## **Selected Excerpts**

### **From *Aubry Needs a Spanking*:**

Aubry's grandmother was a lot more blunt. "The girl needs her bottom paddled and paddled hard," she said firmly. "She's too nice and trusting. The world will eat her up. She needs to know what real pain is like."

At school, her teachers were in agreement that the pretty girl needed spanking. The reasoning varied, as did the severity. Her math teacher insisted that Aubry was a fine girl and only needed a light smacking. "She's sensitive. It wouldn't take much. A few slaps to her bare bottom would do her wonders."

### **From *Heather's Mom*:**

When Heather's mom was at the fridge, Denny got his first really good look at her from behind and he was amazed. Instead of the cute, but petite butt that her daughter had, the woman's cheeks were large and absolutely bursting from her jeans. They were full and jutted out round and tight. Denny was aroused.

He'd always had a thing for butts. He wasn't into fat girls, but big buns set him off like an alarm clock. Heather's mom's ass was large without being huge, and the shape was spectacular. It wasn't just round at the base, like some tall narrow butts. This one was round all over, even at the top. He couldn't see any real detail through jeans, of course, but each chub was several hearty handfuls of juicy goodness and Denny was in lust.

### **From *Purple*:**

Helena's mouth spoke without her brain. "If it's spanking you want, I still have my Nu Pi paddle. I can give you an initiation that will make what these silly girls do look like a child's birthday party game."

To her surprise, Kate was grinning. "You know, this will sound crazy, but that's not a bad idea. I know you were joking, but would you consider it? Please?"

## About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

***Paul Bunyan and the Great Lakes***

(★ ★ ★ ★ , M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as *F6/f24*, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like "sex" or "anal" (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any "spoilers" that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

# A Quick Stop

(★★★★, M/F—Severe, consensual caning)

A sexy FBI agent has an unusual errand. (Approximately 2,766 words.)

**D**ean Jeffrey eyed the blond with cool detachment. Under normal circumstances, say he'd met her at the grocery store or a bar, he'd have said to himself, *Wow*. For Special Agent Abby Vaughn was a stunner.

Her long yellow hair was pulled back in pert pony tail that trailed down her back. This exposed her face, which was perfectly proportioned with a sharply pointed nose, strong white teeth, gorgeous cheekbones, and blue eyes so crisp they would make a California sky jealous. She had a great body, too. She was slim and lean, clearly fit.

She had curves, but they were firm, solid flesh that he'd love to cup and squeeze. Those full tits couldn't even be hidden by the sports bra she wore to minimize them.

In the dark gray slacks, tight around a spectacular butt, and the white collared blouse and black shoes, she looked as competent as the badge and firearm on her hip said she was. She stood ramrod straight, eyes alert, and studied him the way he was analyzing her.

He wondered what she'd extract from her visual scan. He was a big guy, tall and broad-shouldered. In his fifties, he was past his prime, but still fit enough. Would she notice the ugly scar on his chin under the scraggly beard? Would she assume he was trying to hide it? Would she think it made him more attractive?

He'd read her record and knew that on paper she had all the goods. She was wicked smart, with a doctorate in criminology. She'd aced all the tests—physical and mental—at Quantico. But she had done little in the field so far.

This wasn't her first assignment, thank the Lord. She wasn't a complete rookie. But getting to know a new partner was never easy. Trust was something earned, not given simply because a piece of paper or an award on a shelf said you should.

Jeffrey saw her looking over his left shoulder and knew she was seeing the plaque. He'd gotten it for his work on the Donovan case, the bastard nicknamed the "Kitty Killer" by the moronic press. He'd bet his left nut she'd studied that killer in school. To Dean it was real life; to her it was history in a textbook. That thought made

him feel old.

At least she wasn't fawning over him and asking for an autograph. Nor did she bug him for the details. Either she didn't care, thought she knew it all already, or maybe she was being polite. Whichever, he appreciated the silence. He let her drive, not wanting to interrupt his thoughts with a mundane task. Besides, he hated driving in the city. Traffic made him suicidal.

"Where are we going?" he said suddenly, looking around at unfamiliar streets. He'd been lost in thought and hadn't paid any attention, but he knew this wasn't the way to the Bronson Building where they were scheduled to do their interview at four o'clock. "Is this a weird shortcut?"

Abby didn't even glance him. "Just a quick stop, sir. Won't take a minute. We've got plenty of time."

He eyed her sternly, wondering if he should override her. Was this Bureau business or something personal? Did she need to run into a grocery store for tampons? He checked his watch—yes, he still wore one—and saw that at least the new agent was right about the time. It was barely two-thirty. They were on the west side, so it couldn't be more than an hour to downtown, even in the worst traffic.

He relaxed slightly and decided to give his new partner the benefit of the doubt. She didn't look like the kind to embarrass easily, but if it was some personal need, she had to be mortified to have to take time in the middle of a case to deal with the problem.

"If we're late, it's your ass," he muttered.

“Yes sir.”

“Rubenstein is an attorney. He’s allotted us 30 minutes to question him, not a second more. He’ll bitch to the mayor if we hassle if for more time.”

“The mayor has no say in Bureau business,” Abby said coolly, and just as coolly, spun the SUV around a sharp corner so fast it felt like two wheels left the pavement.

Dean’s eyes opened, but he said nothing, noting the girl had everything in control. He tried to remember her driving record from Quantico and came back with top marks, just like all her scores. This Abby Vaughn was good.

She took the next right and pulled up next to an apartment building. It wasn’t fancy, but not rundown, either. Perfectly middle class and ordinary. “I’ll just be a moment, sir.”

Without waiting for his authorization or approval, she slipped out and ran to the front entrance. He watched the firm round cheeks of her butt rock back and forth as she strode. When she paused at the buzzer, waiting for a reply, he almost whistled. Damn those buns were firm. *If you carved the perfect ass out of marble, you’d have those buns right there*, he thought.

The door opened and the girl went inside. Already impatient, Dean leaned back in his chair and wondered what the hell they were doing. Did Abby live here? Something about the vibe didn’t feel like her, though admittedly they’d just met. But he trusted his instincts. This wasn’t her place.

---

Abby took the stairs two a time, not waiting for the elevator, which could have taken minutes just to arrive on the ground floor. Guillermo was on the third, so it wasn't far. She was at his door in 14 seconds, scarcely breathing hard from the run up. It took him longer than to open the door.

"What did you do, fly up?" he grumbled. "You just rang the bell!"

"I'm in a hurry, G. My partner is waiting in the car. Two minutes, max."

The fat man frowned. He adjusted his robes grumpily. "You expect a master like me to rush? What am I supposed to do in two minutes?"

"I expect you to be brilliant, as usual. *Because* you're a master."

Pleased with the praise, he shrugged and ushered her over to the rack of rattan canes. He selected one, achingly long and thin. The tip was weighted for even more verve.

Abby was standing by the horse. Without hesitation, she undid her belt and let her pants fall, dragged down by the weight of her gun. The black panties were skimpy and tight, mostly wedged into her crack, leaving her cheeks bare. But she pulled these down, too. Bent across the padded wooden bar, her bottom blossomed into two gorgeous balls of flesh with a shadowy divide between. Her skin was smooth and pale, bulging at the base where the meat was the thickest.

Saying nothing, Guillermo stepped behind her. He raised the cane. In one smooth movement the rod cut the air and drove into the waiting arse. The crack of rattan against flesh was deafening. The force of the blow was tremendous, the cane sinking deep into the girlish bottom.

Abby said nothing, though her hips twitched with pain. Across her haunches there spanned a horizontal bar of red. Already angry, it swelled with blood and quickly went crimson.

After ten seconds, Guillermo lashed in the second stroke. This one was even harder, though lower on the girl's bottom. Again the pain had to be vile, but the FBI agent said nothing and showed nothing. She remained impassively bent.

This might have intimidated some floggers, but not an expert like Guillermo. He was just as stoic as her, ruthlessly cutting with the cane over and over, waiting variable amounts of time between strokes. Sometimes it was ten seconds, sometimes less than one. It was all designed to keep her on edge and ensure she felt the blow.

Within two minutes a full dozen of the best had landed and Abby rose up, eyes watering. Her expression was one of unspeakable agony as she bent to wiggle her panties up between her well-whipped cheeks. Then she had to do the same for the tight gray slacks.

"I'd have made you cry if I had more time," Guillermo said.

“You did wonderfully,” sighed Abby. “I’m just in a rush, that’s all. Totally my fault. You can beat me for it later.”

Then she was gone, her heels tapping on the tile floor as she hurried from one landing to the next. By the time she reached the exit, she was composed and walking confidently. She reached the SUV and hopped into the driver’s seat. She checked her phone’s clock as she revved up the engine. Three minutes and 42 seconds, total, she decided. Not bad at all.

---

“That’s it?” Dean sat up. He noted the girl wasn’t carrying anything new since she’d ran into the building. No tampons, then. Was she just there to turn off the stove she’d left on?

*Unless she put the tampons **on**,* he thought. He had to fight the urge to imagine her with her pants down attempting to stick a white cotton tube up her pussy. That was *not* a good way to think about your partner.

He glanced at her and something about her demeanor sent up flags. It was strange. She seemed less tense than before, but even more stressed. That didn’t compute.

“Are you okay?” he asked.

“Fine. On our way to Bronson.” She glanced at the GPS. “We’ll be there in 38 minutes.”

He studied her. She was flushed, but she had been hurrying. Was there something else? Her eyes. When she

glanced at the rear view mirror, he caught sight of her pupils. They seemed larger than before. Was she doing drugs? Had she run in for a hit? There didn't seem time for that, but there was definitely something different about this girl. Perhaps she shouldn't be driving.

“Maybe I should drive,” he suggested.
