Random Praise for the Flogmaster's Writing

Short and most effective. The ending makes for the perfect yarn.

N.B.

What goes around, comes back. Boy, what a trip that was!

I.C.

A very apt and elegant metaphor.

H.W.D.

Not what I thought at all. Another time the Flogmaster got me.

Great story.

B.O.

Great Story. Karma is a bitch.

G.J.

That was an enjoyable story. I could feel the wife's keen embarrassment as I have been in a similar situation. Though how she kept the marks from her husband I don't know.

O.B.

I really enjoyed the writing style and the story. I look forward to reading more of your stories.

Selected Excerpts

From *An Embarrassing Engagement*:

Thomas pointed to the standard issue nylon cane that was still out on a nearby chair. Naturally he had paddles, straps, and other implements, but they were in the hall closet. This particular cane was a 70 centimeter model, junior grade, and extremely thin at just six millimeters. Adam picked it up and flexed it. From his expression he was not impressed, glancing toward Hannah's rather expansive bottom in the corner.

"This is a bit small for such a big girl," he said.

From *Geneva Wasn't Worried*:

He tilted her further forward, so far that her back was straight, her ass curved at the top of his legs. There was no avoiding the pounding brush. It hurt so much more than his loving hand. Every inch of her ass burned as though seared with flames. Robert concentrated on lower posteriors, the tender flesh between buttock and thigh. Geneva was well-warmed there by his hand, but the hairbrush raised the temperature to new heights of heat and agony.

It went on and on and on. Geneva was worried. She was soon *very* worried. Then she was panicked. She was only supposed to get a "taste" of brush. Something had gone wrong. This was a whole meal!

From *Insta Worthy*:

"What's your problem with me, Kimble?" she demanded, hands on hips, beautiful haughty nose in the air. God she looked gorgeous, as fierce as a tiger, and as cute as a kitten.

"You're entitled," I said without thinking. "You're a snobby, entitled bitch without a clue of the real world who needs her ass smacked like a naughty brat!"

About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

Paul Bunyan and the Great Lakes

(★ ★ ★ ★ , M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as *F6/f24*, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like "sex" or "anal" (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any "spoilers" that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

An Embarrassing Engagement

(★★★★, MMFF/F, M/f—Severe, non-consensual spanking, paddling, caning, strapping)

After Hannah's caught at school with a red bottom, Child Services sends a man to her home to verify her spankings haven't been abusive. (Approximately 5,744 words.)

The first day Hannah managed to “forget” her gym clothes, but that excuse only worked once. She wanted to say it was her “time of the month,” but she'd used that just two weeks ago, and Coach Cindy seemed to have memorized every girl's cycle. So she tried to be sick instead, only her “upset stomach” act was seen through by the

school nurse.

That's when Hannah's poor choice became obvious. Instead of just being embarrassed by a few of her classmates seeing her red buttocks and knowing she'd been spanked, Hannah accidentally got the authorities involved.

Nurse Clovis had to document the state of Hannah's bottom, which meant the girl submitting to a series of nude pictures. Then the woman draped Hannah across her broad lap and spanked her with a short hard school paddle. It was a thorough spanking, expertly applied, and it hurt twice as much since her butt was still sore from her father's Sunday strapping.

That wasn't even the worst of it: Coach Cindy was notified of Hannah's attempted deception and gave her ten licks in front of the whole class, shorts down. So not only did Hannah get two extra spankings, her friends all saw her red butt anyway!

She'd thought that was the end of it, but naturally it was not. Her parents were informed of her missed class, which was recorded as an absent without permission, and naturally her father had apply his own brand of correction to ensure his daughter wouldn't behave that way again. He used a cane and Hannah ended up so sore she thought she'd never sit comfortably again.

She was still naked in the corner of the family room, her well-striped buttocks bright red and glowing, when the doorbell rang. Hannah gasped and turned to plead

with her father to let her go to her room, but he gestured a clear “Don’t you move an inch, Young Lady!” sign that made her meekly obey. She stood there blushing furiously and hoping whoever was at the door wouldn’t come inside.

The man who entered was a stranger. His credentials identified him as Mr. Adam Elliot, from the office of Child Welfare. He was a Verification Specialist.

“You understand, Mr. Goss. This is just routine. We got a report of your daughter’s discipline and just need to review your records.”

“Of course, of course,” said Thomas Goss, welcoming the man into the home.

Adam was a young man who looked like he should still be in college. Hannah snuck a look and thought he looked unbearably handsome. He was clean cut with an almost military bearing, and he was unfailingly polite, addressing her father as “sir.” He was neatly dressed, friendly, but serious and focused.

He spotted Hannah in the corner immediately and set out to examine her buttocks with a digital magnifier. She stood there blushing hard enough to start a bonfire, shuddering as the equipment produced a detailed image of entire body.

“Carry on, Mr. Goss,” said the newcomer after a bit. “I didn’t mean to interrupt you.”

“You didn’t. I finished a few minutes ago. She’s just spending some contemplation time in the corner,” explained Adam. He waved at his daughter’s bottom. “Did

I do an effective job?”

“Excellent,” agreed the specialist. “She looks thoroughly punished without undue severity. But I’ll still need to see the footage, of this punishment as well as her previous one, the one that led to the report.”

“Of course. You have full access.”

Thomas stepped over to the 3D table in the center of the room and tapped a few controls. A holographic screen hovered above the table showing a series of video icons, each file with a named description and date. They were in reverse chronological order, so the most recent was Hannah’s caning from this evening.

Hannah caned for skipping class	2062-02-21
---------------------------------	------------

Just below that was another entry, for her Sunday correction.

Hannah strapped for lying	2062-02-19
---------------------------	------------

There were many more entries below those, going back a decade. Adam glanced at these and commented, “Looks like you’re complying with the Discipline Recording Act. This is comprehensive.”

“Thank you. I have recorded her every punishment since she was six years old. I also only use Authorized implements.”

Thomas pointed to the standard issue nylon cane that was still out on a nearby chair. Naturally he had paddles, straps, and other implements, but they were in the hall

closet. This particular cane was a 70 centimeter model, junior grade, and extremely thin at just six millimeters. Adam picked it up and flexed it. From his expression he was not impressed, glancing toward Hannah's rather expansive bottom in the corner.

"This is a bit small for such a big girl," he said. "She's 18, right?"

"Just for about a month. I've been wondering if I should upgrade," said the girl's father. He fidgeted nervously. "I prefer a lighter cane as I think more strokes is better than a shorter harsher caning."

"There's nothing wrong with that, sir, but at her age and with such a hearty bottom, there's no reason you can't upgrade to a lengthier rod. I'd suggest at least an 80, or even a full meter."

"Good to know. I appreciate the advice."

"Not a problem, sir. Do you mind if I watch her caning, now?"

"Of course not. Have a seat."

Adam eased himself onto the sofa and gesture-tapped the first icon. The display dissolved into black for a second, then refilled with an image of the torso and face of Thomas Goss floating above the table. The hologram smiled.

"This is Thomas Goss. It is the 21st of February, 2062. My daughter Hannah was punished twice at school today, once for skipping class, and once for trying to deceive the school nurse. I am now going to add to her correction."

The figure held up a thin white cane. "Please note that

Hannah was also punished on Sunday, so her bottom is in a stained state. I will be careful not to break the skin. I am using a light 6mm cane.”

The camera zoomed out so it incorporated a larger field of view, displaying both Hannah and her father. The girl looked as glum as could be. She was dressed in simple jeans and a tee-shirt, which she slowly, reluctantly, began to remove.

A pleasant blond girl, Hannah wasn't outstanding in appearance, at least until her jeans came off and one stepped behind the hologram to see her buttocks. These were magnificent, full and round, womanly, and sturdy enough to take plenty of correction. Adam, of course, was an expert of such things and the smile growing on his face as he watched the young lady turn and lower her black panties was a testament to how superbly she was constructed.

The holographic recording was clearly created by a recent model camera, with incredibly life-like detail. If Adam hadn't seen the projection table beneath the floating Hannah, he might have believed her to really be standing there.

On the video, Thomas seated himself and drew his daughter across his lap for a warmup with his hand. Her blushes and whining showed how childish she considered this to be. He ignore her and began to spank her. His palm rose up and came down with loud bangs. Each slap caught one cheek or the other, sending ripples through the fatty flesh.

In her corner, the real-life Hannah was turning purple with shame as she listened to the crisp sounds of hand slaps on naked skin. *Oh God*, she thought. *This is so embarrassing. A strange man is watching my spanking!*

She'd known her father complied with the law and recorded all of her punishments, but it had been many years since anyone bothered to look at one. She'd done it once, when she was a new teenager, curious about how much of her developing body was on display during a spanking. She'd been mortified. *Everything* was visible, depending on the angle you looked.

After that she'd tried to keep her legs together during paddlings and found it absolutely impossible. She always started out with the intention of being modest, but soon all she cared about was the pain. She flung herself about shamelessly, spread her legs and kicked wildly, and blatantly revealed herself to the camera.

By the time she was 14 or so, she'd stopped worrying about it. After all, no one ever watched the recordings. They were just for liability and required to prove that her parents weren't abusing her. There'd never been any need for that until now. If Hannah hadn't gotten Nurse Clovis involved, Mr. Elliot wouldn't have been verifying her punishments, so this situation was her fault. She blushed and wondered just how much of the video he needed to watch.

The answer was soon evident: every second. Adam sat back with his arms folded in front of himself and watched intently as Hannah transitioned into a touch-toes

position and her father lined up behind her with the white cane. The girl's bottom, large and prominent, glowed a neat pink from the hand smacking. When the cane lashed into the cheeks Hannah reacted with a frightened squeal and a frantic shake of her tush. She wagged her tail back and forth, her hips jerking and her ass wobbling. Across the pink spheres a crimson slash appeared. It was faint and light, but still noticeable, and it stung like crazy.

Seeing her own bottom thrashed was bizarre to Hannah. It made her remember the searing pain the cane had imparted. How many strokes had she gotten? Normally she got about two dozen with the light cane her father favored, but this was considered an extreme situation. Her father had been most irritated with her skipping a class, even if it had only been gym. She'd lost count somewhere after 40.

With the men focused on the holographic replay, she was ignored, so Hannah turned and watched her caning. She didn't really want to see it, but hearing it was just as bad, and there was something mesmerizing about seeing her own fat bottom striped. She heard her grunts and squeals and sobs, saw her body quivering with the struggle to endure the pain, and watched as her butt was decorated with so many lines every inch was marked.

Then her father attacked her thighs. She'd forgotten about that, though it had just happened and her legs still burned. That was a least another 20 strokes in her estimate. It was so hard to keep track when you were in agony.

In the video, when she complained about her legs being beaten, saying that everyone would notice when she wore her gym shorts, her father said, “Good. That’s exactly why I’m doing it!” and lashed down another stroke. He’d then laddered down red lines almost to her knees. There was no chance she’d be able to hide the welts from her classmates tomorrow.

Hannah winced as she watched her hologram jump and jiggle, and since she was still thinking about her friends seeing her cane marks she suddenly had a horrible idea of them watching her holographic caning. Wouldn’t that be the worst?

She could just imagine her next slumber party, her father firing up the projector with a “best of” collection of Hannah’s spankings! Wouldn’t she just die?

It made her want to delete the videos, but she’d tried that not long after her father had started recording them and discovered they were locked with a parental code. Somewhere in that long list of punishments there was a recording of her getting the hairbrush for her deletion attempt!

When the caning finished and the holographic version of Hannah ended up in the corner, bare from the waist down, the real Hannah made sure she had her nose pressed against the wall as she was certain the stranger and her father would be looking at her. Though highly embarrassed, she didn’t dare react or look back until she heard her Sunday strapping playing.

When she looked, she saw the stranger, Mr. Elliot,

enjoying another intimate view of her nakedness. This time she was fully nude. She'd lied to her father about being at the library when she'd been out with a boy. A busybody at church Sunday morning had mentioned seeing her at a coffee shop with the Peterson boy and Hannah's ass was cooked.

The strapping he'd given her had been her first spanking since she turned 18 and it was probably the worst she'd ever gotten. Listening to it now—and seeing the vigorous strokes lashing down on her bare bottom—was almost worse than experiencing it for real. Then she'd been so distracted by the pain, her anger at being caught, and her worry about Monday's gym class that she hadn't been fully aware of everything. Now all she could think about was the whipping and *watching* her butt redden hurt.

“Is that a 800 gram senior strap?” Adam asked Thomas midway through the lashing.

“A 1200,” said Thomas. “It was the first time I've used it. I was saving it for Hannah's next really big screw-up and this one seemed appropriate, lying to me and sneaking around like a 12-year-old even though she's 18 and knows better.”

“Can't say I blame you there. Though officially, I'm not here to judge your discipline methods, just ensure that you're not being excessive and that you're following all government-mandated policies.”

Adam grinned at the older man. “Off the record, though, I commend you on your thoroughness. You're

really giving it to her—listen to those howls—but you’re doing an amazing job of spreading the blows around and I see no sign of damage, just good old-fashioned reddening that will burn hotly for hours.”

He glanced back at Hannah, who flushed and turned back to her corner, her heart pounding and her face flaming. She couldn’t believe this bastard was sitting there talking so casually about her anguish. Didn’t he have a heart? Clearly not, for it was as though he enjoyed seeing her suffer.

Behind her she heard the sounds of the fake leather striking genuine bare skin and her own shrieks and sobs. Almost worse was the conversation her father and the man were having, chatting about the merits of various straps and whipping techniques as though they were giving each other golf tips!

“Look at that one, sir,” said Adam. “Bravo! Right at the base of the butt where it is so round and juicy. Look at her jerk and flail. That means it really stung.”

“Yes, she’s tender there. The sits spots are key, too, but you’ve got to be careful you don’t overdo them. It’s easy to get carried away, especially with a heavier strap like a 1200-series.”

As the whipping drifted off to the final few lashes, Adam added, “I must congratulate you, sir. You’re an extremely effective disciplinarian. Thorough, just short of vicious, and clearly you love your daughter a great deal. I admire you.”

“Why thank you, son!” boomed Thomas Goss, no

longer nervous. “May I pour you a drink?”

Soon the two were chatting as though Hannah wasn’t standing naked in the corner, her bottom covered with hot cane welts. The men spoke of the importance of discipline, the effectiveness of various implements, and even touched on politics. Both seemed in sync on all the topics, much to Hannah’s dismay. She wanted this bastard to leave, but didn’t dare interrupt. Her father would see that as incredible rudeness and would probably give the man a live demonstration of his caning techniques.

Just as Hannah was thinking this nightmare would never end, it got worse. The men were discussing the pros and cons of larger versus smaller paddles. Thomas suddenly leaped to his feet.

“I know a perfect example,” he said. “From about a year ago. I paddled Hannah with a 50cm Lexan board. Twenty good hard swats to the bare tush. I bet she still remembers that vividly, don’t you, Hannah?”

The blond girl flushed, shuddering, and gave a quick nod. “Yes sir,” she said politely, hoping that would be the end of the matter and knowing it wouldn’t be. Sure enough, her father found the file and hit play. The room was soon drowning in the “whomping” sounds of thick plastic smacking bare female skin and Hannah’s subsequent screams.

“Oh, ouch!” laughed Adam, admiring the way the full buttocks compressed and rebounded to the heavy swats. “Do you mind, sir?” he asked as he reached for the

remote.

He hit the slow motion button and the two men watched as the three-dimensional paddle swung through the air and impacted upon the red bare butt of a year-younger Hannah Goss. Hannah herself stared, fascinated and horrified at sight of her fat ass wobbling and jiggling. She saw her butt clearly through the transparent plastic board, the skin briefly flattened as though pressed up against glass. Then the paddle drew away and her butt popped back into a round shape, although much more red.

After the paddling, Thomas *had* to show off several more of Hannah's spankings. He played back a few from her childhood, demonstrating his prowess with hand, wooden spoon, and hairbrush. Mr. Goss grinned the whole time, for clearly he had an appreciative audience. Adam was thrilled and seemed to enjoy everything, commenting on how terrific the man spanked and how cute his blond daughter looked getting her tush reddened.

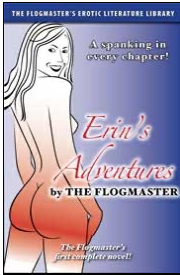

Hannah wanted the ground to swallow her up. She was red all the way to her ears, so much the lobes were throbbing. She couldn't believe she had to stand there listening to this man make such crude comments about her. Her father wasn't even defending her and seemed to not notice anything untoward about a stranger watching videos of his nude daughter. As far as he was concerned, the recordings were only disciplinary, and no more titillating than a video of a doctor's exam.
