Random Praise for the Flogmaster's Writing

This story is exhausting to the imagination and exciting at the same time. Well done!

SYT

My, rather a special variation of the well-known dating game.

A.R.D.

Well-told in few words.

V.C.

Absolutely superb, atmospheric beginning, setting the scene with the minimum of detail and yet telling you all you want to know.

D.K.

This was an interesting story. I really enjoy this level of spanking - no bruises or long term harm, just a hot stingy bottom - so this story was really enjoyable to me. Thanks for writing and sharing.

TSMSP

Seems that the concubine's life is going to be a difficult one in this household. I'd have been tempted to include her in a threesome after her punishment though.

B.O.M.

Lovely; the title intrigued me, and I wasn't disappointed.

Selected Excerpts

From *Afternoon Coffee*:

Mrs. Clarkson pick up her handbag and fished around inside for the small black paddle. It was perhaps half the width of a table tennis bat, rectangular instead of round, with a thick rubbery surface and a sturdy wooden handle. On the back was red lettering, “Mother’s” in petite script with larger block letters reading: “Handy Helper.” A drawing of a crying blond girl, similar to Cindy but much younger, was on the right. The girl’s pajama bottoms had a flap on the seat that was opened and dangling, exposing twin round cheeks of bright magenta.

From *Beating the Scamp at Her Own Game*:

He drew back the cane and lashed it across the girl’s naked bum. He struck her hard low, across the “sit spots,” the bottom curves that joined her thighs and ended up pressed against a chair when seated. A weal there would throb for a week and sitting would be uncomfortable.

Kali remained unmoved, enduring the seething burning with a calmness that enraged the veteran headmaster. Her body shifted and she gave a tiny moan, but there were no shrieks of agony or yells of pain. She didn’t howl or sob. It was almost like she was laughing at him.

From *My BFF’s Brother*:

I stared in disbelief as her brother raised the little paddle, not much bigger than his palm, and brought it down with shocking force. It whacked into Brooke’s left buttock sending it jiggling wildly. Then he did the same to her right cheek. Both developed a faint pinkness across the peaks of each round.

Brooke clenched her teeth as the spanking continued. Buzz spanked firmly, vigorously even, but not wildly or too harshly. He held his sister close to him on his lap and worked the paddle all over her spacious rump.

Twelve of the Best

*A superlative collection of
the Flogmaster's best erotic spanking stories*

VOLUME EIGHTY-SIX ("SCHOOLGIRL")

*This collection of the Flogmaster's best writing
contains stories dealing primarily with the
corporal punishment and discipline of minors
(usually female) by adults or peers, though
some stories may contain sexual activities.*

About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

Paul Bunyan and the Great Lakes

(★ ★ ★ ★ , M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as *F6/f24*, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like "sex" or "anal" (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any "spoilers" that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

A Daily Routine

(★★★★, M/fx12, fff/M—Severe, non-consensual caning)

A school disciplinarian's routine is thrown off by three rebels.
(Approximately 2,065 words.)

David Wong loved his routines. He was a precise man and he did things in an organized fashion. So promptly at one minute to four when he opened his door he was pleased to see 11 somber young ladies waiting outside in the corridor.

This was slightly lower than the average of a dozen, but there could be a few stragglers still to arrive. That wasn't proper, of course, for part of the punishment was the dreary wait. He'd award them an extra stroke, but some were okay with that, and as long as they were there

before he finished at six the penalty was relatively mild.

He called in the first girl, a timid third year. Her hand trembled as she passed over her punishment slip. While he sat down to record the details in his log, the frightened girl disrobed. Depending on the offense it took him 30-90 seconds to write down the information, and by that time the girl had to be without her uniform and in position across the trestle, her naked bottom ready for correction.

This girl was slow and as her offense was minor—talking out of turn in class—it took him the minimum time to make the record. When he looked up she was hesitating with the removal of her knickers. She'd never been to see him before that he could remember (that small round bum didn't look familiar) and she was shy before a man.

"You're to be in position when I'm ready for you and you are not," he growled. "One extra stroke."

The girl yelped and scurried to the trestle, while he selected a medium grade cane, slightly more severe than he'd originally planned for such a young lady. The four strokes were all placed firmly across the middle of her bum, each leaving a raised scarlet bar. The girl sobbed and fidgeted, but her movements were below his threshold for additional cuts. She'd done a decent job taking her discipline, especially for a first time.

He wrote down his final results including his explanation as to the extra stroke, and had the naked girl sign it. Then she was ushered out in only her shoes and socks, carrying her clothes, her tears and the glowing

marks on her jiggling bottom a testament to the others that crime does not pay.

David ignored her and waved the next reluctant victim forward. He paid no attention to this one's face—he never did. He only had eyes for bottoms. Faces all looked the same to him anyway, especially with their glum, identical expressions of regret and fear.

It was a comfortable routine. Take the slip, write down the girl's name, offense, and indicated punishment. Then he selected a sturdy rod, gave the chubby butt a good six strokes, all extremely hard, and they both signed the book. The sobbing girl left and he ordered the next forward.

This is the way it was every day between four and six when he was on duty. It was a pleasant job and he did it efficiently and effectively. No correction took more than the five minutes he had allotted for it, and no girl was eager to return to feel one of his rods across her bottom again.

There were some variations, of course. A few naughtier girls required heartier canes and more strokes, and some of the very young were hardly worth the two strokes with the lightweight junior rod. Some bottoms were large, some fat, some firm, and some tiny. He enjoyed the variety and thought all bums were magnificent in their smooth curves and exciting movements.

Today there was one petite oddity. A group of three senior girls who'd offended together were to be punished

together. That itself wasn't unusual, though it was rare. What was strange was the smug smile on the face of the first girl. She didn't show the worry of most and seemed almost defiant.

David decided he'd add strokes to her punishment just for her attitude. Students sent to him should be appropriately sober and concerned about their fate, not jovial.

The three were inside with the door shut as he gathered the single slip for all the girls and sat down to note the upcoming punishment. The trio were on the volleyball team, which explained their height and bulk, for all three were taller than him and solidly built.

He was pleased with this, because broad hips and fleshy bottoms gave him spectacular targets. Another positive was that the penalty for fighting was a full dozen with his strongest cane. He was going to take his time and enjoy this tremendously, especially since he'd already decided to increase the punishment to a full 15 strokes. Three with the reformatory cane was severe, but these were such tall strong girls with powerful bottoms that he knew there'd be no issues with his decision. If anything, the Headmistress would commend him.

The lead girl, the one who'd smiled, was confidently in position over the trestle. The other two stood to the side, unsure of their role.

"I'll take you in three sets of five," David said. The reformatory rod was so long he had to step two feet from the girl and move one of the others to the side so he'd

have room to swing.

Except, as he raised the rod, he realized she hadn't obeyed and still stood behind him, though she'd moved almost to the door to escape the backswing of his cane. This disobedience irritated him, but the fleshy white curves before him were so entrancing he was distracted and too enthusiastic to begin that he didn't say anything for the moment. He would be brutal with that bitch when it was her turn, he vowed.

For now he focused on the supreme buttocks arched and spread before him. He'd beaten these cheeks many times before, though the girl had been younger and not quite so fully developed. Now she was perfect, her bottom large and bulging, the deep groove between the rounds widening at the apex of her sturdy thighs. He could see her furry cunt from behind, the lips thick and inviting. That might have given some men vile ideas, but David Wong was singular in his focus and understood his duty. His job was to provide pain, not pleasure, and he was expert at his job.

He studied the butt and considered the 15 strokes he had to apply. He wanted to make these girls writhe and he always planned his punishments with all the care of surgeon. He decided to begin with the first five spread out across the entire bottom, from cleft to heavy base, and then for the second and third rounds he'd fill in the gaps until every inch was well-wealed.

Raising his cane, he stepped forward. That was when a strong arm caught him around the neck in a vise he

couldn't escape. As he gurgled and dropped the cane, the other girl came forward to kick him between the legs. Fortunately, David was able to just turn enough to deflect her attempt, but then the blond on the trestle was up and with three Amazons he had no chance.

The scuffle was a blur and the next thing the man knew he was held immobile by a giant on either side and the cheery blond was stripping him of his trousers and pants.

"You can't do this!" he shouted, still hardly believing what was happening. "This is outrageous."

The girl just laughed. He was standing there with his long thin dick hanging limply from fear, his pale brown ass exposed behind. It was humiliating and he blushed hotly.

The girls frogmarched him over to the trestle and in a minute he was bound securely. The leather restraints were rarely used, but he tested them regularly and them kept them in perfect working order, so they were all too effective.

"What are you doing? What do you hope to accomplish?" he said to the blond, even though she was behind him. "There's no point to this. Even if you murder me, they'll just replace me with another."

"We won't kill you. We're just going to give you a taste of your own medicine."

She picked up the heavy reformatory rod and lashed it hard across David's exposed bottom. Even though she wasn't experienced and didn't know how to draw out

maximum power from the implement, it hurt. David hadn't felt the cane in years and was taken back to his childhood, to fearful dark rooms where ominous men flogged him cruelly.

He bit down his scream and took the strokes, but they kept coming. The girl was angry with him. He didn't know why. He was just doing his job. He didn't decide which girls required punishment. That was the headmistress. He was just the executioner.

The blond gave him a dozen and David was infinitely glad when it was over. His buttocks seethed with pain and he thought he could feel every agonizing weal. But at least it was over.

Except... one of the other girls took up the cane and *she* gave him a dozen. Being strong athletes, the students didn't need to be skilled. Every lash was hard and made him howl.

By the time the third girl began her set, David was shamelessly begging them for mercy. She gave him none, ignoring his meaningless promises. She whipped just as hard as the other two and his buttocks were absolutely pulverized.

Then the door was opened and the girls departed proudly, each taking his canes with them and snapping them before the waiting penitents who stared at them open-mouthed and gasped when they peeked into the punishment room and saw the mangled welted buttocks of the school disciplinarian. He wept at the embarrassing exposure.

“Freedom!” shouted the three girls. They ran down the halls, throwing bits of rattan and loudly proclaiming to all what they’d done. Many flocked to peek at David and mock his wounds.

“How does it feel to taste your own cane?” cried voices as the girls gawked.

In a quarter of an hour the rebellion was over. Headmistress Parker came and saw David. She had him turned over to the school nurse for medical care. The trio were caught and brought before her. Parker’s lecture took the paint off the walls, but the three students were impassive.

“You are lucky I don’t expel you or involved the police,” she concluded. “But I think weekly thrashings until the end of the year is a better plan.”

Guards accompanied the trio each Friday, but there was no need. The girls meekly accepted their sentence and took their harsh thrashings with aplomb. Extra trestles were moved into the corridor and David caned the bound girls while everyone who wanted watched.

It was quite the spectacle, and while most of the student body supported the rebellion at least in principle, the audience enjoyed seeing the three broad-bottomed girls get their due just as well. Such is the way of the world. One minute you’re being cheered as a hero, and the next others are gloating at your downfall.

David’s bum healed and he adjusted to the new routine just fine. Fridays were always more crowded than usual, with some girls, it seemed, purposely earning

minor canings just so they'd be in a prime spot for watching the trio caned.

He would flog the three rebels their weekly eight slowly and with great severity, but the one frustration was that each week when the blond leader arrived with her friends to strip and take their places on the public trestles she always gave him a quick wink to go along with her grin. It was maddening and no amount of caning seemed able to stop her from taunting him like that.

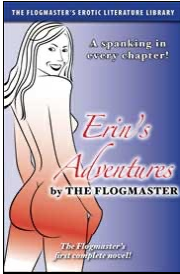

At first it threw off his routine and his cane was less precise, but slowly that wink became part of his routine, too. He would nod and make her caning extra-hard, though both of them knew it would change nothing.
