## **Selected Excerpts**

### **From *A Juicy Tale*:**

I found her getting water from the fridge and showed her the paddle. From the guilty look on her face, she'd already seen it, which told me a lot. She'd been curious and had peeked. It had to be deliberate because when the board was flat on the fridge top you couldn't see it unless you were 6'5"—which she was definitely not.

With the bait all set out, I finally sprang my trap. It is trivial to catch teens doing things they shouldn't. They can't help but be mischievous and ornery.

### **From *Reward For Good Behavior*:**

He peeked in the principal's office as he passed, but it was empty. More surprising was that his own office was also deserted.

On a whim he checked the conference room down the hall and saw four girls with serious faces. Bingo! He could recognize guilt a mile away. He went back to his office and picked up Old Faithful, the large slab of sanded oak that had been warming butts since the 1960s. Several layers of black tape had been wrapped around the handle and decades of signatures and writing on the surface were now faded into dull smears that could barely be recognized as signatures.

### **From *Spanking the Girlfriend's Daughter*:**

"What's all the commotion—" Evelyn started to say, and then she stopped dead still, staring at her half-naked 14-year-old daughter with a scalded behind and her boyfriend busy slamming a thick wooden hairbrush into those squirming cheeks.

"Oohh! Ow!" cried Gwendolyn. There was more, but it made even less sense.

Brad froze, a guilty expression on his face. He knew he needed to defend himself, but he didn't know what to say. That Gwendolyn had begged for the spanking seemed a lame excuse now.

# *Twelve of the Best*

*A superlative collection of  
the Flogmaster's best erotic spanking stories*

## **VOLUME SIXTY-SIX ("SCHOOLGIRL")**

*This collection of the Flogmaster's best writing  
contains stories dealing primarily with the  
corporal punishment and discipline of minors  
(usually female) by adults or peers, though  
some stories may contain sexual activities.*

## About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

***Paul Bunyan and the Great Lakes***

(★ ★ ★ ★ , M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as *F6/f24*, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like "sex" or "anal" (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any "spoilers" that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

## A Juicy Tale

(★★★★, M/f—Severe, semi-consensual paddling)

A father spansks his son's girlfriend. (Approximately 2,526 words.)

**W**hen Eric brought his new girlfriend around, he sealed her fate, though he hadn't a clue. The boy was like a blind man with a gold coin—he had no idea what he had. But I'd seen enough rumps in my day to know the extraordinary.

Amelia was slender and young at 15, but she had a chubby butt that was amazingly solid, a perfect curve of exciting roundness. No doubt Eric thought she was cute and sexy, but Amelia was only the second girl he'd dated and he didn't know what a precious gift a bottom like that was. In a few years he'd be stuck with saggy tushes, fat asses, and skinny vegetarians with no butts at all and he'd

wish he'd taken advantage of a perfect specimen like Amelia.

But since he wouldn't, I would. I couldn't resist. After all, where was a guy my age supposed to find such premium beef? The good bums were all taken by trust fund playboys and whiz kids—that left a lowly car jockey like me with nothing but overweight got-pregnant-in-high-school castoffs.

While I might not be the kind of man that makes women's hearts beat faster, and a teen like Amelia sees right through me as though I'm invisible, there is one advantage I have over girls her age: I'm a parental figure.

Not long after that first meeting I took sweet little Amelia aside and read her the riot act. I pretended to be a good father worried about his son and lectured her for ten minutes on the evils of "loose women" and "sluts" and got her blushing all the way to the blond roots of her hair.

"Now you aren't going to lead my boy astray, are you, Missy?"

"No sir!"

"Because I won't have any of that. You'll be out on your ear, and I'll place a call to your folks and make sure you're sleeping on your belly for at least a month."

This last puzzled her and I addressed her confusion by confusing her with what seemed like a sideways question: "Your parents still spank you, I presume?"

She gave a gasp and blushed a deeper shade of purple, looking away.

"If they won't do it, I will," I said in my coldest,

sternest voice. “You can ask Eric if you want. There’s a paddle above the fridge in the kitchen, a nice thick slab of fine Oregon pine. I’ll blister your behind until you’re walking crosslegged all the way home, do you get me?”

She squeaked out something that might have been agreement, looking utterly terrified and bewildered, and I let her go, confident I’d planted the seeds correctly.

You can’t just go grab a girl off the street and spank her, you see. (Well, you can, but it gets you in a heap of awkwardness.) No, you’ve got to plan it out, set the table for it, and get the girl used to the idea so she won’t go squealing to her mama about how some mean old man smacked her bare bottom.

I set the tone early, letting her think I was some sort of terribly strict monster, and then over the next few weeks every time I saw her I dropped the S word once or twice.

Like I’d poke my head in Eric’s room where the two were studying with the door open and growl, “If either of you even *think* of swiping one of my beers, you’ll get a bottom so red it’ll light up the sky like the Northern Lights!”

Another times I might be more subtle, hinting that discipline wasn’t far removed from their behavior, or if I caught Amelia alone, I’d be blatant, asking her if she was being a good girl or did she need a hard paddling?

Once I asked her if her parents had changed their minds and were spanking her yet. She gave me a wide-eyed shake of the head. “You didn’t ask them?” I said. “Naughty girl. You should definitely suggest they forget

useless groundings and go back to old-fashioned spankings. It's the only punishment that works. Trust me."

Another time I found her getting water from the fridge and showed her the paddle. From the guilty look on her face, she'd already seen it, which told me a lot. She'd been curious and had peeked. It had to be deliberate because when the board was flat on the fridge top you couldn't see it unless you were 6'5"—which she was definitely not.

With the bait all set out, I finally sprang my trap. It is trivial to catch teens doing things they shouldn't. They can't help but be mischievous and ornery. When they're watching TV, you confront them about their undone homework. If they play music, it's always too loud. Teens are terrible at keeping track of time, so there's all sorts of opportunities around curfews and deadlines. They also hate doing chores and either avoid them or do them poorly.

That's not even getting into actual bad behavior, like drinking, smoking, stealing, bad grades, dressing provocatively, making out, and more.

The only thing tricky was convicting Amelia without involving Eric, but that actually made it easier. I saw how she adored him. He was her first and she was young and naive and foolish. I played on that, scolding her while pretending I was mad at *him*. Naturally, she fell on her sword. To save him, she'd take the blame. It was her fault he hadn't done his chores. She'd distracted him from his homework. Those were her cigarettes, not his. (They were

mine, planted by me.)

When I expressed my fury and hinted that this was the end of their relationship—I couldn't have my son dating a whore and a smoker—she practically begged me to punish her instead of breaking them up. I let her convince me and reluctantly went along with her crazy plan.

She got a stool (funny how she knew right where it was kept in the pantry), put it near the fridge, and climbed up to retrieve that big paddle. That first time she was wearing these fantastic light brown pants. Maybe they were mauve or a pale peach. I'm terrible with colors. All I know is that they were skintight and showed off that gorgeous bottom like a spotlight. Seeing that butt up in the air, wagging around like a red flag to a bull, I was turned on and ready to spank.

Amelia brought me that board with a tremble and a shy blush. I'd spoken so often about spankings being on the *bare bottom* that she didn't even argue when I ordered her to lower her jeans. She was terrified, but her greater fear was losing Eric.

"You call those panties?" I said when she showed off dainty cream-colored things that left half her cheeks bare. "Disgusting. Get them down."

She pushed them to her ankles as though trying to hide them from my view. She was blushing scarlet, just at one end right then, but I made quick work of making her southern hemisphere match her upper cheeks. That paddle smacked and stung and Amelia squealed and

shrieked and sobbed.

I didn't hold back. I paddled her *soundly*. That may seem contradictory—Shouldn't I have gone easier on her so as not to frighten her away?—but that's not how good girls think. The harder the spanking the more eager they are for more. It makes no sense, I'll grant you that, but trust me, it's true.

If I'd let her off she'd have noticed. It wouldn't have felt authentic. She needed a real blistering to know I meant business, and while that hurt like holy heck and certainly made her think twice about shucking down her pants for me again, it also made it more likely, since it was *real punishment* and deep down that's what all good girls want. Kids want rules and consequences. They like to test their boundaries and feel comforted knowing the penalty is real. An easy punishment means they can manipulate us adults, while harshness is the path to adulthood.

I could see all this in Amelia as plain as day. I forgave her and let her cry on my shoulder and I told her she was brave and perhaps I'd misjudged her. She felt like a hero when I finished and soon she wore her martyred ass with pride, not resentment. I knew right then it wouldn't be long before she'd be bringing me the paddle again.

About two weeks later I caught her and Eric kissing. I sent her home, practically throwing her out of the house calling her "slut" under my breath so he wouldn't hear.

When we were alone on the porch I added, "I hope you're proud of yourself. Eric isn't going to sit for a week!"

Of course I didn't paddle him. He's a good kid and there's nothing wrong with a boy wanting to kiss a pretty girl. I'd be worried if he *didn't* kiss her.

But I also knew that she'd feel guilty thinking she got him spanked and that she probably wouldn't ask him about it, or if she did, it'd be so obtuse he wouldn't know what she was talking about and his answers would only confirm her suspicions. A typical teenage boy, he was likely to change the subject and not want to talk about whatever bad thing had happened. She'd assume that meant he *had* been spanked.

I never found out what happened, but like clockwork Amelia was over the next afternoon while Eric was at track practice. She was crying and literally begging me to spank her. I warned her I wouldn't go easy and she said that was fine, that she deserved it.

This time I had her remove her jeans and panties *before* getting the paddle. She looked so good two feet up on that stool reaching for the board on top of the fridge. Her butt was white and pristine again, curved just right, and oh so juicy.

Then she was walking toward me carrying that slab of doom, her young crotch as bald as a whore's and as delicate as a virgin's. She looked good enough to fuck for a week. I didn't know how Eric could resist. Maybe he hadn't.

I wasn't about to go that far myself, but I definitely had plans for fun with that ass. I put my foot up on a kitchen chair and draped that little girl across my left leg.

That bulging butt was right there at waist height, the skin as smooth as paper and just as pale. I raised the board and smashed it down hard. I felt Amelia jerk and heard her wail in distress. She wiggled, but wasn't going anywhere. I watched those churning cheeks blush pink. Then I laid into them with the paddle some more.

It was a terrific spanking, twice as long as the first one. Though I was careful to avoid actual blisters, she certainly had some raw-red flesh as sensitive as razor rash when I stopped. I spanked every inch of that butt, worked the board down low across her upper thighs, and even whacked the sides and inner slopes of her cheeks. It took time and dedication, but I was motivated. Amelia sobbed the whole time and was nothing but a limp doll by the end, yet she thanked me and kissed my cheek when it was over.

As I'd suspected, her folks had neglected her education. Without real consequences her boundaries were meaningless. She was desperate for guidance and authority to help make decisions, but like all teens she didn't want to feel like she was being told what to do. Choosing to behave because she might get a paddled bottom was still her choice.

After that, it was gravy. I barely had to do anything. Initially she came to me because she didn't want Eric to get in trouble, but after a few spankings she came because she deserved punishment. Every few weeks Amelia showed up when Eric wasn't around and had me spank her. It wasn't always so severe. Sometimes I was even

gentle. By then she knew I could be ruthless, so my mercy wasn't her cheating.

I could sense when she needed it hard and when it would be good to be more forgiving. Either way, she cried, out of relief and gratitude or from suffering. Often her butt was still rosy from a previous paddling when she came back for another. She knew I wouldn't spare her and I didn't.

Boy, did I love that ass! It paddled like a dream. It was so cheeky it bobbed and wagged and bounced like rubber to every paddle whack. Amelia's reactions were precious, too. She'd twist and dance, flutter her feet, eek out delicious gasps and squeals, and then her heart would break with heavy sobs as she was flooded with agony.

I loved the way her butt would go pink and then scarlet and then into shades of lavender. It was fun to find new places to spank, crevices and tender curves that had somehow avoided the worst of the pine so far and blister them soundly. Feeling Amelia jerk under me as sharp stabs of pain provoked her was exquisite, and that blubbery shaking ass, red-hot and glowing, was heaven itself.

I'd come at least twice in the bathroom afterward, and my nights were filled with sweet memories and blissful releases. A few times during this period I had a girlfriend and fucked her like it was going out of style. I'm sure she had no inkling of what had gotten into me, though she certainly appreciated my stiff cock which felt like a strong a battering ram to me.

It all fell apart after Valentine's Day, sadly. Childhood romances are doomed to failure. Eric's eye was caught by a sexy cheerleader and Amelia was crushed. He never knew what she'd sacrificed to keep their relationship going.

She still came to me a few times afterward, shyly wondering if I'd mind discipling her for this or that. Some of her excuses were clearly sketchy, but I still purpled her bottom.

Without Eric, however, there was little reason to visit and less reason to suffer a burning behind. By April he told me he'd heard she was with a senior from another school. He'd been skeptical, but several had seen them together, so it seemed legit.

"He's old enough to be in college," Eric complained, perhaps a bit jealous even though he was the one who'd broken it off with her.
