Random Praise for the Flogmaster's Writing

Hilarious. Not sure if the benefits were worth the cost.
S.N.M.

*How charming. Asking daddy to spank harder is such a risk,
but she knew she needed it.*
MCHL

*I liked the creativity of the type of punishments and the fact
that they kept increasing.*
D.S.D.

*The extensive description of the discipline is particularly well
written - not the least bit boring despite its length.*
A.B.

Funny little tale.
C.M.

Great story. Few things better than a machine-spanking story.
S.D.W.

*Quite an erotic story extremely well written and well thought
out.*

Selected Excerpts

From *The Boarder*:

They faced each other, the dark and serious and the pale and curious. For a moment the world didn't breathe. Then the girl trembled. Without a word, she plucked the straps of her nightie from her shoulders and the garment fell to her feet so efficiently it was as though it had never existed. She wore nothing underneath. In an eye blink she was nude.

From *Generous Employer*:

The pretty girl was slim and petite, with skin the color of hot chocolate. Though young, her body was surprisingly mature, with tennis ball breasts and a curvy butt that ballooned the back of her jeans. Eleanor smiled at the sight.

"She wants me to go back to that horrible school." Mia's eyes flashed an apologetic look at the older woman. "It's a terrible place. They use a cane and beat us all the time—" She broke off as she caught sight of the long thin rattan cane in her mother's employer's hand and she gasped.

From *Triple Trouble*:

In comparison, her friends were small and skinny. Rose was blond and pale, much too pretty to be in the Head's office. Jenny was taller, with brown hair, and lovely. Both looked ready to pass out in fear. In awe they watched Skyler strip, her skirt tossed aside, and then her pink knickers. She undressed as though unconcerned of her fate.

It was the ass that inspired Carter to use the baton. It was a thin slat of hardwood shaped like narrow triangle with the sharp edges blunted.

It was usually used for insolent small children too young for the cane, but needing something more stern than the slipper, the headmistress felt this implement was ideal for a hardened whore like Skyler.

Twelve of the Best

*A superlative collection of
the Flogmaster's best erotic spanking stories*

VOLUME EIGHTY-EIGHT ("SCHOOLGIRL")

*This collection of the Flogmaster's best writing
contains stories dealing primarily with the
corporal punishment and discipline of minors
(usually female) by adults or peers, though
some stories may contain sexual activities.*

About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

Paul Bunyan and the Great Lakes

(★ ★ ★ ★ , M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as *F6/f24*, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like "sex" or "anal" (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any "spoilers" that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

A Little Spanking

(★★★★, M/f—Severe, semi-consensual paddling)

A guilty girl wants just a small spanking. (Approximately 3,492 words.)

Lei felt bad. It was her fault Sara had gotten in trouble. Those were Lei's cigarettes. She'd put them in Sara's backpack as her dress didn't have any pockets. Only she'd forgot and Sara's mom had found them. Sara had been spanked.

It had been brave of her to not rat out Lei, but now the girl felt terrible. Her best friend had been punished unjustly and Lei had gotten off with nothing. It wasn't fair. *Lei* deserved the spanking, not Sara.

Of course, Lei could go and confess, tell Sara's mom she'd made a mistake, but what would that accomplish?

Lei's parents would be notified and she would get her own spanking. Probably a pretty terrible one, maybe two, one for the cigarettes and one for getting her friend in trouble. But that wouldn't undo Sara's spanking. Her butt would still be red and sore. Her mother had used a hairbrush and really battered her butt. Lei had seen the burgundy marks and they weren't pretty. Sara was going to have trouble sitting for at least the next week.

For a while Lei considered asking Sara's mom to spank her. Maybe if she did she wouldn't tell Lei's parents about the cigarettes. But that was a steep maybe. The more Lei thought about it, the more she concluded that it wouldn't work. Cigarettes were a serious matter, especially to a girl of just 14. There was no way Sara's mom would keep that a secret. Even if she did spank Lei, she'd still tattle, and then Lei would get another spanking at home.

Lei knew she deserved a spanking, at least a little one, but she didn't want two and she didn't want a hard spanking. The thing was, she'd never actually smoked. She'd gotten the cigarettes from her cousin and had kept the half-empty pack as a status symbol. She'd never used any. It was just cool to have the pack and pretend like she smoked. It was the best of both worlds: she got the rep of being bad, without actually having to be bad. Except now she'd gotten her best friend spanked.

The guilt was driving Lei mad. The next week was the longest of her life. She couldn't sleep, could barely eat, and was glum all the time. Nothing cheered her up. Sara

laughed off the whole thing and said it was fine, but Lei knew how much spankings hurt. She'd seen the marks on Sara's bottom as they faded into brown bruises and then grayish-yellow blotches. She'd seen her friend wince when sitting. Every time it was another knife into her heart.

Countless moments she nearly confessed to her parents, but each time she chickened out. Lei *hated* being spanked and was terrified of pain. Her bottom was so tender and sensitive. Just a few smacks with a hairbrush had her in tears. If she knew it would just be a little spanking, a few painful swats with the brush, maybe she could drum up the courage.

But there were no guarantees that it would be just a few smacks. Knowing her father's hatred of cigarettes, she'd be lucky to have a bottom left when he was done with her. He'd probably use his belt and whip her raw. She didn't dare risk it.

One night as she tossed and turned it occurred to her that she could ask Sara to spank her. Sara was her friend and wouldn't be too harsh. Sara could give her a little spanking. She was petite and not too strong. Even if she used her mom's hairbrush it wouldn't be too bad.

But would Sara even do it? Every time Lei apologized, her friend said it was forgotten.

"I'm sure I deserved a spanking for something else and didn't get one. It all evens out in the end. Don't worry about it. Sorry about the cigarettes, by the way. Mom flushed them down the toilet."

Lei couldn't believe it: she'd gotten Sara spanked and her friend was apologizing to *her*!

But that was typical Sara. She was a sweetheart. Lei doubted she'd spank her even if Lei begged. What was a girl to do? The guilt was eating her up inside.

It was then she remembered Uncle Larry. He wasn't really her uncle. He was her dad's best friend since childhood. Lei had called him "uncle" for as long as she could remember. He was a part of the family. She loved him and he adored her. He always spoiled her on her birthdays, buying her awesome presents or taking her out for an adventure, like that time he took her to Six Flags. She trusted him. He'd kept secrets for her before. Small things, but still. She didn't doubt that he'd keep this one if she asked.

The question was, could he spank her? He was a bachelor. He didn't have any kids. He'd probably never spanked anyone. That could be to her advantage, of course, as he wouldn't know he wasn't spanking her hard, but then it might make him less likely to agree to do it.

She waffled on this for a few more days, and then showed up at his house after school. As she expected, he was in his workshop building behind the home. As a fireman, he worked long shifts and then was off several days, so he did a lot of projects in his spare time. He mostly fiddled with small engines, but he did some woodworking, too. When she got there he had a lawnmower apart on his table and said he was fixing it for a friend.

Lei sat on a metal tool chest, her legs dangling, and watched him work. He was cleaning out a carburetor or something she didn't understand but found fascinating, and she slowly told him her tale of woe. He listened, saying nothing, but nodded in sympathy when she revealed how Sara had been spanked for Lei's crime.

"I know I should confess," she concluded. "But what good would that do? Sara's already been spanked. She can't be *unspanked*. And I never actually smoked any of them. I just had the pack to look cool. If I tell Dad, he'll belt me bloody and I didn't even smoke!"

Dave put down a tool and studied her. "So what is it you want?"

"Just a *little* spanking. Not a hard spanking. I don't deserve that. Yeah, I guess it was wrong for me to even have the cigarettes, but I didn't use them and didn't even plan to ever smoke. So a little spanking seems fair, doesn't it?"

"I suppose. You did get your friend in trouble."

"I know. I feel so bad. But I couldn't stop it. It happened when I wasn't there. I forgot the cigarettes were in her bag and her mom found them later that night. If I'd been there I would have said they were mine, even if that meant I'd get spanked. But I wasn't and it's too late—Sara was already punished."

"So you want me to talk to your dad and convince him you only need a little spanking?"

That was an idea that had never occurred to Lei. She considered it, but shook her head. "Thanks, but he'd

never go for it. You know how much he hates smoking. He'd listen to you more than me, but he'd still spank me way too hard."

"So what I can do?"

Lei took a deep breath. She tried to act casual and unconcerned, but her voice cracked a little. "I was, uh, thinking... maybe... maybe *you* could give me a little spanking."

Uncle Larry had just picked up a part. He paused. Slowly he set it back on the table. He turned to look at her. "Me? You mean not tell your parents?"

"Yes. Our secret. But just a *little* spanking. For getting Sara in trouble."

"So not a real spanking. A pretend one."

"No, real. Just not that hard. I mean, hard enough. I do deserve a spanking. I'm not denying that. I just don't think I deserve a, uh, *full* spanking, not like I'd get from Mom or Dad."

Larry wiped his hands on a rag. "This 'little' spanking of yours doesn't sound like much of a spanking. Shouldn't you get at least as hard of a spanking as your friend Sara?"

"But that was an accident! It wasn't like I put the cigarettes in there to get her in trouble. She isn't even mad at me and her mom spanked her really hard. You should have seen her butt!"

"Oh yeah? She have blisters?"

"Pretty close. Her butt was cherry-red with hairbrush marks all over it. She showed me the next day. And that

was after almost 24 hours of healing. I'm sure it looked even worse right after the spanking."

"She got that just for possessing the cigarettes?"

"Well, it was an almost empty pack. I guess her mom thought she'd smoked the rest. So really she was spanked for possession *and* use."

"And you shouldn't get the same?" Uncle Larry raised his eyebrows at his "neice" and watched her squirm. "You didn't use them any more than Sara did, at least according to you. So if she was spanked for using them when she didn't, why shouldn't you?"

"But—" Lei stopped, confused. Uncle Larry was making this more difficult than it needed to be. All she wanted was a little spanking. Was that too much to ask?

"I'm willing to spank you, Lei," Larry said gravely. "And I won't tell your dad about the cigarettes. I believe you. You never intended to smoke them. But you have to admit it's only your word. There's no proof you didn't smoke the rest of the pack, or even just one to try it."

"And since you effectively lied about having the cigarettes—hiding them from your parents is a form of lying—how are we to trust you when you say, 'Yeah, I had illegal cigarettes, but I didn't use them' as your defense?"

"But you said you believe me!"

"I do. But I'm just saying, look at the position you put yourself in by having those cigarettes. It's like buying a gun, going to your enemy's house with it, pointing it at him, and then saying you never planned to kill him. Maybe it's true, maybe it's not. But it's certainly not a

good look for you, is it? Wouldn't a jury convict you on attempted murder? Even if you didn't pull the trigger?"

Lei had to admit Uncle Larry was right. In her heart she knew it was unfair, but it was an unfairness she'd brought upon herself. She squirmed. "So... maybe a little harder spanking," she said. "I guess that's fair."

"The purpose of a spanking isn't to hurt you, honey. It's to create an association between discomfort and improper behavior, so next time you're tempted to do something wrong—like keeping the cigarettes your cousin gave you—you'll make a better decision."

"But a little spanking will do that, Uncle Larry! I'm really sensitive. I *hate* pain. So a little spanking will hurt me enough. I swear I'll never do anything like this again."

He smiled at her. "I'm sure you won't. But then I'm biased. I even believe you when you say you didn't smoke."
