## **Selected Excerpts**

### **From *Don't Ask, Don't Tell*:**

Roxy yelled lustily and shook her buns like she was trying to send them across the room. That had been the last one, she was certain of it, and it naturally had to be the hardest.

Hernshaw put away her cane. She insisted that Roxy do full corner time. Shameful, but at least the girl wasn't being beaten. Yet she would be soon. When her parents found out, she'd be spanked or whipped.

Unless her folks didn't have to know.... Roxy was 18 now, a legal adult. The law didn't require her parents be notified. If she didn't tell them, they'd never know.

### **From *Roasted for Thanksgiving*:**

"Now get those jeans down." *Whack!*

At this stage Megan didn't even hesitate. Disobedience when your butt was being blistered was not possible. She hastily pushed her tight pants down to her knees. Her panties didn't cover her whole butt—half of the material was wedged into the deep crack of her ass. They certainly didn't protect her. She put her hands back against the wall.

*Whack! Whack! Whack!* "What do you think you're doing? Get those panties down!" *Whack! Whack! Whack!*

### **From *The Shapeless Dress*:**

The amount of the fine was astronomical to a struggling girl like Abilene. She waitressed and while she was a good worker, her outfits were not conducive for generous tips. Her bank account balance was always perilously low.

"The alternative, sir."

"It will be 15 licks with the sturdy prison paddle."

Abilene winced, but nodded. "Yes, sir."

"Very well. Bailiff, conduct the offender to the punishment chamber. I'll be there in 20 minutes to witness the procedure."

## About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

***Paul Bunyan and the Great Lakes***

(★ ★ ★ ★ , M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as *F6/f24*, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like "sex" or "anal" (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any "spoilers" that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

# The Argument

**(★★★★★, F/F—Severe, non-consensual bath brush spanking)**

A young man encourages a mom to spank her disrespectful daughter.  
(Approximately 1,501 words.)

**T**he mum and her daughter were having a row. It was quite intense, with raised voices and flaying arms. Others on the beach were noticing while pretending to not see the argument. I could see the older woman was becoming embarrassed, lowering her scolding to a hiss, but the daughter didn't.

She looked cute, the daughter. It was a challenge to guess her age, since she was so petite, but I put her in her early twenties. She wore a blue one piece from which her

sizable breasts bulged so much I could see the extremely pale sides of her tits; tiny denim shorts covered her rather meaty bottom. She had on sunglasses and a straw hat. Her hair was a light brown and fell to just below her shoulders.

I heard a word that sounded a lot like *duck* and she turned away and strode toward the little bungalows that lined the beach. I watched that plump bum wag as she walked and I reflected that if I'd spoken to my mum that way, I'd be sleeping on my belly for a night or two.

This mum had no such reaction. She looked defeated, actually, her head hanging as she sat on a beach chair and covered her face with her hands. I waited until she wasn't crying, if that's what she was doing, and wandered near.

"Are you okay, ma'am?" I asked, feigning concern.

"Oh, hello. Er, uh, yes, I'm fine."

"You seem upset. Is everything alright?"

"Just a dispute with my daughter. It's nothing."

"My mum settled such 'disputes' with a sturdy wooden hairbrush," I said, laughing so she'd think it was a joke.

The woman looked at me, alarmed. "Holly is 22," she said, aghast.

"Couldn't be. You can't be more than 30!"

Now she laughed, flattered, and invited me with her eyes to sit on the lounge her daughter had just vacated. I realized my remark wasn't that far from the truth, though perhaps a decade off. The lady couldn't have been far past 40, if she was even that old. She was quite attractive even

if there were some age lines around her eyes. She had a mature look I admired. Her eyes were a pale blue, but sharp, like a bird's, and she had a regal quality that told me she had a lot of self-respect. When she smiled she looked much younger and though I hadn't seen much of her daughter's face, I saw a family resemblance in the tone.

"My name is Eugene," I said. I smiled charmingly and held out my hand. She hesitated only a second and then shook it.

"Aggie," she said, the faintest blush appearing across her cheeks. Her eyes were wise as she said, "I think it's Holly you'd rather be chatting up."

"Why would you think that?"

"She's much closer to your age. You're what, 25?"

"You're close. I'm 27."

"Single?"

"That depends."

"Depends on what?"

"On whether you'll have lunch with me."

She laughed, pushing me away playfully, but delighted by my forwardness. "Shall I see if Holly will come?"

"Oh, she won't make it."

"Why not?"

"She'll in bed nursing a red-hot bottom."

Aggie studied me thoughtfully. After a bit she said, "You really think I dare?"

"You'd be irresponsible to *not* spank her, after the way she spoke to you. I don't know what the argument is

about, but you can't let her get away with that sort of lip."

Aggie stood. She was fairly tall for a woman, especially in contrast with Holly, who was petite. She was robust, too, and it was clear that on a physical level, the young girl was no match for her mother. Her eyes glittered as she smiled at me.

"I don't have a wooden hairbrush, but I seem to recall a long-handled brush in the bath that would work splendidly."

"That's even better. It will sting atrociously on the bare bottom, but don't let her crocodile tears dissuade you from your duty. Remember what horrible words she said to you and that she's not a child where a few slaps will do—you've got to spank her *thoroughly*. Anything less than five minutes across your lap is letting her off with a kiss and she might need considerably more, up to 15 minutes of sound smacking."

Aggie had started to go when she heard my comment and paused. I could see the wheels turning as she processed all the keywords I'd planted: *bare bottom*, *not a child*, and *five minutes*. Then she nodded and strode forward.

Naturally, I followed at a discreet distance. By the time I reached the bungalow, I could hear fresh shouting. This time, however, it was mostly the mother who was speaking. Holly's words were reduced to, "But Mum—" and "You can't be serious!" and "Oh no, please! I'm sorry!"

I stood behind a palm and peeked through the small

side window and enjoyed the show. With the bedrooms barely large enough for beds and the bath cramped, I knew Aggie would have no choice but to use the main room for the spanking. She was standing there holding a foot-long bath brush that looked formidable with a solid round head the size of a pancake. Holly was backing away, hands behind protecting her bottom, and pleading.

I won't bore you with the drama as the young lady tried to avoid her correction. There were tears, excuses, promises, and a variety of tactics employed for sympathy or mercy. They all went nowhere and eventually a weeping Holly was taking off her denim shorts.

Her one piece was snug, to say the least. I saw why she was wearing the shorts as her bottom would have been in serious danger of a sunburn if she'd laid out like that. Most of her cheeks were bare with that skimpy suit jammed up between her pudgy globes.

In this case that didn't matter as Aggie insisted the suit come off. A shameful Holly was soon naked except for her blushing cheeks. She stood shyly before her mother, her bum to my window. It was an incredible bum, round and pale and smooth, with plenty of area to smack. When she went across her mother's lap her bottom became uppermost, the snowy cheeks mooning the ceiling.

Aggie just raised that bath brush above her head and brought it down in a speeding arc that crushed first one and then other bun. Holly howled. She kicked her little dainty feet and one flip-flop went flying. Her rump roiled,

the blindingly white flesh now sporting pink blotches. I watched as she got a whole lot more of those.

I didn't know how many years it had been since Aggie had given and Holly received, but both seemed to fall right back into familiar territory. The girl squealed and wept and struggled to endure, while the mother used that brush like an expert, painting hot glowing pink all over the exposed bottom and thighs. She was really vicious, using tremendous strength, enough the long handle meant she didn't need it, and the resulting whacks were so loud I had no trouble hearing them outside.

Fortunately, the cabins weren't close together, so even if someone had been napping or wandering nearby I doubt they would have heard. It was late morning, so most people were along the shore or heading for an early lunch.

It was a long spanking. Even I grew worried watching it, but Aggie had taken me at my word and she paddled her daughter endlessly until she decided the girl had had enough. That this corresponded precisely with the ten-minute mark was just coincidence, I'm sure.

From my angle I wasn't able to properly see the color of Holly's butt until she got up and turned her back to me. I gasped, for her skin looked like red wine. She stood near her mother, dancing on her toes, her hands kneading her ass, tears still falling.

"I'm sorry, I'm sorry," she kept saying. Her mother told her that she'd better be or there would be "more bath brush in your future." Holly looked horrified and trotted

off the bathroom naked. Aggie looked as satisfied as a cat.

When she emerged, ten minutes later, and found me on the lounge where she'd left me, she was still grinning.

“Get it all worked out?” I said.

“Splendidly. And I *will* have lunch with you, though Holly *won't* be joining us.”

“Has she had too much sun?”
