Random Praise for the Flogmaster's Writing

Is that all there is? I'm kidding, I'm kidding. Great story.

YK

What goes around, comes back. Boy, what a trip that was!

I.C.

This story was beautifully romantic. Even though it was also successfully erotic, you did such a lovely job with the characters' emotions that the romance and just plain sweetness actually outshines the sexiness. Beautiful story!

M.N.M.

I really like this beautifully plotted and written story. The behaviour is well known to the father of any teenage daughter (the difference is merely the frequency of its occurrence), and the response was brilliant! Thank you.

CPN

I thought it was a very good idea . I loved the story. I just wish there was more chapters to it.

B.C.

A great narrative regarding [her] emotions .

A.R.D.

Love the mysterious nature of this one. Very yummy.

Selected Excerpts

From *Accountable*:

She took down paddle and cane and made her way to the conference room down the hall. The table had been moved in preparation, leaving an open area at one end of the room. Mia had given important presentations here, including, ironically, the one in which she'd argued in favor of corporal punishment. They'd forced her to agree to one stipulation, to which she'd agreed, and now her bottom was going to pay.

From *Beach Spanking*:

The old woman was back in the chair and simply reached out a hand and grabbed the string top in the middle of the girl's back and pulled. For a moment her bikini top stretched and I thought for sure it was going to snap, leaving her topless, but she ended up flopping across her mother's broad lap. This was right where the woman wanted her daughter.

From *A Nice Butt*:

So after a few more seconds Max decided he had to get more proactive about the situation. It was a nice butt and all, but he didn't know this girl. He wasn't sure what she was doing and if she was in the habit of pushing her ass into the faces of men she didn't know. He was also in some discomfort because the back of his head was hitting something hard and the girl had really jammed him up against it.

He also couldn't breathe very well. Butts are nice, but they aren't a good source of oxygen. Methane, maybe, but he didn't want to breathe that.

So Max reached up and put his hands on either side of the butt cheeks smashing his face and tried to shove the girl away. To his surprise, the girl resisted, pushing back against him. He tried harder and she didn't budge.

About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

Paul Bunyan and the Great Lakes

(★ ★ ★ ★ , M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as *F6/f24*, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like "sex" or "anal" (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any "spoilers" that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

A Dangerous Favor

(★★★★, F/F—Edgy, non- and semi-consensual paddling, caning, whipping)

Desperate to find information about her missing sister, a young woman visits a dangerous mobster. (Approximately 5,254 words.)

The look Vinnie gave her was enough to freeze water. He said nothing at first, moving down the bar to pour drinks for two suits, and when he returned he muttered, “You still here?”

“Come on, Vinnie. I just need an introduction. You know me. Just set up a meet.”

“Steph, you don’t know what you’re getting into. This is fucking serious stuff. Fazzi is not the kind of guy you mess with.”

“But he’s the only one who knows where my sister is,” cried the girl. “You’ve got to help me!”

Vinnie hesitated. Frowning, he poured drinks for two tourist chicks who looked like they belonged in a Starbucks, not a seedy bar in New Jersey. When he returned he said, “Listen, Steph, this is a bad idea. A *really* bad idea. I doubt Fazzi will even see you, and if he does, there’s about a 75% chance you won’t walk out of there. This guy *hates* having his time wasted. You can’t just go in there and ask him for a favor. You need something to bargain with.”

“I don’t care. I *have* to do this. I’ve tried everything else. Everything points to Fazzi. He’s the only path I have left. I’m sure he knows something.”

Vinnie sighed, shaking his head. He could see he was getting nowhere. The problem was that Stephanie Bennet was too pretty. She was a gorgeous slender thing, all curves, with an All-American cheerleader’s face. There was a youthful innocence to her that made men melt. She was used to getting whatever she wanted. She could smile and bat her lashes and doors would open. But she just didn’t understand that men like Bruno Fazzi lived in a different world. Girls like her were floor mats for guys like him. He could go through a dozen Steps in a week and not think twice about it. She was in over her head, but Vinnie knew there was no talking her out of it.

“I’ll see what I can do,” he said finally. “No promises.”

“Thanks, Vinnie! You’re the man!”

Stephanie leaned against the bar on tiptoe to kiss the bartender on the cheek. There were wolf whistles nearby from a gang of drunks who appreciated the sight of a

shapely girl showing off her spectacularly pert bottom.

She grinned good-naturedly at them and gave them the finger. “Sorry boys, I’m taken,” she lied, and sauntered away, enjoying the way they gawked after her swaying ass.

The next 24 hours were tedious for the young lady, who checked her phone every ten minutes hoping for a message from Vinnie. They’d gone out once or twice, just casual, and he often comped her free drinks. He was a big lug with a shaved head and more tattoos than skin. Rumor was he’d spent time in jail, though she’d never dared to ask him about that. Vinnie was clean now, but he still had connections. She just prayed he’d come through.

The call finally came as she got off work the next afternoon. She answered it hurriedly. “Vinnie?”

“Tomorrow morning at eleven,” he said. “He’ll see you.”

“Oh my God! Thanks, Vinnie! I owe you.”

“Steph, I’ll tell you again to not do this. You don’t know what a guy like Fazzi is like. You won’t come out of this unscathed. I guarantee it. If you’re lucky he’ll only beat you up for bothering him. That’s if you’re lucky. Worse case, he’ll own you for life.”

“I don’t care, Vinnie. It’s Val. I’ve got to do this. I’ll do anything for her. She’s blood.”

There was silence for a beat and then Vinnie said, “Yeah. I know. Good luck, Steph. I hope I see you again.”

The next morning Stephanie called in sick. She felt like a shit for doing so, for she’d missed half her shifts

over the past three months in her continuous quest to find her sister, but she had no choice. Benny was used to her flaking, but that didn't make it right. As usual he hinted at a favor, suggesting he take her out for sushi.

She got out of that by pretending the thought of raw fish made her puke, rushing to the toilet and making horrific gagging sounds. By the time she got back to the phone, Benny was already revising his plan for the next week, or "whenever she felt better."

"Sure, Benny, thanks. I'm so sorry. I'll do a double next week. Oh God. I'm gonna hurl again!" She hung up before he could say anything more and set about getting ready for her meeting with Bruno Fazzi.

She didn't know much about him, not really. Everything was rumor and innuendo. The guy ran one of the most powerful organizations on the East Coast and was tied into everything, but he lived in the shadows, letting his lieutenants do the dirty work and take the fall. Supposedly he wasn't afraid to get his hands wet, though. He'd come up from the ground floor and had a reputation for utter ruthlessness. He'd kill as easy as breathing. Some of the stories she'd heard were chilling.

To say she wasn't nervous would be a lie. She was terrified. But she was also determined. She didn't know how Val had gotten in with Fazzi, but if he knew anything about where she was, Stephanie was going to find out.

She stripped off and hopped into the shower. She lathered soap all over her slim body and got herself clean everywhere. It felt a little like getting ready for a date, an

idea that repulsed her. Wasn't Bruno 300 pounds with a shape like a potato?

Still, she had to impress him and her looks were about all she had. The thought of fucking him for information was revolting, but deep down, Stephanie knew she'd do anything to help her sister.

She slipped on thin black panties. They were silk and felt like air. They covered her bottom fully, like a pair of shorts, but clung to her shape and revealed everything. She took her time selecting the right bra, too. Black with some uplift. She'd wear something low-cut and Bruno Fazzi wouldn't be able to resist her charms, she thought.

Grinning into the mirror, Stephanie's smile changed to horror. She caught a glimpse of the dark figure behind her and her mouth opened to scream. No sound emerged, however, for one hand clamped over her face and others grabbed her body. She gasped and fought, but it was no use. There were three guys, all burly and experienced. She was a helpless twig between them.

A cloth gag was wrapped around her mouth and pulled tight. Stephanie moaned and was slapped. "Shut the fuck up," someone grunted, and she went still. Her hands were bound behind her.

A thick black hood was slipped over her head, blocking out all light. She felt herself being carried out of her apartment and down the stairs. She was hauled into a vehicle. A door slammed.

For a moment, Stephanie was so frightened she thought she'd die. Then she heard a low voice say, "Tell

Bruno the package is on its way.”

Confusion gave way to understanding. Stephanie realized that whatever was happening had to have something to do with her meeting with Bruno Fazzi. Her terror eased somewhat. It seemed like Fazzi was bringing her to him ahead of schedule.

Smart, she thought. They'd caught her off guard and completely unprepared. Hell, she was in panties and a bra! There was no chance for her to wear a wire, bring a weapon, or call for backup. She didn't even have her phone. Fazzi was taking no chances on this unknown guest, even if Vinnie had vouched for her.

The car drove for what felt like forever, but was probably just 30 minutes or so. It was comfortable, with soft leather seats and suspension like an expensive mattress, except Stephanie was cuffed and blinded, and couldn't enjoy a thing.

Eventually they stopped and she was pulled out of the car. She had no idea how many men there were, but they all seemed to be six feet tall and built like tanks. Hands manipulated her as if she were as insubstantial as cotton candy. The hood was finally ripped off and she was in a large room.

There was a white grand piano to her right that blended in with the walls. A bank of windows and a balcony were in the distance, with an acre of couches and sofas in between. A man approached. He was big and hairy, wearing swim trunks and flipflops. He was balding, overweight, and his swarthy skin was marked with

sunspots. She guessed he was in his 60s. Bruno Fazzi.

He studied her, too, his eyes going up and down her figure. Stephanie wished she wasn't bound so she could play up her sexuality. As it was she felt as sexy as limp rag. It was hard to have confidence when you were almost naked, gagged, your hands were tied behind your back, and your eyes were still getting used to the sudden bright sunlight.

"Have her spanked," Fazzi said, waving his cigar. He turned and waddled away.

Stephanie turned to one of the men, baffled by the comment, but she couldn't ask questions with her mouth gagged. He picked her up and carried her as though she weighed nothing. They moved down a long corridor and into a room. Other than a sofa, it had no furniture and the walls were bare. The man dumped Stephanie there and left her, closing the door.

She looked around and saw nothing that could help her. She tried to wiggle off her gag or reduce the pressure on her arms, but she was bound tighter than a Christmas ham. Just as she considered sitting on the couch, the door opened.

The woman who walked in looked like a professional wrestler. She was easily six feet tall and north of 250 pounds. Her thighs were like tree trunks. She wore what looked like a tennis outfit, white with an ultra-short skirt that showed off broad panties. The top looked ready to burst from the pressure of her huge tits. Her face showed she was past 40, with the stern expression of an

unamused high school principal. In her hand was a thick maple paddle the size of an encyclopedia.

She said nothing to Stephanie, but just moved to the sofa and sat. Then she patted her lap. “Come here, Sweetie,” she said. “I’m Aunt Barb.”

There was nothing comforting about the way she spoke. In fact, her calmness made Stephanie even more frightened. Fazzi’s words came back to the girl as she stared at the slab of wooden in Barb’s right hand. “*Have her spanked.*”

What the hell was going on? Stephanie stepped away, only for “Aunt Barb” to repeat her appeal. “Come here,” she said sternly. “I’ll take off those zip ties.”

Because she wanted to be released, Stephanie approached the woman. Her hands were presented from behind, just above her bottom, and she heard a snap and felt the binding give. She was free! Or at least her hands were. The rest of her wasn’t about to escape so easily.

“Over my lap, young lady.”

There was a strong grip on her arm and Stephanie felt herself being pulled down. Before she could resist, she was tipped over Barb’s knees with her head dangling near the woman’s ankles.

“Surely you’ve been spanked before,” said Aunt Barb. She adjusted the girl and swung a hefty leg around Stephanie’s, pinning her. “Oh my, what a *lovely* bottom. So sleek and graceful and *smooth!*”

The flattery went nowhere as Stephanie felt a hand grasping the back of her panties and tugging them down,

exposing said lovely bottom. Now she knew this an actual spanking, not a metaphor for something else. She yelled, forgetting she was still gagged. Her struggles to get up were just as fruitless. Her left arm was useless, too close to the woman to do anything with it, and when she moved her right the lady grabbed it and held it in a vise. Stephanie was bare bottomed and helpless.
