Random Praise for the Flogmaster's Writing

Well thought-out scenario of a fascinating dilemma!

R.M.O.

Wow! What an idea! I'm in!

I.C.

Great story, even though I normally only like F/M.

S.B.

Even after all these years this story is outstanding! Still love it.

WVZ

*Well written story with fantastic graphics in what I call 'a
mind's eye view.'*

B.O.

*A delight. Not the normal Flogmaster fare, and IMHO even
better than usual.*

O.B.

This is well thought out and written.

Selected Excerpts

From *Assertiveness Training*:

The pretty blond teen flushed. Her tits were already out, leaving just the navy shorts on she used for sleeping. It wouldn't take much to take them off and she had nothing on underneath, but she hesitated. Her eyes were on the teardrop-shaped paddle, which was quite large with a long shapely handle giving the user plenty of leverage. The wood looked sturdy.

"Mom, you've got to be joking," she muttered. "This is some prank, right? You're having me on?"

"That's *another* dozen extra," said Katheryn sternly.

From *Paddled Brat*:

Sixty-some years ago when I was this girl's age I'd witnessed a brat get a spanking at a mall. The girl had been trying to get the coins from the bottom of the fountain. When her mother saw, she planted a foot on the rim, flipped the girl upside down across her raised knee, raised the girl's skirt to expose white undies—which she promptly lowered—and proceeded to smack the chubby little bare fanny until it was as pink as a posy.

No one batted an eye back then, but in today's world such a thing would have global repercussions. The mom would be recorded and shamed on social media and have to change her name and move to farthest Alaska to get away from the bad publicity.

From *Several Spankings a Day*:

She wondered if today would be any easier on her bum than yesterday, but didn't hold out much hope, especially considering she already had an appointment with Crawford's hairbrush.

Her fears were justified, for there were smackings at breakfast when she spilled the salt, in Miss Alder's economics class for speaking out of turn, and another slipping in Miss Grant's for *not* speaking up. Rowan was half-convinced the world was in on a conspiracy to get her.

Twelve of the Best

*A superlative collection of
the Flogmaster's best erotic spanking stories*

VOLUME SEVENTY-SIX ("SCHOOLGIRL")

*This collection of the Flogmaster's best writing
contains stories dealing primarily with the
corporal punishment and discipline of minors
(usually female) by adults or peers, though
some stories may contain sexual activities.*

About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

Paul Bunyan and the Great Lakes

(★ ★ ★ ★ , M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as *F6/f24*, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like "sex" or "anal" (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any "spoilers" that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

Amusement Park

(★★★★, M/f, M/F—Severe, non- and consensual spanking)

A girl gets spanked at Disneyland. (Approximately 1,769 words.)

When Beth was ten, her parents had taken her to Disneyland. It should have been the time of her life. It was memorable—but for all the wrong reasons.

It had been the height of summer and was about 200 degrees that day. The air conditioner in their car had died and they got stuck in traffic for hours. By the time they got to the park, everyone was in a foul mood. All day Beth could do nothing but whine and complain. Her dad wouldn't let her go on the rides she wanted and her mom insisted she stay with them and not go off on her own. The concessions were so expensive her father balked at buying much, so Beth was hungry and thirsty and it was

so damned hot.

The perfect end to a miserable day was when Beth went too far and complained one too many times. Her dad blew his top. He'd threatened her earlier and her mom had even showed her the hairbrush she kept in her purse. Beth had been subdued for five minutes after that, but soon forgot, even after more warnings.

The last straw was when the day was ending and her parents were exhausted. Beth wanted to stay for the evening fireworks. "No, we're going back to the hotel," her mother said. "I'm beat."

"What? But that's not fair!" cried the girl. The whole day she'd been pointing out how their room was air conditioned and Disneyland sucked, but now that her parents wanted to leave the amusement park, she didn't want to go.

"That's enough, Beth," growled her dad in his no-nonsense voice. "We've had a long day and we're done. I'm sorry if wasn't more fun, but we tried our best. We'll go have a nice sit-down dinner and maybe a swim in the pool this evening."

"I hate you both!" Beth yelled. "You never let me do *anything!*"

Then she broke away from her mom and ran off. It took her father 20 minutes to catch up with her and every second of that he got more and more angry. He was dripping sweat, his face red, and in his hand was her mother's hairbrush.

One thing about Disneyland is that there are places of

greenery and privacy, if you seek them out. A startled Beth found herself being dragged into the bushes behind some building. “Daddy, you can’t be serious!” she cried. “Not here! People will hear!”

It was no use. Once her dad found a suitable place, Beth’s shorts came down. He didn’t lower her panties, thank the Lord, but he pulled them up tight and moved the white fabric off her cheeks to uncover as much flesh as he could. With her buttocks virtually bare, he paddled her for five endless minutes with that wooden brush. It was Beth’s worst spanking ever, and she’d gotten some doozies.

Two minutes in she’d received perhaps 100 spanks and was as repentant as a convicted criminal—but the spanking wasn’t even half done. Her blisters had blisters before her father stopped paddling her, and her backside was cherry red halfway down her thighs. Beth wanted to die.

Instead she pulled her clothes up and meekly went back to the hotel with her worn-out parents. She ate alone in the room and didn’t go swimming, too worried that people would see the redness of her bottom through her swimsuit. Her parents enjoyed a nice meal at the hotel restaurant, able to relax for the first time all day.

Before bed Beth apologized. Her parents forgave her and hugged her and later on they could even joke about the incident. For years after, just the mention of Disneyland sent chills through Beth’s system. Sometimes she relived the awful spanking in her dreams.

When she was 17, her church youth group arranged a trip to Six Flags. Beth made excuses and didn't go. Just the idea of an amusement park filled her with dread. The dreams and memories returned, so vivid she often awoke in the night crying, feeling like she really had been spanked.

She didn't regret the spanking. She knew she'd thoroughly deserved it. Looking back, she was amazed her father had waited as long as he had. But the experience had been so powerful it still haunted her a decade later. The pain had been terrific, but mostly she remembered her shame, the fear of getting caught, the danger of exposure, of strangers seeing her bare bottom.

As an adult, those feelings had manifested themselves as lust. She never dared act on them until she met Bret, the love of her life. She was in her senior year of college by then, and he was a few years older, about to graduate from law school. He was conservative, thoughtful, organized, and a severe man, just like her father. He followed the rules and could be stern.

Beth thought those were negative traits, at first, and it annoyed her that he could be so picky. "So what if I'm five minutes late for our date? There was traffic. Give me a break."

But deep down, she was thrilled when he wouldn't let her get away with shit like that. She'd known there might be traffic and she should leave early, but she hadn't. That was inconsiderate. She deserved to be spanked.

One day when Bret had enough of her nonsense he

gave her an ultimatum: start behaving or go their separate ways. Beth was already thinking in terms of marriage and family and was devastated. She could see he was serious and she felt awful.

“Couldn’t you spank me or something? We don’t have to split just because I’m careless and rude.”

“Honey, if I thought you were serious, I’d put you over my knee and blister your behind right this moment,” Bret said.

It was then Beth realized she *was* serious. “Okay,” she said. “I deserve it.”

To Bret’s shock, she dropped her jeans and panties and laid herself across his lap. They were in his small apartment, on the sofa. Once he saw those round white buns of hers, he couldn’t hold back.

“This is your last chance to escape,” he warned. “Otherwise I’m going to spank you for real.”

“Yes sir. Spank me hard.”

Bret shrugged, raised his palm, and brought it down like a thunderclap. Beth’s chubby butt flattened and bounced and turned pink. She felt an astonishing sting and flashed back to being ten at Disneyland getting spanked in the bushes while thousands of patrons milled around just yards away.

That first spanking was relatively tame compared to what came later, but it had been years since Beth had been spanked and she’d forgotten what an ordeal it could be. Bret had grown up on a farm in a small town and he’d worked in the fields since he was a kid. He was tall and

lean and full of muscle, despite seeking an intellectual career, and his calloused hands were like wooden paddles. Beth's bottom was no longer ten-year-old tiny, so it took Bret a bit longer than five minutes to properly redden both globes. By the time it was over, Beth was sobbing and her butt glowed like a bushfire.

The couple didn't break up. They got married. And Beth got spanked. She got spanked a lot. She wasn't dumb and did learn, but she was the kind of girl that needed frequent discipline. She was careless and did things without thinking through the consequences. She could be bratty and rude, and she needed a man like Bret to keep her in line. He enjoyed spanking her so much he put up with her unpredictability.

It was a few years later when they'd settled into blissful married life that Bret surprised Beth with tickets to the state fair. "We've both been working, it'll be fun," he said, noting her reluctance.

She didn't want to tell him about her experience and decided to keep quiet and go along. Seeing the rides, the crowds of people, and hearing the non-stop music and noise, she flashed back to Disneyland and her spanking.

But this time, instead of fear, she was turned on. She kissed Bret and pulled him off the main path into a secluded area. It wasn't quite the overgrowth of the "Happiest Place on Earth," but it was somewhat private.

"You've got to spank me," Beth whispered. "Right now, right here!"

"But people will see!"

“That’s what makes it exciting!”

She lowered her jeans and panties and enjoyed Bret’s strong hand fondling her ass. “Spank me. Hard!”

It took him a couple of minutes to get into it, but then he relaxed and just slapped her buns until they looked pink enough to burst.

“Next time, we’ve got to bring a hairbrush or paddle.”

“Seriously? You want to do this again?”

That evening she told him all about her spanking, the one she couldn’t forget, the one that defined sex for her. And a new trend was born.

Now they visit amusement parks all over the country. There Beth plays the whiny brat, Bret takes her to a discreet corner and puts her across his lap, and her bottom is bared and soundly spanked. She keeps a wooden hairbrush in her purse just for these occasions, for she wants the experience to be authentic.

They haven’t been caught yet, at least not seriously, though there have been some close calls. Once a little girl peeked in on them, her blue eyes wide. Bret winked at her and whispered, “She’s been a naughty girl so she’s getting a spanking.” The alarmed girl nodded slowly and disappeared, and thankfully didn’t sound an alarm.

Several times they overheard people discussing the strange sounds from the bushes. Once it was adults telling their children “You hear that? That’s some naughty child getting a good spanking! That will happen to you if you don’t behave.”
