Great Story. Karma is a bitch.
G.J.

*Once again I see another side of Flogmaster. This is the tender
side that shows in this story.*
B.O.

*On the one to ten erection scale... this one is an eleven. Well
done is an understatement.*
T.H.

*This was well done, brief to the point of terse, with no back
story to entertain us we had to concentrate on the issue in front
of us: that of those perfect buttocks being thrashed. Lovely.*
O.B.

Best story I've read in a long time!!!!
M.S.

Great story, Flogmaster. That's Chinese medicine at its finest.

Damn, that's hot!

Selected Excerpts

From *The Delivery*:

She peeked in the duffle—she couldn't help it—and saw with trepidation an ominous collection of wooden paddles, leather straps and whips, and thin nylon rods. *Fuck!* she thought again, keeping the neutral plastic smile on her face.

Mr. Franks took out a slip of paper and studied it. "We've got a long list today," he said. "We'd better get started."

From *Great Globes*:

Sharon gasped, cooed, and sighed. "Oh, that hurts so good," she cried. "Harder!"

John was astonished at the severe coloring of the blond's butt. It looked like raw hamburger. He couldn't believe she wanted more, but he obliged, whipping her butt over and over. Each time the leather connected the room echoed with a vigorous crack and her ass juddered. It was the most exciting thing he'd seen in his life, and in seconds his dick was steel again.

From *The Girl in the Black Leotard*:

One day she paused before him, panting lightly, and stretching as though she was sore. She pulled up one ankle behind with her hand, bringing the heel of her trainer almost to the pert curve of her shapely bottom. She held this pose for ten seconds, and then did the same with the other leg. Then she repeated the process.

Seymour studied her with lowered lids, half-embarrassed by the explicitness of her figure. The black tights left nothing to the imagination, for every crevice and curve was clearly delineated by the clingy outfit. Each time her shoe approached her bottom he couldn't help but note the firm round shape of her bum, a bum that was ideally suited for crisp strokes of a fine malacca cane like the one in his loft office.

the Flogmaster's best erotic spanking stories*

**VOLUME SIXTY-NINE

sometimes non-consensual, and some stories
may contain sexual activities.*

About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

Paul Bunyan and the Great Lakes

(★ ★ ★ ★ , M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as *F6/f24*, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like "sex" or "anal" (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any "spoilers" that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

Cheaters Never Win

(★ ★ ★ , F/F15—Severe, non-consensual paddling, caning)

Girls who cheated choose a painful alternative to expulsion.
(Approximately 945 words.)

There were 15 naked women in the classroom. Each was uncomfortably seated, with well-reddened buttocks itching to float above the hard wooden chairs.

Unfortunately, none of these girls could fly, so they could only fidget.

Bums rocked and squirmed, while bloodshot eyes wiped away tears and minds struggled to focus on the written exam papers before each girl.

Just minutes before there had been 16 pairs of smooth, unblemished behinds in that room. Now there

was one, the shapely backside of the lovely Ms. Dani McGraw. The tall, striking redhead stood at the front of the room in her skintight ebony skirt and equally snug white cashmere top. Proud bossoms thrust out to tower over the cowering students, while crystal blue-green eyes as sharp as a tax audit watched every scratching pencil.

A long black whalebone switch stretched from right hand to left, bent into a wicked curve as McGraw flexed the lean weapon. She was eager to use it and 15 nervous hearts beat faster and 15 heads bent lower.

As each girl finished, she turned her paper over, put her pencil on top of it, and leaned back with her hands on her head, waiting for the others to finish. Only when a girl was done was she permitted to look around, of course, for even though the students were spread out and separated, there was always a chance someone might see an answer on another's paper.

The clock on the wall inched closer to four and when it reached there, Ms. McGraw cried out, "Pencils down!" Immediately the last few sighed and flipped their tests over and waited like the others. The teacher slowly walked down the aisle collecting the exams.

When she was finished, she called up the first girl, a slender blond. The girl rose up and approached the desk in a jerky fashion, as though mind and body were in conflict about whether she should obey. Then she was bending across the desk, her face a rictus of terror. Her bottom bloomed wide, the cheeks stained with bruised ruby from her paddling.

With no thought for the tender state of the presented orbs, Ms. McGraw began to thrash the buttocks. Her switch whipped in like lightning, bending nearly in half as the woman followed through with the swing. When she peeled off the lash a chalk line was scored through the scarlet flesh. When the second landed, the first was already reddening.

Ten times the switch drove in, each producing a choked cry from the suffering girl. Her bottom wagged, wiggled, and writhed, but all ten cuts were applied with equal vigor. Butt crisscrossed with purple-red weals, the girl rose and stumbled to the back of the room, weeping heartily. There she stood with her nose to the wall and her hands on her head, her raw-red bottom shining with pain.

“Next,” grunted McGraw, waving her weapon at a hapless victim. This one was small with dark hair, her skin pale, her body voluptuous. The teacher didn’t seem to notice such things. She focused on her duty and proceeded to flog the girl ruthlessly.

One after another, the girls rose and took their thrashings. This, too, was part of their agreement. All 15 had been caught passing around cheat sheets during a test. Rather than expel them, the college president had proposed a radical arrangement: for the remainder of their schooling, they would have to take tests in the nude to prevent the possibility of further cheating, as well as take a ten-lick paddling before and ten strokes of the cane after each exam.

Soon the back of the room was wall-to-wall nude figures, firm young bottoms all cherry-colored and striped with lavender lines. One last young lady made her way to the desk, bent, and yelped as the wickedly pliable leather switch wrapped itself across her bared hips.

Ms. McGraw was breathing hard from administering more than a dozen canings, nearly 150 hard strokes, but her strength was still evident and she showed no signs of letting the final girl off even a portion of her due punishment. The girl sobbed as her sore bottom was whipped and some might have thought her cries excessive, for surely she didn't hurt more than anyone else.

The truth was this girl was weeping for another reason: her dread wasn't over this relatively mild school punishment, but her father's promise that every school correction would be doubled at home. She had agreed to the penalty for cheating not realizing her father would count every exam flogging as a school punishment—so now after every test she got to look forward to another 20 paddle licks and 20 strokes of the cane that evening.

When all 15 girls had been suitably punished and the queenly figure of Ms. McGraw was satisfied, the cheaters were permitted to dress and depart. All were sore and moved gingerly and more than one pair of pretty eyes overflowed with fresh tears as snug panties snapped against tender tushes.

The dismal line of female figures made their escape, their hearts heavy, for this was finals week and every girl

had multiple exams to take. A few spankings had seemed like a minor price compared to being kicked out of school and permanently branded a cheater, but none had thought this far ahead. Every semester there were mid-terms and finals and they usually came in the same season. One of the girls, in fact, had three exams this Friday. She did not anticipate sitting down until at least the following Monday.
