# Random Praise for the Flogmaster's Writing

*Very entertaining, although I do feel that letting a machine do the work deprives lots of people of a lot of enjoyment.*

**C.D.**

*What a great idea and very well presented.*

**T.**

*Very erotic, and I didn't expect it to be what I read either.  
Nicely done FM.*

**B.O.**

*A strangely hot tale of addiction and inner compulsion to obey.*

**O.B.**

*Your powers of observation... Great writing skills, nice story.  
Thanks!*

**R.O.**

*It's truly a pity more fathers and daughter aren't as emotionally intimate with each other, as is depicted in this story. Absolutely precious.*

**SMC**

*I thought that this was a wonderful story. I'm not familiar with any other stories that depict spanking in such an uplifting and therapeutic context. If they do exist, I doubt that they exhibit the same skillful and masterful style with which Flogmaster wrote this story. Flogmaster wrote and developed Lola's character so well that readers will want her to experience all the happiness that Mr. Jones predicts for her.*

## **Selected Excerpts**

### **From *A Smiling Ass*:**

I was exploring when I saw mounted on the wall above a shelf of alcohol a large wooden paddle with Greek letters on it. The owner, I realized, must have been in a fraternity.

The first weird thought that jumped into my mind was that I deserved some whacks with that paddle for lying to Karen. Thinking of her spanking me was hot and I felt my penis stir.

When I glanced at her she was turned away from me, pointing out some feature or another (I wasn't listening) and I saw that fine realtor ass and I thought, *Now there's a butt worth paddling!*

### **From *Custom Built*:**

Naked, she was a vision. Her bottom was round and full, the skin supple and firm, and as pale as the moon. Strong thighs tapered to dainty ankles. I could see why Mr. Daniger wanted a paddle—a girl with a figure this solid needed an intense implement.

I wrapped my cloth measuring tape around the girl's hips. I recorded her circumference at waist, hip, navel, and mid-thigh. I took my time and double-checked every number. She noticed what I was doing, but didn't protest. But I'd barely started.

### **From *Paddled Principal*:**

She wondered where he was going and was shocked to see him taking down a wooden school paddle from a hook on the wall. It also looked big, though in his mighty paws it seemed as light as a ping pong paddle.

For a second Heather felt a stab of fear that the board was destined for her rump and she was back in second grade when Mrs. Meyers had spanked her disposing of her chewing gum in Bobby Morton's hair. Then she realized that was ridiculous.

"I didn't know you dealt with students," she said.

"This is for your review. I don't anticipate any problems, but you get a dozen regardless, as part of the motivation plan."

*A superlative collection of  
the Flogmaster's best erotic spanking stories*

**VOLUME SEVENTY-ONE  
("ADULT")**

contains stories dealing primarily with the  
corporal punishment of adults (mostly female),  
sometimes non-consensual, and some stories  
may contain sexual activities.*

## About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

***Paul Bunyan and the Great Lakes***

(★ ★ ★ ★ , M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as *F6/f24*, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like "sex" or "anal" (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any "spoilers" that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

# A Smiling Ass

(★★★★★, M/F, F/M—Intense, consensual paddling, sex)

A girl and guy meet and it's a *hot* time for both. (Approximately 2,366 words.)

**H**er ass smiled at me. I swear it's true. She was wearing these camo green pants that stuck to her like pajamas and from behind, I saw her rounded hips, full jutting cheeks, and these upturned curving lines at the base of each buttock that looked like a smile.

Maybe I was just drunk.

But that smiling ass made me brave enough to talk to her. I discovered she had a pretty front, and a friendly smile on that end, too. She was tall and lean, with black

hair, and she was a realtor. I pretended I'd been toying with the idea of home-ownership just to continue the conversation. Sleazy, but effective. We chatted half the night.

I must have been more drunk than I thought, because she showed up at 8:30 the next morning, as chipper as a squirrel, ready to go house hunting. Apparently we'd made plans I'd forgotten about.

You'd think I'd be upset at being awoken so early on a Saturday after a night of debauchery, but seeing Karen looking so hot sobered me quickly. I downed half a bottle of aspirin, threw on some clothes, and followed her out the door.

As we walked to her car—parked a mile away since my apartment only has street parking and all the near spots were taken—I reflected that I'd follow that sweet tail anywhere. She'd put on navy slacks and looked as sleek as a cat, that smiling ass wagging at me. For once I was glad of the ancient, super-narrow sidewalk that meant we had to travel single file. We couldn't communicate, which was ideal for my throbbing head, and I got to focus on those delicious buns.

Eventually we were in her car and driving to a house I'd apparently agreed to see. Way out of my price range, of course, not to mention the unfeasibility of any kind of down payment right now considering my near-empty bank account, but I didn't dare tell her I was wasting her time.

I felt worse when I saw the house was still lived-in, the

owners clearly not moved out yet. When I asked where they were, Karen explained that she'd had them step out for a couple of hours so we could look at the place in private. Great, so my lie had just inconvenienced a family.

As we toured the place, she giving me her best selling spiel and asking me questions about what I liked and didn't like, I felt like the biggest cad. I wanted to confess, to back out, but this had gone on too long and now I'd look like a real dick.

I was still feeling bad when we down to the finished basement which was clearly a man cave with a giant TV, recliners, a pool table, and a small bar. I was exploring that when I saw mounted on the wall above a shelf of alcohol a large wooden paddle with Greek letters on it. The owner, I realized, must have been in a fraternity.

The first weird thought that jumped into my mind was that I deserved some whacks with that paddle for lying to Karen. Thinking of her spanking me was hot and despite my hangover, I felt my penis stir.

When I glanced at her she was turned away from me, pointing out some feature or another (I wasn't listening) and I saw that fine realtor ass and I thought, *Now there's a butt worth paddling!*

That was so exciting my cock woke up and got out of bed, stretching to nearly full height. Of course, I was the naughty one need the paddle, not innocent Karen. That was still arousing, but mainly embarrassing and frightening.

For a moment I contemplated confessing. I could see

myself grabbing that paddle off its hooks and offering it to her and telling her what I'd done. "Go ahead and make me pay for my sins," I'd say, bending over and presenting my butt for pain.

I wondered if she'd go for it. If she was angry enough, probably. Maybe she'd think I was joking or mocking her, or she'd think it was a sexual move and be offended. I didn't know her well enough to predict her reaction.

My hesitation saved me. I was caught in a dilemma and not paying attention to Karen and she apparently followed my gaze to see what I was staring at. She went quiet and the silence became loud. I glanced over and saw her looking at the paddle with the strangest expression on her face. Her skin had gone pale, her eyes full of alarm. She looked sad and almost haunted.

Before I could ask her what was wrong, she started to cry. Not huge sobs or anything, but a few tears running down her face. She reached up and took down the paddle.

"My dad had one of these," she said softly.

"Did it hurt?" I said without thinking. I was just joking, but she was serious and she nodded somberly.

"Oh yeah. It's a beast. Lights up your whole butt like you wouldn't believe. Dad never gave me less than ten."

This was shocking and exciting. She'd really been paddled? Like for real? I knew college guys and even a few sorority girls who'd played around with such things—I'd heard some raunchy stories which may or may not have been true—but this was the first time I'd ever heard of anyone getting paddled by a parent as a real

punishment.

My cock went rock-hard and I wondered if it was noticeable through my pants. My face was hot, too. I didn't know what to say. Again, my hesitation saved me from making a fool of myself.

"I'm sorry," Karen said. "I have a confession to make. I don't actually have my real estate license. And this house isn't for sale."

"What?" I stared at her, confused.

"Look, I think you're cute," she said, her face pink like a ripening tomato. "So I exaggerated last night when I said I was an agent. I wanted to hang out with you some more so I told you I had a house to show you. This is my boss's house. He and his family are out camping this weekend. I figured I could pretend it was for sale and give you a whole tour and get to know you better.

"But seeing this paddle reminds me of my dad. He was a great guy, strict as hell, and he'd be ashamed of me for deceiving you. Hell, he'd probably use this board on me. Twenty whacks on the bare butt!"

I stood there, my mouth open, trying to process everything she was telling me. I wasn't upset. I was flattered that she'd lie. I also thought it ironic that we'd both done the same thing. Was that kismet? Were we made for each other?

For the third time, my lack of a response benefited me. If I'd spoken I'm sure I would have said the wrong thing and messed everything up. But I am slow sometimes and in this case it helped. She suddenly

handed me the paddle.

“You do it,” she said forcefully. “I deserve it.”

Then she turned to the nearby sofa and placed her palms on the arm. She separated her long legs and bent. Her ass stuck up gorgeously, the thin navy fabric gripping those sleek orbs and holding them up just right. That ass was smiling at me again.

“Are you serious?” I finally said.

“Yes. Give me a spanking. I lied to you and I deserve to be punished.”
