Random Praise for the Flogmaster's Writing

LOL. As we girls know... thongs don't hide anything!

M.N.

Very entertaining, although I do feel that letting a machine do the work deprives lots of people of a lot of enjoyment.

C.D.

Oh, what a wet dream. Loved it. Wish I could live it.

G.B.B.

A very tightly-written story keeping the reader awaiting the next sentence.

K.T.

A true Flogmaster classic, love it.

FY9

I have to say this is the oddest I have yet read. Great story, very entertaining!

S.M.S.

Cute. Packs a lot of punch in a small package... And the story wasn't bad either ;-)

Selected Excerpts

From *Alison Gets the Cane*:

“Get that bum up, Miss McQuire. Right up. Bend over. *All* the way over. I know it’s uncomfortable, but you’ll be *much* more uncomfortable in a moment, of that I can assure you!” The teacher laughed, then pointed with the cane. “Grasp the rungs of the stool. Hold still now. This will hurt.”

The class was so quiet it was a wonder another teacher didn’t come check on us to make sure we weren’t all dead. None of us moved or breathed, except Alison, who wiggled her bum as though impatient, and Mr. Robertson, who was flexing his rod in preparation of delivering a vigorous stroke of the cane.

From *Do You Need a Spanking?*:

“You don’t want a hard spanking? You want fun birthday style pats on the bottom?”

Stacy frowned. She sighed. She shook her head. “No, it needs to be real or it won’t work. Right?”

“There’s a reason you’re my favorite niece.”

“I’m your only niece.”

From *Multitasking*:

Olivia’s panties were peach-colored, dainty things, snug and glued to her pert little ass. I was shocked at how mature her backside looked in this pose. The twin mounds spread and loomed large, giving her quite the big-bottomed look. The panties drew taut and showed every curve, and the fabric was so sheer I could even see the shadowy cleft between the cheeks.

But Gordon didn’t stop there. In one quick, practiced move, as cool as any business maneuver, he grasped the waistband of the underwear and slid them down the teen’s sleek thighs. She moaned and shouted some protest, but her panties still ended up around her knees. Her naked bottom dominated the room.

The FLOGMASTER Presents

Twelve of the Best

*A superlative collection of
the Flogmaster's best erotic spanking stories*

VOLUME EIGHTY-TWO ("SCHOOLGIRL")

*This collection of the Flogmaster's best writing
contains stories dealing primarily with the
corporal punishment and discipline of minors
(usually female) by adults or peers, though
some stories may contain sexual activities.*

About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

Paul Bunyan and the Great Lakes

(★ ★ ★ ★ , M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as *F6/f24*, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like "sex" or "anal" (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any "spoilers" that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

A Frank Interview

(★★★★, MM/ff—Severe, non-consensual implied spanking, caning)

A TV producer gets an unusual interview with two American girls.
(Approximately 1,854 words.)

I am a producer for an unscripted television show where we profile people buying or renting homes in foreign countries. Usually a local real estate agent takes them to several properties and at the end of the show the family chooses one. It's a fun show to work on as we travel to lots of locales and meet interesting characters.

One of my tasks is to do interviews with the cast. I'm never seen or heard on camera, of course, as we just show the responses to my questions, but it's an important part

of the show as it reveals the personalities of the family. It also can be challenging, especially with shy children, as they aren't always too talkative.

But there were two girls last summer that were remarkable. They weren't shy at all. Completely the opposite.

For reasons of privacy, I won't state the country where we filmed, except to say it was Eastern European. The family was originally from Utah, but had lived in Australia and Holland, so the daughters, ages 15 and 13, were veteran world travelers.

In this particular segment we filmed in the high-rise apartment where the family was staying temporarily. The parents were away, as I find that allows the kids to act more naturally, and it was just me, my assistant, Julie, and my cameraman, Neil.

The older girl's name was Hannah; the younger one was Bethany. Both are quite attractive and mature for their ages, with short dark hair. Hannah had braces on her teeth and looked truly adolescent. Bethany was cuter and budding into womanhood. She wore thin black pants that were tight, and a snug white shirt that showed her delicate breasts. Hannah's breasts were bigger and rounder, but she wore a dress that made her look like a young lady and hid the precise shape of her body.

We'd been chatting for 15 minutes about minor things, just to relax the girls, when I asked my first real question. "So girls, you're both going to school here now. What do you think of it? How different is it from your past

schools?”

I expected a routine answer, perhaps about differences in teacher styles, the language situation, or something like that. Instead I got an answer out of left field.

“It’s fine,” answered Bethany, who seemed the more brazen of the two. “Except it’s much more strict.”

Hannah was nodding. “You can say that again!”

“What do you mean?” I asked.

“They spank for everything,” said Bethany. “But not with a paddle like in the States. They use a cane!”

“It’s like a long narrow stick,” her sister explained. “The teachers use a short two-foot rod, but the Headmaster’s cane is much longer. More than a yard and it really stings!”

“They hit you with it?” I gasped.

“On the bare butt,” whispered Bethany conspiratorially.

Now I was truly shocked. While I doubted any of this suddenly salacious conversation could make it on air, I was curious and had to know more. My first thought was that I was misunderstanding the situation.

“You can’t be serious. How does that work?”

“If you’re misbehaving in class,” Bethany said, “the teacher comes right to your desk and you have to get up, pull down your pants and panties, and then bend over while she whacks you on your bare bottom.”

“You can also be summoned up to the front of the class,” put in Hannah. “Those are usually harder, with more strokes.”

“And if you’re *really* bad, you get sent to the Head and he canes even harder.”

“He has a minimum of six,” Hannah said. “Teachers usually do just three or four.”

“Does the, uh, Headmaster, uh, lower your panties?” I asked.

“Always.”

“And this cane hurts?”

“It’s terrible,” cried Bethany. “It burns like a curling iron.”

Hannah rolled her eyes and met mine with a smile. “She doesn’t know what she’s talking about. She’s got it easy—never more than four, and just with that small cane. Because I’m older, my punishments are at least six and with a longer rod. A longer stick generates more impact so it hurts twice as much.”

“This sounds truly horrible,” I said. “This is standard at the schools here? Your parents don’t mind?”

“Oh, they’re happy. They encourage it,” said Hannah. “Back in Salt Lake, they liked that the school paddled. They’re over the moon that the schools here use the cane.”

“But they still spank us at home when we get caned at school,” said the younger sister. “That’s the worst. Mom and Dad’s spankings are much harder.”

“You only get the hairbrush. Wait until you’re my age and get the leather belt,” said Hannah with a huff. “Then you’ll know a *real* spanking.”

“Wait,” I said. “You’re telling me that if you get

punished at school, your parents punish you again at home? So you get it twice?”

The girls nodded. Neither seemed particularly outraged by this idea; perhaps for them it was so normal they didn't realize it was unfair.
