Random Praise for the Flogmaster's Writing

Certainly! Even Presidents have their needs.

G.

A nice variant on the usual theme, well thought out.

W.

Well thought-out scenario of a fascinating dilemma!

R.M.O.

You certainly have the imagination to create some nasty pieces of work. Nick is a particularly good example.

O.B.

Very Nice!

M.K.B.

A wonderful visualization of a woman front and back.

B.O.

Good story and a surprise ending.

Selected Excerpts

From *Asking For a Spanking*:

“Carrie doesn’t get grounded. Her parents spank her.”

Leonard’s erection soared. He had to block the mental picture of Carrie’s big butt naked and red-hot, lest he cream his pants right in front of his stepdaughter. He squirmed uncomfortably. Brenda couldn’t be suggesting...

“I was thinking that maybe *you* could do it. After all, you are my new daddy.”

Though the ice cube in his throat was long melted, it was back, along with Leonard’s surging erection. He couldn’t breathe or respond for the longest time. He thought he might pass out. Had Brenda just asked him to *spank* her?

From *Good Canings*:

When Jill fussed and acted as though her chair was made of lava, her mother said, “If you think you’re sore now, wait until after you’re caned again tonight!”

And just like that, Jill’s improved mood vanished. “Oh Mum, you can’t be serious,” she cried. “I couldn’t possibly take another caning tonight!”

“What did I tell you about arguing? That’s *another* caning on Sunday night, young lady!”

From *Stepsister*:

“Meg, honey, would you tell your sister that spankings are okay?”

“Sure. It’s okay, Liz. Spankings are no big deal.”

“They sound *awful*.”

“I always feel better after a spanking,” said Meg. “Not during it. When I’m being spanked, I just want it to stop. It hurts. But when it’s done I know I’m forgiven, the punishment is over, and I can go on with my life. It’s good. Much better than grounding which lasts for weeks.”

The FLOGMASTER Presents

Twelve of the Best

*A superlative collection of
the Flogmaster's best erotic spanking stories*

VOLUME SEVENTY-TWO ("SCHOOLGIRL")

*This collection of the Flogmaster's best writing
contains stories dealing primarily with the
corporal punishment and discipline of minors
(usually female) by adults or peers, though
some stories may contain sexual activities.*

About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

Paul Bunyan and the Great Lakes

(★ ★ ★ ★ , M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as *F6/f24*, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like "sex" or "anal" (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any "spoilers" that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

Asking For a Spanking

(★★★★★, M/f—Severe, non- and semi-consensual paddling)

When his sexy stepdaughter begs him to spank her, a new stepfather can't resist and gets into a world of trouble. (Approximately 5,613 words.)

Leonard was taking a drink of his Pepsi when he saw his stepdaughter. He gasped and swallowed an ice cube. He could feel it lodged painfully in his throat, but knew the ache would ease when the ice melted.

It was an eerily appropriate metaphor for his penis, which was in a similar painfully hard state. Only his erection wasn't melting as fast. That's because Brenda was wearing tiny white shorts that were barely big enough to cover her tight little ass.

He stared and tried not to stare, but he couldn't believe what he was seeing. His stepdaughter was 17 and as thin as a twig. Except she had grownup titties (and clearly wasn't wearing a bra under the orange tank top), hips that swelled to 30+ inches, and a pert butt that jutted out like it was trying to get everyone's attention. You'd have thought a modest girl would try and hide that thing, but she had put on shorts that ended an inch below the crotch. There was no way to *not* look at that rump.

He grunted and turned away, the cube in his throat making him wonder if he was suffocating, but all his attention was focused on the stiffness in his pants that hurt even worse. What on earth was Brenda thinking? Did she know what those round buns did to a man? What she needed was a sound spanking!

Leonard winced as his cock stiffened even more at that thought. Where had *that* idea come from? *Spanking*? In this day and age? That was crazy. No one spanked any more.

Of course, it was difficult to *not* think about spanking when you saw an ass like that. Brenda was a gorgeous girl with a cute face, a cheerleader, young and athletic, with a butt as tight as balloon about to burst. Worse, she seemed to be completely unaware what her perfect body did to others. Here she was, prancing about the living room in those ridiculously short shorts, the fabric taut across those cheeky sitters, and she had no clue she was giving him a coronary.

Not for the first time, Leonard wonder if she should

reprimand Brenda for her choice in attire. Was it his place? He was only her stepfather and only for a few months. He didn't want to rock the boat or alienate her. She already resented him marrying her mother and hadn't been the most welcoming. He often felt her clothing was inappropriate, but her mother didn't seem to notice, so maybe it was okay.

But then Linda doesn't think like a boy, he thought. She doesn't know how dirty our minds are, especially when we're given a provocative sight.

Again his mind went back to corporal punishment. It only seemed fair—after it all, it was that part of her anatomy that was showing off, so wouldn't it be justice to punish it? He imagined a wooden school paddle landing on those cheeks and it was not only immensely satisfying, but it was erotic as well.

Suddenly Brenda bent at the waist and touched her toes. She was standing not ten feet in front him, blocking his view of the TV, concentrating hard on her exercise and not realizing that she was giving him an almost gynecological view of the base of her shorts. In this pose the cloth was drawn so snug it was like she were wearing tights. He could see the distinct outline of each orb and the narrow line dividing the mounds. God, she was practically naked!

Damn it, he thought, groaning silently and trying to will his cock to shrink. It refused, enjoying the spectacle.

"Brenda, honey," he said gently. "I can't see the game."

“Oh, sorry,” she said, stepping to the side. He wasn’t even watching and had the thing muted, but at least her ass wasn’t quite so in his face. Maybe there’d be an adult underwear ad on—that would shrink his penis down to nothing for sure.

Instead it was a commercial for Viagra, of course, with 20-something beauties in bathing suits in a tropical island paradise hanging around a silver-haired fox who needed medical assistance keeping up with the young things.

“Uh... Leonard,” said Brenda, standing bashfully near him. “I forgot to tell you, I got a D on my math test.”

“I thought you studied!”

“I did, but it’s too complicated. I have no head for numbers.”

“Your mother is going to be furious. Anything less than a B means you’re not doing enough.”

“I know.”

“She’s going to ground you. Maybe you’ll have to cut back on the cheerleading.”

“I can’t do that! Please, Leonard, can’t you do something? Talk to her?”

“I can try, but you know she’s in charge of your discipline. I stay out of that. She warned you that even a C wouldn’t be good enough. And a D is going to threaten your grade in the class. She’s going to insist you be punished.”

“But couldn’t I be punished some other way? I can’t miss cheerleading. It’s my life!”

“I don’t know, honey. Maybe. What did you have in mind?”

Brenda shrugged. “I don’t know. Anything that doesn’t interfere with cheerleading. Carrie doesn’t get grounded.”

Carrie was a fellow cheerleader, he remembered. A cute brunette, tall and lanky, with broad hips and a wide, bouncy behind. He remembered because her pleated cheer skirt was so short when she bent over by the front door last week he’d seen her barely-there matching green panties.

No doubt she had permissive parents who wouldn’t dare discipline their precious princess. “Oh? How is she punished?” he asked, assuming it would be something like docking her allowance.

“Her parents spank her.”

For a second, Leonard almost choked on his drink. He put the glass down carefully. He felt invaded. He actually blushed. How had his stepdaughter known what he was thinking?

“What do you mean?” he said, sweating hard and buying time.

“I mean spanking,” Brenda said. “Like put across her dad’s lap, her panties pulled down, and her bare bottom smacked with a big hairbrush until her bum is rosy red and throbbing and she’s learned a good lesson.”

Leonard’s erection soared. He had to block the mental picture of Carrie’s big butt naked and red-hot, lest he cream his pants right in front of his stepdaughter. He squirmed uncomfortably. Brenda couldn’t be suggesting...

“Is that what you want? Your mom to switch to spankings?”

“You know she won’t do that. She’s too softhearted. She won’t even kill spiders.”

“So what, you’ll have Carrie’s mom spank you?”

“Actually, I was thinking that maybe *you* could do it. After all, you are my new daddy.”

Though the ice cube in his throat was long melted, it was back, along with Leonard’s surging erection. He couldn’t breathe or respond for the longest time. He thought he might pass out. Had Brenda just asked him to *spank* her?

“Uh, I don’t know if that’s appropriate,” he finally managed to mutter.

“What do you mean?”

“I’m, er, your *step*father, not your bio-dad. It’s not my place.”

Brenda placed her ass on the arm of the sofa dangerously near Leonard. In his peripheral vision he could see gobs of bare thigh and the tight rounds of the white shorts curved and ready to split. His brain swirled.

“I don’t see what that has to do with anything,” she said. “If I’m okay with it, where’s the problem?”

Leonard could think of a lot of problems, but none he’d dare vocalize. Finally he said, “I’m sure your mother would object.”

“Oh come on, you’ve got her wrapped around your finger. She’ll do anything you suggest. You’ve just got to bring it up to her.”

“I don’t think it’s quite like that,” he protested.

Though it was true Linda was easy-going and prone to compromise in his favor. If he asked for disciplinary rights, she’d probably grant them. But did he want that responsibility? And how awkward would it be actually *spanking* his near-adult stepdaughter?

“Please, Daddy?” Brenda begged. She gave him a grand smile. “I’ll call you Daddy.”

It was the ultimate appeal to both his body and his emotions. Maybe if he helped her, she wouldn’t resent him so much.

“Well, I’ll, uh, discuss it with your mother. Are you sure that’s really what you want? You don’t think you’re a bit, uh, grown-up for... for spankings?”
