Random Praise for the Flogmaster's Writing

This one hits the spot, Flogmaster. A great idea. Too bad we don't have TV commercials like this one in real life.

B.O.

Poor girl! Love all the teachers' rude names, though.

P.K.

A short and sweet story of old times. Thanks.

D.L.H.

This is probably my favorite story of yours, having read it first a long time ago on your website. The description of the spanking and then the multistage caning is classic; both sadistic and erotic.

S.C.

Another good one. I always look for your new stories.

D.F.J.

Delightful story I got a good chuckle out of it.

YK

Wow. He was surprisingly forgiving. I, too, wonder what happened with Andrew. Well done story that makes me think.

R.S.R.

Selected Excerpts

From *Back in the Good Old Days*:

“Did *you* get spanked as a little girl, Grandma?”

“Oh Lordy, yes I did! Far more often than you, in fact. You think three spankings in one day is a lot, but that was routine for me. I used to joke that I got spanked for breakfast, lunch, *and* dinner!”

From *An Irresistible Urge*:

This minx was wearing tight jeans that showed off a remarkably pert and jutting little bottom. The pants were a light blue and they were appropriately faded to almost white across the seat area. He wondered if they were threadbare and half-expected one of the plump orbs to come popping out when Madeleine bent over to explore one of the lower drawers.

Brian couldn't handle it. He snatched the ten-inch paddle off the wall—the one with the crimson cursive “For Naughty Butts” scrawled across the surface—and approached his sister from behind.

She was too engrossed in her mission to notice until the hardwood connected with an explosive *bang* right across the center of her left buttock. Then she shrieked and shot up, hands flashing rearward to protect her tender anatomy.

From *Three Fat-Bottomed Girls*:

The first one he saw getting it was sweet Zoe, hands flat on a kitchen chair with her jeans and panties at her ankles, and her large jutting globes turning pink as the slamming wood made them dance and wobble.

Then his eye was drawn to Chloe in the corner. She was tall and robust, with wide hips exaggerated by her narrow waist into looking even broader. There she was with her shorts and underwear at her feet and nothing to obscure that glorious bottom.

That ass alone would have been divine, but the full cheeks were covered with crimson. Keith stared with profound arousal, the mounds quaking as the girl shuddered.

The FLOGMASTER Presents

Twelve of the Best

*A superlative collection of
the Flogmaster's best erotic spanking stories*

VOLUME SEVENTY-EIGHT ("SCHOOLGIRL")

*This collection of the Flogmaster's best writing
contains stories dealing primarily with the
corporal punishment and discipline of minors
(usually female) by adults or peers, though
some stories may contain sexual activities.*

About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

Paul Bunyan and the Great Lakes

(★ ★ ★ ★ , M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as *F6/f24*, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like "sex" or "anal" (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any "spoilers" that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

A Modern Flogging

(★★★★★, F/f—Severe, non-consensual whipping, masturbation)

A man watches his teenage neighbor get an old-fashioned flogging.
(Approximately 2,147 words.)

It was like a medieval torture scene in an old B movie. The girl was gorgeous and quite naked from the waist down, her front to the wall, her arms stretched high as though she were looking for climbing handholds. The whip was wicked and dark, with many dangling strands, and the woman who held it out and ready for flogging was tall, regal, and ruthless.

I watched, mouth agape, scarcely believing what I was

seeing was real. If it had been a movie or was 1888, it might have made sense. But this was the 21st century and the girl, though she appeared quite grown, was clearly a minor, and no one flogs any more.

It could have been a play, of course. Some bizarre reenactment, perhaps for Halloween. Except the girl was nude, her white panties on the floor beside her and her dress pinned up in the middle of her back leaving her buttocks exposed. Even more alarming, those spectacularly-shaped cheeks were crisscrossed with a score of pink and scarlet lines.

Makeup? I doubted that, for there was no sign of any such equipment and the marks were changing and darkening even as I watched. And they were too realistic, with dark red pips at the ends where the tip of the whip strands had caught.

Could this be a home porno shot with an above-age actress who just looked 15? Except the girl turned her head back pleadingly and I recognized her as my neighbor's daughter and Taylor *was* 15. I also realized the lean cruel figure in front was her mother, her stern face as grim as her silhouette.

She flicked the whip, the tails snapping in the air, and the daughter's head shot back forward and she braced herself. Then the cat lashed, the strands spreading and impacting full across the bare ass. The proud jutting rump bore the full blow, the snickering snap of leather audible even at my distance. Taylor spasmed and her shriek was loud. If she was an actress, she was the best I'd

ever seen. She writhed, but any attempt to lower her arms and comfort her exposed, quivering bottom was apparently met with a warning from her mother. Taylor bent her head to sob, her hands reluctantly returning to their outstretched position.

I focused on the bottom. Taylor was a slender beauty, petite and willowy, with curvy hips and a magnificent tush. The bottom flared out—not quite to a bubble shape, as it was more graceful—with some serious depth to the twin orbs. The sting of the whip had sent the buns wiggling, fresh pink lines decorating the cheeks.

This was certainly no act and seemed to be a genuine teenage correction. I idly wondered what naughtiness a sweet girl like Taylor was to have done, but decided it was irrelevant. I had no say over her punishment and it wasn't my place to decide if it was justified by the circumstances or not.

That didn't mean I couldn't enjoy the spectacle, of course. The girl was naked and pretty, and the impact of the whip caused her to writhe and gyrate in an exciting fashion. Her bottom wobbled and shook, bounced and jiggled, and I soon had a boner the size of Florida.

It never would have occurred to me that whip welts could be attractive, but I found myself adjusting my telescope so I could zoom in closer and study them in detail. They were fascinating. Perhaps that was only because of their location or their rarity, but I was hooked.

Mrs. Rossow continued to flog her daughter, pausing for a 30-second delay between each stroke. It was clear

that sometimes she had to scold her daughter into staying in position—or resuming it—and that Taylor hated have to stand there with her vulnerable bottom sticking out for more excruciating lashes.

Sometimes she looked back at her mother with an anguished expression, the tears flowing down her pretty face. I'm not a lip-reader, but even I could tell she was saying things like "No more" and "Please, I've had enough." Her mother had her back to me so I couldn't see her response, but from the dejected slump of Taylor's shoulders the answer was always negative. Taylor would return to stare at the wall, tensing for the next impact of the whip.

It's hard for me to judge how many times she was lashed. For one, I'd come into the scene in mid-play, so several strokes had already landed. For another, I was distracted by the whole situation and often failed to count. But I think it was around a dozen blows, perhaps a few more. With all the tails on the whip it was enough to leave the teen's pale bottom completely red, with several ruby streaks along the sides of the buttocks and across the tops of the thighs.

It was a good whipping, thorough and strict and painful, but not abusive. Such things had been much worse in my day, and worse still a generation or two before that. It was good to see modern discipline and know that not everyone had fallen into the "treat kids like crystal" mindset. My respect for Mrs. Rossow and her daughter went up a few notches. I hadn't known the

woman was a spanker—it wasn't exactly the kind of conversation one had with a casual acquaintance.

Young Taylor was installed in the corner with her hands on her head and I had a great view of her quivering striped bottom for the next half hour as she sorely regretted whatever it was she'd done. I wished I'd sprung for a camera module for my scope, but since I hadn't, I'd just have to memorize what that cute butt looked like all whipped and tingling.

It really was a marvelous bottom. I had a hardon like you wouldn't believe and took care of the matter right then and there. My balcony's pretty private, high and hidden. The Rossow's is really the only place that can see me at all.

I had been wondering what it would be like to encounter Taylor after I'd seen her flogged. Would that secret knowledge show on my face? It was just a day later when fate revealed what it had in store.

Rocky and I were returning from the park as we do almost every day when the weather's nice, and he was still sniffing everything in sight and wagging his tail madly. Then he suddenly turned and leaped for joy and I saw walking toward us was none other than Taylor Rossow.

She was dressed in jeans and looked like a typical teen, hardly remarkable at all. I would barely have noticed her if I hadn't seen her naked. The jeans were snug and her butt cute, but they couldn't do justice to the ass I'd seen.

“Why hello, Mr. Felix. Hi Rocky!”

Taylor knelt and Rocky went up on two legs to try and lick her nose. She petted him and he squealed with pleasure, his tail a blur. I was watching the girl and trying to reconcile what I was seeing with the nude figure in the corner with the well-whipped, well-equipped rump. I was quite nervous she'd see what I was doing on my face.

"You find any new stars, Mr. Felix?"

The question was so out of left field, I didn't understand at first. I stared at her blankly with no comprehension.

"Your telescope," she added as way of explanation. "Or maybe you're trying to find a new planet?"

"Uh, no, nothing like that," I said, stammering a bit. "It's just a hobby."

Her blue eyes were bright as they bored into me. "I bet you like looking at the moon, don't you?"

I stared at her. The way she was talking was odd, as though she were saying something without saying it. Maybe I'd have gotten it faster in my younger years, but these days I've slowed down.

"There's no moon right now," I said, uncertain what she meant.
