What goes around, comes back. Boy, what a trip that was!
I.C.

No better way to motivate than with a paddle.
R.S.T.

I've not seen the [TV show] either, but I like the story. I always had (and have) a strong fantasy about spanking in uniform (both ways) and this story is particularly credible. Thank you.
L.C.

Awesome! Been thinking about this story for days.... Very power-full. Thank you!
T.S.P.

Only FM can hand out punishments that are over the top yet somehow oddly realistic.
D.F.E.

Well thought-out scenario of a fascinating dilemma!
R.M.O.

Not a normal schoolgirl story at all. This one was as severe as it was hot. As fantasies go it was a good read.

Selected Excerpts

From *A Paddling to Remember*:

The lead boy took advantage of her distraction and grabbed the paddle from her hand. Without it, she was impotent, a look of fear crossing her face as one of the boys tugged her arm to turn her. She was pushed forward, her impressive breasts flat against the wood.

“*You’re* the one who needs paddling, Teach,” said the leader, raising the wooden board.

The redhead’s rump was broad and full, the mighty cheeks straining the brown trousers. The slab swung and impacted with a *bang!* and the woman yelled loudly.

From *Cruel Headmaster*:

She’d heard he was cruel and mean, but the rumors had been understated. He was much worse than she’d imagined. The sight of her full round bum, so pale and sleek, inflamed him, and he insisted her knickers come down. She’d expected that, but not his greedy fondling, those hard bony hands squeezing, pinching, and rubbing her most private flesh. Ashley said the wrong things and upped her quota to 18, an amount that caused her to sweat profusely. Girls said six was unbearable, so more than a dozen had to be horrible. But Ashley’s grim punishment was only getting started.

From *Domestic Bliss*:

In the living room Sabrina pushed her jeans and panties down and planted her hands on the low coffee table. The boys were in their room and she hoped they’d stay there. If this had been a routine licking they might, but she suspected they’d come and stare.

There wasn’t anything she could do about that, though. As a family, they had no secrets, so the boys got to watch her spankings just like she saw theirs. She didn’t like it, but it was part of her punishments.

The FLOGMASTER Presents

Twelve of the Best

*A superlative collection of
the Flogmaster's best erotic spanking stories*

**VOLUME FIFTY-NINE
("ADULT")**

*This collection of the Flogmaster's best writing
contains stories dealing primarily with the
corporal punishment of adults (mostly female),
sometimes non-consensual, and some stories
may contain sexual activities.*

About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

Paul Bunyan and the Great Lakes

(★★★★, M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as F6/f24, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like “sex” or “anal” (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any “spoilers” that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

A Paddling to Remember

(★★★★, MMMM/F—Severe, consensual paddling)

A former spanking model recreates her most famous—and painful—role. (Approximately 5,699 words.)

The redhead was young and pretty, and not much older than the teenage boys. There were three of them seated the classroom desks, but she was the one holding the large wooden paddle with the dozens of holes through its flat surface.

She patted it against her palm and looked fierce, despite her beauty.

“Alright boys,” she said sternly. “It’s time to take your medicine. Which one of you is man enough to go first?”

Two of the boys immediately looked to the third, clearly

the strongest of the jocks. He got to his feet and towered a full head above the teacher.

“Why don’t we all go at the same time?” he drawled, nodding at his minions who also jumped up. Together the three approached the redhead, the leader grinning.

“One at time!” cried the woman, who was suddenly seeming much younger and over her head. She took a step back, her rump in the tight brown pants encountering the edge of her desk.

The lead boy took advantage of her distraction and grabbed the paddle from her hand. Without it, she was impotent, a look of fear crossing her face as one of the boys tugged her arm to turn her. In a second she was facing her desk. A second after that, she was pushed forward, her impressive breasts flat against the wood.

“Ah! Hey, what are—” she sputtered, but strong male arms held her limbs apart. “You can’t—”

“*You’re* the one who needs paddling, Teach,” said the leader, raising the wooden board.

The redhead’s rump was broad and full, the mighty cheeks straining the brown trousers. The slab swung and impacted with a *bang!* and the woman yelled loudly.

She jerked and twisted her hips frantically, but the paddle smacked her again and again. “Oof! Stop that. You can’t do this to me. I’m your teacher!”

“No,” said the leader, swinging the board hard into the rounded mounds. “You’re nothing but a bad girl who needs her bottom smacked. Isn’t that right, boys?”

The two holding the woman down laughed and the woman shriveled in despair. Behind her, the paddle

slammed into her ass several more times while her face distorted with outraged pain.

After a half dozen more whacks, the lead boy paused. “Bitch can’t feel a thing through these pants,” he mused. He spoke loudly so the woman would hear and she let out a shriek of protest, which made him grin.

Despite her redoubled efforts to free herself, the two holding her were strong athletes and she gave them no trouble at all. She moaned as her belt was unfastened and her trousers slipped down her bare legs.

Lead boy whistled. “Now those are some fancy panties, lady,” he said, grinning like he’d just uncovered treasure.

The woman sobbed, hiding her face in her humiliation. Her round bottom bulged from slick red silk underwear with white lace trim. Half the garment was sucked into the deep vee between the cheeks, leaving most of the buttocks bare. These were stained with pink from the paddling she’d endured so far.

“Hey, I wanna see!” said one of the boys holding the woman down.

“You’ll get your turn,” said the leader. He smiled as he knelt low, his face inches from the cute ass, and with a sudden movement he ripped the panties right off the woman’s body.

This took considerable strength and tugged the fabric hard into the crotch so that the teacher yelped at the unusual sensation. The cloth was thin, however, and the boy had biceps as thick as tires. He pulled and the panties split into strips and he flung the shredded garment aside.

“Oh, how dare you! You beast!” cried the woman. The

boy only laughed, admiring the now bared butt, the pink-stained cheeks wobbling as the young teacher kicked and squirmed.

“Time for *your* medicine,” he said sternly, and he began to paddle the rump. Against naked skin, the paddle was much louder, and certainly the sting was more pronounced. The woman howled. Her pale ass quickly reddened, each spank adding to the color.

After ten brutal swats the boy paused, fondling the bare butt, and then resumed the paddling. The woman sobbed in despair. He ignored her cries and worked steadily until he’d given her another ten.

Then he handed the board to a colleague and took his place holding the teacher still. The new boy, his face split in half by his huge leering grin, resumed the steady whack of hard wood against soft female butt.

“Ooh! Ow! Oh, no more, please! Ow!” cried the teacher, but no mercy was given, and soon she was just yelping and moaning at every devastating crack.

When the boy hit 20, he gave the board to his other friend and they swapped positions. The teacher was too exhausted to fight any more and just lay sprawled across the desk, her ass two purple-colored cherries.

While the previous boy had tired and hadn’t put quite the effort into his last few licks, the new boy was fresh and eager, as the swelling lump in his pants clearly showed. His first few swats were stellar, reviving the redhead’s howls and tears.

After a dozen, he too, tired, but by then the woman was in so much pain that even a mild swat with the board hurt

like hell. She wept bitterly.

Even after the laughing boys departed, leaving her half-naked over the desk, her bright red bottom glowing like a setting sun, she didn't move for several minutes, panting with relief that her torment was over.

As she gently wiggled in her agony, the camera zoomed in close on her bruised and battered ass. Credits in white letters began to scroll up.

Brian ignored the writer and director and focused on the first acting credit:

Teacher	Scarlet Buns
---------	--------------

“I still can't believe you picked that name,” he said, turning to the 40-year-old redhead seated beside him. “So cheesy.”

“I was in a hurry,” Jo said with a shrug. “It was my first credit.” She pointed at the blistered bottom frozen on the large flat-screen. “I had other things on my mind, remember?”

“Jeez. I'll say. How long did it take your ass to heal? You took 60 swats!”

Jo smiled a little proudly. “Actually, it was over 80 when you add in the over-the-pants ones and the ones that got cut.”

“They cut some swats?”

“Oh sure. Ones that didn't hit right or looked weird or my reaction was wrong.”

She pointed to a red blotch on the back of her right thigh on the TV. “See that spot there? Moron hit the back of my

leg and missed my ass completely! The director didn't like that. He was a butt man and wanted all the swats on my ass. So they edited that out, but I still felt it."

"Damn. I never noticed that before," said Brian. "And I've watched this a hundred times. What else did they cut?"

"There were a few places where the guys started laughing or broke character. The kid with the boom mike once lowered it into the frame. We couldn't use those shots, so I had to get the swat repeated. And then the director had each actor give me a couple extras so he was sure he had 20 from each guy."

"Fuck! So you really got it. I thought 60 was bad, but 80-plus. Wow!"

He leaned over and kissed Jo intensely, and she kissed back enthusiastically. When they finally parted, she eyed him curiously.

"What's with the walk down memory lane? You haven't had this DVD out in ages."

"Nothing special. I was just rummaging through things and came across it. It has me thinking, though."

"What about?"

"You regret any of this?"

"Making those videos? Marrying you?"

"Sure, all of that. I mean, you could have been a big star."

Jo laughed. "Hell no! I only did it for the money. I didn't want a *career* out of it!"

"You sure about that?"

"Positive."

"It can't have *only* been the money. No one does something like that just for money. You have to have been a

little curious or turned on by it.”

Jo pondered this a minute. “Yeah, I suppose you’re right. I mean, I was in a desperate situation financially, but that was just an excuse. I could have worked a lot more hours doing something else. This was one weekend and I made enough money to pay my rent for six months. That was huge, but it wouldn’t have been worth it if I absolutely hated the experience.”

“So you *liked* having your ass beaten?”

“A little. I mean, it was sexy and exciting. I wasn’t all that self-confident at that age.”

“Seriously? You were *gorgeous*! How could you not know that?”

“I *was*? As in past tense?”

Brian laughed and kissed her. “You know what I meant. You were and you *are*.”

“But I was only a few years out of school when I shot this. You didn’t know me then, but I was awkward and shy in high school.”

“Why?”

“My hair, for one thing. I got teased a lot in grade school. Redheads stand out. I couldn’t hide. I tried, dressing down and not emphasizing my body. I was slow to blossom. I don’t think my tits really came in until I was a junior. I hated how I looked.”

“So the movie was proof to yourself that you were pretty?”

“In a way, I suppose. They wouldn’t use someone ugly, right? So I was flattered I was picked.”

“But what did you think about the spanking aspect?”

Didn't that scare you?"

"It definitely made me nervous. Going in I thought the nudity was going to be the toughest thing, but they gave me a few swats in my audition and then I knew that the paddling was going to be the challenge."

"How'd you get through it?"

"I don't know. I just did it. I wouldn't get paid at all if I dropped out, so I had to finish."

"Was it really terrible?"

Jo smiled. "That's hard to answer. It was and it wasn't. I mean, it hurt terribly and there were a lot of times I wanted to quit. But there were aspects of it I liked. The challenge, for one."

"You are stubborn," Brian agreed, dogging her playful punch. "Hey, that's a compliment!"

"It was my idea to take that many spanks, you know."

"What do you mean?"

"The original script was for each guy to spank the teacher ten times. I upped it to 20."

"No way!"

"Yeah, I was young and stupid, but the previous movie the team had released had a girl getting 40 whacks as part of a sorority initiation story. Everyone was raving about how she'd taken so many swats. I wanted to top that."

"Why not do 15 from each guy?"

"I should have, but like I said—"

"You were young and stupid," agreed Brian.

"I didn't know about all the extras, the licks that got cut, the over-the-pants swats, and so on. I thought it was going to be exactly 60."

“You didn’t know there’d be spanks over your pants?”

Jo shook her head. “No, that was decided on the day of shooting. The director saw me bent across the desk and they were taking close-ups of my ass and he suggested I get a few before my pants came down. I figured it wouldn’t hurt much with my pants on, but I was wrong.”

“Still hurt?”

“Not as stingy, but definitely thumpy and sore. And I was so naive I didn’t set a specific number, so ‘a few’ became a dozen.”

“Ouch.”

“Yup. Live and learn, I suppose.”

“You used that experience for your other movies.”

“Definitely. That’s why none of my others are so severe.”

“This one is still my favorite,” Brian said.

“You like it severe?”

“I don’t like seeing your poor ass so beat up, but I find that you were willing to go through that so brave and sexy.”

Jo sat up. “Are you trying to get me to let you spank me?”

“That wasn’t my plan, but why not? For old-time’s sake? Come on, Jo, you’re not getting any younger. This is the perfect time. You’re still young enough to take it.”

“So when I’m 50 you won’t want to spank me any more?”

“Not like that,” he said, pointing at the TV. “It’d put you in the hospital.”

“I told you, spankings are in my past. Well, those kind,” she added, nodding at her frozen butt on the TV. “I don’t mind it when you use your hand.”

“I know, but I’d really liked to paddle you some day.

You've never let me do that.”

Jo shivered. She looked at the TV. She was feeling nostalgic, too, and she sighed. “Just what did you have in mind?”
