# Random Praise for the Flogmaster's Writing

*What goes around, comes back. Boy, what a trip that was!*

**I.C.**

*This is well thought out and written.*

**L.J.**

*Right out of Edgar Allen Poe there, F.M.*

**B.O.**

*Damn, that's hot!*

**S.Z.L.**

*Poor Wendy. That was quite a thrashing. I like the "almost" at the end.*

**M.H.**

*I came looking for over-the-top harsh, and found it, but we are left hanging here. :-/.*

**R.S.R.**

*I thought that this was a wonderful story. I'm not familiar with any other stories that depict spanking in such an uplifting and therapeutic context. If they do exist, I doubt that they exhibit the same skillful and masterful style with which Flogmaster wrote this story. Flogmaster wrote and developed Lola's character so well that readers will want her to experience all the happiness that Mr. Jones predicts for her.*

## **Selected Excerpts**

### **From *Evaluation*:**

Miss Gill calmly draped herself over the stand, a part of her mind wondering how many naked bums had placed themselves in jeopardy across that very trestle over the decades. It was clearly old and well-used, though in splendid shape and well-maintained. Once she was in position she felt the hot shame flooding her face, which was low, near her knees, while her bum was spread up high, legs braced well apart. It was a humiliating and revealing pose, and naturally incredibly effective for chastisement.

### **From *Paddling the Interns*:**

“It’s perfectly simple, Miss Clarkson. You step over there with your toes on the tape line and drop your drawers. Then you place your hands flat against the wall and hold still while I administer the spanking. It’ll be six licks for misfiling the brief and four extras for arguing with me about your punishment.”

“I wasn’t arg—” began the girl. Then she stopped, realizing that by arguing now she was, in fact, arguing.

“Smart,” I said. “If you’d finished that sentence it would have been another four.”

### **From *Ricky’s Maid*:**

By then Rosa was completely bare, her honey-colored skin smooth and elegant. She had her back to him and for the first time he was staring at her callipygian buttocks in all their glory. Instantly, he had an erection.

Then something even more shocking happened. “Come here, you naughty maid,” said his mother, and the nude Rosa made her way to the woman on the bed. A second later she was draped across the lap and Ricky’s mother was bringing down a large wooden hairbrush smack into the middle of full jutting cheeks.

“Ooh! Ow!” gasped Rosa, and her body rippled as she wiggled across the lap.

**VOLUME SIXTY-SEVEN  
("ADULT")**

## About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

***Paul Bunyan and the Great Lakes***

(★ ★ ★ ★ , M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as *F6/f24*, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like "sex" or "anal" (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any "spoilers" that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

# A Business Meeting

(★★★★★, M/F—Intense, consensual spanking, caning)

While negotiating a deal, a businessman is distracted by a man spanking his wife. (Approximately 1,427 words.)

**S**he was a cute blond thing, sweet and petite, an innocent nymph with expansive naughty bits. She stood nude in the corner, her hands on the top of her head, elbows out like strange wings, nose glued to the wall. She didn't even turn to notice me, though her cheeks flushed and I knew she knew I was there.

My eyes were drawn to the round globes of her bottom, each chub as cheeky as a fresh melon. Even covered I'd have been impressed by such firmly jutting

mounds, but bare they were spectacular, and painted the bright ruby which glowed across every inch they were astonishing.

“My wife,” Tom said with a nod toward the girl. “Sorry that she can’t say hello. She’s indisposed at the moment. An incident involving unauthorized and excessive use of the credit card. I’m sure you understand.”

I nodded as though this was perfectly normal, noting the thick square-shaped paddle with a grid of dime-sized holes that lay on an ottoman behind the woman. Next to it was an ebony hairbush, old-fashioned and dreadfully heavy, more of a weapon than a tool of fashion.

For some reason my eye was drawn to the wall where, next to the window, resting against the sill, was a 36" length of rattan tapering to a fine point. I wondered if it had been used, but a quick appraisal of the waiting rump confirmed no trace of cane lines. The crimson bruising was rough and plentiful, but there were no distinctive tramline weals.

Perhaps it was still to come? If so, I’d hate to be in that woman’s skin. Though she looked remarkably youthful and healthy, and was no doubt hearty and resilient, that didn’t mean she wouldn’t feel the rod cutting into her bum. I’d had the cane once in school and it was no joke. Just six was enough to half-kill a boy; I couldn’t imagine what it would do to a delicate feminine creature like this beauty.

At Tom’s encouragement, I eased myself on to the davenport and we discussed business for a quarter of an

hour. It was minor stuff, the mere opening salvo, as we gauged each other's interest and probed for weaknesses.

Naturally, I was off my game, distracted by the sight of the ruby buttocks in the corner behind Tom as he rattled on pretending he wasn't desperate to sell just like I was pretending I wasn't desperate to buy.

After a while, Tom refreshed my drink and asked if I minded if we took a break for a moment. "I have a little unfinished business," he said, jerking his head in his wife's direction. "I can't let that bottom cool off."

"Don't mind me," I said, and I watched as he draped the lithe blond across his knees and proceeded to spank her bottom, first with his hand, and then with that awful brush.

The slaps were devastating and the woman writhed beautifully. I marveled at her decorum despite the awkward circumstances. She moaned and grunted, but didn't scream or howl or bash Tom's head in with a pipe wrench. She took the spanking like a good little bad girl and dripped copious tears on the carpet and wagged her shining red rear all over and fluttered her lovely pale legs.

I kept my eye on that perfect bottom, fascinated at the way the jutting cheeks jiggled and shook, wobbling as though they were living creatures with minds of their own. The pink spread and turned dark red and still Tom paddled on with that mighty brush, sizzling her ass for close to ten full minutes.

Then she was back in the corner, bum steaming, hands on her head and her nose holding a penny to the

wall.

“It’s the cane if she drops it,” Tom explained, and I felt my heart flip at the thought.

“Is she ticklish?” I quipped, making like I was teasing, but really I was half-serious.

Tom laughed. “Now that wouldn’t be fair, would it?”

He then offered a price, way too high, of course, and I should have acted offended and made to leave. Except I didn’t want to leave, not with the possibility of that lovely red bottom taking the cane.

Instead I only rolled my eyes at the absurdity and my act wasn’t nearly as compelling, and Tom’s next offer wasn’t much lower. I countered with a ridiculous figure, but my heart wasn’t in it, as I kept aching for that penny to drop.

We approached our compromise price from opposite ends, still dancing and exploring. I was distracted and not my usual ruthless self. I sensed this, but hardly cared. Eighty percent of my brain was focused on that trembling ruby bottom.

It never occurred to me until later this act was intentional. The girl was clearly suffering and my research had been too shallow; I should have noticed the rumor that Tom’s wife was as integral to the business as him. Just as I was getting ready to abandon ship, the girl jerked and there was the distinctive clink of coin on tile. In the silence that followed, it was as loud as a gunshot in a library.

Tom’s eyes rose and his frown increased. “Damn it,”

he muttered. “You’re really in for it now!” Glancing at me he apologized. “Sorry, I can’t let her get away with this. She’s got to learn.”

Then he was up, that lithe cane in his hand, while his wife knelt trembling on the ottoman with her scarlet cheeks in the air. The rattan whistled and bit, snapping harshly across both buttocks. The woman shuddered, her hips swaying.

“Ugh,” she groaned. “Ooh!”

He gave her six strokes while I watched, entranced. They weren’t brutal, but they weren’t gentle. They were definitely harder than I wanted to receive and I winced at each noisy crack. The girl jerked and spasmed, her bottom streaked with reddish-purple lines. The marks enhanced the rump, making the shapely cheeks look even more fabulous. The raised weals were fascinating. Like it was a tremendous car wreck, I couldn’t tear my eyes away.

Tom looked at me. “Are we close to a deal?” he said. “I hate to disrupt negotiations that were going so well, but she needs more than just six.”

“Sure,” I said, though we weren’t close at all and I knew I really should forget the whole thing. The problem was I already had a buyer and I needed the cash. If this fell through, I didn’t know where I would turn. I knew Tom needed to sell and I should have been able to drive a hard bargain, but my legendary powers of negotiation were failing me.

His wife stood and touched her toes, bending over like

a schoolgirl. She looked the part divinely, being so petite and slender. Her bottom bulged, rounding into a meaty target for the whippy rod. Tom lashed her slowly, another six strokes. Each made my cock twitch and my heart pump faster.

“This could take a while,” he said after the final stroke and a long pause while we admired the quivering, well-stripped buttocks of his wife. “How about I concede on that final number and we call it a day?”

It was not a good deal, but I wasn’t in the mood to argue. I got him to knock off half a million, a mere symbolic gesture that made me look as though I’d gotten the last word, and we shook hands.

Then Tom went back to caning his wife, giving her another six from the right side, whipping her bottom so that the cane tip drove deep into the left cheek scoring some major purple there.

My cock was still stiff and sore as I lowered myself into my Bugatti. I knew I’d been played, though I didn’t know the full extent until later when my investigation revealed Tom’s wife was a former spanking model. I saw the videos, only a few before he’d snatched her up and ended her career, but clearly she was a pain slut and thrived on being beaten. The whole thing had been a setup, even the dropped coin, and it had worked.
