# Random Praise for the Flogmaster's Writing

*Well, cruel, sexist and brutal - I loved it. But if it hadn't been for the twist I'm not certain this would have passed through the camel's eye. A nice and different story though, a nymph among pigs. Damn, that's some good money she is making.*

*Now if she is a spanko it would be an amazing win-win situation. Can we have some sequels of the further career?*

**G.L.A.**

*Oh, how adorable. The list of consequence read like the 100 days of Christmas, beatings by the spin of the wheel. You have an adorable, bizarre, sense of humor. Well done.*

**I.C.**

*What a great idea and very well presented.*

**T.**

*That was certainly original, loved it.*

**J.D.**

*Superb series! Ambivalent yet insatiable heroine, receiving discipline from a patient yet uncompromising Sir.*

**S.S.**

*That is wonderfully funny.*

**S.M.**

*LOL. As we girls know... thongs don't hide anything!*

**M.N.**

## **Selected Excerpts**

### **From *The Fairness Act*:**

The delicate nylon needle wasn't sharp, but the sensation of it pricking her bottom was distinct. "Ow," Norah said at each touch. "Ow." It didn't really hurt, of course. It was hardly more than a tickle. That was the idea—if she'd done anything to numb her ass, the doctor would know. Norah had never tried anything like that. She'd heard the penalties were severe.

"You're fit and ready. Go ahead and get onto the table."

Norah obeyed, climbing onto to the unit. As usual, she felt ridiculous and over-exposed. Her heart was beating faster now and she felt the twisting of her stomach. It was almost time. God, she dreaded this.

### **From *My Little Pet*:**

I noted her narrow waist and the gentle curves of her hips. She wasn't boyish, not at all, but she wasn't voluptuous. Her breasts were dainty. Her bottom was small, cheeky, jutting out aggressively in two solid orbs that I knew spanked really well.

She hadn't told me why she needed spanking and I didn't ask. I just gave her what she needed. I got up, walked over to her behind, and started swatting those buns for all I was worth.

I wasn't cruel or brutal, but the thing about a big paddle like the one I had is that it's thick and heavy. Like a giant jet airplane, it requires a certain amount of momentum just to get it going. So I had to swing big and hard. Her cute little tush didn't stand a chance.

### **From *Prepping for College*:**

Amber used a chair and climbed on it to reach the paddle on top of the bookcase. Her hips looked even more broad up in the air at my eye level, that full, round ass wavering as she stretched on tiptoe for the board. She looked breathtakingly beautiful as she did so, a vision of youthful energy, curves, and innocence. She seemed clueless at how extraordinarily gorgeous she was. She was a geek, after all.

## About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

***Paul Bunyan and the Great Lakes***

(★ ★ ★ ★ , M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as *F6/f24*, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like "sex" or "anal" (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any "spoilers" that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

# A Grown Woman

**(★★★★, M/F—Severe, semi-consensual paddling)**

A girl begs her principal for a paddling. (Approximately 3,549 words.)

**G**erald hadn't planned to use his paddle that day. He rarely did any more. Paddling was on its way out. It wasn't banned yet, but it was controversial and created too much paperwork and hassle. So many parents objected, even though they knew it was a possibility when they enrolled their kids.

The students, of course, didn't like it. The paddle hurt. It was so much better having wimpy consequences like in-school detention. Annoying, but at least your butt

wasn't on fire.

The paddle was still hanging on prime wall real estate where everyone coming into his office could see it and be forewarned, but it was gathering dust. Gerald still used it occasionally, for recidivism, for certain tough kids who needed it, and for those who couldn't do detention for some reason and chose the board.

He wasn't that bummed about not using the paddle more. While he liked its effectiveness, and there sometimes was a great deal of satisfaction in lighting up a brat's backside and really getting their attention, the truth was that most of the time it wasn't worth the trouble. Also, he didn't like using it on small kids who were really too young for physical discipline, and the ones big enough generally weren't that naughty.

But that morning when Chelsea Tabor walked into the room, Gerald immediately reached for the paddle. Well, not literally. In his mind he grabbed it eagerly; in reality he sat at his desk with a plastic smile and listened to her tale of woe. But inside, he already knew he was going to paddle her.

The thing was, Chelsea was a senior. She was 18 and looked it. If he'd seen her at the grocery store he'd have guessed she was in college. With her full breasts and shapely figure, she seemed to be at least 20. She had straight blond hair and a simple clean face that gave her an All-American, girl-next-door look he liked. She was pretty, but not *too* pretty. She gave you the illusion you could have her, that she wasn't out of your league.

Of course, for Gerald, she *was* out of his league by a huge margin. He was 46, balding, and overweight. While technically she was no longer a minor, she was still a student at his school. A “relationship” was not going to happen.

But boy, did Gerald want one. Chelsea had a maturity that he found painfully attractive. She had gorgeous hips, round and full, and a fantastic ass. It was plump with two distinct halves and a deep cleft between. Even in jeans, which she wore now, the divide was visible. The denim showed off her spectacular curves, curves the principal itched to smack with his thick paddle. That was a padded butt that could take it, too.

The moment he saw her, he knew she was there for discipline. For one thing, that was the reason for 99% of student visits to his office. For another, she had a glum expression that said she was in trouble. Before he’d even heard her story, he was trying to figure out how to get her to let him paddle her.

That’s when she shocked him. The first words out of the blond cheerleader’s mouth were, “Please, sir, can I have the paddle instead of detention?”

This was such a surprise that for a moment, Gerald thought she’d said the reverse, that she was begging for a detention instead of a paddling. He was about to argue with her when her meaning penetrated his head.

“Uh, you *want* a paddling?”

“Yes sir. I’m a cheerleader and I can’t miss practice or I’ll be off the team.”

“Surely Coach Wilson wouldn’t kick you off the squad for one missed practice!”

Chelsea blushed. “Uh, it wouldn’t be my first one,” she explained. “I was absent a few times. She told me if I had just one more, for *any* reason, I’m off the team. And since all the detention times are during cheer practice, I can’t do both. Cheer is my life. I can’t not do it. So I’d rather have the paddling.”

“Well, certainly you can be paddled, if that’s your choice. But I don’t even know what you’ve done wrong.”

“Oh, right!” Chelsea handed him not one, but a stack of *three* pink referrals. His eyebrows rose as he took them.

“Have you been collecting these?” He flipped through them, surprised to see they were all for the same day. Two were from Mrs. Kramer. One said Chelsea hadn’t done her homework and the second said the girl became belligerent and rude when the teacher gave her detention. The other referral was from Mr. Dennis, who had caught Chelsea roaming the halls without a pass.

“What’s this about your homework assignment?” he asked.

“I did it and turned it in, but Mrs. Kramer lost it! Then she said it was my third missed assignment this term and gave me a detention.”

“You argued with her?”

“Yes. I might... I might have said some things I shouldn’t have.”

“Might?”

“Okay, I called her a bitch, and that was wrong. But she was going to get me kicked off the cheer squad with her stupid detention that I didn’t even deserve and—”

Gerald held up his hand for silence. “I get the picture. Did you ever find your homework?”

The blond’s head fell. Her face went red. “It... it was at home. I forgot to put it in my folder. When it wasn’t there, I thought I’d turned it in.”

“So you accused Mrs. Kramer of losing it without evidence?”

“I guess. But I could have sworn I turned it in. I worked hard on it. It was a five-page paper and it took me all weekend. And now she’s saying she won’t accept it at all and I’ll get a zero on the assignment!”

“Chelsea, you will apologize to Mrs. Kramer, do you hear me?”

“Yes sir. I will. I’m sorry.”

“I’ll talk to Mrs. Kramer about the paper. Maybe she can give you partial credit.”

“Thank you.”

“Now why didn’t you have a hall pass?”

“I had to pee and the bell rang while I was in the bathroom.”

“So you were returning to class?”

“Yes sir.”

“Mr. Dennis time stamped this form at 2:10 p.m. That’s ten minutes after the bell. It doesn’t take ten minutes for you to finish peeing.”

Chelsea shuffled uncomfortably. “Well, I was already

late, so I caught up on some texting. But it wasn't ten minutes! More like five. He probably wrote down 2:10 because that's when he filled out the form, but he caught me like five minutes before that."

This argument had some merit, but Gerald wasn't feeling too generous. It was obvious young Chelsea had some behavior issues and a sound dose of the school board would do her good.

"It's still worthy of a detention. The five minute bell is the warning to get to class. That's when you should have been in the bathroom, not seconds before the final bell."

Chelsea looked glum, but not too surprised by this decision.

"I also can't let you off on the other business. The homework you didn't turn in, and since that's a habit, it's time you paid a penalty for that. And arguing with Mrs. Kramer and calling her a bitch—you've got to know that just isn't acceptable under *any* circumstances. That's going to be severe dose of the paddle. Are you sure you want that?"

"I don't have any choice," sighed Chelsea. "I can't do *any* detentions."

"It's going to be expensive. The standard is three licks per hour of detention."

The blond shrugged. "Just do it."

"Have you done the math? The homework and hall pass infractions are just an hour each, but such rudeness to a teacher is a week's detention. Five hours."

Chelsea gasped. "Five? Oh come on, Mr. Gaston,

please! That's... that's 15 swats!"

“Plus six for the other two.”
