Selected Excerpts

From *A Good Thing*:

Her panties were plain white, and not too clean. But then she was living in a van and laundry was a challenge. He yanked them down in several leisurely pulls, liking the way she squealed in protest. He could hear the fear in her voice. She still didn't have a clue.

Her butt was a blinding white. It hadn't seen the sun in an age. The cheeks were chubby, but smooth. The shape was pleasing. Thomas lined up his improvised paddled with the girl's left buttock and the fit was perfect. He drew back and swung it into the globe as hard as he could.

From *The Way to a Girl's Heart Is Through Her Bottom*:

"Were you caned by the Headmistress?"

"Oh, of course. Not as often as the classroom beatings, but every few weeks, I suppose, I was in there touching my toes."

She went to explain how in the Head's office she had to remove her blazer, skirt, and panties ("They called them knickers.") and bend over so her fingertips rested on her toes.

"When I was 13 I went in for six and came out with a dozen stripes on my bum!" Julie giggled as though this was a hilarious memory.

From *An Ode to Tight Pajamas*:

Then when I flex my long rattan cane and order her to bend and she does so, drawing the thin fabric taut across those magnificent posteriors. The standout cheeks that bulge and quiver when she moves are now jutting like fresh fruit, firm yet juicy.

The material of those pajamas is thread-thin. It can't possibly protect her rump from the inspiring sting of the rod. Yet her modesty is preserved, her treasures hidden. Her precise shape is revealed, as glorious as though wet and gleaming. She quivers impatiently, dreading the impending pain and yet wishing I wouldn't delay.

The FLOGMASTER Presents

Twelve of the Best

*A superlative collection of
the Flogmaster's best erotic spanking stories*

**VOLUME EIGHTY-SEVEN
("ADULT")**

*This collection of the Flogmaster's best writing
contains stories dealing primarily with the
corporal punishment of adults (mostly female),
sometimes non-consensual, and some stories
may contain sexual activities.*

About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

Paul Bunyan and the Great Lakes

(★ ★ ★ ★ , M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as *F6/f24*, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like "sex" or "anal" (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any "spoilers" that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

A Bad Bet

(★★★★, M/FFFF—Severe, semi-consensual paddling)

Former drunken classmates reminisce about their high school paddlings and then one makes a foolish bet. (Approximately 5,017 words.)

Stephanie found it amusing that her son, Mark, was whining about three lousy licks with the paddle from Coach Booker.

“You don’t know how lucky you’ve got it. When I was a kid, we never got less than a dozen,” she said boldly. “And then we got spanked again at home!”

She was exaggerating slightly. School swats were more like eight, but from Principal Connolly they *felt* like a dozen. He used a thick slab of hardwood, too, not a feeble oversized paint stirrer that was the only thing permitted

today.

But Mark didn't seem too convinced that the attack on his butt wasn't that serious. "You have no idea how much it hurt, Mom. Coach really swung hard!"

"Oh please. He should have given you twice as many for skipping practice the way you did. You're lucky I'm not more strict and I don't consider an extracurricular an important part of school or I'd be taking the belt to your bottom when we get home."

"Mom! I'm 15!" Mark blushed and rolled his eyes at the idea of still getting whipped at his age. He was still grumpy and the whole drive he complained that his paddling "wasn't fair" and "coach had no right" and more such nonsense. Stephanie sent him to his room and forbade him from coming out until supper.

Have I raised a wimp? she wondered as she began boiling water for pasta. She'd gotten whacked at school on two occasions and while neither had been exactly pleasant, the experience hadn't been traumatic. She'd certainly never fussed like her son was doing. Had she not spanked him enough?

Memories of Connolly's office—the awful 1970s faux wood paneling, the large cheap desk, and the bookshelves loaded with books she doubted the man had ever even opened—flooded her mind. Most prominent was the sight of that long narrow slab of blond wood mounted to the wall.

Seeing it always turned a girl's knees to jelly and made her stomach do flip-flops as she contemplated bending

over for cracks of that wood across her tender ass. Jeans always felt tighter and thinner when you were being spanked.

But the principal's paddle had never held the respect that Stephanie reserved for her father's belt. *That* had stung, even though jeans, though she'd only once felt it that way when at 13 she'd stubbornly refused to take them down. Her dad had given her a dozen harsh licks, which she'd born with aplomb and thought herself victorious... until he'd told her those didn't count.

"None of them count unless they're on the bare bottom," he warned. "Do you want another dozen before the *real* whipping you've got coming?"

Stephanie had crumbled, weeping as she pushed down her pants. She'd foolishly hesitated at lowering her panties and he'd given her another agonizing lash—which felt just as hot as on bare skin—that didn't count and she'd quickly taken her underwear down. Only then did he whip her properly, her age in strokes, a punishment that hurt far more than normal because she'd gotten it over her jeans first.

Thinking of this, a grownup Stephanie found that she was standing at the stove running her palm across her bottom. It was a more expansive rump than when she was a teen. She'd managed her weight well, but a woman still grew and that generally meant fuller hips and a chubbier butt. Her tush today would be able to handle the paddle and strap much more easily than the scrawny girl of 13.

Later that evening, as she undressed for bed, the

thought returned and she bent over with her butt toward the full-length mirror. While the sight was vulgar, showing her full ass cheeky and exposed, it was also rather sexy. Her vulva peeped out below the lower curves of her rump and it was so naughty.

*I bet Principal Connolly would have **loved** to paddle girls like me bare butt,* she thought, wiggling her rear and watching the cheeks jiggle and sway. The thought of her old principal's giant paddle smashing into her bare butt haunted her dreams for the next few nights.

No doubt that was what provoked her to make the foolish bet. She and some girlfriends were out drinking Friday night, a thing they did regularly. As was typical, their banter got sillier the later it got and the more they'd drunk, and Stephanie's tongue got loose and she mentioned her son's paddling from the coach.

"He just got three licks—just three—and he was carrying on as though mortally wounded."

Stephanie rolled her eyes and threw back a slug. The others laughed.

"Isn't he 15?" asked Kelly. "He's a big boy, already taller than you."

"Exactly. I'm afraid I've raised a wimp."

"I don't know, three swats isn't exactly minor," said Trish. "Remember Principal Connolly? He could really set your buns on fire with three licks!"

Stephanie laughed. "Are you kidding? The guy was a putz. Couldn't paddle his way out of a paper bag. I could take a dozen from him while taking a nap!"

“Don’t be ridiculous. He never gave you a dozen! Six max.”

“Oh no, I got way more than that,” Stephanie said. She couldn’t remember the exact number, but it had to be at least eight. Maybe it was ten? It had sure felt like a dozen. It had hurt, but she wasn’t going to let the others know. She boldly glared at her friends and dared them to contradict her.

“Geez, I couldn’t take a dozen,” said Peggy. She’d been in the same class as Stephanie, but not nearly the troublemaker as the blond. “I only got it once and it was four swats and I thought I’d die!”

“Exactly,” agreed Trish. “I got three twice and it was plenty. Apparently not all of us have buns of steel like you, Stef.”

“Oh come on. Are you all serious? You think three whacks is a lot?” She looked to Kelly for support, but the Asian had attended a different high school and didn’t know Principal Connolly.

“I never got paddled at my school,” she said, “but I know some who were and they said it was pretty bad.”

“How many did they get?”

“I don’t remember. Three or four sounds about right. Maybe five? At the most.”

“God, you’re all wimps,” muttered Stephanie. She downed another drink.

“You just don’t remember how much those swats hurt,” said Trish. “I bet you couldn’t even take five now.”

“Five? I could take a dozen!”

“I’d like to see you prove it!”

This was a challenge Stephanie couldn’t resist. “Deal!” she said. “And when I do, you’ve got to give me that bag of yours I like.”

“My red Coach? No way!”

“So you *do* think I can do it,” Stephanie sneered. “You’re afraid I’ll win.”

“Of course not. But what do I get if you can’t do it?” Trish paused. “I want your bracelet, the silver one.”

“What? It’s worth way more than your handbag!”

“No it isn’t. And I thought you couldn’t lose?”

Stephanie shook her head. “I’m not going to lose.”

“Ha! You couldn’t take a dozen paddle swats. Not if they were as hard as Connolly used to give them.”

“I’ll have Connolly himself give them to me and on the bare butt, too!”

The other women all gasped at this. Trish pounced. “Deal!” she said. “If you can take a dozen whacks from Connolly on the bare ass with his big school paddle, then you can have my purse. If you can’t, then I get your bracelet.”

The two shook on the deal, each immediately feeling wary afterward, wondering if she’d made a mistake. But both were too proud to admit doubt and feigned confidence.

It was Peggy who brought up the practical realities. “Just how do you propose getting Principal Connolly to spank you?”

“I... I’ll just ask him,” said Stephanie. “Why wouldn’t

he do it?”

“Maybe he’s dead. Has anyone thought of that?
Wasn’t he old when we were in high school?”
