Random Praise for the Flogmaster's Writing

This story was beautifully romantic. Even though it was also successfully erotic, you did such a lovely job with the characters' emotions that the romance and just plain sweetness actually outshines the sexiness. Beautiful story!

M.N.M.

What a choice to have to make: which item to get beaten with. She must have had experience with them both to know the downsides of each. This is a good, short story.

B.E.

A wonderful story!

CPN

Outstanding story that deserves immortality.

K.S.L.

Such a misunderstanding... with a happy ending!

N.J.R.

A nice variant on the usual theme, well thought out.

W.

Right out of Edgar Allen Poe there, F.M.

Selected Excerpts

From *Bad Habit*:

When she walked by me I turned and gawked, amazed at the generous cheeks I saw waddling. That's when my eyes bulged, for I was focused on that jutting mound of flesh just above the thighs and below the shorts. I thought for a second my imagination was extra-vidid, for I could see redness there. Then I realized it was real. She'd been sunburned.

From *Mum Number Two*:

What followed was surreal. Justine thought she must be dreaming. She watched as her friend reluctantly took off her skirt and knickers and bent across the arm of a comfy chair in the living room, her bared buttocks large and snowy white. Alice stood grimly to once side and began thrashing her daughter sternly. The strokes were shockingly firm, loud cracks that echoed around the entire house like gunshots, each indenting the round globes and leaving behind white streaks that quickly turned pink and then a dark, dangerous crimson.

From *Still Spanked*:

The large hairbrush, as heavy as a textbook, crashed down on one quivering cheek and then the other. Each mound was driven flat by the downward force of the blow, ripples going through the meaty flesh. A second later the buttocks sprang upward, shivering violently, fresh crimson stain spreading across the creamy skin.

Sage shrieked and tears flew from her eyes as she shook her head from side to side, unsure where to turn for succor. There was no hope of salvation, of course, and deep down that was the source of her sorrow. It was the dismal thought that her spanking had only just begun that made her weep so copiously; she'd been in this position many times before and it never ended until her bottom was utterly roasted, every inch reddened and white blisters popping up all over the ruby flesh like mushrooms in a spring field.

The FLOGMASTER Presents

Twelve of the Best

*A superlative collection of
the Flogmaster's best erotic spanking stories*

**VOLUME SEVENTY-NINE
("ADULT")**

*This collection of the Flogmaster's best writing
contains stories dealing primarily with the
corporal punishment of adults (mostly female),
sometimes non-consensual, and some stories
may contain sexual activities.*

About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

Paul Bunyan and the Great Lakes

(★ ★ ★ ★ , M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as *F6/f24*, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like "sex" or "anal" (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any "spoilers" that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

Bad Habit

(★★★★★, M/F—Severe, consensual caning, blowjob)

A guy meets a girl and canes her. (Approximately 1,941 words.)

Maybe it's a bad habit, but it's so ingrained now I can't help it. I do it without even thinking about it. I just love to look at girl's bottoms, especially girls in short-shorts when I can see a bit of cheek peeking out below the hem.

Does that make me a pervert? Maybe. Probably. But I don't care. There's just nothing hotter than a meaty pair of round cheeks bulging with a bit of buttock showing. It's sexier than a bare butt or a bikini, which leave no mystery.

With some butt showing, I get a hint of what's

underneath without spoilers. It's enough for me to tell if a girl is worth reeling in or if I should release her back into the wild.

There are some girls with flat bottoms or just not enough "junk in the trunk" to make them worthwhile. I want an ass with some substance, you know what I mean? I don't mean fat. There are tiny, skinny girls with asses that just won't quit, though I don't mind bigger girls. As long as that ass is round and sweet, I'm cool with it. Just forget the girls with pancake bottoms.

Since I live in San Diego, there's plenty of opportunity for bottom-watching here. Girls wear the most ridiculous short-shorts, tiny black things that would fit in a matchbox, and they go jogging, biking, surfing, or just walking, seemingly unaware that half their asscheeks are hanging out.

Now I like me a thong as much as the next guy, but that's just too blatant. To be really special, a butt needs some surprise. My favorite are the butts so chubby you can see the lower curves as naked as the day they were born.

My usual fantasy when I see that is to imagine me placing a cane weal right across those exposed sit spots. I want to redden that white flesh into cherry, and to see those distinct raised swellings that mark the site of a devastating cane strike. I just love it when spank marks show.

Which is why I did a double-take last week when I spotted a dark-haired beauty on the beach. She had on

black shorts that had to be giving her a serious wedgie, but she walked along without a worry in the world. She was young, early twenties, and not exactly svelte. Her belly had some roundness to it and her hips were wide.

When she walked by me I turned and gawked, amazed at the generous cheeks I saw waddling. That's when my eyes bulged, for I was focused on that jutting mound of flesh just above the thighs and below the shorts. I thought for a second my imagination was extra-vivid, for I could see redness there. Then I realized it was real. She'd been sunburned.

But that didn't fly, for who gets sunburned on just their butt? Her thighs were as white as marble. And then I noted the mottling, the faint bruising that told me this girl had been turned over a knee and *spanked*.

The butt stopped moving. I took advantage to note the perfect balls of flesh that were the girl's buttocks, the black fabric of the shorts taut and shapely. This was one spectacular ass.

"Are you done? Would you like a photo?"

I looked up, blushing as I saw the girl was speaking to me. She was half-turned, so I could see her ass jutting as well as her grim smile. I was caught, my perverted hand in the cookie jar. I froze.

But then if I was a pervert for looking, *she* was a pervert for getting her juicy tookie smacked. I relaxed and grinned at her.

"It seems someone was a naughty girl," I said.

"Only a naughty boy would know that," she countered,

not rattled at all. But then she wasn't exactly the shy sort, if she was walking around with a quarter of her spanked butt on show.

I laughed. "Maybe we could be naughty together."

"My boyfriend wouldn't like that."

"Would he spank you?"

"Maybe. *After* whipping my ass with a leather strop and paddling me purple."

"So what's the problem?"

She actually smiled at that, and she had a great smile. Her eyes were dark and smoky, hypnotic. Maybe it was the beach, but she reminded me of a mermaid.

"I'm Paige," she said. "What sort of naughtiness did you have in mind?"

"Wil. And my favorite is the cane."

"I've never been caned."

"Perfect. It'll be an experience."

"But Thomas will see the marks. He'll know."

"And you'll get a lovely spanking out of it," I said, shrugging.

"You're awfully generous with my ass."

"It's a generous ass."

She took it as the compliment it was and smiled. "I suppose you're right. Billy always says a girl can't be spanked enough."

"Who's Billy?"

"My other boyfriend."

My cock stirred with excitement. This was one exciting girl! "Is he the mean one?" I asked.

“He’s cruel and strict. Thomas is the bastard.”

“So you love them both?”

“I’m not sure love is the right word.” She thought for a moment. “I obey them. At least most of the time.”

“Not now?”

She smiled. “Definitely not now. Thomas would paddle me just for talking to you.”

“And Billy?”

“He’d want the details.”

“And *then* he’d spank you?”

“Most severely.”

“Sounds like just what a naughty girl deserves, picking up strange men on the beach.”
