakes

(★★★★, M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as F6/f24, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like “sex” or “anal” (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any “spoilers” that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

A Fine Behind

(★ ★ ★ , M/F—Severe, non-consensual judicial strapping)

When a woman can't pay her fine, an officer offers her an uncomfortable alternative. (Approximately 1,953 words.)

Carl was delighted to see Abigail in his office. This was partially because the woman was young, blond, and pretty, but also because of her worried expression. There was only one reason she would look like that: she couldn't make her installment payment.

"Hello, Miss Abigail. Here with this month's payment, I assume," he said with a wide, welcoming smile. Her face immediately fell.

"Please, Mr. Carson, I need a little more time."

It was Carl's turn to look somber. "Miss Abigail, you

know the agreement. The court mandated your fine and you're not permitted to miss a single payment. If it's even one second late, you know what will happen."

Seeing such a pretty little thing so distraught was thrilling, Carl thought. She looked ready to cry and he, man that he was, would be the one to come to her rescue. If a strap to the bare bottom could be considered salvation, that is.

"Please, sir, isn't there anything you can do?"

"I'm afraid not. If you can't make this month's installment, you'll be in violation of your agreement and you'll automatically be registered for corporal punishment." He pretended to examine his tablet, though he knew the info by heart. "Looks like you're down for 60 strokes of the penal cane."

Abigail blanched. "But I've already made four payments of the fine. I only have two left. Don't I get credit for what I paid?"

"Sorry, it doesn't work that way. The payment plan was a generosity for a first-time offender. Technically the entire fine was due at once, so if you miss a payment, it's as though you didn't pay at all. The original CP sentence is then immediately reinstated."

Abigail *did* have tears in her eyes now. Carl smiled gently, reassuringly. "Wasn't this explained to you when you picked this option?"

"It was, but I had a lot on my mind. I couldn't remember the details. I was hoping there was some sort of grace period, that I'd remembered wrong."

"Nope. Sorry. I'm afraid you're in for a severe caning."

“Nothing can be done?”

Carl was silent for a long time. The longer he was quiet, the more hopeful the girl became. Her crystal blue eyes pleaded with him, begged. He finally got up and shut the door. His voice dropped to a whisper.

“*Officially* there is nothing that can be done,” he said, and she held her breath. “If we go off book, however—”

“Yes! Please, I’ll do anything.”

“It won’t be a complete let-off, mind you. You’ll still be spanked. But I can spare you the cane.”

“What do you mean?”

“I mean, I can pay your fine for you—just temporarily, you’ll pay me back, of course—and in return I’ll whip you.”

“Whip me!”

“With a leather strap. It’ll sting and you’ll have a red bottom, but there’ll be no marks to speak of, nothing like the weals left by a cane stroke.”

Abigail considered this. “How many strokes?”

“Sixty, just like your sentence.”

“Oh my God!”

“It sounds worse than it is. The whole thing is probably less painful than a dozen cuts of the cane. Weren’t you whipped as a kid?”

“No, sir. My parents didn’t support CP.”

“Why you ended up in this situation, no doubt. If you’d been properly raised—” He let the matter drop, along with his voice, the implications clear.

“Where would we do this?” asked Abigail. “And when?”

Carl checked the clock. “I have to enter the payment before five o’clock for it to register today. It’ll have to be

cash, since we don't want my credit card showing up as the payee. Which means I need to run to the bank. So you'll need to decide within the next few minutes.

"If you agree, I'll make the payment and you can come home with me and we'll handle it there, tonight."

"Oh God!"

Carl almost smiled. Though the girl sounded distressed, there was resignation in her voice. She was going to do it!

At six o'clock Abigail emerged from Carl's bathroom as naked as a bird. He'd insisted upon this. She blushed as his eyes traveled up and down her form. He clearly liked what he saw: a narrow waist, modest but round hips, neat peach breasts, and a crotch so finely-haired it looked bare.

She twirled at his command, spinning slowly so he could look at everything from every angle. Abigail's bottom was small and neat. Too small, really, but she was petite. The cheeks were well-formed, compact and firm, with a lovely cleft between. He admired her thighs, which were narrow and graceful, for with 60 strokes to apply he'd be whipping those in addition to her bottom.

He'd laid out the strap while she was stripping. She saw it now, thick and heavy, wider than she'd expected. She didn't know it was an official prison strap, designed to bring grown men to tears. Sure, it was considered a lessor punishment than the cane, but not by much. Carl had been truthful when he said it didn't mark like rod. It would still scorch skin and leave blisters, however.

The wooden trunk that doubled as his coffee table also served as a secret punishment bench. There were hidden ties that emerged from the corners, securing Abigail's limbs. In no time she was helpless, draped across the sturdy surface, her hands and ankles secured. From inside the trunk Carl had removed a ball gag. This he put into Abigail's startled mouth. It would keep her silent, but allow her to breathe.

"Now we're ready to begin," he said, taking up the strap's wooden handle and stepping behind the woman. Her ass was propped up with a pillow and in this pose it looked more substantial. The pert cheeks jiggled slightly as Abigail moaned in fear.

"Relax," said Carl. "It's just 60 lashes. We should be done in 30 minutes."

There was further moaning and thrashing from the girl, her eyes wide with alarm and this news. She hadn't considered the time, but being tied up and steadily whipped for 30 minutes sounded awful. There was nothing she could do about it now, however. She couldn't even beg for mercy with her mouth gagged.

Carl went to Abigail's left side and raised the strap. The five-inch wide strip of fire-hardened leather swooshed through the air and hit with astonishing ferocity. It crashed across both cheeks, leaving a bright pink mark. Abigail screamed, but it came out as a faint moan. The pain continued to mount, her eyes watering as the sting spread and penetrated.

If, at that moment, she'd been given the choice to change her mind, she would have. The leather hurt far more than

she'd imagined. She couldn't believe the cane was actually worse, though she'd read some stories online that made it sound incredibly severe. The strap was plenty severe enough for her. The way it sizzled her entire bottom was astonishing. The burning didn't stop, either, and she was shocked when a second stroke came down before she was ready. It felt like Carl was going at a fast pace, though he'd indicated 30 seconds between each blow.

After just five Abigail was in serious misery. She knew she'd made a dreadful mistake. She should have come up with the money. She could have borrowed on her credit card, ignoring the high balance and excessive interest. Even a loan shark was better than this. Her rump was on fire, both cheeks feeling flayed. And the man was already moving to her other side to whip her from there.

Now her other cheek felt the brunt of the force, the stingy tip driving in with hellish fire. The five seemed to come quickly and then it was back to the first side. Back and forth the man went, whipping energetically, almost feverishly. He worked hard, dedicated to his task, and he was ruthlessly thorough.

Fortunately, though the strap continued to hurt like hell, it didn't get dramatically worse. Somewhere around the twentieth lash Abigail realized that she wasn't dead or even dying. The pain was intense, but bearable. Her tears were more of self-pity than actual anguish. It was her helplessness that bothered her most of all—being tied down and unable to defend herself or even wiggle made her feel less than human. She was nothing but a whipping bag for this cruel man.

Carl, for his part, enjoyed himself thoroughly. He admired the young lady's fine body, the way her creamy skin took on a fire-reddened hue and darkened closer to purple with each fresh smack. Though the girl couldn't escape and couldn't move away from the blows, there was enough slack in her bindings for her to quiver and shiver in interesting ways. Her rich flesh wobbled and shook, her butt and thighs jiggling as the strap impacted. Her yelps and moans were also pleasing to the man.

Eventually, the whipping ended. Abigail had long ago lost count and didn't realize that Carl gave her far more than the 60 promised. There was nothing she could have done about it even if she had noticed, so that was just as well. She also didn't know about the hidden cameras recording the whole thing, or see him taking a few discreet high-resolution closeups of her butt with a digital camera.

He untied her and let her use the bathroom to regroup. Her ass and thighs were one mottled, reddened mess and walking was awkward. She winced at every step. He offered to put ointment on her body, but she declined.

"I'll have a friend do it at home. Right now I just want to go to sleep."

Carl shrugged and let her go, reminding her that she had a week to get him the money. "If you don't, you'll get this again," he warned, waving the strap.

Abigail wasn't sure how he'd enforce that. He'd already paid the fine for her, so she was clear as far as the court was concerned. If she didn't pay him, what could he do? But she was going to pay him. She didn't want to find out what he might do if she didn't. There might be other things he could

do to make her life miserable, like say she didn't pay her fine next month when she did.

Sadly for her, Carl was not as ethical as her. The moment she paid him, he put her name on the "non-payment" list. As the enforcement officer, he had complete power over her situation. He hadn't actually paid her bill—the whole ATM run had just been for show. Instead he just temporarily changed her due date on the computer, and kept the money once she paid him back.

Thus a day later cops showed up at Abigail's work and hauled her off to prison for her discipline session: 60 strokes of the cane!

Nothing she said helped her cause. Everyone always claimed they paid, but computers didn't lie. Abigail found out the hard way that the cane was indeed *much* worse than the strap.
